

CSB BANK LIMITED

(Formerly known as The Catholic Syrian Bank Limited)

Our Bank was incorporated on November 26, 1920 under the Indian Companies Act, 1913 as 'The Catholic Syrian Bank Limited'. A fresh certificate of incorporation under the Companies Act, 1956 was issued by the Registrar of Companies, Kerala at Ernakulum ("RoC") on April 14, 1987. The Shareholders of our Bank approved the change of the name of our Bank from 'The Catholic Syrian Bank Limited' to 'CSB Bank Limited' through a postal ballot resolution dated May 4, 2019. RBI through its letter bearing reference number DBR.PSBD.No.8231/16.01.060/2018-19 dated April 1, 2019 conveyed its 'no objection' in terms of Section 49B of the Banking Regulation Act to the change of name of our Bank from 'The Catholic Syrian Bank Limited' to 'CSB Bank Limited'. Subsequently, a fresh certificate of incorporation under the Companies Act, 2013 was issued by the RoC on June 10, 2019 and a fresh license bearing no. MUM-147 dated June 28, 2019 was issued by the RBI under our new name to carry on the banking business in India, in lieu of our previous license dated June 19, 1969. The name of our Bank was changed to 'CSB Bank Limited' from 'The Catholic Syrian Bank Limited', in the second schedule of the RBI Act with effect from June 10, 2019. For details of changes in the registered office of our Bank, see "History and Certain Corporate Matters" beginning on page 197.

THE OFFER WILL CONSTITUTE 12.11% OF THE POST-OFFER PAID-UP EQUITY SHARE CAPITAL OF OUR BANK.

**Subject to finalisation of Basis of Allotment.*

This Offer was made in terms of Rule 19(2)(b) of the Securities Contracts (Regulation) Rules, 1957, as amended ("SCRR") read with Regulation 31 of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the "SEBI ICDR Regulations"). This Offer was made through the Book Building Process in accordance with Regulation 6(2) of the SEBI ICDR Regulations wherein at least 75% of the Offer was allocated on a proportionate basis to Qualified Institutional Buyers ("QIBs") (the "QIB Portion"), provided that our Bank, in consultation with the BRLMs allocated 60% of the QIB Portion to Anchor Investors on a discretionary basis. One-third of the Anchor Investor Portion was reserved for domestic Mutual Funds, subject to valid Bids being received from the domestic Mutual Funds at or above the Anchor Investor Allocation Price. 5% of the QIB Portion (excluding the Anchor Investor Portion) was allocated on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion was allocated on a proportionate basis to all QIB Bidders (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. If at least 75% of the Offer cannot be Allotted to QIBs, the entire application money shall be refunded forthwith. Further, not more than 15% of the Offer was allocated on a proportionate basis to Non-Institutional Bidders and not more than 10% of the Offer was allocated to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received from them at or above the Offer Price. All Bidders, other than Anchor Investors, were mandatorily required to participate in the Offer through the Application Supported by Blocked Amount ("ASBA") process by providing details of their respective bank accounts and UPI ID in case of RIIs, as applicable, which were blocked by the Self Certified Syndicate Banks ("SCSBs"), as the case may be. Anchor Investors were not permitted to participate in the Anchor Investor Portion through the ASBA process. For details, see "Offer Procedure" beginning on page 622.

RISK IN RELATION TO THE FIRST OFFER

This being the first public offer of our Bank, there has been no formal market for the Equity Shares of our Bank. The face value of the Equity Shares is ₹10. The Offer Price/Floor Price/Price Band should not be taken to be indicative of the market price of the Equity Shares after the Equity Shares are listed. No assurance can be given regarding an active or sustained trading in the Equity Shares of our Bank nor regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISK

Investments in equity and equity-related securities involve a degree of risk and investors should not invest any funds in the Offer unless they can afford to take the risk of losing their investment. Investors are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, investors must rely on their own examination of our Bank and the Offer, including the risks involved. The Equity Shares in the Offer have not been recommended or approved by the Securities and Exchange Board of India ("SEBI"), nor does SEBI guarantee the accuracy or adequacy of the contents of this Prospectus. Specific attention of the investors is invited to "Risk Factors" beginning on page 23.

CERTAIN COVENTIONS, PRESENTATION OF FINANCIAL, INDUSTRY AND MARKET DATA

Certain Conventions

All references to “India” contained in this Prospectus are to the Republic of India. All references to the “Government”, “Indian Government”, “GOI”, “Central Government” or the “State Government” are to the Government of India, central or state, as applicable.

Unless stated otherwise, all references to page numbers in this Prospectus are to the page numbers of this Prospectus.

Financial Data

Unless stated otherwise, the financial information in this Prospectus is derived from our Restated Financial Information. The Restated Financial Information included in this Prospectus are as at and for the six month period ended September 30, 2019 and Fiscals ended March 31, 2019, March 31, 2018 and March 31, 2017, and have been prepared in accordance with Indian GAAP and Section 26 of Part I of Chapter III of the Companies Act, 2013, the SEBI ICDR Regulations and the Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by ICAI, as amended from time to time.

We prepare our audited financial statements in accordance with Indian GAAP and guidelines issued by the RBI, which differs in some respects from IFRS and U.S. GAAP. Accordingly, the degree to which the Indian GAAP financial statements included in Prospectus will provide meaningful information is entirely dependent on the reader’s level of familiarity with the Companies Act, 2013, Indian GAAP, RBI guidelines and the SEBI ICDR Regulations. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Prospectus should accordingly be limited. We have not attempted to quantify the impact of IFRS or U.S. GAAP on the financial data included in this Prospectus and we urge you to consult your own advisors regarding such differences and their impact on our financial data. Please see “*Risk Factors - Public companies in India, including us, will be required to prepare financial statements under Ind-AS. We have not determined with any degree of certainty the impact of such adoption on our financial reporting*” on page 31.

In this Prospectus, any discrepancies in any table between the total and the sums of the amounts listed are due to rounding off. All figures in decimals have been rounded off to the second decimal and all percentage figures have been rounded off to two decimal places. In certain instances, (i) the sum or percentage change of such numbers may not conform exactly to the total figure given; and (ii) the sum of the numbers in a column or row in certain tables may not conform exactly to the total figure given for that column or row. Further, any figures sourced from third party industry sources may be rounded off to other than to the second decimal to conform to their respective sources.

Our Bank’s financial year commences on April 1 and ends on March 31 of the next year. Accordingly, all references to a particular financial year, unless stated otherwise, are to the 12 month period ended on March 31 of that year. Unless stated otherwise, or the context requires otherwise, all references to a “year” in this Prospectus are to a calendar year. Further, until March 31, 1989, our Bank’s financial year commenced from January 1 and ended on December 31 of the calendar year.

Unless the context otherwise indicates, any percentage amounts, as set forth in “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Conditional and Results of Operations*” beginning on pages 23, 141 and 403, respectively, and elsewhere in this Prospectus have been calculated on the basis of our Restated Financial Information.

Currency and Units of Presentation

All references to:

- “Rupees” or “₹” or “INR” or “Rs.” or “Re.” are to Indian Rupee, the official currency of the Republic of India; and
- “USD” or “US\$” are to United States Dollar, the official currency of the United States.

Our Bank has presented certain numerical information in this Prospectus in “million” units. One million represents 1,000,000 and one billion represents 1,000,000,000. However, where any references that may have been sourced from third party sources are expressed in denomination other than millions or billions, such figures appear expressed in such denominations as provided in their respective industry sources.

Time

All references to time in this Prospectus are to Indian Standard Time.

Exchange Rates

This Prospectus contains conversion of certain other currency amounts into Indian Rupees. These conversions should not be construed as a representation that these currency amounts could have been, or can be converted into Indian Rupees, at any particular rate or at all.

The following table sets forth, for the periods indicated, information with respect to the exchange rate between the Rupee and the US\$ (in Rupees per US\$):

(Amount in ₹, unless otherwise specified)

Currency	As at

Industry and Market Data

Unless stated otherwise, industry and market data used in this Prospectus has been obtained or derived from various industry publications and sources, including officially prepared materials from the Government of India and its various ministries, the RBI and its publications.

Industry publications generally state that the information contained in such publications has been obtained from publicly available documents from various sources believed to be reliable but their accuracy and completeness are not guaranteed and their reliability cannot be assured. Accordingly, no investment decisions should be based on such information. Although we believe the industry and market data used in this Prospectus is reliable, it has not been independently verified by us, the Selling Shareholders or the BRLMs or any of their affiliates or advisors. The data used in these sources may have been re-classified by us for the purposes of presentation. Data from these sources may also not be comparable.

The extent to which the market and industry data used in this Prospectus is meaningful depends on the reader's familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which business of our Bank is conducted, and methodologies and assumptions may vary widely among different industry sources. Such data involves risk, uncertainties and assumptions, and is subject to change based on various factors. Accordingly, investment decisions should not be based solely on such information. For details in relation to the risks involving the industry data, see "Risk Factors" beginning on page 23.

In accordance with the SEBI ICDR Regulations, see "Basis for Offer Price" beginning on page 102, which includes information relating to our peer group companies. Such information has been derived from publicly available sources, and neither we, nor the Selling Shareholders nor the BRLMs have independently verified such information.

FORWARD-LOOKING STATEMENTS

This Prospectus contains certain “forward-looking statements”. These forward-looking statements generally can be identified by words or phrases such as “aim”, “anticipate”, “believe”, “expect”, “estimate”, “intend”, “objective”, “plan”, “propose”, “project”, “will”, “will continue”, “will pursue”, “seek to”, “shall” or other words or phrases of similar import. Similarly, statements whether made by us or any third parties that describe our strategies, objectives, plans or goals are also forward-looking statements. All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement.

Actual results may differ materially from those suggested by forward-looking statements due to risks or uncertainties associated with expectations relating to, *inter alia*, regulatory changes pertaining to the industries in India in which we operate and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India which have an impact on its business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition in the industries in which we operate.

Certain important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

- Our ability to manage our loan exposure and NPAs;
- Failure by our borrowers to repay outstanding borrowings;
- Our ability to sustain or achieve growth for deposit base, including CASA deposit;
- Regional concentration in southern India;
- Volatility in gold prices and interest rates and other market conditions;
- Our ability to maintain or grow our CASA ratio; and
- Our concentration of exposure to certain industry and service sectors.

For further discussion on factors that could cause actual results to differ from expectations, see “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” beginning on pages 23, 141 and 403, respectively. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual gains or losses could materially differ from those that have been estimated.

There can be no assurance to investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements to be a guarantee of our future performance.

Forward-looking statements reflect current views as of the date of this Prospectus and are not a guarantee of future performance. These statements are based on our management’s beliefs and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based are reasonable, any of these assumptions could prove to be inaccurate, and the forward-looking statements based on these assumptions could be incorrect. Neither our Bank, our Directors, the Selling Shareholders, the BRLMs nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the SEBI ICDR Regulations, our Bank and the BRLMs will ensure that the investors in India are informed of material developments pertaining to our Bank and the Offered Shares from the date of the Red Herring Prospectus until the time of the grant of listing and trading permission by the Stock Exchanges. The Selling Shareholders shall, severally and not jointly, ensure that investors are informed of material developments in relation to statements and undertakings specifically made or confirmed by such Selling Shareholder to the extent of information specifically pertaining to itself as a Selling Shareholder and its portion of the Equity Shares offered in the Offer in from the date of the Red Herring Prospectus until the date of Allotment.

SUMMARY OF THE OFFER DOCUMENT

SECTION II: RISK FACTORS

An investment in the Equity Shares involves a high degree of risk. You should carefully consider all the information in this Prospectus, including the risks and uncertainties described below, before making an investment in the Equity Shares. If any or some combination of the following risks actually occur, our business, prospects, results of operations, and financial condition could materially suffer, the trading price of the Equity Shares could decline, and you may lose all or part of your investment.

We have described the risks and uncertainties that we believe are material, but these risks and uncertainties may not be the only ones we face. Additional risks and uncertainties, including those we are not aware of or deem immaterial, may also result in decreased revenue, increased expenses or other events that could result in a decline in the value of the Equity Shares. In making an investment decision, prospective investors must rely on their own examination of us and the Offer, including the merits and risks involved. Investors should consult their own counsel and advisors as to business, investment, legal, tax, accounting, and other related matters concerning this Offer.

Prospective investors should pay particular attention to the fact that our Bank is incorporated under the laws of India and is subject to a legal and regulatory environment which may differ in certain respects from that of other countries. This Prospectus also contains forward-looking statements that involve risks and uncertainties. Our results could differ materially from such forward-looking statements as a result of certain factors, including the considerations described below and elsewhere in this Prospectus. To obtain a better understanding of our business, you should read this section in conjunction with the other sections of this Prospectus, including “Our Business”, “Management’s Discussions and Analysis of Financial Condition and Results of Operations”, and “Financial Statements” on pages 141, 403, and 237 of this Prospectus, respectively, together with all the other financial information contained in this Prospectus. Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implications of any of the risks described in this section. Unless otherwise stated, financial information used in this section is derived from our Restated Financial Information.

INTERNAL RISK FACTORS

- 1. Our business and financial performance could suffer if we are unable to effectively manage the level of our NPAs. Any change in the income recognition or asset classification norms or in RBI mandated provisioning requirements could also affect our business.***

For Fiscals 2017, 2018, and 2019, and for the six month period ended September 30, 2019, our net NPAs were ₹ 3,294.8 million, ₹ 2,637.8 million, ₹ 2,406.8 million and ₹ 2,215.0 million, which represented 4.12%, 2.87%, 2.27%, and 1.96% of our net advances, respectively. Our gross NPAs represented 7.25%, 7.89%, 4.87%, and 2.86% of our total advances as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. Although our Bank is making efforts to improve collections and to foreclose on existing impaired loans in a timely manner, there cannot be any assurance that we will be successful in our efforts or that the overall quality of our Bank’s loan portfolio will improve or will not deteriorate in the future. If our Bank is unsuccessful in controlling or reducing its impaired loans, or if there is a significant increase in impaired loans or deterioration in the quality of the assets that our Bank holds as security, our Bank’s future financial performance could be materially and adversely affected.

While we had a provisioning coverage ratio of 75.83%, 78.16% and 79.45% as on March 31, 2018 March 31, 2019 and September 30, 2019, respectively, we may need to make further provisions if recoveries with respect to such NPAs do not materialize in time or at all, or if NPA classification or provisioning requirements change.

There can be no assurance that we will be able to contain or further reduce NPAs or that the overall quality of our loan portfolio will improve or will not deteriorate in the future. Various factors beyond our control, such as rise in unemployment, prolonged recessionary conditions in the world economy, a sharp and sustained rise in the interest rates, developments in the Indian economy, movements in global commodity markets and exchange rates, increased global competition, and adverse changes in Indian laws, regulations, and policies (including farm loan waivers), could have an adverse impact on the quality of our loan portfolio. The inability of borrowers to repay loans may translate into mounting NPAs. Any increase in NPAs will reduce the net interest-earning asset base and increase provisioning requirements, thereby adversely affecting our financial condition and results of operations.

Stress in certain sectors of the economy could impact our customers and result in higher levels of NPAs and restructured assets in the future. Further, certain assets classified as restructured may subsequently be classified as delinquent or non-performing in case borrowers fail to restore their financial viability and honour their loan servicing obligations. There can be no assurance that the debt restructuring criteria approved by us will be adequate or successful and that borrowers will be able to meet their obligations under restructured advances. Any resulting increase in delinquency levels may adversely impact our business, financial condition, and results of operations.

The combination of changes in regulations regarding restructured loans, or provisioning requirements, and any substantial increase in the level of restructured assets, and the failure of these restructured loans to perform as expected, could materially and adversely affect our business and future financial performance.

2. *We have issued notices and initiated various recovery proceedings against defaulting borrowers under the SARFAESI Act and failure by such borrowers to repay the outstanding borrowings pursuant to such notices and proceedings may adversely affect our business.*

As on November 25, 2019, three notices, each involving an amount equal to or above ₹ 37.09 million, have been issued by our Bank under the SARFAESI Act against defaulting borrowers, involving an aggregate amount, to the extent quantifiable, of ₹ 217.92 million. Further to the notices issued under the SARFAESI Act, our Bank has initiated three civil proceedings, each involving an amount equal to or above ₹ 37.09 million, for possession of properties and other assets furnished as security with respect to the outstanding borrowings, involving an aggregate amount, to the extent quantifiable, of approximately ₹ 115.24 million. Additionally, the concerned borrowers may also initiate legal proceedings challenging the notices issued under the SARFAESI Act for recovery of outstanding borrowings. Currently, there is one such proceeding, which involves an amount equal to or above ₹ 37.09 million, where the amount in dispute, to the extent quantifiable, is ₹ 49.32 million. Our Bank has also initiated sixty four recovery proceedings against defaulting borrowers, each involving an amount equal to or above ₹ 37.09 million, involving an aggregate amount, to the extent quantifiable, of approximately ₹ 7296.09 million. There can be no assurance that the defaulting borrowers would repay the outstanding borrowings pursuant to the notices, or that we would succeed in these suits. As on November 25, 2019, we have made provisions to the tune of ₹ 4,799.36 million in relation to these defaulting loans. Any significant increase in write-offs and/or provisions would materially and adversely impact our Bank's financial performance.

3. *We have regional concentration in southern India, especially Kerala. Any adverse change in the economic, political, or geographical conditions of Kerala and other states in southern India can impact our results of operations. Additionally, we may not be successful in expanding our operations to other parts of India which could have an adverse effect on our business, financial condition, and results of operations.*

As of September 30, 2019, we have 412 branches in India. We also have three service branches and three asset recovery branches. Out of our 412 branches (excluding our three service branches and three asset recovery branches), 349 branches were located in southern India (including 267 branches located in Kerala and 56 branches located in Tamil Nadu) constituting 78.39% of our total branch network. As on March 31, 2019, out of our total deposits of ₹ 151,239 million, ₹ 101,278 million and ₹ 17,710 million were received from Kerala and Tamil Nadu, respectively, constituting 66.98% and 11.70% of our total deposits, respectively. Further, as on September 30, 2019, out of our total deposits of ₹ 155,098 million, ₹ 103,438 million and ₹ 18,336 million were received from Kerala and Tamil Nadu, respectively, constituting 66.69% and 11.82% of our total deposits, respectively. As on March 31, 2019, out of total advances of ₹ 106,152 million, ₹ 33,834 million and ₹ 25,983 million were in Kerala and Tamil Nadu, respectively, constituting 31.87% and 24.48% of our total advances, respectively. Further, as on September 30, 2019, out of total advances of ₹ 112,978 million, ₹ 33,231 million and ₹ 28,565 million were in Kerala and Tamil Nadu, respectively, constituting 29.41% and 25.28% of our total advances, respectively.

India has experienced natural calamities such as earthquakes, tsunamis, floods, and droughts in the past. Instances of floods or other natural calamities in India, particularly in Tamil Nadu, Puducherry, Kerala, and Karnataka, could have an adverse effect on our business and the price of our Equity Shares. Such events may result in a temporary decline in the number of our customers or in our employees' ability to perform their duties. For instance, recent floods in the south Indian state of Kerala impacted 12 branches and nine ATMs and caused major disruptions in our operations and adversely affected our business.

Our concentration in the southern India, and specifically in Kerala, exposes us to many adverse economic or political circumstances in the region as compared to other public and private sector banks that have a more diversified national presence. Any political unrest, disruption, disturbance, or sustained downturn in the economy of Kerala and other states in southern India could adversely affect our business, financial condition, and results of operations.

Additionally, while we continue to expand our operations outside of our traditional areas of operation, namely Kerala and other states in southern India, we face risks with respect to our operations in geographical areas in which we do not possess the same level of familiarity with the economic condition, consumer base, and commercial operations. Also, our competitors may have already established operations in areas outside southern India and we may find it difficult to attract customers in such new areas. Further, the general permission to open new branches has been withdrawn from our Bank by the RBI vide its letter dated January 30, 2015. For details, see "Risk Factors - We are required to obtain prior permission from RBI to open new branches" on page 45.

We may not be able to successfully manage the risks associated with such expansion, which could have a material adverse effect on our business, financial condition, and results of operations.

4. We are required to lend a minimum percentage of our ANBC to certain priority sectors. Any adverse performance by such priority sectors or any change in the RBI's regulations relating to priority sector lending or our Bank's inability to meet the priority sector lending targets could have a material adverse impact on our financial condition and results of operations.

In accordance with the Reserve Bank of India (Priority Sector Lending – Targets and Classification) Directions, 2016 dated July 7, 2016, as amended from time to time, all banks in India, including us, are subject to directed lending regulations. We are required to lend a minimum of 40% of our ANBC, or credit equivalent amount of off balance sheet exposure, whichever is higher, towards priority sectors. Our priority sector advances include advances for agriculture, social infrastructure, renewable energy, loans to MSMEs, housing loans, and educational loans. Further, the RBI has also mandated sub-targets of 18% of our ANBC, or credit equivalent amount of off balance sheet exposure, whichever is higher, to agriculture, 7.50% to MSMEs, and 10% to weaker sections.

As on March 31, 2017, 2018, March 2019 and September 30, 2019, our lending to priority sectors constituted 44.22% (i.e., ₹ 37,697.5 million), 42.96% (i.e., ₹ 35,519.3 million), 40.71% (i.e. ₹ 38,040.9 million), 45.86% (i.e. ₹ 43,930.47 million) respectively, of our ANBC, including 20.14% (i.e., ₹ 17,170.8 million), 20.53% (i.e., ₹ 16,973.8 million), 20.94% (i.e., ₹ 19,563.4 million) and 24.75% (i.e., ₹ 23,708.60 million) respectively, to the agricultural sector.

Further, as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, of our total NPAs, 10.33% (i.e., ₹ 619.8 million), 12.59% (i.e., ₹ 961.5 million), 11.69% (i.e., ₹ 620.7 million), and 2.01% (i.e., ₹ 410.2 million), respectively, were towards agricultural sector (excluding RIDF).

We have experienced instances of shortfalls in our directed lending to priority sectors in the past. Any shortfall in lending to priority sectors shall be allocated for contribution to the RIDF established with NABARD and other funds with NABARD/NHB/SIDBI/MUDRA Ltd, as decided by the RBI from time to time. Our investment in such deposits as on March 31, 2019 and September 30, 2019, was ₹ 5,393 million and ₹ 5,160.48 million, respectively.

Further, non-achievement of lending targets to priority sectors may also be considered as a factor by the RBI while deciding grant of regulatory clearances and approvals for various purposes. For a list of the material approvals and licenses required from the RBI under the Banking Regulation Act and the RBI Act, see “*Government and Other Approvals*” beginning on page 587. We cannot assure you that we will be able to meet the lending targets towards priority sectors. In case we are unable to meet such targets, we may have to deposit the shortfall with any one of such agencies, and failure to do so may result in refusal of the RBI to grant us regulatory clearances and approvals in the future.

Further, any change in the RBI's guidelines may require us to increase our lending to the priority sectors, and inability of borrowers from the priority sectors to repay loans may result in an increase in NPAs, which may materially and adversely affect our business, results of operations, and financial condition.

5. Volatility in the market price of gold may adversely affect our financial condition, cash flows, and results of operations. In addition, we may not be able to realize the full value of our pledged gold, which exposes us to potential loss.

Significant portion of our loan portfolio consist of advances that are secured by gold ornaments. As on September 30, 2019, our gold loans represented 33.17% of the total loans outstanding, while it was 24%, 26% and 31% of the total loans outstanding as on March 31, 2017, 2018, and 2019, respectively. Additionally, in Fiscals 2017, 2018, and 2019, and for the six month period ended September 30, 2019, defaults in our gold loan portfolio constituted 0.25%, 0.40%, 0.12%, and 0.12%, respectively, of our total gold loan portfolio for such periods. A sustained decrease in the market price of gold could cause a decrease in new gold loans in our loan portfolio, and as a result, our interest income. In addition, some of our customers may not repay their loans and a sharp downward movement in the price of gold could result in decline in the value of the gold ornaments securing the loans, which may result in losses. If the price of gold decreases significantly, our financial condition, cash flows, and results of operations may be adversely affected.

Our Bank offers loans against gold ornaments to specific customer segments; such loans are offered with monthly interest payments and principal due at maturity. These loans also have a margin requirement to account for a potential decrease in the value of the gold collateral. We experience cases of fraud in relation to gold collateral, from time to time. In the event our borrowers default on the repayment of loans, we may not be able to realize the full value of the collateral due to various reasons, including a possible decline in the realizable value of the collateral, defective title, pledge of spurious items as security, prolonged legal proceedings, and fraudulent actions by borrowers, or we may not be able to foreclose on the collateral at all. As a result, we may suffer monetary losses, which may not be covered by our insurance and may thereby adversely affect our profitability and results of operations. Our reputation could also be adversely affected by significant frauds committed by our customers.

Further, in case of a default, we typically sell the pledged gold through auctions. There may be delays associated with the auction process. We cannot assure you that we will be able to sell such pledged gold at prices sufficient to cover the amounts under default in a timely manner or at all. Any failure to recover the expected value of pledged gold ornaments could expose us to a potential loss. Any such losses could adversely affect our cash flows, financial condition, and results of operations.

6. *Our business, financial condition, results of operations, and prospects could be materially and adversely affected if we are unable to successfully execute our business and growth strategies and manage our growth effectively.*

During the Fiscals ended March 31, 2017, March 31, 2018, and March 31, 2019, our deposits decreased from ₹ 149,116 million as on March 31, 2017 to ₹ 146,906 million as on March 31, 2018 and increased to ₹ 151,239 million as on March 31, 2019, and our net advances increased from ₹ 80,008 million as on March 31, 2017 to ₹ 91,849 million as on March 31, 2018 and to ₹ 106,152 million as on March 31, 2019. As on March 31, 2019, our total deposits and total advances were ₹ 151,239 million and ₹ 106,152 million, respectively. As on September 30, 2019, our total deposits and total advances were ₹ 155,098 million and ₹ 112,978 million, respectively.

We continue to develop and implement a number of growth initiatives to become more competitive and promote sustainable growth. We have increased our focus on building SME advances, LAP products, two wheeler loan products, and personal loan products on the asset side, and NRI franchise and retail deposits on the liability side. We also intend to grow our CASA ratio, in order to reduce the cost of funds and improve our core deposits. Due to the increased concentration risk, we are cautious in our lending against gold ornaments. We are also now more cautious in advancing corporate loans.

We have in the past set targets for our business growth and will continue to set growth targets in the future; however, there can be no assurance that we will meet our current targets or any future targets. Further, there can be no assurance that we will be able to successfully implement our growth strategies in a timely manner or at all, or that any of our new products and services will gain customer acceptance.

Our ability to sustain and manage growth depends primarily upon our ability to manage key operational issues, such as recruiting and retaining skilled personnel, establishing additional branches, developing and marketing profitable products and services to cater to the needs of our existing and potential customers in our current markets, improving our risk management systems to monitor our newer businesses, maintaining and in a timely manner, upgrading an effective technology platform, developing a knowledge base to face emerging challenges, and ensuring a high standard of customer service. Sustained growth will put pressure on our ability to effectively manage and control historical and emerging risks. The expansion of our business activities also exposes us to a number of risks and challenges, including making incorrect judgments or assumptions as to customer acceptance of any new products and services, limited or no experience in certain new business activities, recruiting and training personnel to handle new and existing business activities, and enhancing and expanding our risk management and information technology systems to effectively manage the risks associated with these new business activities, products, and services.

Our ability to sustain and manage growth is also affected by factors outside of our control, such as GDP growth, changes in regulatory policies, changes in customer demand for loans, and changes in interest rates. We may not be able to successfully maintain growth rates due to unfavorable changes in any one or more of the aforementioned factors. Our inability to effectively manage any of these operational issues or react to external factors may materially and adversely affect our business, prospects, financial condition, and results of operations.

7. *We may not be able to maintain or grow our CASA ratio in accordance with our strategy which may materially affect our financial condition and results of operations.*

Our CASA ratio improved from 24.78% as on March 31, 2017 to 27.03% as on March 31, 2018 and to 27.84% as on March 31, 2019. Further, as on September 30, 2019 our CASA ratio was 28.19%. Our medium term strategy is to improve our CASA ratio to industry standards by expanding our client base through new-to-bank acquisitions and growing CASA book through deeper engagement with existing relationships. Over the last three Fiscals and for the six month period ended September 30, 2019, we have attempted to increase our CASA ratio through various initiatives, which include conducting CASA mobilisation campaigns, increasing our focus on cross-sale of fee based products to improve customer retention, increasing our non-resident savings base through a combination of acquisition and growth of non-resident savings portfolio on a relationship managed basis, and rationalizing of service charges for CASA products and services. Our Bank has recently introduced new product lines like INSTAPay online fee collection portal and revamped Suvidha salary proposition to attract high value institutional and corporate clients. The branch structure is also being revamped to focus more on CASA acquisition, retention, and growth.

However, attracting customer deposits in the Indian market is competitive. Recently, apart from public and private sector banks, we have also started facing competition from small finance banks and payment banks. Banks are now free to fix

differential interest rates on savings deposits for various value buckets. Though we have introduced differential pricing mechanism, there is no assurance that we can successfully sustain this mechanism, and that we will be successful in growing our CASA base.

In future, we may also be forced to increase interest rates for our CASA products further to remain competitive and there is no guarantee that from such move we will be able to enhance our customer base enough to compensate for the increase in interest rates. If we fail to maintain or grow our CASA ratio, our Bank's financial condition and results of operations may be materially and adversely affected.

8. We have a concentration of exposure to certain industry and service sectors and if such sectors experience any sustained difficulties, our business could be materially and adversely affected.

We monitor concentration of our exposures to sectors and calculate sector-wise exposure as required by the RBI. As on September 30, 2019, our gross advances extended to top five industry and service sectors is shown in the table below. Furthermore, we have exposure to (a) agriculture, MSMEs, education, and housing, sectors which the RBI categorizes as priority sectors, and (b) NBFCs. As on September 30, 2019, priority sector advances (including eligible investments) aggregated to ₹ 38,770.06 million, which represented 45.86% of our ANBC.

Industry/Service Sector	Gross advances (₹ in million)	Exposure as % of Total Advances
	As on September 30, 2019	
A. Industries		
Textiles	4,360.41	3.82
Food Processing	3,287.12	2.88
Chemicals and Chemical Products (Dyes, Paints, etc.)	1,521.04	1.33
Infrastructure	1,265.48	1.11
Construction	1,260.51	1.11
B. Services		
NBFC including HFCs	20,701.71	18.15
Trade (Wholesale and retail)	8,953.31	7.85
Commercial Real Estate	2,555.42	2.24
Tourism, Hotel and Restaurants	1,710.12	1.50
Transport Operators	743.86	0.65

Further, in the first half of Fiscal 2019, we faced challenges arising out of excess liquidity deployed in short term instruments, resulting in spreads and capital constraints limiting its capacity to grow advances. However, we addressed this by growing advances with low risk weights like gold loans and discounted bills, to companies with high credit ratings.

Accordingly, we financed fresh/ additional credit facilities, with an exposure of ₹ 6,658.9 million to housing finance companies, details of which are given below:

External Rating	No. of Accounts	Fresh exposure (in ₹ million)	Risk weight (%)
AAA	3	3,499.9	20
AA	3	1,649.9	30
A	5	1,436.6	50
BBB	1	72.5	100
Total	12	6,658.9	

Considering the liquidity position, we had deployed funds in housing finance companies with a good rating and carry low risk weight and consequently there was an increase in the indirect exposure to NHB/housing finance companies from Fiscal 2018 to Fiscal 2019. Major exposures were in AAA, AA and A rated companies with risk weight ranging from 20% to 50%. All these above accounts were standard and regular without any arrears in repayment.

Any significant difficulty in a particular sector, driven by events not within our control, such as regulatory action or policy announcements by government authorities or natural disasters, would adversely impact the ability of borrowers in that

industry/service sector to service their debt obligations to us. As a result, we would experience increased delinquency risk, which may materially and adversely impact our business, prospects, financial condition, and results of operations.

9. Our business is vulnerable to interest rate related risks. Volatility in interest rates could adversely affect our net interest margin, the value of our fixed income portfolio, our security receipts, our income from treasury operations, the quality of our loan portfolio, and our financial performance.

Our interest income amounted to 90% and 89.66% of our total income in Fiscal 2019 and for the six month period ended September 30, 2019, respectively. Net interest income represents the excess of interest earned from interest-earning assets (such as performing loans and investments) over the interest paid on interest-bearing customer deposits and borrowings. Our net interest margin for Fiscals 2017, 2018, and 2019, and for the six month period ended September 30, 2019, was 2.11%, 2.57%, 2.80%, and 3.43%, respectively.

Interest rates are sensitive to many factors beyond our control, including the RBI's monetary policy and domestic and international economic and political conditions, as well as other factors. Volatility and changes in market interest rates could disproportionately affect the interest we earn on our assets as compared to the interest we pay on our liabilities. The difference could result in an increase in interest expense relative to interest income leading to a reduction in net interest income. Accordingly, volatility in interest rates could materially and adversely affect our business and financial performance. An increase in interest rates may also adversely affect the rate of growth of important sectors of the Indian economy, such as corporate, retail, and agricultural sectors, which may materially and adversely impact our business. Such increase in the interest rates may lead to inability of the borrowers to repay the loan amount. Any consequent increase in the delinquency rates will mean that the interest income from such advances will no longer accrue and this will further affect our net interest income.

Our sources of funding have primarily been customer deposits. Our cost of funds is sensitive to interest rate fluctuations, which exposes us to the risk of reduction in spreads. In addition, attracting customer deposits in the Indian banking industry is competitive. The rates that we must pay to attract deposits are determined by numerous factors such as the prevailing interest rate structure, competitive landscape, Indian monetary policy, and inflation. If we fail to achieve or sustain continued growth of our deposit base, we may be forced to rely more heavily on more expensive sources of funding, such as the wholesale market, which could materially and adversely affect our profitability and business. In addition, interest-earning assets tend to re-price more quickly than interest-bearing liabilities. Increases in interest rates applicable to our liabilities, without concurrent or corresponding increases in interest rates applicable to our interest-bearing assets, may result in a decline in our net interest income, which could materially and adversely affect our business and financial results.

Furthermore, in the event of rising interest rates, our borrowers may not be willing to pay correspondingly higher interest rates on their borrowings and may choose to repay/pre-pay their loans with us, particularly if they are able to switch to more competitively priced loans offered by other banks. Our inability to retain customers as a result of rising interest rates may adversely impact our earnings in future periods. Similarly, in the event of falling interest rates, we may face more challenges in retaining our customers if we are unable to offer competitive rates on deposits as compared to other banks in the market which could materially and adversely affect our business and financial results.

10. Our funding requirements are primarily met through customer deposits. If we fail to sustain or achieve growth of our deposit base, including our current and savings account deposit base, our business may be adversely affected.

We meet our funding requirements through short-term (i.e., maturity up to one year) and long-term (i.e., maturity for more than one year) deposits from retail depositors (deposits of less than ₹ 20 million) and wholesale depositors (deposits of ₹ 20 million and above). Banks usually face an asset-liability mismatch due to the difference in maturity patterns of their liabilities and assets. Where maturing liabilities are more than the assets, there is a negative mismatch and a potential liquidity problem.

As on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019 we have an asset liability mismatch. The bucket-wise mismatches are as under:

Mismatch has been arrived at by subtracting total inflows from total outflows.

Mismatch percentage has been arrived at based on the formula: $\frac{\text{total inflows} - \text{total outflows}}{\text{total outflows}} \times 100$

The data is subject to various assumptions on renewal of retail term deposits, behavior of non-maturity deposits (CASA and loans - overdrafts and cash credits), and repayments of short and long term loans. Non-renewal of retail term deposits or higher than expected volatility in non-maturity deposits or delay in repayment of loans or increase in the proportion of long term loans can alter the mismatch position of our Bank adversely. Consequently, we may face a liquidity problem. As a result, we may be required to pay higher interest rates to attract deposits, which may have an adverse impact on our business and results of operations.

Any failure on our part to minimize the asset liability mismatch resulting in higher liquidity risk may adversely affect our business, financial condition, and results of operations.

11. We have concentration of loans to and deposits from certain customers, which expose us to the risk of credit losses and premature withdrawal of deposits from these customers which could materially and adversely affect our asset quality, financial condition, and results of operations.

As of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, our total advances to the 20 largest borrowers were ₹ 10,041.8 million, ₹ 14,543.70 million, ₹ 16,196.70 million and ₹ 18,121 million, respectively. The percentage of advances to the 20 largest borrowers to total advances of our Bank accounted for approximately 10.85%, 13.87%, 13.50% and 15.47%, as of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. Loan facilities provided to few of these 20 largest borrowers have also been restructured. We cannot assure you that these borrowers will continue to honour their commitments and that there will be no defaults in future. We cannot assure you that there will not be any delay in payments of interest and/or principal from these borrowers.

As of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, our total deposits from the 20 largest depositors were ₹ 10,523 million, ₹ 7,513.90 million, ₹ 10,364.30 million and ₹ 10,815.8 million, respectively. The percentage of deposits from the 20 largest depositors to the total deposits of our Bank accounted for approximately 7.06%, 5.11%, 6.85% and 6.97%, as of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. We cannot assure you that there will not be any premature withdrawal or non-renewal of deposits from these depositors.

If any or a substantial number of our 20 largest depositors withdraw their deposits or do not roll over their time deposits upon maturity, we may be required to seek more expensive sources of funding, including paying higher interest rates in

order to attract and/or retain further deposits, and we cannot assure you that we will be able to obtain additional funding on commercially reasonable terms as and when required. In such an event, our Bank's liquidity position, financial condition, business, and results of operations may be materially and adversely affected.

In the event any of the above risks materialize, our business, our asset quality, results of operations and financial conditions may be adversely affected.

12. *We operate in a highly regulated environment. Any change to the existing legal or regulatory framework will require us to allocate additional resources, which may increase our regulatory compliance costs and direct management attention and consequently affect our business, for instance on February 25, 2019, the RBI imposed a penalty of ₹ 40 million on our Bank for non-adherence to timeline specified for implementation and strengthening of SWIFT related operational controls.*

We operate in a highly regulated environment in which we are regulated by the SEBI, the RBI, the IRDAI, and other regulators. Accordingly, legal and regulatory risks are inherent and substantial in our business. As we operate under licences or registrations obtained from appropriate regulators, we are subject to actions that may be taken by such regulators in the event of any non-compliance with any applicable policies, guidelines, circulars, notifications, and regulations issued by the relevant regulators.

Being regulated, we are subject to regular scrutiny and supervision by respective regulators, such as regular inspections that may be conducted by the RBI. We are also required to comply with regulatory guidelines in relation to approval and disbursal of loans. Such requirements imposed by regulators are designed to ensure the integrity of the financial markets and to protect investors and depositors. Any non-compliance with regulatory guidelines and directions may result in substantial penalties and reputational impact, which may affect the price of our Equity Shares. Among other things, in the event of being found non-compliant, we could be fined or prohibited from engaging in certain business activities. For instance, on February 25, 2019, the RBI imposed a penalty of ₹ 40 million on our Bank for non-adherence to timeline specified for implementation and strengthening of SWIFT related operational controls.

In addition, we are also exposed to the risk of us or any of our employees being non-compliant with insider trading rules or engaging in front running in securities markets. In the event of any such violations, regulators could take actions, including financial penalties against us and the concerned employees. This could have a materially adverse financial and reputational impact on us.

Any change to the existing legal or regulatory framework will require us to allocate additional resources, which may increase our regulatory compliance costs and direct management attention and consequently affect our business.

13. *The RBI has, in the past, imposed penalties on us for, amongst other things, failure to adhere to instructions/guidelines for opening accounts and maintaining necessary record of all cash deposits and withdrawals and violations under KYC/AML norms. In July 2007, the RBI imposed a penalty of ₹ 1 million on our Bank, being a penalty of ₹ 0.5 million for non-adherence to KYC norms and AML standards while opening and operating certain accounts, and of ₹ 0.5 million for failure of the internal control systems in detecting irregularities. We may not be able to detect money-laundering and other illegal or improper activities fully or on a timely basis, which could expose us to additional liability and harm our business and/or our reputation.*

We are required to comply with AML and anti-terrorism laws and other regulations in India. In the ordinary course of our banking operations, we run the risk of failing to comply with the prescribed KYC procedures and the consequent risk of fraud and money laundering by dishonest customers, and assessment of penalties and/or imposition of sanctions against us for such compliance failures, despite having implemented systems and controls designed to prevent the occurrence of these risks.

The RBI has, in the past, imposed penalties on us for, *inter-alia*, failure to adhere to instructions/guidelines for opening accounts and maintaining necessary record of all cash deposits and withdrawals and violations under KYC/AML norms. In July 2007, the RBI imposed a penalty of ₹ 1 million on our Bank, being a penalty of ₹ 0.5 million for non-adherence to KYC norms and AML standards while opening and operating certain accounts, and of ₹ 0.5 million for failure of the internal control systems in detecting irregularities.

Although we believe that we have adequate internal policies, processes, and controls in place to prevent and detect any AML activity and ensure KYC compliance, there can be no assurance that we will be able to fully control instances of any potential or attempted violation by other parties and may accordingly be subject to regulatory actions including imposition of fines and other penalties by the relevant government agencies to whom we report. Our business and reputation could suffer if any such parties use or attempt to use our Bank for money-laundering or illegal or improper purposes and such attempts are not detected or reported to the appropriate authorities in compliance with applicable legal requirements.

14. Public companies in India, including us, will be required to prepare financial statements under Ind AS. We have not determined with any degree of certainty the impact of such adoption on our financial reporting.

The Ministry of Corporate Affairs, in its press release dated January 18, 2016, issued a roadmap for implementation of Ind AS converged with IFRS for scheduled commercial banks, insurers, insurance companies, and non-banking financial companies. This roadmap requires these institutions to prepare Ind AS based financial statements for the accounting periods beginning from April 1, 2018 onwards with comparatives for the periods ending March 31, 2018. The RBI, by its circular dated February 11, 2016, initially required all scheduled commercial banks to comply with Ind AS for financial statements for the periods stated above. However, the RBI *vide* its notification dated March 22, 2019 has now decided to defer the implementation of Ind AS for scheduled commercial banks till further notice.

While we are in the process of assessing possible impact of Ind AS on our financial reporting, the nature and extent of such impact is still uncertain. In this Prospectus, we have not made any attempt to quantify or identify the impact of the differences between Ind AS and Indian GAAP as applied to our historical financial statements and there can be no assurance, therefore, that our financial condition, results of operations, cash flows or changes in shareholders' equity will not appear materially different under Ind AS than under Indian GAAP. Further, the new accounting standards may require change, among other things, our methodology for estimating allowances for expected loan losses and for classifying and valuing our investment portfolio and our revenue recognition policy. For estimation of expected loan losses, the new accounting standards may require us to calculate the present value of the expected future cash flows realizable from our advances, which may result in us recognizing allowances for expected loan losses in the future that may be higher or lower than under current Indian GAAP. In our transition to Ind AS reporting, we may encounter some difficulties in the ongoing process of implementing and enhancing our adequate technology support and management information systems, including the maintenance of parallel books under both the accounting norms.

Moreover, although we currently have an internal control framework in place in order to report our financial statements under Indian GAAP, we will have to modify our internal control framework and adopt new internal controls in order to report under Ind AS. These new internal controls will require, amongst others, a transition to more model-based evaluation of certain items, as well as staff that is well informed about Ind AS. There is no guarantee that we will be able to implement effective internal controls under Ind AS in a timely manner or at all and any failure to do so could materially and adversely affect our results of operations, financial condition, and cash flows.

15. Our business is vulnerable to investment risk, and any protracted or sudden decrease in the value of our investments can adversely affect our results of operation and financial condition.

Pursuant to RBI notification dated December 5, 2018, bearing number RBI/2018-19/86 DBR.No.Ret.BC.10/12.02.001/2018-19, we are required to maintain a minimum specified percentage, currently 18.50%, of our net demand and time liabilities in Government securities and other approved assets as SLR. Yields on these investments, as well as yields on our other interest-earning assets, are dependent to a large extent on interest rates and valuation. In a rising interest rate environment, especially if the increase is sudden or sharp, and/or due to changes in valuation of the investments/assets, we could be adversely affected by a decline in the market value of our Government securities portfolio and other fixed income securities and may be required to further provide for depreciation in the "Available for Sale" and "Held for Trading" categories.

As on March 31, 2019, and September 30, 2019, 81.92% and 82.69%, of our total gross investments were in Government securities for SLR. As on March 31, 2019, 29.88% and nil% of our gross investments were held in the "Available for Sale" and the "Held for Trading" categories, respectively. As on September 30, 2019, 30.54%, and 1.66%, of our gross investments were held in the "Available for Sale" and the "Held for Trading" categories. For securities in the "Available for Sale" and "Held for Trading" categories which are subject to market risk, we are required to mark to market at regular intervals and net depreciation is recognized and provided for, while net appreciation is ignored. In respect of securities under the "Held to Maturity" category, we are not required to mark the same to market but are required to amortize the difference between acquisition cost and face value of the security over the residual maturity period of the security wherever the acquisition cost is greater than the face value. Further, any change in the RBI norms in relation to limits and other conditions for such categories of investments could adversely affect our business and financial results.

Our investment portfolio as on March 31, 2019, and September 30, 2019, included security receipts of ₹ 2,110.21 million and ₹ 1,969.27 million issued by ARCs, respectively. As per the RBI guidelines on declaration of net asset value of security receipts issued by a securitisation company, these receipts have to be valued on NAV basis. Values of these receipts are dependent on the value of underlying securities, recoverability, disposability, and market factors. Where there is a decline in value, we will have to make provision for the same and our profitability will be affected to that extent.

16. Our success depends largely upon our management team and skilled personnel and our ability to manage attrition as well as to attract and retain personnel, and any increase in our attrition levels may increase our expenses on personnel and adversely affect our results of operations.

We believe that the breadth of experience of our management team coupled with their in-depth knowledge of banking operations and management provides us the anchor to continue building a robust and sustainable organization. Our management’s capabilities, strong reputation, extensive network of industry relationships, and extensive experience in the finance and banking industry are the key to our growth, modernization, and development. We rely heavily on the expertise and experience of our senior management personnel.

Our performance and success depend largely on our ability to nurture and retain the continued service of our management team and skilled personnel. Retirement age for all officers/executives of our Bank has been reduced from 60 years to 58 years with effect from April 30, 2019. As a result, a considerable portion of our senior management, having been associated with our Bank for several years, is due to retire in the next few years. We intend to re-appoint the retired employees on a contractual basis until we find suitable replacements. However, we may not be able to replace our senior management with similarly experienced professionals, which could materially and adversely impact the quality of our management and leadership team. Further, there is significant competition for management and other skilled personnel in the banking industry. As a result, we face a continuing challenge to hire and assimilate a number of skilled personnel. Also, there is no assurance that we will not lose our senior management personnel to our competitors that may offer more competitive remuneration packages and other benefits. In Fiscals 2017, 2018, and 2019, our attrition levels (measured as a percentage of the total number of employees whose employment with our Bank was terminated other than by way of superannuation during a financial year to the total number of employees of our Bank as at the end of such financial year) were 2.28%, 6.23%, and 12.33%, respectively. In the six month period ended September 30, 2019, our attrition levels (measured as a percentage of the total number of employees whose employment with our Bank was terminated other than by way of superannuation during the half year ended September 30, 2019 to the total number of employees of our Bank as at the end of such half year ended September 30, 2019) was 3.45%.

Any increase in our attrition levels may add to our expenditure on personnel. Our failure to retain our management team and skilled personnel or to attract new talent to aid our growth and carry out our strategies could materially and adversely affect our business, prospects, financial condition, and results of operations.

17. We and some of our Directors are involved in certain legal and other proceedings in India and may face certain liabilities as a result of the same.

We and some of our Directors are involved in a number of legal proceedings, which are currently pending at different stages of adjudication before various legal and statutory fora. A summary of the outstanding litigation involving our Bank, our Directors, our Promoter, and our Group Company, in terms of the SEBI ICDR Regulations and the Materiality Policy, as on the date of this Prospectus is set out in the table below, where an adverse outcome in such litigation could materially and adversely affect our business, financial condition, and results of operations.

For further details, see “Outstanding Litigation and Material Developments”, beginning on page 468.

Such proceedings divert management time and attention, and consume significant financial resources in their defense or prosecution, which could materially affect our financial condition. Should any new developments arise, such as a change in law or rulings against us by courts or tribunals, we may need to make provisions in our financial statements, which could adversely impact our financial condition and results of operations. We cannot assure you that any of these proceedings will be decided in favour of our Bank and our Directors. If any adverse order is passed in any of these proceedings, or if additional penalties are assessed and/or sanctions are imposed on us in the future, it may have a material adverse effect on our business, reputation, financial condition, and results of operations.

18. One of our Directors, Mr. Madhavan Karunakaran Menon is involved in certain criminal proceeding. Any adverse decision in these matters may have an indirect impact on the reputation and business of our Bank.

One of our Directors, Mr. Madhavan Karunakaran Menon is involved in the following criminal proceedings:

- a) Mr. Bijan Kumar Mitra (the “**Complainant**”) registered an FIR bearing no. 44 of 2019 on March 2, 2019 at Rabindra Sarobor Police Station, Kolkata against Mr. Madhavan Karunakaran Menon and two employees of Thomas Cook (India) Limited (the “**Company**”), alleging commission of offences under Sections 406, 420 and 120B of the IPC. The Complainant has alleged that the Company had failed to refund the initial booking amount after cancellation of the tour by the Complainant, and therefore the Company is liable to be prosecuted. The Company had arrived at an amicable settlement with the Complainant and refunded the amount, and the same was acknowledged by the Complainant. The Complainant has requested the concerned police officer to withdraw his complaint against Mr. Madhavan Karunakaran Menon and employees of the Company. The Company is in the process of closing the matter before the concerned Police Officer.
- b) Mr. Ajay Kumar Singhanian (the “**Complainant**”) registered an FIR bearing no. 279 of 2018 on October 14, 2018 at Posta Police Station, Kolkata, against Mr. Madhavan Karunakaran Menon and 14 others, employees of Sterling Holiday Resorts Limited (“**SHRL**”), alleging commission of offences under Sections 406, 420 and 120B of the IPC. The Complainant alleged that SHRL had failed to provide holiday to the Complainant in Corbett Resort, neither constructed the Corbett Resort till date nor refunded the amount of ₹ 0.06 million with interest of ₹ 2.52 million. Subsequently, SHRL filed a petition for quashing the FIR under Section 482 of the Code of Criminal Procedure, 1973 in the Calcutta High Court. Further, the Calcutta High Court stayed the proceedings of the lower court and restrained the Police from taking any coercive action against the directors and employees of SHRL.
- c) Metropolitan Magistrate, Kolkata issued a summon in a complaint registered by Mr. Nirmala Devi Singhanian under Section 200 of the Code of Criminal Procedure, 1973 against Mr. Madhavan Karunakaran Menon and 13 others of SHRL alleging commission of offences under Sections 406, 417, 418, 420 and 120B of the IPC. Mr. Nirmala Devi Singhanian has alleged that SHRL has failed to adjust an amount of ₹ 0.03 million with interest of ₹ 0.76 million against the arrangement which was done in the years 2000 and 2003 respectively. SHRL filed a quashing petition before the Calcutta High Court and thereafter, the proceedings of the Metropolitan Magistrate Court, Kolkata was put on a stay by the Calcutta High Court.

If adverse orders are passed in any of these matters against Mr. Madhavan Karunakaran Menon, the reputation of our Bank and its operations maybe adversely affected. For further details, please see “*Outstanding Litigation and Material Developments – Litigation proceedings initiated against our Directors*” on page 584 of this Prospectus.

19. We have not been able to maintain the CRAR prescribed by RBI in the past and there can be no assurance that we will be able to maintain our CRAR above the minimum prescribed regulatory requirements in future, which could materially and adversely affect our results of operations and financial condition.

We are subject to regulations relating to capital adequacy of banks, which determines the minimum amount of capital we must hold as a percentage of the risk-weighted assets on our portfolio, or CRAR.

The RBI has prescribed the conditions for implementation of the Basel III capital regulation framework in India, which came into effect on April 1, 2013, and subject to a series of transitional arrangements to be phased in over a period of time, will be fully implemented by March 31, 2020.

The Basel III Norms require, among other things, higher levels of Tier 1 capital and common equity, capital conservation buffers, maintenance of a minimum prescribed leverage ratio on a quarterly basis, higher deductions from common equity and Tier 1 capital for investments in subsidiaries, changes in the structure of non-equity instruments eligible for inclusion in Tier 1 capital, and loss absorbency features for non-equity Tier 1 and Tier 2 capital. As of March 31, 2019, banks are required to maintain a common equity Tier 1 adequacy ratio of 5.50%, minimum Tier 1 capital ratio of 7.00%, minimum total capital ratio of 9.00%, and a capital conservation buffer of 1.875%. Also, as of September 30, 2019, banks are required to maintain a common equity Tier 1 adequacy ratio of 5.50%, minimum Tier 1 capital ratio of 7.00%, minimum total capital ratio of 9.00%, and a capital conservation buffer of 1.875%.

We have not been able to maintain the minimum prescribed CRAR under the Basel III Norms in past. As on March 31, 2018, our CRAR under the Basel III Norms was 8.33% (including capital conservation buffer), as compared to the minimum prescribed regulatory requirement of 10.875% (which includes a capital conservation buffer of 1.875%).

However, as on March 31, 2019, and September 30, 2019, our CRAR under the Basel III Norms was 16.70% and 22.77% (including capital conservation buffer), as compared to the minimum prescribed regulatory requirement of 10.875% (which includes a capital conservation buffer of 1.875%); but there can be no assurance that we will be able to maintain our CRAR above the minimum prescribed regulatory requirements in future.

Due to increase of size of assets and accordingly the risk weighted assets, there is an impact on the CRAR under the Basel III Norms. Further, any adverse developments could affect our ability to continue to satisfy the capital adequacy requirements, including deterioration in our asset quality, decline in the values of our investments or applicable risk weight for different asset classes. In case the CRAR falls below the minimum prescribed regulatory requirements in future, we may be constrained in further expanding our business.

The RBI or any other relevant authority may implement a package of reforms, including the terms which capital securities are required to have, in a manner that is different from what is currently envisaged, or may impose more onerous requirements. There can be no assurance that we will be able to comply with such requirements or that any breach of applicable laws and regulations will not adversely affect our reputation, business, financial condition, and result of operations.

If we fail to meet capital adequacy requirements, as may be prescribed by RBI from time to time, RBI may take certain actions, including restricting our lending and investment activities, further balance sheet growth, and the payment of dividends by us. These actions could also materially and adversely affect our reputation, results of operations, and financial condition. For further details, see “*Risk Factors - RBI guidelines relating to prompt corrective action could materially and adversely affect our business, future financial performance, and results of operations*” on page 53.

20. *Some of our corporate records are not traceable. These corporate records may not be available in future and we may be subject to penalty imposed by the competent regulatory authority in this respect.*

We are unable to trace copies of certain corporate records and filings made by our Bank in the past. In particular, we have been unable to trace: (i) resolutions for the issue and allotments of equity shares from our incorporation on November 26, 1920 till the financial year ended December 31, 1982; (ii) filings with the RoC in relation to issue and allotment of equity shares from our incorporation on November 26, 1920 till the allotment dated August 14, 1991; (iii) resolutions and form filing with the RoC in relation to change in our registered office on January 30, 1978; (iv) certificate of commencement of business; (v) original certificate of incorporation issued under the Indian Companies Act, 1913; and (vi) the details of allottees such as names of allottees and total number of allottees, in respect of all rights issues undertaken by the Bank from our incorporation on November 26, 1920 till November 30, 1999 (except for allotment dated October 20, 1993). Further, as per report dated July 5, 2019, SVJS & Associates, Company Secretaries, have conducted a search for these records with the RoC and have not been able to retrieve these records.

For details of the relevant documents relied upon to trace the share capital buildup of our Bank since incorporation, see “*Capital Structure*”, beginning on page 75.

Our Bank has not issued any Equity Shares for consideration other than cash, but our Bank is unable to establish the same for the period prior to the financial year ended December 31, 1982, as returns of allotment of Equity shares filed by our Bank with the RoC prior to financial year ended December 31, 1982 are not traceable. While we believe that these forms were duly filed on a timely basis, we have not been able to obtain copies of these documents, including from the RoC and have placed reliance on other documents, including annual reports and audited financial statements for corroborating the share capital history and other disclosures of our Bank for such periods.

We cannot assure you that these form filings and corporate records will be available in future or that we will not be subject to any penalty imposed by the competent regulatory authority in this respect.

21. *We focus and intend to continue to focus on our SME business. The growth of our SME business depends on the performance of the SME sector in India other macro level factors including but not limited to inflation, GDP and rural and urban consumption, competition from public and private sector banks, and financial institutions and NBFCs, and any change in government policies and statutory and/or regulatory reforms in the SME sector may affect our business and results of operations.*

As on March 31, 2019, and September 30, 2019, 32.00% and 29.47% of our total advances were to our SME customers, respectively. In recognition of the contribution and vast potential of the small enterprises finance sector in the economy, provision of adequate credit to this sector continues to be an important element of banking policy. The Government of

India has from time to time taken economic policy initiatives to promote this sector and enhance credit to SMEs. Some of the initiatives of the Government to support small enterprise financing include setting up a credit guarantee fund trust for small industries, Prime Minister's Employment Generation Programme, mudra loan schemes, risk sharing facilities, venture capital funding, and micro credit. The small enterprises finance sector currently is catered to largely by public sector banks, public financial institutions, and local unorganized private financiers.

Any change in the regulatory requirements in connection with the SME sector, change in government policies, and slowdown in liberalization and reforms affecting the sector could affect the performance of SMEs and demand for SME finance, and in turn, our business and results of operations.

22. *We may be unable to expand our NRI banking business, which could adversely impact our financial results.*

As a part of our growth strategy, we intend to focus on expanding our NRI banking business. As on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, our total NRI deposits constituted ₹ 35,748 million, ₹ 37,814 million, ₹ 37,610 million and ₹ 38,151 million, respectively, out of our total deposits of ₹ 149,116 million, ₹ 146,906 million, ₹ 151,239 million and ₹155,098 million, and constituted 23.98%, 25.74% and 24.87% of our total deposits for the respective Fiscals, and 24.60% of our total deposits for the six month period ended September 30, 2019.

We intend to continue our focus on further growth in NRI banking business by offering new products and personalized services. The strategy is to grow our NRI business by expanding our client base through new-to-bank acquisitions and top-up growth and by cross-selling with existing relationships.

We have introduced graded products with value added features in order to fulfil the requirements and aspirations of discerning customers in various value segments. For facilitating fund transfer services required by our NRI customers, we have remittance and rupee drawing arrangements with exchange houses in the Middle East and also have tie ups with money transfer agents, which enhances our capability to provide inward remittance services to our customers and strengthens our NRI business.

While we anticipate continued demand in the NRI banking business, growth of our NRI portfolio is subject to various factors including geographical location of our branches, availability of funding/inflows in such locations, quality of products offered, demand from NRIs, and competitiveness at such locations. We cannot assure you that we will be able to expand our NRI banking business, which could materially and adversely affect our growth prospects, financial condition, and results of operations.

23. *If our existing customers and targeted customers are not receptive to any changes to our brand identity or promotional activities, our business and results of operations could be adversely affected.*

Prior to June 2019, we were known as 'The Catholic Syrian Bank Limited'. To align with our objective to transform from a traditional regional / local bank to a new-age bank with a wider presence, and to underline our Bank's new identity, new businesses, and new energy, we have launched our identity makeover and rebranded ourselves as 'CSB Bank Limited' in June 2019, followed by a change of our Bank's legal entity name from 'The Catholic Syrian Bank Limited' to 'CSB Bank Limited'. Subsequent to 'no objection' conveyed by the RBI pursuant to its letter dated April 1, 2019, special resolution passed by the shareholders of our Bank through postal ballot on May 4, 2019, and a new certificate of incorporation dated June 10, 2019 received from the RoC, the name of our Bank was changed from 'The Catholic Syrian Bank Limited' to 'CSB Bank Limited'. A fresh license bearing reference no. MUM-147 dated June 28, 2019, was issued by the RBI under our new name to carry on the banking business in India, in lieu of our previous license dated June 19, 1969. The name of our Bank was changed from 'The Catholic Syrian Bank Limited' to 'CSB Bank Limited' in the second schedule of the RBI Act with effect from June 10, 2019 by Notification DBR.PSBD.No.503/16.01.160/2019-20 dated July 17, 2019 published in the weekly gazette (Part III-Section 4). While we believe our new brand name better aligns with our more modern and contemporary image, there is no assurance that our rebranding exercise will achieve the expected results. In addition, it may take time for our customers to get familiar with our new brand and new identity. If for any reason our existing customers and targeted customer segments are not receptive to our new brand and new identity, our business operations, cash flows, and results of operations may be adversely affected.

24. *We are required to maintain CRR and SLR and any increase in these requirements could materially and adversely affect our business, financial condition, and results of operations.*

As a result of the statutory reserve requirements stipulated by the RBI, we may be more exposed structurally to interest rate risk than banks in other countries. Under the extant RBI's Master Circular - Cash Reserve Ratio (CRR) and Statutory Liquidity Ratio (SLR) dated July 1, 2015, we are subject to a CRR requirement under which we are currently required to keep 4.00% of our demand and time liabilities in current account with the RBI. We do not earn interest on cash reserves maintained with the RBI. The RBI may further increase the CRR requirement as a monetary policy measure and has done

so on numerous occasions in the past. Increases in the CRR requirement could materially and adversely affect our business, net interest income, results of operations, and financial condition.

In addition, under the RBI's regulations, our liabilities are subject to a SLR requirement, according to which 18.50% of our net demand and time liabilities need to be invested in Government securities, state government securities and other securities approved by the RBI from time to time. When the interest rate rises, the value of these fixed coupon securities depreciates.

Further, our Bank has paid ₹ 0.36 million, ₹ 0.18 million, and ₹ 0.53 million to the RBI on account of default in maintaining SLR on a daily basis in Fiscals 1988, 1989, and 1990, respectively, as additional interest paid in respect of shortfalls in the SLR maintained during such periods. However, we have maintained our SLR and accordingly not paid any additional interest in respect of shortfalls in the SLR maintained post 1990 till September 30, 2019.

We cannot assure you that investment in such securities will provide returns better than other market instruments or whether we will be able to maintain the CRR and the SLR in future. Further, any increase in the CRR and the SLR requirements would reduce the amount of cash available for lending, which may materially and adversely affect our business, financial condition, and results of operations.

25. We have certain contingent liabilities and any crystallization of our contingent liabilities could materially and adversely affect our business, financial conditions, result of operations, and prospects.

Our contingent liabilities as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019 are as follows:

Particulars	Amount in ₹ Millions			
	March 31, 2017	March 31, 2018	March 31, 2019	September 30, 2019
Claims against the Bank not acknowledged as debt	393.77	402.38	371.75	387.86
Liability on account of outstanding forward exchange contracts	3,654.83	3,430.74	2,891.66	3,567.94
Guarantees given on behalf of constituents	2,546.84	2,140.99	2,094.34	2,271.68
Acceptance, Endorsement & other obligations	580.64	434.83	489.89	276.40
Other Items for which the Bank is contingently liable	619.02	676.58	729.93	766.24
	7,795.10	7,085.52	6,577.57	7,270.12

For details, see "Financial Statements" beginning on page 237.

The contingent liabilities (including claims against our Bank not acknowledged as debts, liability on account of outstanding forward exchange contracts, guarantees given on behalf of constituents, acceptances, endorsements and other obligations, and other items for which our Bank is contingently liable) have arisen during the normal course of business. We are subject to liquidity risk and credit risk on our off-balance sheet commitments because these commitments may need to be fulfilled by us in certain circumstances. In the event that any of the above liabilities crystallize, we may be required to honour the demands raised. If we are unable to recover payment from our customers in respect of the commitments that we are called upon to fulfill, our business, financial conditions, result of operations, and prospects may be materially and adversely impacted.

26. We have revalued certain assets in the past, which has resulted in increase in our 'reserves and surplus'. These reserves are not free reserves and we may not be able to utilise these for distribution as dividends or bonus shares to our shareholders.

Our Bank has undertaken revaluation of land and buildings during Fiscals 1991, 1994, 1999, 2005, 2007, 2008, 2013, and 2016. As on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, our revaluation reserves were ₹ 1,639.59 million, ₹ 1,594.67 million, ₹ 1,578.25 million, and ₹ 1,571.13 million, respectively.

Such revaluations resulted in appreciation in the value of said assets with corresponding increase in credit to our reserve and surplus, and depreciation over and above the normal depreciation attributable to revalued assets were set off against the revaluation reserve. However, as per the Accounting Standards issued by the ICAI, we cannot use these reserves to distribute either dividends or bonus shares to our shareholders. For details of revaluation reserves, see "Financial Statements" beginning on page 237.

27. Significant portion of our lending is backed by collateral. The value of such collateral may decrease or we may experience delays in enforcing such collateral if borrowers default on their obligations. This may result in failure to recover the expected value of collateralized security exposing us to potential losses.

As on March 31, 2019, and September 30, 2019, 95.95% and 94.85% of our advances were secured by collateral, including real estate assets, property, gold ornaments, plant, equipment, inventory, receivables, and pledges or charges on bank deposits, LIC policies, or marketable securities. The value of the collateral securing our loans, including, in particular, any property and gold ornaments, may significantly fluctuate or decline due to factors beyond our control, including those affecting the Indian and global economy in general.

In the event our borrowers default on the repayment of loans, we may not be able to realize the full value of the collateral due to various reasons, including a possible decline in the realizable value of the collateral, defective title or pledge of spurious items as security, prolonged legal proceedings, and fraudulent actions by borrowers, or we may not be able to foreclose on the collateral at all. Further, certain kinds of loans that are advanced by us are not secured by any assets.

In terms of the Banking Regulation Act, a banking company is not permitted to hold any immovable property (except as is required for its own use), for any period exceeding seven years, or as may be extended by RBI for a period not exceeding five years, on a case to case basis. Such restriction may force us to dispose off the collateral upon foreclosure without realizing the full value of such collateral.

A decline in the value of the security could impair our ability to realize the secured assets upon foreclosure, which may require us to increase our provision for loan losses. In the event of default with respect to any of these loans, the amounts we receive upon sale of the secured assets may be insufficient to recover the outstanding principal and interest on the loan. If we are required to re-value the assets securing a loan to satisfy the debt during a period of reduced asset values or to increase our allowance for loan losses, our profitability could be adversely affected, which could have a material adverse effect on our business, financial condition, results of operations, and prospects.

In India, foreclosure on collateral may be subject to delays and administrative requirements that may result or be accompanied by a decrease in the value of the collateral. Although legislations, such as the SARFAESI Act and IBC, strengthen the rights of lenders to enforce security and recover amounts owed from secured borrowers, there can be no assurance that such legislation will have a favorable impact on our efforts to reduce our levels of NPAs and we may not be able to realize the full value of our secured assets due to, among other things, delays in foreclosure proceedings, defects in the perfection of secured assets, fraudulent transfers by borrowers, and decrease in the value of secured assets.

Our inability to realize the full value of assets securing our loans on a timely basis or at all, and any compulsion to restructure our loans, could materially and adversely affect our asset quality, business, results of operations, and financial condition.

28. External or internal fraud could adversely affect our reputation, business, results of operations and financial condition.

In the past, we have experienced acts of fraud committed by or involving our customers/employees. Such acts could also bind us to transactions that exceed authorised limits or present unacceptable risks or hiding unauthorised or unlawful activities from us. The amount involved in frauds matters reported by us to the RBI in the Fiscal 2019 is ₹ 852.3 million.

The top 5 frauds reported during the Fiscal 2019 were of the following nature:

Our Bank has taken several measures to plug the gaps in the areas of appraisal, monitoring, internal audit system, reporting etc to strengthen the overall control systems. Few of the measures taken by our Bank recently are as follows:

- All corporate accounts are being monitored by wholesale banking department. Every corporate account has been specially assigned to a relationship manager to ensure individual monitoring of the accounts. Also, all SME accounts of above ₹ 5 million have a cluster head with a specific relationship manager who monitors the account. Thus, monitoring has been made more effective.
- Discretionary powers of branch heads are restricted to low risk/ self-liquidating facilities and loans under government sponsored schemes. The credit proposals are now appraised / sanctioned by officials who are well-versed with the process.
- Branches are now required to obtain certified copies of the title deeds at the time of legal scrutiny of the security of the immovable property offered as security and the same is required to be compared with the original of the title deeds by the local legal advisor (LLA) / senior legal advisor (SLA) and certify that there are no discrepancies noticed.
- The practice of obtaining encumbrance certificates / search reports and latest land and building tax receipts is now repeated, every 3 years from the date of disbursal or in the event of enhancement. The period of verification of prior deeds and requirement of encumbrance certificates is now increased to 30 years from 13 years.

- In respect of loans of ₹ 5 million and above, credit administration team (“CAT”) arranges legal clearance from law officer, zonal office and for valuation of security property. CAT also ensures that the sanction terms are complied with before disbursement of the limit.
- Our Bank has also implemented online risk based internal audit, on July 3, 2019.
- Our Bank has reiterated various instructions regarding monitoring of the advance accounts so that diversion of funds by the borrowers can be restricted.

However, it is not always possible to deter misconduct by employees and the precautions we take and the systems we have put in place to prevent and deter such activities may not be effective in all cases. Any instances of such misconduct or fraud could adversely affect our reputation, business, results of operations and financial condition.

29. Our Promoter will continue to retain majority shareholding in our Bank after this Offer and may be entitled to certain rights which may allow it to exercise significant influence over us.

As of the date of this Prospectus, our Promoter holds 50.09% of the issued, subscribed, and paid-up equity share capital of our Bank. Upon completion of the Offer, our Promoter will own 49.73% of our equity share capital. Pursuant to Section 12(2) of Banking Regulation Act and a Gazette Notification no. DBR.PSBD. No. 1084/16.13.100/2016-17 dated July 21, 2016, voting rights of our Promoter are capped at 26% of the total voting rights of our Bank which will allow our Promoter to vote in the capacity of a shareholder of our Bank on certain matters in the general meetings of our Bank. Subject to certain terms and conditions our Promoter may be entitled to certain rights, including board composition rights, anti-dilution rights and quorum rights. For further details in relation to such rights, see “*History and Certain Corporate Matters – Details of Shareholders’ agreements*” beginning on page 203. Accordingly, the interest of our Promoter in the capacity of a shareholder of our Bank may conflict with your interests and the interest of other shareholders of our Bank. This concentration of ownership may also delay, defer, or even prevent a change in control of our Bank and may make the completion of certain transactions more difficult or impossible without the support of our Promoter. In order to establish or preserve our relationship with our Promoter, we may agree to assume risks that are proportionately greater than the returns we expect to receive from such transactions. Such agreements may reduce our income and returns on these investments compared to what we would have received if our assumed risks and contributed resources were proportionate to our returns. Any of these factors could materially and adversely affect our operations and profitability.

30. Some of our Directors and Key Managerial Personnel have interests in our Bank that are in addition to their normal remuneration or benefits and reimbursement of expenses incurred.

Some of our Directors and Key Managerial Personnel have interests in our Bank that are in addition to reimbursement of expenses and normal remuneration payable to them. Our Managing Director and Chief Executive Officer, Mr. Rajendran Chinna Veerappan, is entitled to a variable pay component and grant of certain stock options on attainment of specific performance/operational parameters, subject to prior approval of the RBI. Further, pursuant to the RBI letter dated October 25, 2019 bearing reference number DBR.PSBD.No.3344/16.01.060/2019-20 RBI has imposed regulatory restriction of freezing the remuneration of our Managing Director and Chief Executive Officer. For further details, please also see “*Risk Factors – Our Bank is subject to certain restrictions on account of non-adherence of the listing timeline prescribed by the RBI, which could have an adverse effect on our business.*” beginning on page 45 of this Prospectus. Certain of our Key Managerial Personnel may also be deemed to be interested to the extent of Equity Shares, stock options held by them, as well as to the extent of any dividends, bonuses or other distributions on such Equity Shares. Further, three of our KMPs, who retired from our Bank and are currently employed by our Bank on contractual basis and may be deemed to be interested to the extent of pension received by them from our Bank. For further details in relation to such interests, see “*Our Management*” beginning on page 206.

31. The Indian banking industry is very competitive and our success will depend on our ability to compete effectively. Increased competitive pressure may have an adverse impact on our business, financial condition, and results of operations.

We face competition from public and private sector Indian commercial banks and foreign commercial banks in all our products and services. Some such banks are large institutions and may have much larger customer and deposit bases, larger branch networks, and wider capital base. We also face competition in some of our products and services from NBFCs, small finance banks, post office savings schemes, exchange houses, micro financing institutions, co-operative banks, and other entities operating in the financial sector.

Further liberalisation of the Indian financial sector could also lead to a greater presence or new entries of Indian and foreign banks offering a wider range of products and services, which could adversely affect our competitive environment.

The RBI had come out with a set of guidelines for licensing of new banks in the private sector in February 2013. The process of licensing culminated with granting of in-principle approval to two applicants who would set up new banks in the private sector within a period of 18 months. While announcing the decision to grant in-principle approval to the two applicants, the RBI indicated that going forward it would use the learning experience from this licensing exercise to revise the guidelines appropriately and move to grant licenses more regularly “on tap” basis. Subsequently, the RBI released the Guidelines for “on tap” Licensing of Universal Banks in the Private Sector on August 1, 2016.

The RBI has also issued guidelines dated November 27, 2014, on licensing of small finance banks and payments banks in the private sector in the banking industry, including the eligibility criteria, scope, capital requirements, shareholding structure, prudential norms, and other corporate governance practices applicable to such entities. Pursuant to these guidelines, the RBI granted in-principle approvals to 11 applicants to set up payment banks and in-principle approvals to 10 applicants to set up small finance banks. These changes in the regulatory environment have the effect of lifting entry barriers in the industry, which may not be favourable for existing players like us.

We also compete with foreign banks having operations in India. In November 2013, the RBI released a framework for the setting up of WOSs in India by foreign banks. The framework encourages foreign banks to establish a presence in India by granting rights similar to those received by Indian banks, subject to certain restrictions and safeguards. Under the current framework, WOSs of foreign banks are allowed to raise Rupee resources through issue of non-equity capital instruments. Further, WOSs of foreign banks may be allowed to open branches in Tier 1 to Tier 6 centres (except at a few locations considered sensitive on security considerations) without having the need for prior permission from RBI in each case, subject to certain requirements. These guidelines may result in increased competition from foreign banks.

Banks like us are also facing increased competition from non-banks including NBFCs and MFIs. Going ahead, there may be increase in the non-bank related financing activities through innovations like P2P lending. P2P lending, also referred to as ‘social investing’, ‘marketplace lending’ or ‘direct consumer lending’, is the practice of borrowing and lending of money among unrelated individuals and business entities, on online platforms, without any role of a traditional financial intermediary like a bank or a non-banking financial institution.

Our future success will depend in large part on our ability to respond to such developments in an effective and timely manner and on our ability to compete effectively. Increased competitive pressure may have an adverse impact on our business, financial condition, and results of operations.

32. *Majority of our business premises are leased. Accordingly, we are exposed to risks typical to leasing of commercial real estate, including risk of being evicted.*

As on September 30, 2019, we had 412 branches (excluding three service branches and three asset recovery branches) and 290 ATMs, majority of which were located on leased premises. As on September 30, 2019, some of our leases, including leases of certain of our Material Branches (identified on the basis of total business) had expired and were in the process of being renewed. Termination of or failure to renew lease agreements for these premises on terms and conditions favorable to us or at all may require us to shift the concerned branch offices or the ATMs to new premises. We may also face the risk of being evicted in the event that our landlords allege a breach on our part of any terms under these lease agreements and there is no assurance that we will be able to identify suitable locations to re-locate our operations. This may cause a disruption in our operations or result in increased costs, or both, which may materially and adversely affect our business, financial condition, results of operations, and cash flows in respect of such premises. Some of the lease agreements entered into by us may be inadequately stamped. As a result, these agreements may be inadmissible as evidence before a court of law. Further, some of the immovable properties used by us and taken on lease may have one or more irregularities of title such as non-registration of lease deeds. We cannot assure you that we would be able to enforce our rights under such agreements or in respect of such immovable properties, and any inability to do so, could impair our operations and adversely affect our financial condition. For further details, see “*Our Business – Property*” on page 181.

33. *We are subject to Risk Based Supervision (“RBS”) by RBI. Non-compliance with the RBI observations could adversely affect our business, financial condition, or results of operations and our ability to obtain the regulatory permits and approvals required to expand our business.*

Our Bank is subject to ISE by the RBI under section 35 of the Banking Regulation Act, which is a revised RBS framework, i.e. SPARC. In the past certain observations were made by the RBI during the RBS regarding our business and operations in its RBS reports. In these reports, the RBI has identified certain material adverse findings in the operations of our Bank in the Fiscal 2016, 2017 and 2018 which are *inter-alia* as follows:

- credit appraisal and monitoring;
- data quality and automation;
- monitoring and detection of frauds;

- compliance culture and risk monitoring;
- software and security measures;
- erroneous reporting and mis-classification;
- KYC non-compliance; and
- upgradation of ATMs.

While we attempt to be in compliance with all regulatory provisions applicable to us, in the event we are not able to comply with the observations made by the RBI, we could be subject to penalties and restrictions which may be imposed by the RBI. Imposition of any penalty or restriction by the RBI may have a material adverse effect on our reputation, financial condition, and results of operations.

The RBI conducts annual on-site inspections and offsite data collections on all matters addressing our banking operations and relating to, among other things, our Bank's portfolio, risk management systems, credit concentration risk, counterparty credit risk, internal controls, credit allocation, and regulatory compliance. RBS report is also based on the annual tranche data submissions done by our Bank. During the course of finalizing this inspection, the RBI inspection team shares its findings and recommendations with us and provides us an opportunity to provide clarifications, additional information, and where necessary, justification for a different position, if any, than that observed by the RBI. The RBI incorporates such findings in its final inspection report, and an aggregate risk score is awarded to our Bank. Upon final determination by the RBI of the inspection results, we are required to take actions specified therein by the RBI to its satisfaction, including, without limitation, requiring us to make provisions, impose internal limits on lending to certain sectors and tighten controls and compliance measures, and restricting our lending and investment activities. Any significant deficiencies identified by the RBI that we are unable to rectify to the RBI's satisfaction could lead to sanctions and penalties imposed by the RBI, as well as expose us to increased risks. Any failure to meet the RBI requirements could materially and adversely affect our reputation, business, financial condition, results of operations, pending applications or requests with the RBI, and our ability to obtain the regulatory permits and approvals required to expand our business.

34. *We may face labour disruptions that could interfere with our operations and we may be unable to manage our employee costs and expenses which could adversely affect our financial condition and results of operations.*

We are exposed to the risk of strikes and other industrial actions by our employees as well as trade unions that our employees are a part of. As of September 30, 2019, out of our 3,250 employees, 1,095 officers, 633 clerks, 79 peons, and 22 part-time sweepers were members of trade unions. . On February 26, 2018, April 2, 2019, April 29, 2019, and April 30, 2019, our employees who are members of the Catholic Syrian Bank Officers' Association and other trade unions went on strike. These strikes were called to protest, *inter alia*, reduction in superannuation age from 60 years to 58 years for officers/executives, recruitment of employees on CTC basis, and non-implementation of the 11th bipartite settlement. Our Bank has not signed the mandate of IBA which requires our Bank to participate in the negotiation talks for wage hike and other terms in respect of the 11th Bipartite settlement which started in November, 2017. However, our Bank may implement the terms mentioned in the 11th Bipartite settlement with prospective effect, which may have an adverse effect on the cost of operations of our Bank. We cannot guarantee that our employees will not undertake or participate in strikes, work stoppage, or other industrial actions in the future. Any such employee unrest events result in negative publicity about us and adversely impact our brand and reputation, and could disrupt our operations, possibly for a significant period of time, or result in increased wages and other benefits, or otherwise have a material adverse effect on our business, financial condition, or results of operation.

Further, there are several cases filed against us by our former or current employees before various tribunals and courts, in relation to claims for alleged wrongful termination of service, reinstatement along with back wages, transfers, and disciplinary actions taken against them. If any of the pending cases are decided against us, we may be subject to payment of back-wages, compensations, or may even be required to re-instate the employees, which could increase our administrative costs and adversely affect our financial condition and results of operations.

35. *We have entered into certain related party transactions, and in future we shall continue to enter into related party transactions in the ordinary course of our business on an arm's length basis.*

We have entered into and may in the ordinary course of our business continue to enter into certain transactions with related parties, including with our Promoter, Directors, Key Managerial Personnel, and Group Company. For details of the related party transactions during the last three Fiscals, and for the six month ended September 30, 2019 see "*Financial Statements - Related Party Transactions*" beginning on page 268. Certain related party transactions also require the approval of our shareholders, where the interested related parties are required to abstain from voting on such resolutions. While we have entered into such transactions on an arm's length basis, we cannot assure you that any related party transactions in future, individually or in aggregate, will not be perceived negatively or will always have a positive effect on our results of operations and financial condition.

36. We have limited access to credit and other financial information on borrowers than banks in other economies, which may decrease the accuracy of our assessment of credit risks and thereby increase the likelihood of borrower defaults, which could materially and adversely affect our business and financial results.

Our principal activity is to provide financing to borrowers located in India. The credit risk associated with our borrowers, including retail customers, SMEs, small and mid-sized corporates, agricultural and rural customers, and priority sectors, may be higher than in other economies due to the higher uncertainty in our regulatory, political, and economic environment, and the inability of our borrowers to adapt to global technological advances. Our corporate borrowers may suffer from low profitability because of increased competition as a result of economic liberalization policies, a sharp decline in commodity prices, a high debt burden, high interest rates in the Indian economy, and other factors.

In addition, India's system for gathering and publishing statistical information relating to the Indian economy generally or specific economic sectors within it or corporate or financial information relating to companies or other economic enterprises may not be as comprehensive as in countries with established market economies. The absence of such reliable and comprehensive statistical, corporate, and financial information, including audited financial statements and recognized debt and credit rating reports, relating to our present and prospective corporate borrowers or other customers makes the assessment of credit risk, including the valuation of collateral, more difficult. Many of the nationwide credit bureaus have become operational in India in recent years, and it may be some time before comprehensive information on the credit history of our borrowers, especially individuals and small businesses, is available to us. In many cases, we need to rely on the accuracy and completeness of information furnished by or on behalf of customers and counterparties, including financial statements and financial information. The difficulties associated with the inability to accurately assess the value of collateral and to enforce rights in respect of collateral, along with the absence of such accurate statistical, corporate, and financial information, may decrease the accuracy of our assessment of credit risk, thereby increasing the likelihood of borrower default on the loans provided by us and decreasing the likelihood that we would be able to enforce any security in respect of such loans or that the collateral will have a value commensurate to the respective loan. Moreover, the availability of accurate and comprehensive credit information on retail customers and small businesses in India is even more limited than for larger corporate customers, which reduces our ability to accurately assess the credit risk associated with lending to this category of borrowers.

Such difficulties in assessing credit risks associated with our day-to-day lending operations and risks associated with the business environment in India may lead to an increase in the level of our non-performing and restructured assets, which could materially and adversely affect our business and financial results.

37. A portion of our advances are unsecured. In case we are unable to recover such advances in a timely manner or at all, it may adversely affect our business, financial condition, and results of operations.

As on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, 4.91% or ₹ 4,057 million, 3.99% or ₹ 3,867 million, 4.05% or ₹ 4,418 million, and 5.15% or ₹ 5,873.65 million, respectively, of our total advances were unsecured. While we have been selective in our lending policies and strive to satisfy ourselves with the credit worthiness and repayment capacities of our customers, there can be no assurance that we will be able to recover the principal advanced by us and interest thereon in a timely manner or at all. Any failure to recover the unsecured advances given to our customers would expose us to a potential loss that could adversely affect our business, financial condition, and results of operations.

38. We have had negative cash flows from operating activities in the past and may continue to have negative cash flows in the future.

The following table sets forth net cash generated from / (used in) operating activities for the last three Fiscals and for the six month period ended September 30, 2019:

Particulars	Fiscal			
	2017	2018	2019	For the six month period ended September 30, 2019
Net cash (used in) / generated from operating activities	3,954.24	268.42	(8,932.44)	(6409.9)

(₹ in million)

For details, see "Financial Statements" and "Management's Discussions and Analysis of Financial Condition and Results of Operations" beginning on pages 237 and 403, respectively. We cannot assure you that our operating cash flows or net cash flows will be positive in the future.

39. We have incurred losses in recent financial years. We have also recorded negative EPS and negative return on net worth in the past. In the event we continue to record negative EPS and negative return on net worth, it may adversely affect our business and financial condition.

We incurred a net loss of ₹ 579.91 million, ₹ 1,270.88 million, and ₹ 656.89 million, for Fiscals 2017, 2018, and 2019, as per our Restated Financial Information. However, for the six month period ended September 30, 2019 our net profit after tax was ₹ 442.72 million as per our Restated Financial Information. We cannot assure you that we will not incur losses in future. For further details, see “*Financial Statements*”, beginning on page 237. We have also recorded negative EPS and negative return on net worth in Fiscals 2017, 2018, and 2019 as follows:

Particulars	Financial Year Ended 31st March		
	2017	2018	2019
Earnings per share (Basic) (₹)	(7.66)	(15.70)	(7.90)
Earnings per share (Diluted) (₹)	(7.66)	(15.70)	(7.90)
Return on net worth %	(10.62)	(35.94)	(6.74)

Though, for the six month period ended September 30, 2019 our EPS (basic and diluted) and return on networth was ₹ 3.86* and 2.88%* respectively, there can be no assurance that we will not record negative EPS and negative return on net worth in the future which may adversely affect our business and financial condition.

* *Not annualised*

40. We require certain regulatory approvals in relation to our business and failure to obtain the same in a timely manner or at all may subject us to sanctions and penalties pursuant to inspection and supervision by regulatory authorities, including the RBI and the IRDAI, or otherwise adversely affect our operations.

We require regulatory approvals, licenses, registrations, and permissions, at corporate as well as branch levels, for operating our business, some of which would require renewal from time to time. We may not receive such approvals or memberships or may be unable to obtain renewals within the prescribed time frames or at all, which could adversely affect our business. We may need to apply for renewal of certain approvals which may expire from time to time, in the ordinary course of our business. For instance, our certificate of registration under the Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017, for our branch located at plot No. 238, Gama Grandeur, Central Avenue Road, 10th Road, Chembur, Mumbai 400071, Maharashtra; certificate of registration of establishment issued under the Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017 for our branch located at Sector 12, Vashi, Navi Mumbai, Thane; certificate of registration under the Uttar Pradesh Shops and Establishments Act, 1962 for our branch located at B – 1A/6, commercial market, sector – 51, Noida – 201301, Uttar Pradesh; and certificate of registration of establishment under the West Bengal Shops and Establishments Act, 1963 for our branch located at 48, Sir Hariram Goenka Street, Ward no. – 22, Borough – IV, Kolkata Municipal Corporation, Kolkata Sub Division, P.S. – Burrabazar, P.O. – Barabazar H.O., Kolkata- 700007, have expired as on the date of this Prospectus. We have also made applications for renewal of certain approvals and for obtaining new approvals. For instance, we have made an application to register our logo appearing on the cover page of this Prospectus under class 35 as per the Trade Marks Act, 1999 and the rules made thereunder. Further, our Bank is unable to trace the copy of the registration obtained under Section 23 of the Banking Regulation Act from the RBI for certain of our Material Branches. For details, see “*Government and Other Approvals*” beginning on page 587.

Further, we have licenses from the RBI for our banking and other operations and are also registered with the IRDAI as a corporate agent. However, our operations are subject to continuous review and possible changes to the governing regulations. Failure to obtain, renew, or maintain any required approvals, permits, or licenses in accordance with the regulations and any amendments thereto, may result in the interruption of all or some of our operations and imposition of penalties, and could materially and adversely affect our business and financial results.

In the future, we may be required to obtain new registrations, permits, and approvals for any of our existing businesses, as a result of change in current regulations, or for any proposed expansion strategy or diversification into additional business lines or new financial products. There can be no assurance that the relevant authorities will issue any permits or approvals required by us in a timely manner, or at all, and/or on favourable terms and conditions. If we fail to obtain any applicable approvals, licenses, registrations, or consents in a timely manner, we may not be able to undertake certain operations of our business which may affect our business, results of operations, and cash flows.

For further details, see “*Key Regulations and Policies in India*” and “*Government and Other Approvals*” beginning on pages 183 and 587, respectively.

41. Our ability to open branches in Tier 1 to Tier 6 centres is subject to fulfillment of certain eligibility criteria prescribed by the RBI. If we are unable to fulfill such eligibility criteria, and as a result, are unable to open new branches in Tier 1 to Tier 6 centres, we may be unable to grow our deposit base that may in turn adversely affect our business prospects.

As on September 30, 2019, our branch network comprised of 412 branches (excluding three service branches and three asset recovery branches) and 290 ATMs across India. The opening of new branches and shifting of existing branches of banks is governed by the provisions of the Banking Regulation Act and the RBI guidelines. In terms of the RBI circular dated May 18, 2017, domestic scheduled commercial banks are permitted to open BOs in Tier 1 to Tier 6 centres without permission of the RBI, subject to certain conditions being satisfied, including:

- at least 25% of the total number of BOs opened during a financial year should be opened in URCs. It is further clarified that a Part-time BO opened in any centre shall also be added for computing the said requirement of 25% BOs in URC.
- A BO/Part-time BO opened in any Tier 3 to Tier 6 centre of North Eastern States and Sikkim as well as in any Tier 3 to 6 centre of 'Left-wing Extremism (LWE)' affected districts as notified by the Government of India from time to time, will be considered as equivalent to opening a BO/ Part-time BO, as the case may be, in a URC.
- A first fixed point banking correspondent outlet of a bank as well as the first 'brick and mortar' branch of any bank opened in a URC will be eligible to be treated as equivalent to opening a BO in a URC.
- The first BO by a payment bank as well as the first BO by any other bank opened in a URC will be reckoned for computing compliance with the 25% norm.

The time given to a bank for opening an outlet in a URC is one year. If a bank fails to adhere to the requirement of opening 25% BOs in a year, appropriate penal measures, including restrictions on opening of Tier 1 branches, may be imposed.

For details of key approvals obtained with respect to our Material Branches (identified on the basis of total business), see "Government and Other Approvals" beginning on page 587. Our ability to raise fresh deposits and grow our deposit base depends in part on our ability to expand our network of branches. Failure on our part to expand our branch network may adversely affect our business prospects, financial condition, and results of operations.

42. We are required to obtain prior permission from the RBI to open new branches.

Pursuant to a letter dated January 30, 2015, from the RBI in relation to broadening of capital base and listing of the Equity Shares, the general permission for opening new branches was withdrawn from our Bank and our Bank is not permitted to open any new branches without prior approval of the RBI. Our Bank had *vide* its letters dated February 15, 2019, and March 28, 2019, requested the RBI to grant permission to open new branches. Pursuant to our requests, the RBI has *vide* its letter dated May 13, 2019, subject to certain conditions, granted permission to our Bank to open 10 new BOs at certain locations indicated by the RBI. There can be no assurance that (i) we will be able to open new branches, (ii) we will continue to satisfy the eligibility criteria for branch expansion, (iii) the restrictions imposed by the RBI will be revoked, (iv) the RBI will give us approval to open new branches in future, or (v) the RBI will not impose similar restrictions on us in the future, as a result of which our business prospects could be adversely affected.

43. Our Bank is subject to certain restrictions on account of non-adherence of the listing timeline prescribed by the RBI, which could have an adverse effect on our Bank's business.

The RBI had, by way of its letter dated July 12, 2018, bearing number DBR.PSBD.NO.341/16.01.060/2018-19, ("**RBI FIHM Approval**") granted its approval to FIHM to acquire up to 51% of the post-issue paid-up share capital of the Bank, subject to certain conditions, including that our Bank shall list its Equity Shares by September 30, 2019. Our Bank had, by way of a letter dated September 19, 2019 bearing number B&S/ 353/ 2019, sought an extension of this timeline to January 31, 2020. The RBI has, by way of its letter dated October 25, 2019 bearing reference number DBR.PSBD.No.3344/16.01.060/2019-20, not acceded to this proposed extension, and, in light of the violation of the timeline set out in the RBI FIHM Approval, has imposed the following restrictions:

- Frozen the remuneration of our Managing Director and Chief Executive Officer at the existing level with immediate effect; and
- Continuation of withdrawal of the general permission to open new branches by our Bank, imposed by way of RBI's letter dated January 30, 2015. For further details in this regard, please refer to "Risk Factors - We are required to obtain prior permission from the RBI to open new branches" on page 45 of this Prospectus.

The RBI's letter dated October 25, 2019 also states that further restrictions may be imposed on our Bank if it fails to make satisfactory progress in listing its Equity Shares and that the above restrictions are without prejudice to such other

regulatory and enforcement actions that the RBI may take on account of the aforesaid violation. Any of these restrictions, if and when imposed by the RBI, may have an adverse effect on our Bank's business.

44. Any closure of branches or loss of our key branch personnel may adversely affect our ability to build and maintain relationships with our customers, which could adversely affect our business.

Our business is dependent on our key branch personnel's ability to establish, build, and maintain customer relationships. We encourage dedicated branch personnel to service clients in certain business segments since we believe that this leads to long-term client relationships, a trust-based business environment, and over time, better cross-selling opportunities. While no individual branch manager and no single operating group of managers contribute a meaningful percentage of our business, it may suffer materially if a substantial number of branch managers leave the organization or if some of our branches are closed for any reason beyond our control. For instance, recent floods in the south Indian state of Kerala impacted 12 branches and nine ATMs and caused major disruptions in our operations and adversely affected our business.

45. Our risk management policies and procedures may not adequately address unidentified or unanticipated risks. Any inability to develop and implement effective risk management policies may adversely affect our business, prospects, financial condition, and results of operations.

We have devoted significant resources to developing our risk management policies and procedures and expect to continue to do so in the future. We have policies and procedures in place to measure, manage, and control the various risks to which we are exposed, including (i) Credit Risk Management Policy, (ii) Operational Risk Management Policy, (iii) Outsourcing Policy, and (iv) Business Continuity Plan, that articulate our approach to identification, measurement, monitoring, controlling, and mitigation of various risks associated with our banking operations, in addition to providing certain important guidelines for strict adherence. Our other important risk policies include our Liquidity Management Policy, Market Risk Management Policy, Asset-Liability Management Policy, Credit Policy, Investment Policy, Forex Policy, Recovery Policy, Stress Testing Policy, KYC/AML/CFT Policy, Risk Based Internal Audit Policy, Compliance Policy, Country Risk policy, Model Risk Policy, Risk Management Policy, Reputational Risk Policy, Key Personnel Risk policy, Strategic Risk Policy, Policy on additional provision for standard advances under stressed sector, and Internal Capital Adequacy Assessment Process Policy. The Risk Management Committee of the Board and the Board reviews our risk management policies periodically. Despite this, our policies and procedures to identify, monitor, and manage risks may not be fully effective. Some of our risk management systems are not automated and are subject to human error. Some of our methods of managing risk are based upon the use of observed historical market behavior. As a result, these methods may not accurately predict future risk exposures which could be significantly greater than the risk exposures indicated by historical measures. As we seek to expand the scope of our operations, we also face the risk of inability to develop risk management policies and procedures that are properly designed for those new business areas in a timely manner. Any inability to develop and implement effective risk management policies may adversely affect our business, prospects, financial condition, and results of operations.

46. Our business is highly dependent on our information technology systems, which require significant investment for regular maintenance, upgrades, and improvements. Therefore, if we are unable to adapt to rapid technological changes, or if there is any breach of our information technology systems or any failure of such systems to perform as expected, our business, reputation, and ability to service our customers could be adversely affected.

Our information technology systems are a critical part of our business that help us manage, among other things, our risk management, regulatory compliance, deposit servicing, and loan origination functions, as well as our increasing portfolio of products and services in all our business segments. In particular, the secure transmission of confidential information is critical to our operations.

Any technical failures associated with our information technology systems or network infrastructure, including those caused by power failures and breaches in security caused by computer viruses and other unauthorised tampering, may cause interruptions or delays in our ability to provide services to our customers on a timely basis or at all, and may also result in costs for information retrieval and verification. Corruption of certain information could also lead to errors when we provide services to our customers. Any failure on the part of third party vendors under agreements with us to provide products and services, including software that enables our operations, or to appropriately maintain such products and services under annual maintenance contracts, may adversely affect our functioning and operations. In the event of failure on the part of these third party vendors, their liabilities towards us usually do not exceed a certain percentage of the total fee paid by us, and they will not be liable to us for any loss of profits or revenue or any consequential or indirect loss, which in turn exposes us to higher risks in using these software and systems. In addition, we may be subject to liability as a result of any theft or misuse of personal information stored on our systems or on the systems of our outsourcing service providers. Any of these outcomes could adversely affect our business, reputation, and the quality of our customer service.

Our networks and systems may be vulnerable to unauthorised access and other security problems. For instance, on May 24, 2018, Bank's website www.csb.co.in was hacked and the homepage was defaced. Corrective measures were taken

immediately and reported to the RBI. To address these issues and to minimize the risk of security breaches, we employ security systems and firewalls. Despite implementation of these systems, we cannot assure you that our existing security measures will prevent unforeseeable security breaches, including break-ins and viruses, or other disruptions such as those caused by defects in hardware or software and errors or misconduct of operators. Persons who circumvent our security measures could use our clients' confidential information wrongfully or otherwise compromise the integrity of information stored in and transmitted through these computer systems and networks. There can be no assurance that our use of encrypted password-based protections and firewalls are adequate to prevent fraud or invasion or breach of the network by an intruder. Any material security breach or other disruptions could expose us to losses and regulatory actions and may adversely affect our reputation, operations and future financial performance.

Our Bank has set up a disaster recovery site in Tata Communications IDC, White Field, Bengaluru and a specific disaster recovery facility for RTGS transactions in Chennai. The servers are hosted in a caged area with biometric access. The complete data centre is managed using a building management system. Various applications such as core banking solution, internet banking, foreign inward remittance, and ATM switch are deployed in the disaster recovery site. However, any failure in our systems, particularly those utilized for our retail products and services and transaction banking, due to the occurrence of calamities such as floods, fire, earthquakes, and cyclones that affect areas in which we have data recovery sites, could adversely affect our operations and the quality of our customer service.

The reimbursement given to customers of our Bank on account of reporting of unauthorized electronic banking transactions, in accordance with the RBI circular dated July 6, 2017 bearing reference number DBR.No.Leg.BC.78/09.07.005/2017-18, in the past three Fiscals and for the six month period ended September 30, 2019, are as follows:

Fiscal Year	Number of instances of reimbursement given to customers	Amount of reimbursement (in ₹)
For the six month period ended September 30, 2019	6	135,200.00
Fiscal 2019	2	65,000
Fiscal 2018	Nil	Nil
Fiscal 2017	Nil	Nil

Further, our core banking solutions are developed and upgraded in house and are not outsourced to specialized agencies. We need to regularly upgrade and improve our information technology systems, including our software, back-up systems, and disaster recovery operations, at substantial cost so that we remain competitive. Our success will also depend, in part, on us executing our growth strategies for investing in technology as a means of improving our customers' banking experience and on our ability to respond to new technological advances and emerging banking and other financial services industry standards and practices on a cost-effective and timely basis. The development and implementation of such technology entails significant technical and business risks. The high cost to upgrade and improve our information technology systems, whether to comply with changes in regulatory requirements or to remain competitive or otherwise, could be prohibitive due to the relatively small size of our Bank. There can be no assurance that we will successfully implement new technologies or adapt our transaction processing systems to customer requirements or improving market standards. Any failure to improve or upgrade our information technology systems effectively or in a timely manner could materially and adversely affect our competitiveness, financial condition, and results of operations.

47. We have issued Equity Shares during the last one year from the date of filing of this Prospectus at a price that may be lower than the Offer Price.

During the last one year from the date of filing of this Prospectus, we have issued Equity Shares at a price that may be lower than the Offer Price as detailed in the following table:*

Date of allotment	Number of equity shares allotted	Face value (₹)	Offer price per equity share (₹)	Form of consideration	Reasons/Nature for allotment
July 12, 2019	5,000,000	10	10	Cash	Preferential allotment to CSB ESOS Trust under the 2019 ESOS Scheme

*66,430,846 warrants were allotted to FIHM on October 19, 2018 and were converted into equal number of Equity Shares on August 7, 2019. Further, the RBI, has through an email on November 11, 2019 sought certain clarifications from our Bank with respect to the allotment of these warrants and the amount received by our Bank pursuant to such allotment, as

well as the filing of form FCGPR with respect to the investment by our Promoter in our Bank. We have responded to the RBI by our letter dated November 12, 2019. In the event the RBI does not find our response satisfactory, it may take action against our Bank, which may have an adverse effect on our Bank's business, financial condition or results of operations. For further details, see "*Capital Structure*" beginning on page 75.

48. *We face significant risks and challenges in developing fee income business, which may affect our business and results of operations.*

As part of our growth strategy, we have been diversifying and expanding our para-banking activities to offer distribution of life insurance and general insurance products and money transfer services through branch channels as well as through direct remittance. Additionally, as part of our banking services, we offer letter of credit, bank guarantees, and forex transaction facilities to our corporate clients. Such products and services entail a number of risks and challenges, including but not limited to the following:

- our inability to understand the preferences of our customers or potential customers and to provide customised solutions;
- inability to attract and retain personnel who are able to implement, supervise, and conduct new businesses;
- insufficient financial and other resources to support an expanded range of products and services;
- failure to obtain additional approvals and licences from regulators, including the RBI and the IRDAI;
- failure of counterparties to our para-banking related agreements in maintaining licenses / registrations or delays in informing us of such failure;
- competition from similar offerings or products and services by our competitors in the banking and non-banking financial services sectors;
- lower growth or profitability potential than we anticipate;
- failure to identify new segments and offer attractive new products and services in a timely fashion, putting us at a disadvantage to our competitors;
- changes in regulations or Government policies that may restrict or cap the interest rates or fees and commissions that we may charge customers in any of our new businesses or compel changes to our business models and viability of our businesses;
- any negative publicity arising due to regulatory or other actions against third parties with whom we are associated and over whom we have no control; and
- inability to respond promptly to new technological developments and to be in a position to dedicate resources to upgrade our systems and compete with new players entering the market.

If we are unable to successfully expand and diversify our products and services, our fee income from such products and services may be less than anticipated, which could have a material adverse effect on our business and financial results.

49. *Any failure or material weakness of our internal control systems or any material damage caused by manifestation of any operational risks which we are subject to, could adversely affect our reputation and profitability.*

Our management is responsible for establishing and maintaining adequate internal measures commensurate with the size of our Bank and complexity of operations. Our Bank's internal inspection/concurrent audit functions are equipped to make an independent and objective evaluation of the adequacy and effectiveness of internal controls on an ongoing basis to ensure that business units adhere to compliance requirements and internal guidelines. During such internal audit, certain material adverse findings were identified in the operations of certain branches of our Bank, in Fiscal 2017, 2018 and 2019 which *inter-alia* are as follows:

- there were instances of fraudulent encashment of cheques/drafts of large value in one current account of co-operative credit society;
- advance were granted against pledge of spurious gold ornaments during previous inspections;
- instances of rise in NPAs;
- fraud was detected in some loan accounts;
- majority of the accounts were running more than six months under lapsed sanction and assets were not insured;
- gold pledge forms and gold packets were not available for verification;
- instances of fraudulent transactions were detected during previous inspection in some educational loan accounts;
- instances of missing of gold loan packets;
- in one account, the statement of account with the previous bank was forged and hence the account in question became NPA within a period of 6 months;

- pledge of spurious gold ornaments in some gold loan accounts was detected;
- instances of fraudulent missing of gold loan packets involving;
- failed to ensure end use of the funds;
- sanctioned additional limits to parties without any genuine business requirement;
- revival letters for some accounts were not in order;
- revival letters were pending to be obtained after expiry of 27 months from the date of documents in some accounts;
- genuineness of the title deed mortgaged;
- fraud was suspected on account of overvaluation of properties by valuers and submission of forged income tax returns by the borrowers with inflated income;
- granting fraudulent loan against third party deposits;
- fraud in gold loan accounts;
- valuation report after completion of 3 years was not obtained; and
- instances of revenue leakage

While we continue to periodically test and update, as necessary, our internal control systems, we are exposed to operational risks arising from inadequacy or failure of internal processes or systems, and our actions may not be sufficient to result in an effective internal control environment. Given our high volume of transactions, errors may be repeated or compounded before they are discovered and rectified. Our management information systems and internal control procedures that are designed to monitor our operations and overall compliance may not be able to identify non-compliance and/or suspicious transactions in a timely manner or at all. Where internal control weaknesses are identified, our actions may not be sufficient to fully correct such internal control weakness. In addition, certain banking processes are carried out manually, which may increase the risk that human error, tampering or manipulation will result in losses that may be difficult to detect. As a result, we may suffer monetary losses.

In the ordinary course of our banking business as well, we experience numerous frauds which are committed against our Bank, by either the employees of our Bank, our customers, or third parties. While we are required to report each instance of fraud committed against our Bank to the RBI in the prescribed format, we also undertake internal investigations and departmental inquiries, as well as initiate legal action against the responsible parties in certain cases. Despite such actions and insurance coverage, such frauds may not be adequately covered by our insurance and the costs incurred to deal with such frauds and legal proceedings may be significant, thereby adversely affecting our profitability and results of operations. Such instances may also adversely affect our reputation.

50. Our Group Company has incurred losses in Fiscals 2017 and 2018 based on the audited financial statements.

Finsigma Inclusive Services Private Limited (“**Finsigma**”), our Group Company, has incurred losses in Fiscals 2017 and 2018 based on the audited financial statements. The loss figures for the Fiscals 2017 and 2018 are as follows:

(₹ in million)

Particulars	Fiscal	
	2017	2018
Loss after tax	(6.62)	(4.10)

We cannot assure you that Finsigma will not incur losses in the future. For further details regarding our Group Company, see “*Our Promoter, Promoter Group and Group Company*” on page 231.

51. We are subject to various operational and other risks associated with the financial industry, which, if materialised, may have an adverse impact on our business.

The proper functioning of our financial control, risk management, accounting, or other data collection and processing systems, together with the communication networks connecting our various branches and offices is critical to our operations and ability to compete effectively. We are exposed to many types of operational risk, including fraud or other misconduct by employees, customers, or outsiders involving our Bank, products and services, documentation, and operations. For instance, in the past, there have been numerous instances where we have had to take disciplinary action against our employees for various reasons, including misappropriation of cash, unauthorised access to our customers’ accounts and authentication of fictitious and fraudulent transactions, unauthorised transactions by employees and third parties (including violation of regulations for prevention of corrupt practices and other regulations governing our business activities), unauthorised use of debit cards at ATMs, and operational errors, including clerical or record keeping errors or errors resulting from faulty computer or telecommunications systems.

We cannot assure you that any of these events will not happen or we will be able to recover the funds misused or misappropriated if such events occur. Further, we cannot assure you that any such incident will not have an adverse effect

on our reputation. In addition, we may also be exposed to different types of risk during our operations, including but not limited to credit risk, counterparty risk, market risk, liquidity risk, and operational risk.

Further, we outsource certain functions such as CASA account opening processing, physical storage of account opening forms, ATM transaction reconciliation and dispute resolution, cheque truncation system operations, wide area network and data centre management, antivirus and IT support, call centre activities, installation of point-of-sale machines, cash management services, cash loading activities, due diligence of customers, man power outsourcing, direct sale associates, business correspondents, generation of leads on gold loans, switching services, etc. to other agencies and are exposed to the risk that external vendors or service providers may be unable to fulfill their contractual obligations to us. We may also be subject to the risk of fraud or operational errors by their respective employees and to the risk that their (or their vendors') business continuity and data security systems prove to be inadequate. Although we maintain a system of controls designed to keep operational risk at appropriate levels, there can be no assurance that we will not suffer losses from operational risks in future which can have an adverse effect on our business, results of operations, and financial condition.

52. We depend on the accuracy and completeness of information about customers and counterparties. Our financial condition and results of operations could be negatively affected by relying on financial statements of customers that do not comply with generally accepted accounting principles or on other information that is incorrect or materially misleading.

In deciding whether to extend credit or enter into other transactions with customers and counterparties, we may rely on information furnished to us by or on behalf of such customers and counterparties, including financial statements and other financial information and opinions on title deeds and valuation of property. We may also rely on certain representations as to the accuracy and completeness of that information. With respect to financial statements, we rely on reports of independent auditors of the borrowers. For instance, in deciding whether to extend credit, we may assume that a customer's audited financial statements conform to generally accepted accounting principles and present fairly, in all material respects, the financial condition, results of operations, and cash flows of that customer. Our financial condition and results of operations could be negatively affected by relying on financial statements of customers that do not comply with generally accepted accounting principles or on other information that is incorrect or materially misleading.

53. Our Promoter, FIHM, may not have adequate experience in the business activities undertaken by our Bank.

Our Promoter, FIHM's principal activity is to achieve long-term capital appreciation, by investing in public and private equity securities and debt instruments. For further details, see "Our Promoter, Promoter Group and Group Company" beginning on page 231. Our Bank cannot assure you that the inadequate prior experience of FIHM in our business would not have any adverse impact on the management and/ or operations of our Bank.

54. Our ability to pay dividends is restricted.

In view of losses reported for Fiscals 2017, 2018 and 2019 the Board of Directors did not recommend any dividend on the Equity Shares. Further, there are regulatory restrictions on banks with respect to payment of dividend as well. For instance, under the Banking Regulation Act, subject to certain exceptions, we cannot pay any dividend on the Equity Shares until all our capitalised expenses have been completely written off. Payment of dividend is further governed by the RBI guidelines. As per the RBI guidelines, maximum dividend payout is linked to a matrix of Net NPA percentage and level of CRAR. Further, the Basel III Norms impose additional restrictions on dividend payout. Dividends distributed by us will attract dividend distribution tax at rates applicable from time to time. We cannot assure you that we will generate sufficient income to cover our operating expenses and pay dividends to our shareholders. Our ability to pay dividends could also be restricted under certain financing arrangements that we may enter into in the future.

In addition, dividends that we have paid in the past may not be reflective of the dividends that we may pay in the future. The amount of our future dividend payments, if any, will depend upon our future earnings, financial condition, cash flows, working capital requirements, terms and conditions of our indebtedness, capital expenditures, and regulations. There can be no assurance that we will be able to pay dividends.

55. New product and services offered by us may not be successful and we may not grow in any new business area, which may have a material adverse effect on our business, financial condition, or results of operation.

We may introduce new products and services to explore new business opportunities. For instance, recently we have introduced new products like two wheeler loans, loans in relation to agri-business, and MSME loans. We cannot assure you that all our new products and services will gain customer acceptance and this may result in us incurring pre-operative expenses and launch costs without any assurance that such products will be successful or will attain the desired level of market penetration. Further, our inability to grow in any new business areas could adversely affect our business and financial performance.

56. *We maintain Nostro accounts with correspondent banks in respective countries for facilitating our foreign exchange operations. In the event that we are unable to open new accounts or continue to maintain existing accounts, for any reason whatsoever, our business, results of operations, and financial condition could be adversely affected.*

We maintain Nostro accounts in foreign currencies with correspondent foreign banks for facilitating our treasury, trade, and remittance transactions. Such accounts facilitate inward and outward remittance, whereby our customers can remit funds to India in any of the currencies for which we have opened such accounts, by instructing their banks to remit the funds to our Nostro account maintained in that particular currency. In case we intend to cater to a different foreign location or currency, we may need to open such Nostro accounts with the correspondent banks in those locations. Opening and maintaining such accounts requires compliance with strict KYC norms and any failure to adhere to such norms may result in the correspondent bank closing these accounts. Further, a correspondent bank may discontinue any of the services that it offers in relation to such accounts which may result in customer dissatisfaction.

Typically, for major currencies with large transactions, we maintain two Nostro accounts with different banks. In the case of currencies where only one Nostro account is maintained, if the correspondent banks fail to maintain or close these accounts, including due to reasons beyond our control, our business, results of operations, and financial condition could be adversely affected.

57. *Our insurance coverage could prove inadequate to satisfy potential claims. If we were to incur a serious uninsured loss or a loss that significantly exceeds the limits of our insurance policies, it could have a material adverse effect on our business, results of operations, and financial condition.*

We currently have insurance coverage over our head office, branches, and other offices. We also have standard fire and special perils policy, commercial general liability insurance policy, banker's indemnity policy, and burglary insurance policy which provide coverage to our branches and offices across the country. Further, we have an insurance cover for directors' and officers' liability. While we believe that our insurance coverage is consistent with industry practice in India to cover risks associated with our business, we cannot assure you that our current insurance policies will insure us fully against all risks and losses that may arise in the future. In addition, even if such losses are insured, we may be required to pay a significant deductible on any claim for recovery of such loss, or the amount of the loss may exceed our coverage for the loss. In addition, our insurance policies are subject to annual review, and we cannot assure you that we will be able to renew these policies on similar or otherwise acceptable terms, if at all. If we were to incur a serious uninsured loss or a loss that significantly exceeds the limits of our insurance policies, it could have a material adverse effect on our business and financial condition.

In addition, we cannot be certain that the insurance coverage will be available in sufficient amounts to cover one or more large claims. There have been instances in the past where we have not been able to recover claims from insurance companies towards our monetary claims. We cannot be certain that such rejections of our insurance claims in full or in part, will not be repeated in future, which may have a material adverse effect on our business.

58. *We may seek growth opportunities through acquisitions or be required to undertake mergers on the recommendation of the RBI, which exposes us to integration and other acquisition risks.*

In 1964 and 1965, our Bank took over the assets and liabilities of six small and medium sized banks located in Kerala. We may seek growth opportunities through acquisitions or be required to undertake mergers recommended by the RBI. In the past, the RBI has ordered mergers of weak banks with other banks primarily in the interest of depositors of the weak banks.

Any future acquisition or merger is subject to risks and uncertainties, some of which are beyond our control, including:

- difficulties in operating the integrated information technology system, electronic banking system, risk management, and other systems;
- challenges in harmonising the two or more corporate cultures;
- difficulties in maintaining asset quality;
- difficulties in leveraging synergies and rationalising operations;
- difficulties in retaining and attracting customers and employees;
- difficulties in developing new skills required for new business and markets; and
- diversion of management's attention required to integrate the two businesses following the acquisition or merger, one or more of which could have an adverse effect on our business.

In addition to the above risks, we cannot assure you that such a merger will be in our interest or will positively impact our growth and performance. Any negative impact of a merger can adversely affect our business, results of operation, and financial condition.

We cannot assure you that the RBI will not recommend to us to undertake mergers in the future, which may have an adverse effect on our business and financial condition.

Further, the Government has expressed a preference for consolidation in the banking sector in India. Mergers among public sector banks may result in enhanced competitive strengths in pricing and delivery channels for merged entities. If there is liberalisation of the rules for foreign investment in private sector banks, this could result in consolidation in the banking sector. Our Bank may face greater competition from larger banks as a result of such consolidation, which may adversely affect our Bank's future financial performance.

59. Third party industry and statistical data in this Prospectus may be incomplete or unreliable. Thus, we are not able to guarantee the accuracy of third party information.

Statistical and industry data used in this Prospectus has been obtained from various government and industry publications. Neither we nor the Book Running Lead Managers have independently verified the data obtained from official and industry publications and other sources referred to in this Prospectus, and therefore, while we believe them to be true, we cannot assure you that they are complete or reliable. Due to possibly flawed or ineffective calculation and collection methods and other problems, the facts and statistics herein may be inaccurate or may not be comparable to facts and statistics produced for other economies and should not be unduly relied upon. Such data may also be produced on different bases from those used in the industry publications we have referenced. Therefore, discussions of matters relating to India, its economy, and the industries in which we currently operate are subject to the caveat that the statistical and other data upon which such discussions are based may be incomplete or unreliable. For further details, see "Industry Overview" beginning on page 115.

60. The objects of the Offer for which the funds are being raised have not been appraised by any bank or financial institutions. Further, the deployment of the Net Proceeds is at the discretion of our Bank and is not subject to monitoring by any independent agency.

The objects of the Offer have not been appraised by any bank or financial institution. As we are a bank, in accordance with Regulation 41 of the SEBI ICDR Regulations, there is no requirement for appointment of a monitoring agency. Hence, deployment of Net Proceeds will be at the discretion of our Bank in terms of the objects of the Offer as disclosed on page 98 of this Prospectus. However, it will not be subject to any monitoring by any independent agency. We cannot assure you that we will be able to monitor the deployment of the Net Proceeds in a manner similar to that of a monitoring agency.

61. Our Bank may face cyber threats attempting to exploit its network to disrupt services to customers and/or theft of sensitive internal data of our Bank or customer information. This may cause damage to our reputation and adversely impact our business and financial results.

Our Bank offers internet banking services to its customers. Our internet banking channel includes multiple services such as electronic funds transfer, bill payment services, mobile recharge, online generation of account statements, balance enquiry, cheque book request, online credit card payments, and other utility payments. Our Bank is therefore exposed to various cyber threats including (i) phishing and trojans targeting our customers, wherein fraudsters send unsolicited mails to our customers seeking account sensitive information or to infect customer machines to search and attempt exfiltration of account sensitive information; (ii) hacking, wherein attackers seek to hack into our website with the primary intention of causing reputational damage to it by disrupting services; and (iii) data theft, wherein cyber criminals may attempt to enter our Bank's network with the intention of stealing its data or information. In addition, we also face the risk of our customers incorrectly blaming us and terminating their accounts with us for any cyber security breaches that may have occurred on their own system or with that of an unrelated third party.

For instance, on May 24, 2018, the website of our Bank, www.csb.co.in was hacked. The homepage was defaced by a group called Anonplus Italia. Remedial measures were taken by our Bank immediately and assessment of content damage was carried out. The incident was reported to the RBI.

Any cyber security breach could also subject us to additional regulatory scrutiny and expose us to civil litigation and related financial liability. If our Bank is unable to prevent such cyber security breaches, it may have a material and adverse effect on our business, reputation, financial condition, and results of operations.

EXTERNAL RISK FACTORS

Risks Relating to Regulations

62. *The new taxation system could adversely affect our Bank's business.*

Three major reforms in Indian tax laws have recently been enacted, namely, central, state and interstate GST laws, the GAAR, and safe harbour rules:

- The Government of India has introduced a comprehensive national GST regime that combines taxes and levies by the central and state governments into a unified rate structure. Given that this law has been introduced recently, we are unable to assess how GST will impact our results of operations.
- The provisions of the GAAR have come into effect from the beginning of Fiscal 2017. The GAAR provisions are intended to catch arrangements declared as 'impermissible avoidance arrangements', which is defined in the Income Tax Act as any arrangement, the main purpose or one of the main purposes of which is to obtain a tax benefit and which satisfy at least one of the following tests: (i) creates rights, or obligations, which are not ordinarily created between persons dealing at arms-length; (ii) results, directly or indirectly, in misuse, or abuse, of the provisions of the Income Tax Act; (iii) lacks commercial substance or is deemed to lack commercial substance, in whole or in part; or (iv) is entered into, or carried out, by means, or in a manner, which are not ordinarily employed for bona fide purposes. The onus to prove that the transaction is not an "impermissible avoidance agreement" is on the assessee, that is, an arrangement shall be presumed, unless it is proved to the contrary by the assessee, to have been entered into, or carried out, for the main purpose of obtaining a tax benefit, if the main purpose of a step in, or a part of the arrangement is to obtain a tax benefit, notwithstanding the fact that the main purpose of the whole arrangement is not to obtain a tax benefit. With the GAAR provisions coming into force, the tax authorities have wide powers, including the denial of tax benefit or the denial of a benefit under a tax treaty.
- We have not determined the impact of these recent and proposed laws and regulations on our business. Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy in the jurisdictions in which we operate, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may impact the viability of our current business or restrict our ability to grow our business in the future.

Similarly, the Taxation Laws (Amendment) Ordinance, 2019, a new tax ordinance issued by India's Ministry of Finance on September 20, 2019, prescribes certain changes to the income tax rate applicable to companies in India. According to this new ordinance, companies can henceforth voluntarily opt in favor of a concessional tax regime (subject to no other special benefits/exemptions being claimed), which would ultimately reduce the effective tax rate for India companies from 34.94% to approximately 25.17%. Should our Bank opt in favor of this new voluntary concessional tax regime, the results of operations of our Bank may be negatively impacted during the relevant transition year. Our Bank is currently in the process of evaluating the potential impacts of this tax election and has not yet made a decision regarding this matter.

Further, if we are affected, directly or indirectly, by the application or interpretation of any provision of such laws and regulations or any related proceedings, or are required to bear any costs in order to comply with such provisions or to defend such proceedings, our business and financial performance may be adversely affected.

63. *RBI guidelines relating to prompt corrective action could materially and adversely affect our business, future financial performance, and results of operations.*

On April 13, 2017, the RBI revised the PCA framework for banks. The new PCA framework has stipulated thresholds for capital ratios, NPAs, profitability, and leverage for banks. When the PCA framework is triggered, the RBI would have a range of discretionary actions it can take to address the outstanding issues. These discretionary actions include conducting special supervisory meetings, conducting reviews, inspections, and special audits of the bank, advising banks' boards for altering business strategy, review of capital planning, restricting staff expansion, imposing restrictions on directors' or management's compensation, as applicable, removing of managerial persons, and superseding the board of directors. If we were to violate the RBI's rules and regulations and are brought under the PCA framework, it could materially and adversely affect our business, financial condition, results of operations, and cash flows.

64. *The RBI guidelines relating to Revised Framework for resolution of stressed assets may impact the profitability of our Bank.*

Pursuant to the Revised Framework, the RBI has established a new regulatory framework for resolution of stressed assets, according to which banks must identify incipient stress in loan accounts immediately on default by classifying stressed assets as special mention accounts. The banks are required to put in place a board approved policy for resolution of stressed assets. Upon the occurrence of a default, banks are required to, within a period of 30 days from the date of such default (“**Review Period**”), review the account of the borrower and determine a strategy for implementing a resolution plan or choose to initiate legal proceedings for insolvency or recovery. If a resolution plan route is chosen by the lenders during the Review Period, the lenders are required to enter into an inter-creditor agreement to provide rules for finalisation and implementation of the resolution plan and such inter-creditor agreement should also provide that decisions by lenders representing 75% by value of outstanding facilities (fund based as well as non-fund based) and 60% by number shall bind all lenders party to the inter-creditor agreement. The resolution plan is required to be implemented within 180 days from the end of the Review Period. Depending on the aggregate exposure of the borrower towards the lenders, the Review Period is required to commence by a specified date, as set out in the Revised Framework.

The Revised Framework further clarifies that in the event a viable resolution plan in respect of the borrower is not implemented within the prescribed timelines, all lenders (whether party to the inter-creditor agreement or not) are required to make additional provisions of (i) 20%, if the resolution plan is not implemented within 180 days from the end of the Review Period; (ii) 15% (i.e. total additional provisioning of 35%), if the resolution plan is not implemented within 365 days from the commencement of the Review Period. Further, any action by banks with an intent to conceal the actual status of accounts or to evergreen the stressed accounts, will be subjected to stringent supervisory / enforcement actions as deemed appropriate by the RBI, including, but not limited to, higher provisioning on such accounts and monetary penalties. The banks shall make appropriate disclosures in their financial statements, under ‘Notes on Accounts’, relating to resolution plans implemented.

In the event our Bank is unable to implement resolution plans or fails to initiate legal proceedings for insolvency or recovery within the prescribed timelines or at all, our Bank may be subject to further provisioning requirements or any other supervisory/enforcement action, as may be deemed appropriate by the RBI, which may have a material and adverse effect on our business, financial condition, and results of operations. For further details, see “*Key Regulations and Policies in India*” beginning on page 183.

65. *Our customers may engage in certain transactions in or with countries or persons that are subject to U.S. and other sanctions.*

U.S. law generally prohibits U.S. persons from directly or indirectly investing or otherwise doing business in or with certain countries that are subject to comprehensive sanctions and with certain persons or businesses that have been specially designated by the Office of Foreign Asset Control (“**OFAC**”) or other U.S. government agencies. Other governments and international or regional organizations also administer similar economic sanctions.

We provide transfer, settlement, and other services to our customers, who may be doing business with, or located in, countries to which certain OFAC-administered and other sanctions apply, such as Iraq. Although we believe we have compliance systems in place that are sufficient to block prohibited transactions, there can be no assurance that we will be able to fully monitor all of our transactions for any potential violation. Although we do not believe that we are in violation of any applicable sanctions, if it were determined that transactions in which we participate violate U.S. or other sanctions, we could be subject to U.S. or other penalties, and our reputation and future business prospects in the United States or with U.S. persons, or in other jurisdictions, could be adversely affected. We rely on our staff to be up-to-date and aware of the latest sanctions in place. Further, investors in the Equity Shares could incur reputational or other risks as the result of our customers’ dealings in or with countries or with persons that are the subject of U.S. or other sanctions.

66. *RBI may remove any employee, managerial personnel or may supersede our Board of Directors in certain circumstances which may materially affect our business, results of operations, and financial conditions.*

The Banking Regulation Act confers powers on the RBI to remove from office any directors, chairman, chief executive officer, or other officers or employees of a bank in certain circumstances. The RBI also has the powers to supersede the board of directors of a bank and appoint an administrator to manage the bank for a period of up to six months, which may exceed up to 12 months in certain circumstances. The RBI may exercise powers of supersession where it is satisfied, in consultation with the Central Government that it is in the public interest to do so, to prevent the affairs of any bank from being conducted in a manner that is detrimental to the interest of the depositors, or for securing the proper management of any bank. Should any of the steps as explained herein are taken by the RBI against our Bank, our business, results of operations, and financial conditions would be materially and adversely affected.

Risks Relating to India

67. *Financial instability in other countries may cause increased volatility in Indian financial markets which could harm our business, our future financial performance, and the prices of the Equity Shares.*

The Indian market and the Indian economy are influenced by economic and market conditions in other countries, particularly emerging market countries in Asia. Although economic conditions are different in each country, investors' reactions to developments in one country can have adverse effects on the securities of companies in other countries, including India. A loss of investor confidence in the financial systems of other emerging markets may cause increased volatility in Indian financial markets, and indirectly, in the Indian economy in general. Any worldwide financial instability could also have a negative impact on the Indian economy. Financial disruptions may occur again and could harm our business, our future financial performance, and the prices of the Equity Shares.

68. *We are subject to regulatory, economic, social, and political uncertainties and other factors beyond our control. Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, could materially and adversely affect our business, results of operations, financial condition, cash flows, and the price of the Equity Shares.*

We are incorporated in India and we conduct our corporate affairs and our business in India. Our Equity Shares are to be listed on the BSE and the NSE. Consequently, our business, operations, financial performance, and the market price of our Equity Shares will be affected by interest rates, government policies, taxation, social and ethnic instability, and other political and economic developments affecting India.

Factors that may adversely affect the Indian economy, and hence our results of operations may include:

- any exchange rate fluctuations, imposition of currency controls, and restrictions on the right to convert or repatriate currency or export assets;
- any scarcity of credit or other financing in India, resulting in an adverse effect on economic conditions in India, and scarcity of financing for our expansions;
- prevailing income conditions among Indian customers and Indian corporations;
- epidemic or any other public health issue in India or in countries in the region or globally, including in India's various neighbouring countries;
- macroeconomic factors and central bank regulations, including in relation to interest rate movements which may in turn adversely impact our access to capital and increase our borrowing costs;
- political instability, including terrorism or military conflict in India or in countries in the region or globally, including in India's various neighbouring countries;
- civil unrest, acts of violence, regional conflicts or situations or war may adversely affect the financial markets;
- international business practices that may conflict with other customs or legal requirements to which we are subject, including anti-bribery and anti-corruption laws;
- logistical and communication challenges;
- downgrading of India's sovereign debt rating by rating agencies;
- changes in government policies, including taxation policies, social and civil unrest and other political, social and economic developments in or affecting India;
- occurrence of natural calamities and force majeure events;
- difficulty in developing any necessary partnerships with local businesses on commercially acceptable terms and/or on a timely basis; and

- being subject to the jurisdiction of foreign courts, including uncertainty of judicial processes and difficulty in enforcing contractual agreements or judgments in foreign legal systems or incurring additional costs to do so.

69. *A decline in India's foreign exchange reserves may affect liquidity and interest rates in the Indian economy, which could adversely impact us.*

Flows to foreign exchange reserves can be volatile. There can be no assurance that India's foreign exchange reserves will not decrease in the future. Further, decline in foreign exchange reserves, as well as other factors, could adversely affect the valuation of the Rupee and could result in reduced liquidity and higher interest rates that could adversely affect our business, financial condition, and results of operations.

Risks Relating to the Equity Shares

70. *Financial difficulty and other problems in certain financial institutions in India could materially and adversely affect our business and the price of our Equity Shares.*

We are exposed to the risks of the Indian financial system by being a part of the system. The financial difficulties faced by certain Indian financial institutions may be closely related to the commercial soundness of other financial institutions as a result of credit, trading, clearing or other relationships. Such systemic risk may materially and adversely affect financial intermediaries, such as clearing agencies, banks, securities firms, and exchanges with which we interact on a daily basis. Any such difficulties or instability of the Indian financial system in general could create an adverse market perception about Indian financial institutions and banks and materially and adversely affect our business. Our transactions with these financial institutions expose us to various risks in the event of default by a counterparty, which can be exacerbated during periods of market illiquidity.

71. *Investors may be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares.*

Under current Indian tax laws, unless specifically exempted, capital gains arising from the sale of equity shares of an Indian company are generally taxable in India. Any gain realized on the sale of listed equity shares on a stock exchange held for more than 12 months will not be subject to long-term capital gains tax in India if Securities Transaction Tax ("STT") is paid on the sale transaction and additionally, as stipulated by the Finance Act, 2017, STT had been paid at the time of acquisition of such equity shares, except in the case of such acquisitions where STT could not have been paid, as notified by the GoI under notification no. 43/2017/F. No. 370142/09/2017-TPL on June 5, 2017. However, Finance Act, 2018, taxes such long term capital gains exceeding ₹ 0.1 million arising from sale of equity shares on or after April 1, 2018. Accordingly, you may be subject to payment of long-term capital gains tax in India, in addition to payment of STT, on the sale of any Equity Shares held for more than 12 months. STT will be levied on and collected by a domestic stock exchange on which the Equity Shares are sold.

Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less will be subject to short-term capital gains tax in India. Capital gains arising from the sale of the Equity Shares may be partially or completely exempt from taxation in India in cases where such exemption is provided under a treaty between India and the country of which the seller is a resident. Generally, Indian tax treaties do not limit India's ability to impose tax on capital gains. As a result, residents of other countries may be liable for tax in India as well as in their own jurisdiction on gains made upon the sale of the Equity Shares.

72. *Rights of shareholders under Indian law may be more limited than under the laws of other jurisdictions.*

Our Articles, the instructions issued by the RBI, and Indian law govern our corporate affairs. Legal principles relating to these matters and the validity of corporate procedures, directors' fiduciary duties and liabilities, and shareholders' rights may differ from those that would apply to a bank or corporate entity in another jurisdiction. Shareholders' rights under Indian law may not be as extensive as shareholders' rights under the laws of other countries or jurisdictions. Investors may have more difficulty in asserting their rights as one of our shareholder than as a shareholder of a bank or corporate entity in another jurisdiction.

73. *You will not, without prior RBI approval, be able to acquire Equity Shares if such acquisition would result in an individual or group holding 5.00% or more of our share capital or voting rights. Further, Foreign investment in our Bank may be restricted due to regulations governing aggregate foreign investment in the Bank's paid-up Equity Share capital.*

The Banking Regulation Act read with the Reserve Bank of India (Prior approval for acquisition of shares or voting rights in private sector banks) Directions, 2015, as amended, requires any person to seek prior approval of the RBI to acquire or agree to acquire shares or voting rights of a bank, either directly or indirectly, beneficial or otherwise, by

himself or acting in concert with other persons, wherein such acquisition (taken together with shares or voting rights held by him or his relative or associate enterprise or persons acting in concert with him) results in the aggregate shareholding of such persons to be 5.00% or more of the paid-up share capital of a bank or entitles him to exercise 5.00% or more of the voting rights in a bank. Further, acquisition of shareholding in a private sector bank shall be subject to the applicable FDI Policy, with the aggregate foreign investment in private sector banks not exceeding 74% of the paid-up equity share capital.

Accordingly, any acquisition of shareholding/voting rights of 5.00% or more of the paid-up capital of the Bank or total voting rights of the Bank shall be subject to obtaining prior approval from the RBI. Such approval may be granted by the RBI if it is satisfied that the applicant meets certain fitness and propriety tests. The RBI may require the proposed acquirer to seek further RBI approval for subsequent acquisitions. Further, the RBI may, by passing an order, restrict any person holding more than 5.00% of our total voting rights from exercising voting rights in excess of 5.00%, if such person is deemed to be not fit and proper by the RBI. The aforementioned regulatory framework could adversely affect the liquidity and free transferability of the Equity Shares, and in turn have an adverse effect on the price of the Equity Shares. For further details, see “*Key Regulations and Policies in India*” and “*Terms of the Offer*” beginning on pages 183 and 614, respectively.

74. Holders of Equity Shares could be restricted in their ability to exercise pre-emptive rights under Indian law and could thereby suffer future dilution of their ownership position.

Under the Companies Act, a company incorporated in India must offer holders of its equity shares pre-emptive rights to subscribe and pay for a proportionate number of shares to maintain their existing ownership percentages prior to the issuance of any new equity shares, unless the pre-emptive rights have been waived by the adoption of a special resolution by holders of three-fourths of the equity shares who have voted on such resolution. However, if the law of the jurisdiction that you are in does not permit the exercise of such pre-emptive rights without us filing an offering document or registration statement with the applicable authority in such jurisdiction, you will be unable to exercise such pre-emptive rights unless we make such a filing. We may elect not to file a registration statement in relation to pre-emptive rights otherwise available by Indian law to you. To the extent that you are unable to exercise pre-emptive rights granted in respect of the Equity Shares, you may suffer future dilution of your ownership position and your proportional interests in us would be reduced.

75. We may decide not to proceed with the Offer at any time before Allotment. If we decide not to proceed with the Offer after the Bid/Offer Opening Date but before Allotment, the refund of application amounts deposited will be subject to us complying with our obligations under applicable laws.

We, in consultation with the BRLMs, reserve the right not to proceed with the Offer at any time before the Allotment. If we withdraw the Offer after the Bid/Offer Opening Date, we will be required to refund all Bid Amounts deposited and shall be required to pay interest / penalty, as specified under SEBI ICDR Regulations or the Companies Act, on the Bid Amounts received if refunds are not made within the stipulated time from the Bid/Offer Closing Date. Notwithstanding the foregoing, the Offer is also subject to obtaining (i) the final listing and trading approvals of the Stock Exchanges, which the Bank shall apply for after Allotment, and (ii) the final RoC approval.

76. Any future issuance of Equity Shares may dilute your shareholding and sales of the Equity Shares by our shareholders may adversely affect the trading price of the Equity Shares.

We may be required to finance our growth through future equity offerings. Any future equity issuances by our Bank, including a primary offering, may lead to the dilution of investors' shareholdings in our Bank. Any future issuances of Equity Shares or the disposal of Equity Shares by our shareholders or the perception that such issuance or sale may occur, may adversely affect the trading price of the Equity Shares, which may lead to other adverse consequences, including difficulty in raising capital through offering of the Equity Shares or incurring additional debt. Any future issuances could also dilute the value of your investment in the Equity Shares. In addition, any perception by investors that such issuances or sales might occur may also affect the market price of the Equity Shares.

- (1) The Offer has been authorised by our Board pursuant to its resolution dated March 6, 2019 and by our Shareholders pursuant to their resolution dated May 4, 2019 passed by way of postal ballot.
- (2) The Equity Shares being offered by the Selling Shareholders are eligible for being offered for sale pursuant to the Offer in terms of the SEBI ICDR Regulations. For details of authorizations received for the Offer, see “Other Regulatory and Statutory Disclosures” on page 604.
- (3) Our Bank, in consultation with the BRLMs, allocated 60% of the QIB Portion to Anchor Investors on a discretionary basis. The QIB Portion was accordingly reduced for the Equity Shares allocated to Anchor Investors. One-third of the Anchor Investor Portion was reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. 5% of the Net QIB Portion was allocated on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion was allocated on a proportionate basis to all QIB Bidders (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. In the event the aggregate demand from Mutual Funds is less than as specified above, the balance Equity Shares available for Allotment in the Mutual Fund Portion will be added to the QIB Portion and allocated proportionately to the QIB Bidders (other than Anchor Investors) in proportion to their Bids. For details, see “Offer Procedure” on page 622.
- (4) Under-subscription, if any, in the Net QIB Portion would not be allowed to be met with spill-over from other categories or a combination of categories. Subject to valid Bids being received at or above the Offer Price, under-subscription, if any, in Non-Institutional Portion and Retail Portion, would be allowed to be met with spill over from any other category or combination of categories at the discretion of our Bank, in consultation with the BRLMs and the Designated Stock Exchange.

Allocation to all categories, except the Anchor Investor Portion and the Retail Portion, if any, was made on a proportionate basis, subject to valid Bids received at or above the Offer Price. The allocation to each Retail Individual Bidder shall not be less than the minimum Bid Lot, subject to availability of Equity Shares in Retail Portion, and the remaining available Equity Shares, if any, shall be Allocated on a proportionate basis. For further details, see “Offer Procedure” beginning on page 622 and “Terms of the Offer” on page 614.

GENERAL INFORMATION

Our Bank was incorporated on November 26, 1920 under the Indian Companies Act, 1913 as ‘The Catholic Syrian Bank Limited’. A fresh certificate of incorporation under the Companies Act, 1956 was issued by the Registrar of Companies, Kerala at Ernakulum (“RoC”) on April 14, 1987. The Shareholders of our Bank approved the change of the name of our Bank from ‘The Catholic Syrian Bank Limited’ to ‘CSB Bank Limited’ through a postal ballot resolution dated May 4, 2019. RBI through its letter bearing reference number DBR.PSBD.No.8231/16.01.060/2018-19 dated April 1, 2019, conveyed its ‘no objection’ in terms of Section 49B of the Banking Regulation Act to change of name of our Bank from ‘The Catholic Syrian Bank Limited’ to ‘CSB Bank Limited’. Consequently, a fresh certificate of incorporation under the Companies Act, 2013 was issued by the RoC on June 10, 2019. RBI, vide its letter dated June 28, 2019, has granted a fresh license to our Bank to carry on banking business in India under the new name, in lieu of the previous license dated June 19, 1969, consequent to the change of name of our Bank. The name of our Bank was changed to ‘CSB Bank Limited’ from “The Catholic Syrian Bank Limited”, in the second schedule of the RBI Act with effect from June 10, 2019.

The company registration number of our Bank is 000175 and our CIN is U65191KL1920PLC000175. Our Bank is registered with the Registrar of Companies, Kerala at Ernakulam, located at Registrar of Companies, Company Law Bhawan, BMC Road, Thrikkakara, Kochi 682021.

Book Building Process

The book building process, in the context of the Offer, refers to the process of collection of Bids from investors on the basis of the Red Herring Prospectus and the Bid cum Application Form within the Price Band, which was decided by our Bank in consultation with the BRLMs, and advertised in all editions of Financial Express (a widely circulated English national daily newspaper), all editions of Jansatta (a widely circulated Hindi national daily newspaper), all Kerala editions of Deepika (a widely circulated Malayalam newspaper, Malayalam also being the regional language of Kerala where our Registered Office is located), at least two Working Days prior to the Bid/Offer Opening Date and was made available to the Stock Exchanges for the purpose of uploading on their respective websites. The Offer Price was determined by our Bank in consultation with the BRLMs after the Bid/ Offer Closing Date.

All Bidders except Anchor Investors, shall only participate through the ASBA process by providing the details of their respective ASBA Account in which the corresponding Bid Amount will be blocked by the SCSBs. In addition to this, the Retail Individual Bidders may participate through the ASBA process by either; (a) providing the details of their respective ASBA Account in which the corresponding Bid Amount will be blocked by the SCSBs or; (b) through the UPI Mechanism. Anchor Investors are not permitted to participate in the Offer through the ASBA process.

In accordance with the SEBI ICDR Regulations, QIBs and Non-Institutional Bidders are not permitted to withdraw or lower the size of their Bids (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage. Retail Individual Bidders can revise their Bids during the Bid/ Offer Period and withdraw their Bids until the Bid/ Offer Closing Date. Further, Anchor Investors cannot withdraw their Bids after the Anchor Investor Bidding Date. Allocation to QIBs (other than Anchor Investors) and Non-Institutional Buyers will be on a proportionate basis while allocation to Anchor Investors will be on a discretionary basis. For further details, see “Terms of the Offer” and “Offer Procedure” beginning on pages 614 and 622, respectively.

The process of Book Building under the SEBI ICDR Regulations and the Bidding Process are subject to change from time to time and the investors are advised to make their own judgment about investment through this process prior to submitting a Bid in the Offer.

Bidders should note that the Offer is also subject to obtaining (i) final approval of the RoC after this Prospectus is filed with the RoC; and (ii) final listing and trading approvals from the Stock Exchanges, which our Bank shall apply for after Allotment.

For further details on the method and procedure for Bidding, see “Offer Procedure” beginning on page 622.

Underwriting Agreement

Our Bank and the Selling Shareholders have entered into an Underwriting Agreement with the Underwriters for the Equity Shares proposed to be offered through the Offer. The Underwriting Agreement is dated November 27, 2019. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters shall be several and shall be subject to certain conditions specified therein.

The Underwriters have indicated their intention to underwrite the following number of Equity Shares:

Name, address, telephone number and e-mail address of the Underwriters	Indicative Number of Equity Shares to be Underwritten	Amount Underwritten (₹ in millions)
Axis Capital Limited 1st floor, Axis House C-2 Wadia International Centre Pandurang Budhkar Marg Mumbai 400 025 Telephone no.: +91 22 4325 2183 E-mail: csb.ipo@axiscap.in	10,504,534	2,048.38
IIFL Securities Limited* 10th Floor, IIFL Centre Kamala City, Senapati Bapat Marg Lower Parel (West), Mumbai – 400 013 Telephone no.: +91 22 4646 4600 E-mail: csb.ipo@iiflcap.com	10,504,533	2,048.38

**IIFL Securities Limited is involved as a merchant banker only in marketing of the Offer.*

The above-mentioned under-writing commitment is indicative and will be finalised after finalisation of the Basis of Allotment and subject to the provisions of the SEBI ICDR Regulations.

In the opinion of the Board of Directors, the resources of the Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The Underwriters are registered with SEBI under Section 12(1) of the SEBI Act or registered as brokers with the Stock Exchange(s). The Board of Directors, at its meeting held on November 27, 2019, has accepted and entered into the Underwriting Agreement mentioned above on behalf of our Bank.

Allocation among the Underwriters may not necessarily be in proportion to their underwriting commitment. Notwithstanding the above table, each of the Underwriters shall be severally responsible for ensuring payment with respect to the Equity Shares allocated to Bidders procured by them, in accordance with the Underwriting Agreement.

Subject to the applicable laws and pursuant to the terms of the Underwriting Agreement, the BRLMs will be responsible for bringing in the amount devolved in the event that the Syndicate Members do not fulfil their underwriting obligations.

Notes to the Capital Structure

1. Share capital history of our Bank

a) Share capital history of our Bank from incorporation to the financial year ended December 31, 1982

We have been unable to trace corporate resolutions and filings in relation to changes in our issued, subscribed and paid up equity share capital from incorporation till the financial year ended December 31, 1982. Accordingly, disclosures in relation to changes in our issued, subscribed and paid up equity share capital from our incorporation to the financial year ended December 31, 1982 have been made in reliance of (i) our Memorandum of Association filed with the RoC at the time of our incorporation in 1920; and (ii) our audited balance sheets comprised in our Annual Reports from the financial

year ended December 31, 1945 till the financial year ended December 31, 1982. For further details, see “Risk Factors - Some of our corporate records are not traceable. These corporate records may not be available in the future and we may be subject to penalty imposed by the competent regulatory authority in this respect.” on page 34.

The table below profiles all increases or decreases in the cumulative number of equity shares of our Bank (as at the end of the relevant fiscal where such increase or decrease occurred) and corresponding changes to the cumulative paid up equity share capital of our Bank from its incorporation till the financial year ended December 31, 1982. The cumulative paid up equity share capital of our Bank has undergone changes on a regular basis on account of payment by shareholders of pending amounts called up on equity shares previously issued by our Bank until May 2, 2012 (wherein all existing Equity Shares in respect of which call monies were pending, were forfeited and 25,777 Equity Shares were subsequently re-issued on November 8, 2012 on account of annulment of the said forfeiture). Consequently, the cumulative equity share capital of our Bank may have changed in the financial years not mentioned in the table below (without any corresponding increase or decrease in cumulative number of equity shares allotted).

As on	Cumulative number of equity shares	Face value (₹)	Cumulative paid-up share capital (₹)

⁽⁸⁾ 44 equity shares of ₹ 100 each were forfeited and cancelled in the financial year ended December 31, 1966.

⁽⁹⁾ An amount of ₹ 50 per equity share was called up on 29,096 equity shares of ₹ 100 each.

⁽¹⁰⁾ An amount of ₹ 50 per equity share was called up on 30,000 equity shares of ₹ 100 each.

⁽¹¹⁾ An amount of ₹ 100 per equity share was called up on 30,000 equity shares of ₹ 100 each, of which ₹ 42,260 was unpaid as on December 31, 1982.

b) Share capital history of our Bank from the financial year ended December 31, 1982 till date

Disclosures in relation to changes in our issued, subscribed and paid up equity share capital from the financial year ended December 31, 1982 till date have been made in reliance of (i) our audited balance sheets comprised in our Annual Reports from the financial year ended December 31, 1982 till the financial year ended March 31, 2012, (ii) resolutions of our Board of Directors and the associated board agendas from the financial year ended December 31, 1982 till the allotment dated August 14, 1991, and (iii) resolutions of our Board of Directors and the associated board agendas and filings made with the RoC from the time period starting from allotment dated January 8, 1992 till the date of this Prospectus. Further, the details of allottees such as the names and total number, in respect of all rights issues undertaken by our Bank since incorporation till March 23, 1999 (except for allotment dated October 20, 1993), are not traceable. See “Risk Factors - Some of our corporate records are not traceable. These corporate records may not be available in the future and we may

be subject to penalty imposed by the competent regulatory authority in this respect” on page 34.

The cumulative paid up equity share capital of our Bank has undergone changes on a regular basis on account of payment by shareholders of pending amounts called up on equity shares previously issued by our Bank until May 2, 2012 (wherein all existing Equity Shares on which call monies were pending i.e. 219,520 equity shares held by 467 Shareholders were forfeited). Consequently (from the financial year ended December 31, 1983 till the financial year ended March 31, 2012) the cumulative number of equity shares and the cumulative paid-up equity share capital of our Bank has been disclosed as at the end of each financial year wherein there was a change in the cumulative number of equity shares allotted by our Bank. Disclosures on the cumulative paid-up equity share capital of our Bank made in reliance of our audited balance sheets from financial year ended December 31, 1983 till the financial year ended March 31, 2012 are subject to rounding off.

Our Promoter has given consent to include such number of Equity Shares held by it as may constitute 20% of the fully diluted post-Offer equity share capital of our Bank as Promoter Contribution. Our Promoter has agreed not to sell, transfer, charge, pledge or otherwise encumber in any manner, the Promoter's Contribution from the date of Allotment, until the expiry of the lock-in period specified above, or for such other time as required under SEBI ICDR Regulations, except as may be permitted, in accordance with the SEBI ICDR Regulations.

Further, with respect to the Equity Shares being offered for Promoter Contribution under Regulation 15 of the SEBI ICDR Regulations, we confirm the following:

- (i) the Equity Shares offered for Promoter Contribution do not include Equity Shares acquired in the three immediately preceding years (a) for consideration other than cash involving revaluation of assets or capitalisation of intangible assets; or (b) resulting from a bonus issue of Equity Shares out of revaluation reserves or unrealised profits of our Bank or from a bonus issue against equity shares, which are otherwise ineligible for computation of Promoter's Contribution;
- (ii) the Equity Shares offered for Promoter Contribution do not include Equity Shares acquired during the one year preceding the date of the Red Herring Prospectus and the Prospectus, at a price lower than the price at which the Equity Shares are being offered to the public in the Offer;
- (iii) our Bank has not been formed by the conversion of a partnership firm or a limited liability partnership firm into a company; and
- (iv) the Equity Shares forming part of the Promoter Contribution are not subject to any pledge.

Accordingly, the Equity Shares offered for Promoter Contribution are eligible in terms of Regulation 15 of the SEBI ICDR Regulations.

10. Details of equity share capital locked-in for one year

Unless provided otherwise under applicable law, pursuant to the SEBI ICDR Regulations, the entire pre-Offer capital of our Bank (including those Equity Shares held by our Promoter in excess of the Promoters' Contribution) shall be locked-in for a period of one year from the date of Allotment, except for (a) Equity Shares allotted to employees, whether currently an employee or not, under the 2013 ESOS Scheme and 2019 ESOS Scheme; (b) Equity Shares held by an employee stock option trust or transferred to the employees by an employee stock option trust pursuant to exercise of options by the employees, whether currently employee or not, in accordance with the 2013 ESOS Scheme and 2019 ESOS Scheme; (c) Equity Shares held by a venture capital fund or alternative investment fund of Category I or Category II or a foreign venture capital investor, which shall be locked in for a period of one year from the date of purchase by such investor, as applicable. Further, any unsubscribed portion of the Offered Shares will also be locked in, as required by under the SEBI ICDR Regulations.

The following Shareholders are exempt from the lock-in in terms of Regulation 17 of the SEBI ICDR Regulations:

			November 1, 2019**	2,081,854***	
Total				3,273,286	1.90%

*Purchased by way of a secondary sale of Equity Shares in physical form dated May 15, 2017. Our Bank has approved and taken the aforementioned transactions on record by way of a resolution passed by the Stakeholder’s Relationship Committee on May 15, 2017.

** Purchased by way of a secondary sale of Equity Shares in dematerialised form, dated November 1, 2019.

***2,081,854 Equity Shares will be locked in as per Regulation 17 of the SEBI ICDR Regulations.

11. Lock-in of Equity Shares Allotted to Anchor Investors

Any Equity Shares Allotted to Anchor Investors in the Anchor Investor Portion shall be locked in for a period of 30 days from the date of Allotment.

12. Recording on non-transferability of Equity Shares locked-in

As required under Regulation 20 of the SEBI ICDR Regulations, our Bank shall ensure that the details of the Equity Shares locked-in are recorded by the relevant Depository.

13. Other requirements in respect of lock-in

Pursuant to Regulation 21 of the SEBI ICDR Regulations, Equity Shares held by our Promoter and locked-in, as mentioned above, may be pledged as collateral security for a loan granted by a scheduled commercial bank, a public financial institution, NBFC-SI or a housing finance company, subject to the following:

- (i) With respect to the Equity Shares locked-in for one year from the date of Allotment, such pledge of the Equity Shares must be one of the terms of the sanction of the loan; and
- (ii) with respect to the Equity Shares locked-in as Promoter’s Contribution for three years from the date of Allotment, the loan must have been granted to our Bank for the purpose of financing one or more of the objects of the Offer, which is not applicable in the context of this Offer.

However, the relevant lock-in period shall continue post the invocation of the pledge referenced above, and the relevant transferee shall not be eligible to transfer the Equity Shares till the relevant lock-in period has expired in terms of the SEBI ICDR Regulations.

In terms of Regulation 22 of the SEBI ICDR Regulations, Equity Shares held by our Promoter and locked-in, may be transferred to any member of our Promoter Group or a new promoter, subject to continuation of lock-in, in the hands of such transferee, for the remaining period and compliance with provisions of the Takeover Regulations.

Further, in terms of Regulation 22 of the SEBI ICDR Regulations, Equity Shares held by persons prior to the Offer and locked-in for a period of one year, may be transferred to any other person holding Equity Shares which are locked-in along with the Equity Shares proposed to be transferred, subject to the continuation of the lock-in in the hands of such transferee and compliance with the applicable provisions of the Takeover Regulations.

Furthermore, in terms of RBI letter dated July 12, 2018 bearing no. DBR.PSBD No. 341/16.01.060/2018-19 read with RBI letter dated August 27, 2018 bearing no. DBR.PSBD No. 1643/16.01.060/2018-19 (“**RBI Letters**”), a minimum of 40% of the paid-up voting capital of our Bank is required to be locked-in for a period of five years from the completion of its investments in our Bank. Accordingly, FIHM has locked in 40% of the paid-up capital of our Bank. For further details, please see, “*Capital Structure - Shareholding Pattern of our Bank*” on page 83 of this Prospectus.

14. Employee Stock Options Schemes

a) 2013 ESOS Scheme:

Pursuant to a resolution dated April 8, 2014 passed by our Board of Directors and special resolution dated August 18, 2014 passed by our shareholders by way of postal ballot, approval was provided to the CSB Employee Stock Option Scheme, 2013 (“**2013 ESOS Scheme**”) to offer, issue and allot equity shares to the eligible employees of our Bank. The purpose of the 2013 ESOS Scheme is to offer long term performance based incentives to select employees, enable value creation for the shareholders by aligning employees’ interests with that of our Bank, and to attract, retain and motivate high quality talent. The 2013 ESOS Scheme was effective from April 1, 2013. It was subsequently amended for the purpose of compliance with the SEBI SBEB Regulations and approved pursuant to resolution passed by our Board of Directors dated May 23, 2019. Further, the 2013 ESOS Scheme was discontinued for the purpose of fresh grants thereunder, pursuant to resolution passed by our Board of Directors dated May 23, 2019, and continues only to facilitate exercise of options which have already been granted.

The 2013 ESOS Scheme is in compliance with the SEBI SBEB Regulations and the Companies Act, 2013, and is accounted for in accordance with guidance notes issued by ICAI and the relevant accounting standards, as per the certificate dated November 27, 2019, from R.G.N Price & Co. Particulars	Details																
Fully diluted EPS on a pre-Offer basis on exercise of options calculated in accordance with the applicable accounting standard 'Earning Per Share'	As per para 37 of Accounting Standard 20, "Earnings Per Share", options are considered dilutive when they would result in the issue of Equity Shares for less than fair value. As per the terms and conditions of the 2013 ESOS Scheme, the exercise price per share is more than the fair value determined based on the valuation obtained by our Bank. Hence, there is no dilution in EPS on exercise of options granted.																
Difference between employee compensation cost calculated using the intrinsic value of stock options and the employee compensation cost that shall have been recognised if our Bank had used fair value of options and impact of this difference on profits and EPS of our Bank for the last three fiscals	The exercise price of options granted under 2013 ESOS Scheme is more than the fair value and hence, bank was not required to recognize provision in the books. Further, these options are anti-dilutive, since the exercise price is more than the fair value.																
Description of the pricing formula and the method and significant assumptions used during the year to estimate the fair values of options, including weighted-average information, namely, risk-free interest rate, expected life, expected volatility, expected dividends and the price of the underlying share in market at the time of grant of the option	To ascertain the reasonableness of the valuation of options, various quantitative factors of our Bank were considered. The fair valuation of options has been carried out using Black Scholes pricing valuation model. <table border="1" data-bbox="690 674 1417 905"> <thead> <tr> <th>Basis</th> <th>Particulars</th> </tr> </thead> <tbody> <tr> <td>Dividend yield (%)</td> <td>0%</td> </tr> <tr> <td>Expected volatility (in %)</td> <td>32.58%</td> </tr> <tr> <td>Expected dividends</td> <td>0%</td> </tr> <tr> <td>Risk-free interest rate (in %)</td> <td>7.62%</td> </tr> <tr> <td>Weighted average share price (in ₹)</td> <td>142.00</td> </tr> <tr> <td>Exercise price (in ₹)</td> <td>147.25</td> </tr> <tr> <td>Expected life of options granted (in years)</td> <td>10 years</td> </tr> </tbody> </table>	Basis	Particulars	Dividend yield (%)	0%	Expected volatility (in %)	32.58%	Expected dividends	0%	Risk-free interest rate (in %)	7.62%	Weighted average share price (in ₹)	142.00	Exercise price (in ₹)	147.25	Expected life of options granted (in years)	10 years

Intention of the Key Managerial Persons and whole time directors who are holders of Equity Shares allotted on exercise of options to sell their shares within three months after the listing of Equity Shares pursuant to the Offer	Not applicable since no options exercised.																
Intention to sell Equity Shares arising out of the 2013 ESOS Scheme within three months after the listing of Equity Shares by directors, senior managerial personnel and employees having Equity Shares arising out of 2013 ESOS Scheme amounting to more than 1% of the issued capital (excluding outstanding warrants and conversions)	Not applicable since no options exercised.																

Key terms and conditions of 2013 ESOS Scheme:

Term:

2013 ESOS Scheme applies to all grants of stock options and shall remain in force until all the options under 2013 ESOS Scheme have been fully exercised and / or lapsed or on the date of termination of the said 2013 ESOS Scheme by our Bank, whichever is later.

Administration:

2013 ESOS Scheme is administered by the Nomination and Remuneration Committee, which is empowered to perform various functions, including:

- (i) Prescribing performance parameters for identification of eligible employees and selection of such employees to whom grants under 2013 ESOS Scheme are to be made;

- (ii) determining the number of options to be granted, the dates and conditions for acceleration and vesting and exercise of options thereof under 2013 ESOS Scheme in such circumstances;
- (iii) recognizing and confirming grants under 2013 ESOS Scheme; and
- (iv) determining procedures for cash – less exercise of options and treatment of un-vested options in case of suspension / termination of services pending inquiries against the eligible employee.

Exercise and exercise price:

Vested options shall be exercised by eligible employees within 10 years from the date of vesting of the relevant grant (unless otherwise established by the Nomination and Remuneration Committee). The exercise price of the vested option shall be determined by the Nomination and Remuneration Committee and shall not be lower than the fair market value on such date of grant. Options that are not exercised may be re-priced in a manner that is not prejudicial to the interests of eligible employees.

Termination of Employment:

The 2013 ESOS Scheme also sets out provisions in relation to options upon termination of employees due to death, permanent disability, cessation of employment, cessation of directorship etc.

b) 2019 ESOS Scheme

Pursuant to a resolution dated March 25, 2019 passed by our Board of Directors and special resolution dated May 4, 2019 passed by our Shareholders by way of postal ballot, approval was provided to the CSB Employee Stock Option Scheme, 2019 (“**2019 ESOS Scheme**”) to offer, issue and allot Equity Shares to the eligible employees of our Bank. The 2019 ESOS Scheme is administered by the CSB ESOS Trust, a trust settled by our Bank under the provisions of the Indian Trust Act, 1882, by way of trust deed dated May 20, 2019.

The objective of 2019 ESOS Scheme is to enable the employees, present and future, to get a share in the value that they help to create for our Bank over a period of time. Other key objectives of 2019 ESOS Scheme are, among others, to attract and retain critical senior talents with employee stock options as a compensation tool.

The 2019 ESOS Scheme is in compliance with the SEBI ESOP Regulations and the Companies Act, 2013, and is accounted for in accordance with guidance notes issued by ICAI and the relevant accounting standards and no grants have been made under 2019 ESOS Scheme, as per the certificate dated November 27, 2019, from R.G.N Price and Co, Chartered Accountants.

Key terms and conditions of the 2019 ESOS Scheme

Term:

2019 ESOS Scheme is established with effect from May 4, 2019 and shall continue to be in force until (i) its termination by our Bank as per the applicable laws, or (ii) the date on which all employee stock options have been issued and exercised under the 2019 ESOS Scheme, whichever is later.

Supervision and Administration:

2019 ESOS Scheme shall be supervised by the Nomination and Remuneration Committee and it shall discharge all the functions relating to superintendence of the ESOS 2019 Scheme and the rights, powers, duties or liabilities of the Board to the extent delegated and contemplated under the applicable laws and compensation policies adopted by our Bank shall be discharged by the Nomination and Remuneration Committee.

The ESOS 2019 shall be administered by the CSB ESOS Trust to the extent aspects of such administration are delegated by the Nomination and Remuneration Committee as per requirements of applicable laws.

Eligibility:

Only employees of our Bank are eligible for being granted employee stock options under the 2019 ESOS Scheme. The specific employees to whom the options may be granted would be determined by the Nomination and Remuneration Committee.

Maximum number of Equity Shares to be issued:

The options shall be issued to the eligible employees through the CSB ESOS Trust, and shall not exceed 5,000,000 employee stock options, in one or more tranches. The options so granted shall be exercisable into not more than 5,000,000 Equity Shares each fully paid up. Each such option conferring a right upon the option grantee to apply for one Equity Share of our Bank shall be transferred by the CSB ESOS Trust, in accordance with the terms and conditions as may be determined by the Nomination and Remuneration Committee in accordance with the provisions of the scheme and applicable laws. Each option, upon exercise, will entitle the option grantee to one Equity Share. Such Equity Shares issued and allotted by our Bank under the Scheme shall rank pari passu in all respects with the existing fully paid equity shares of our Bank of same class.

Vesting:

Options granted under the 2019 ESOS Scheme shall not vest before completion of one year from the date of grant. Subject to the foregoing, any staggered vesting prescribed for any grant shall be over a vesting schedule of minimum of three years and maximum of 10 years from the date of grant.

Exercise period

The exercise period in respect of a vested option shall be a period commencing from the relevant vesting date of such option and shall end with the expiry of 10 years or such other shorter period as approved by the Nomination and Remuneration Committee from the date of grant of such option, while in employment or service. Further, the 2019 ESOS Scheme also prescribes the process and treatment for vested and unvested in case of termination or separation from employment including resignation, termination due to cause, retirement, earlier retirement, death and incapacity or any other reasons.

15. Our Bank presently does not intend or propose to alter its capital structure for a period of six months from the Bid/Offer Opening Date, by way of split or consolidation of the denomination of Equity Shares, or by way of further issue of Equity Shares (including issue of securities convertible into or exchangeable, directly or indirectly for Equity Shares), whether on a preferential basis, or by way of issue of bonus Equity Shares, or on a rights basis, or by way of further public issue of Equity Shares, or otherwise. However, the foregoing restriction does not apply to any issuance of employee stock options granted or exercised pursuant to the 2013 ESOS Scheme and 2019 ESOS Scheme
16. Except as disclosed in this Prospectus under “*Capital Structure - Details of Shareholding of our Promoter, members of the Promoter Group and directors of our Promoter in our Bank*” on page 89, none of the members of the Promoter Group, our Promoter, directors of our Promoter, and / or our Directors and their relatives have purchased or sold any securities of our Bank during the period of six months immediately preceding the date of this Prospectus.
17. There have been no financing arrangements whereby our Promoters, members of the Promoter Group, directors of our Promoter and / or our Directors and their relatives have financed the purchase by any other person of securities of our Bank during a period of six months immediately preceding the date of this Prospectus.
18. All Equity Shares issued pursuant to the Offer shall be fully paid-up at the time of Allotment.
19. There were no partly paid-up Equity Shares.
20. As on the date of this Prospectus, the BRLMs and their respective associates, as defined under the SEBI Merchant Bankers Regulations do not hold any Equity Shares. The BRLM(s) and their associates may engage in the transactions with and perform services for our Bank in the ordinary course of business or may in the future engage

in commercial banking and investment banking transactions with our Bank for which they may in the future receive customary compensation.

21. Our Bank, the Promoter, the Selling Shareholders, our Directors and the BRLMs have no existing buyback arrangements and or any other similar arrangements for the purchase of Equity Shares being offered through the Offer.
22. Except for options granted under 2013 ESOS Scheme, there are no warrants, options or rights to convert debentures, loans or other instruments convertible into, or which would entitle any person any option to receive Equity Shares as on the date of this Prospectus.
23. In terms of Rule 19(2)(b) of the SCRR read with Regulation 31 of the SEBI ICDR Regulations, this is an Offer for at least 10% of the post-Offer capital. The Offer was made through the Book Building Process, in accordance with Regulation 6(2) of the SEBI ICDR Regulations, wherein not less than 75% of the Offer was allocated on a proportionate basis to QIBs. Provided that our Bank in consultation with the BRLM(s), allocated 60% of the QIB Portion to Anchor Investors on a discretionary basis out of which one third was reserved for domestic Mutual Funds only subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. 5% of the QIB Portion (other than Anchor Investor Portion) was allocated on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion (other than Anchor Investor Portion) was allocated on a proportionate basis to all QIBs, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not more than 15% of the Offer was allocated on a proportionate basis to Non Institutional Investors and not more than 10% of the Offer was allocated, in accordance with the SEBI ICDR Regulations, to Retail Individual Investors, subject to valid Bids being received at or above the Offer Price. Over-subscription to the extent of 1% may be retained by our Bank for rounding off. For further details, see “*Offer Procedure*” beginning on page 622.
24. There shall be only one denomination of the Equity Shares, unless otherwise permitted by law.
25. Our Promoter and the members of our Promoter Group will not participate in the Offer.
26. No person connected with the Offer shall offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or otherwise, to any Bidder for making a Bid.
27. As on the date of the Draft Red Herring Prospectus, our Bank had considered a further issuance of 3,207,762 Equity Shares (“**Further Issuance**”), to our Promoter at a price to be decided by our Bank and the Promoter, in consultation with the BRLMs. However, as on the date of the Red Herring Prospectus, our Bank had decided not to undertake the Further Issuance.
28. Our Bank has not undertaken any public issue of securities. Further, except as set out under “*Capital Structure - Share capital history of our Bank from the financial year ended December 31, 1982 till date*” beginning on page 76, our Bank has not made any rights issue of any kind or class of securities since its incorporation.

OBJECTS OF THE OFFER

The Offer comprises of a Fresh Issue by our Bank and an Offer for Sale by the Selling Shareholders.

Fresh Issue

The objects of the Offer are to augment our Bank's Tier-I capital base to meet our Bank's future capital requirements which are expected to arise out of growth in our Bank's assets, primarily our Bank's loans/advances and investment portfolio and to ensure compliance with Basel III and other RBI guidelines. Further, the proceeds from the Offer will be used towards meeting the expenses of the Offer.

Offer for Sale

The Selling Shareholders propose to sell an aggregate of 19,778,298 Equity Shares, aggregating to ₹ 3,671.77 million after deducting the Offer related expenses.

The objects of the Offer are to achieve the benefits of listing the Equity Shares on the Stock Exchanges and for the Offer for Sale. The Selling Shareholders will be entitled to the proceeds of the Offer for Sale after deducting the Offer related expenses with respect to its respective Offered Shares. Other than listing fees, which will be paid by our Bank, all costs, fees and expenses directly attributable to the Offer shall be borne by the Selling Shareholders, on a pro rata basis in proportion to the respective Offered Shares. Upon the successful completion of the Offer, the Selling Shareholders shall reimburse our Bank, for any expenses incurred by our Bank on behalf of the Selling Shareholders in proportion to the respective Offered Shares.

Utilisation of the proceeds of the Fresh Issue

The details of the proceeds of the Fresh Issue are summarised below:

Particulars	Estimated amount (in ₹ million)
Gross proceeds from the Fresh Issue	240
(Less) Fresh Issue expenses	12.07
Net Proceeds	227.93

The main objects clause of our Memorandum of Association enables our Bank to undertake the activities for which the funds are being raised by us in the Fresh Issue. Further, our Bank's existing business activities we have been carrying out until now are in accordance with the main objects clause of our Memorandum of Association.

Further, our Bank expects that listing of the Equity Shares will enhance our visibility and brand image and provide liquidity to our Shareholders. The listing will also provide a public market for the Equity Shares in India. Our Bank will not receive any proceeds from the Offer for Sale and all the proceeds will be received by the Selling Shareholders, in proportion to the Offered Shares sold by the respective Selling Shareholders as part of the Offer. For details of Offered Shares by each Selling Shareholder, see "*Other Regulatory and Statutory Disclosures*" on page 604.

Requirement and Sources of Funds

We intend to utilize the Net Proceeds to augment our Bank's Tier - I capital base to meet our Bank's future capital requirements which are expected to arise out of growth in our Bank's assets, primarily our Bank's loans/advances and investment portfolio, and to ensure compliance with Basel III and other RBI guidelines.

Details of the Objects

Augment our Bank's Tier - I capital base to meet our Bank's future capital requirements which are expected to arise out of growth in our Bank's assets, primarily our Bank's loans/advances and investment portfolio, and to ensure compliance with Basel III and other RBI guidelines.

The minimum capital adequacy ratio (“CAR”) required to be maintained by our Bank as on March 31, 2019 and September 30, 2019 is 10.875% (which includes a capital conservation buffer of 1.875%). As on March 31, 2019, our total CAR and common equity Tier -I CAR were 16.70% and 16.03%, respectively. Further, as on September 30, 2019, our total CAR and common equity Tier -I CAR were 22.77% and 22.11%, respectively.

While our Bank has raised capital from time to time, with the adoption of Basel III by our Bank and the ongoing implementation of BASEL III by RBI, the minimum capital requirements of our Bank is expected to increase in a phased manner over the next few years.

Accordingly, the objects of the Fresh Issue are to augment our Bank’s Tier-I capital base to meet our Bank’s future capital requirements which are expected to arise out of growth in our Bank’s assets, primarily our Bank’s loans/advances and investment portfolio, and to ensure compliance with Basel III and other RBI guidelines.

Schedule of Deployment of Funds

Our Bank currently proposes to deploy the Net Proceeds in the aforesaid objects in the current Fiscal.

Appraising Agency

The Objects of the Fresh Issue have not been appraised by any bank, financial institution or agency and we have not raised any bridge loans against the Net Proceeds.

Means of Finance

The entire requirements of the objects detailed above are intended to be funded from the Net Proceeds. Accordingly, we confirm that there is no need for us to make firm arrangements of finance through verifiable means towards at least 75% of the stated means of finance, excluding the amount to be raised through the Offer.

Subject to applicable law, other than the listing fees which will be paid by our Bank, all costs, fees and expenses directly attributable to the Offer will be shared amongst our Bank and the Selling Shareholders, on a pro rata basis, in proportion to the number of Equity Shares sold by each Selling Shareholder in the Offer for Sale and the Equity Shares allotted by our Bank as a percentage of total Equity Shares sold in the Offer, upon the successful completion of the Offer. Upon commencement of listing and trading of the Equity Shares on the Stock Exchanges pursuant to the Offer, other than the listing fees, each Selling Shareholder shall severally reimburse our Bank for any expenses in relation to the Offer paid by our Bank on behalf of the respective Selling Shareholder, on a pro rata basis in proportion to their respective portion of the Offered Shares.

Monitoring utilization of funds

As we are a banking company, in accordance with the proviso to Regulation 41(1) of the SEBI ICDR Regulations, no monitoring agency has been appointed with respect to the Offer. To the extent applicable, our Bank will disclose the utilisation of the Net Proceeds under a separate head in our balance sheet along with the relevant details, for all such amounts that have not been utilized. As required under the SEBI Listing Regulations, the Audit Committee appointed by the Board shall monitor the utilization of the proceeds of the Fresh Issue. We will disclose the utilisation of the proceeds of the Fresh Issue under a separate head in our balance sheet for the relevant Financial Years along with details, if any, in relation to all such proceeds of the Offer that have not been utilised thereby also indicating investments, if any, of such unutilised proceeds of the Offer.

Interim use of Net Proceeds

The Net Proceeds shall be retained in the Public Offer Account until receipt of the listing and trading approvals from the Stock Exchanges. Upon receipt of listing and trading approvals from the Stock Exchanges, the Net Proceeds will be applied towards the stated objects and would be utilised by our Bank for normal business purposes.

Variation in objects

In accordance with Sections 13(8) and 27 of the Companies Act, 2013 and the SEBI ICDR Regulations, our Bank shall not vary the Objects of the Fresh Issue unless our Bank is authorised to do so by way of a special resolution of its Shareholders. In addition, the notice issued to the Shareholders in relation to the passing of such special resolution shall specify the prescribed details and be published in accordance with the Companies Act, 2013. Pursuant to the Companies Act, 2013, the controlling Shareholders will be required to provide an exit opportunity to the Shareholders who do not agree to such proposal to vary the objects, subject to the provisions of the Companies Act, 2013 and in accordance with such terms and conditions, including in respect of pricing of the Equity Shares, in accordance with the Companies Act, 2013 and provisions of the SEBI ICDR Regulations.

Additionally, the notice in respect of such resolution issued to the shareholders shall contain details as prescribed under the Companies Act, 2013 and such details of the notice, clearly indicating the justification for such variation, shall also be published in one English and Malayalam newspaper, with Malayalam being the vernacular in Kerala i.e where our Registered Office is situated, as per the Companies Act, 2013 and the rules framed there under. Pursuant to the Companies Act, 2013, the controlling shareholders of such company are required to provide an exit opportunity to the shareholders who do not agree to such proposal to vary the objects, in accordance with the Articles of Association, and as per the terms and conditions as may otherwise be prescribed by SEBI.

Other confirmations

No part of the Net Proceeds from the Fresh Issue will be paid by us as consideration to our Promoter, members of the Promoter Group, Selling Shareholders, Directors or Key Management Personnel, except in the normal course of business and in compliance with applicable law. Our Bank has not entered into and is not planning to enter into any arrangement/agreements with the Promoter, members of the Promoter Group, Selling Shareholders, Directors and Key Management Personnel in relation to the utilization of the Net Proceeds. Further, except in the ordinary course of business, there is not existing or anticipated interest of such individuals and entities in the objects of the Fresh Issue as set out above.

BASIS FOR OFFER PRICE

The Offer Price will be determined by our Bank, in consultation with the BRLMs, on the basis of assessment of market demand for the Equity Shares offered through the Book Building Process and on the basis of quantitative and qualitative factors as described below. The face value of the Equity Shares is ₹10 each and the Offer Price is 19.3 times the Floor Price and 19.5 times the Cap Price. Investors should also refer to the sections titled “*Our Business*”, “*Risk Factors*” and “*Financial Statements*” on pages 141, 23 and 237, respectively, to have an informed view before making an investment decision.

Qualitative Factors

We believe the following business strengths allow us to successfully compete in the industry:

- Strong channel network and trusted brand in South India;
- strong capital base;
- well established SME business;
- retail offering driven by strong gold loan portfolio;
- stable and granular deposit base;
- professional and experienced management with strong and independent Board; and
- streamlined risk management controls, policies and procedures.

For further details, see “*Our Business - Competitive Strengths*” and “*Risk Factors*” on pages 145 and 23, respectively.

Quantitative Factors

Some of the information presented below relating to our Bank is based on the Restated Financial Statements prepared in accordance with Indian GAAP and the Companies Act, 2013 and restated in accordance with the SEBI ICDR Regulations. For details, see “*Financial Statements*” on page 237.

Some of the quantitative factors which may form the basis for computing the Offer Price are as follows:

1. Basic and Diluted Earnings Per Share (“EPS”)

Particulars	Basic EPS (Rupees)	Diluted EPS (Rupees)	Weight
Year ended March 31, 2019	(7.90)	(7.90)	3
Year ended March 31, 2018	(15.70)	(15.70)	2
Year ended March 31, 2017	(7.66)	(7.66)	1
Weighted average (Refer Note 4)	(10.46)	(10.46)	
Six month period ended September 30, 2019*	3.86	3.86	

Note:

1. The EPS calculations have been done in accordance with Accounting Standard 20 – “Earnings per Share” issued by ICAI
 2. The face value of each Equity Share is ₹10.
 3. The ratios have been computed as below:
 - a. Basic EPS and Diluted EPS (in ₹) = Net profit or (Net loss) available to equity shareholders (after extraordinary items) / Weighted average number of equity shares outstanding during the year/period
 4. Weighted average = Aggregate of year-wise weighted EPS divided by the aggregate of weights i.e. [(EPS x Weight) for each fiscal] / [Total of weights]
- *Not annualized

2. Basic and Diluted Earnings Per Share after taking into consideration conversion of warrants and ESOP allotment (“EPS”)

Particulars	EPS (Rupees)	Weight
Year ended March 31, 2019	(3.81)	3
Year ended March 31, 2018	(7.38)	2
Year ended March 31, 2017	(3.37)	1
Weighted average (Refer Note 4)	(4.93)	

3. Price/ Earning (“P/ E”) ratio in relation to Price Band of ₹ 193 to ₹ 195 per Equity Share

- (a) P/ E based on basic and diluted EPS for the year ended March 31, 2019 is not measurable as EPS is negative.
- (b) Industry P/ E ratio is given below:

Particulars	P/ E

Dear Sirs,

Re: Proposed initial public offering of Equity shares of face value of Rs. 10 each (the "Equity Shares") of CSB Bank Limited (Formerly The Catholic Syrian Bank Limited) (the "Bank" and such offering, the "Offer")

We report that the enclosed statement in the **Annexure**, states the possible special tax benefits under direct and indirect tax laws presently in force in India, available to the Bank and its shareholders. Several of these benefits are dependent on the Bank and its shareholders, as the case may be, fulfilling the conditions prescribed under the relevant provisions of the statute. Hence, the ability of the Bank or its shareholders to derive the special tax benefits is dependent upon their fulfilling such conditions, which based on business imperatives the Bank and its shareholders face in the future, the Bank and its shareholders may or may not choose to fulfill.

The benefits discussed in the enclosed **Annexure** are not exhaustive. This statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the Offer. We are neither suggesting nor advising the investor to invest in the Offer based on this statement.

We do not express any opinion or provide any assurance as to whether:

- (i) the Bank and its shareholders will continue to obtain these benefits in future; or
- (ii) the conditions prescribed for availing the benefits have been/would be met with.

The contents of the enclosed statement are based on information, explanations and representations obtained from the Bank and on the basis of our understanding of the business activities and operations of the Bank.

We hereby give consent to include this statement of special tax benefits in this Prospectus, and in any other material used in connection with the Offer.

Yours faithfully,

For and on behalf of R.G.N.Price & Co, Chartered Accountants

I. Overview on the Indian Economy & Comparison with Global Economies

India is the world's largest democracy with approximate population of 1.34 billion people with a GDP of approximately INR 190.1 trillion* in 2018-19 (*Source: RBI handbook of statistics on Indian Economy - 2018-19*). Economic liberalization measures, including industrial deregulation, privatization of state-owned enterprises, and reduced controls on foreign trade and investment, began in the early 1990s and served to accelerate the country's growth, which averaged nearly 7% per year from 1997 to 2017. India's diverse economy encompasses traditional village farming, modern agriculture, handicrafts, a wide range of modern industries, and a multitude of services. Slightly less than half of the workforce is in agriculture, but services are the major source of economic growth, accounting for nearly two-thirds of India's output but employing less than one-third of its labour force. India has capitalized on its large educated English-speaking population to become a major exporter of information technology services, business outsourcing services, and software workers. India's economic growth slowed in 2011 because of a decline in investment caused by high interest rates, rising inflation, and investor pessimism about the government's commitment to further economic reforms and about slow world growth. Investors' perceptions of India improved in early 2014, due to a reduction of the current account deficit. Growth rebounded in 2014 through 2016. The economy slowed again in 2017, due to shocks of "demonetisation" in 2016 and introduction of GST in 2017. The outlook for India's long-term growth is moderately positive due to a young population and corresponding low dependency ratio, healthy savings and investment rates, and increasing integration into the global economy (*Source: CIA World Factbook*).

The acceleration of global growth should in principle provide a solid boost to export demand. Certainly, it has done so in the past, particularly in the mid-2000s when the booming global economy allowed India to increase its exports by more than 26 % per annum. This time, the export response to world growth has been in line with the long-term average, but below the response in the mid-2000s. Perhaps it is only a matter of time until exports start to grow at a healthy rate. Remittances are already perking up, and may revive further due to higher oil prices (*Source: Economic Survey 2017-18, Published by Ministry of Finance*.)

The table below shows the GDP trend of the Indian economy for the last seven Fiscals:

Fiscal Year	2012-13	2013-14	2014-15	2015-16	2016-17	2017-18	2018-19*

India's long-term GDP growth has become more stable, diversified, and resilient. Over the next few years, India is expected to grow at well over 7% per year, with progress being buttressed by dynamic reforms in the macroeconomic, fiscal, tax and business environments. In recent years, India has made a significant dent in poverty levels, with extreme poverty dropping from 46% to an estimated 13.4% over the two decades before 2015. India today is the world's third largest economy in purchasing parity terms and it aspires to better the lives of all its citizens and become a high-middle income country by 2030, well before the centenary of its independence. Currently India is fastest growing economy amongst the top 10 economies by GDP size. By 2050, India's economy is projected to be the world's second-largest, behind only China. India is home to 1.34 billion people which accounts for 18% of the world's population. It will overtake China as the world's most populous country by 2024 with largest youth population. Growth Trend of India's Economic Activity and GDP at Market Prices

The growth in India's gross domestic product (GDP) slumped to 5.0 per cent in Q1:2019-20, extending a sequential deceleration to the fifth consecutive quarter. Of its constituents, private final consumption expenditure (PFCE) slowed down to an 18-quarter low. Gross fixed capital formation (GFCF) improved marginally on a sequential basis but remained muted as in the preceding quarter. On the supply side, gross value added (GVA) growth decelerated to 4.9 per cent in Q1:2019-20, pulled down by manufacturing growth, moderating to 0.6 per cent. Agriculture and allied activities were lifted by higher production of wheat and oilseeds during the 2018-19 rabi season. Growth in the services sector was stalled by construction activity. Industrial activity, measured by the index of industrial production (IIP), weakened in July 2019 (y-o-y), weighed down mainly by moderation in manufacturing.

The real GDP growth for 2019-20 in the August 2019 policy was projected at 6.9 per cent – in the range of 5.8-6.6 per cent for H1:2019-20 and 7.3-7.5 per cent for H2 – with risks somewhat tilted to the downside; GDP growth for Q1:2020-21 was projected at 7.4 per cent. GDP growth for Q1:2019-20 was significantly lower than projected. Various high frequency indicators suggest that domestic demand conditions have remained weak. The business expectations index of the Reserve Bank's industrial outlook survey shows muted expansion in demand conditions in Q3. Export prospects have been impacted by slowing global growth and continuing trade tensions. On the positive side, however, the impact of monetary policy easing since February 2019 is gradually expected to feed into the real economy and boost demand. Several measures announced by the Government over the last two months are expected to revive sentiment and spur domestic demand, especially private consumption. Taking into consideration the above factors, real GDP growth for 2019-20 is revised downwards from 6.9 per cent in the August policy to 6.1 per cent – 5.3 per cent in Q2:2019-20 and in the range of 6.6-7.2 per cent for H2:2019-20 – with risks evenly balanced; GDP growth for Q1:2020-21 is also revised downwards to 7.2 per cent. Demand Side View: Analysis of Indian Household Finance

A large fraction of the wealth of Indian households is in the form of physical assets (in particular, gold and real estate). This is unusual in the international context, and especially unusual for younger households, and for households in the bottom 40% of the wealth distribution, i.e., those with the lowest amounts of gross assets. There are significant differences across households located in different states even after controlling for households' demographic characteristics (for example, there is a particularly high demand for gold in southern Indian states). This is further evidence that traditional and cultural factors are strong determinants of observed allocations. Effective policies in Indian household finance should attempt to complement, or at least recognise, such longstanding traditional approaches to financial management in order to be effective.

-Indian Household Finance: An International Comparative Analysis

By comparing the average allocations of household assets across different countries, in India, the average household holds 77% of its total assets in real estate (which includes residential buildings, buildings used for farm and non-farm activities, constructions such as recreational facilities, and rural and urban land), 7% in other durable goods (such as transportation vehicles, livestock and poultry, agricultural machinery and non-farm business equipment), 11% in gold and the residual 5% in financial assets (such as deposits and savings accounts, publicly traded shares, mutual funds, life insurance and retirement accounts). Taken together, non-financial assets therefore account for 95% of the household balance sheet, which is identical with the 95% for Thai households, and only slightly higher than the corresponding 91% for Chinese households. The average Chinese household has a relatively lower share of real estate wealth (62%), a higher share of durable assets (28%), and negligible amounts of gold (0.4%). Furthermore, household allocation choices are very different in India, Thailand and China when compared with more advanced economies. On average, holdings of real estate account for low fractions of wealth in different countries such as the US (44%), and particularly Germany (37%).

II. Overview on Indian Banking Industry

In the recent years, India's banking sector has been facing a large overhang of balance sheet stress. During 2017-18, the persisting deterioration in asset quality necessitated sharp increases in provisions and for the first time since 1993-94, the banking system as a whole, particularly driven by public sector banks (PSBs), registered losses

Below are the key highlights:

- The overhang of stressed assets weighed down the consolidated balance sheet of the banking sector, necessitating large provisions, which adversely affected their profitability during 2017-18. Recent data for H1:2018-19, however, indicates that the non-performing assets (NPAs) have begun to stabilise, albeit at an elevated level; capital positions have been buffered and the provision coverage ratio has improved.
- The revival in credit growth in 2017-18, from the deceleration in the previous year, coupled with improving share of bank finance in the total flow of resources to the commercial sector, augurs well for the growth prospects of the banking sector. The continuing credit growth recovery in 2018-19 (up to October 2018) may further reinforce this momentum.

Progress on Financial Inclusion

With a view to increase banking penetration, promote financial inclusion and to provide at least one bank account per household across the country, a National Mission on Financial Inclusion known as **Pradhan Mantri JanDhan Yojana (PMJDY)** was launched on 28th August, 2014 at National level by the Prime Minister. The scheme aims at increasing basic savings bank deposit accounts (BSBDAs) or no-frills accounts without any need to maintain minimum or monthly average balance.

Achievements under PMJDY:

- Approx. 32.41 crore Jan Dhan accounts have been opened with more than Rs 81,200 crore of deposit balance.
- 53% women Jan Dhan account holders and 59% Jan Dhan accounts are in rural and semi urban areas. More than 83% operative Jan Dhan accounts (except states of Assam, Meghalaya, J&K) are Aadhaar seeded, with issuance of approx 24.4 crore RuPay cards to these account holders.
- More than 7.5 crore JanDhan accounts receiving DBTs.
- Banking Correspondents (BCs) have been deployed in 1.26 lakh Sub Service Areas (rural areas), each catering to 1000-1500 households. Nearly 13.16 crore Aadhaar Enabled Payment System (AePS) transactions have taken place through BCs during the month of July, 2018.
- 13.98 crore subscribers under Pradhan Mantri Suraksha Bima Yojana (PMSBY) with 19,436 claims, involving an amount of Rs, 388.72 crore settled so far.
- Similarly, 5.47 crore subscribers under Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY) with 1.10 lakh claims, involving an amount of Rs. 2206.28 crore settled so far.
- 1.11 crore persons have subscribed for Atal Pension Yojana (APY)

A pipeline has been created for the implementation of PMJDY through which JanDhan accounts and mobile banking have been linked to Aadhaar (JAM). This pipeline is not only facilitating savings, disbursal of credit, social security, etc. but more importantly channelizing direct benefits of various government schemes to poor people of the country through DBT. It has been decided to continue the flagship financial inclusion program (PMJDY), with focus on opening accounts from "**every household to every adult**". The pipeline of JanDhan-Aadhaar-Mobile (JAM) will continue to provide the necessary backbone for coverage of these activities and thereby accelerating the pace of digitized, financially included & insured society (Source: Press release by Press Information Bureau by Government of India dated September 05, 2018- <http://pib.nic.in/PressReleaseDetail.aspx?PRID=1545090>)

As per the World Bank Global Findex Report 2017, the adult bank account holders in India were 35% in 2011 and 53% in 2014. After the implementation of financial inclusion programme, adult bank account holders were 80% in 2017. India stands second for largest unbanked population with about 190 million Indian adults still do not have bank account. The total unbanked adults across the world are 1700 million. India has a share of 11% in the global unbanked adult population. And also, In India, around 4 in 10 unbanked adults are in the age group of 15 to 24 years. The number of ATMs and in particular, on-site ATMs, declined during the year on account of rationalisation of the number of branches by a few PSBs whereas PVBs recorded an increase in the number of their ATMs. During 2018-19 (up to August), the number of ATMs (excluding SFBs and PBs) declined further to 204,285, attributable to the increasing use of electronic means of payments. The growth of White-label ATMs (WLAs) has tapered off in recent years, although the number of WLAs crossed 15,000 during 2017-18. In order to facilitate cash availability for WLA operators, sourcing of cash from retail outlets in addition to banks was allowed from December 2016. (Source: Credit-to-GDP ratios, Published by Bank for International Settlement)

- Basis of formal source of credit

In high-income economies formal borrowing was by far the most common source of credit: almost 90% of Borrowers reported borrowing from a financial institution or through the use of a credit card. In developing economies family and friends were the most common source, reported by almost half of Borrowers. But formal borrowing was the most common source in some developing economies, including Argentina, Brazil, China, Peru, and Turkey as well as Russia and many other economies in Europe and Central Asia.

India has the low share of formal source of credit compared to other countries. As per the Global Findex report of 2017, adult borrowing from a financial institution or through the use of a credit card in India in the year 2017, is below 10% of the total borrowings in the country. - **Basis of Unbanked adults**

In South Asia, the share of adults with an account rose by 23 percentage points, to 70% in 2017. Progress was driven by India, where a government policy to increase financial inclusion through biometric identification pushed the share with an account up to 80 percent, with big gains among women and poor adults. Excluding India, regional account ownership still rose by 12 percentage points, but men often benefited more than women. In Bangladesh, the share with an account rose by 10 percentage points among women while nearly doubling among men. Region wide, digitizing payments for agricultural products could reduce the number of unbanked adults by roughly 40 million. Globally, 69% of adults have an account. That gives them an important financial tool. Accounts provide a safe way to store money and build savings for the future. Account ownership is nearly universal in high-income economies, where 94% of adults have an account. In developing economies, those classified by the World Bank as low or middle income the share is 63 percent. But there is wide variation in account ownership among economies. Consider the lower-middle-income group, where the share of adults with an account varies from about 20% in Cambodia, Mauritania, and Pakistan to as high as 93% in Mongolia. Among high-income economies the share with an account ranges from 64% in Uruguay to 100% in such economies as Australia, Denmark, and the Netherlands. 6. Retail Banking in India

Retail banking refers to the dealing of commercial banks with individual customers, both on liabilities and assets sides of the balance sheet. Fixed, current / savings accounts on the liabilities side and personal loans like Consumer Durables, Housing (Including Priority Sector Housing), Advances against Fixed, Advances to Individuals against share, bonds, etc., Credit Card Outstanding, Education, Vehicle Loans and Other Personal Loans, etc. on the assets side, are the key products offered by banks in India. Related ancillary services include credit cards, cross sell of third party financial products, depository services. Today's retail banking sector is characterized by three basic characteristics:

- Multiple products - Deposits, assets, credit cards, insurance, investments and securities
- Multiple channels of distribution - Call centre, branch, Internet and kiosk
- Multiple customer groups - Consumer, small business, and corporate).

(Source: RBI Bulletin on Retail Banking - Opportunities and Challenges)

6.1 Retail Assets

The sectoral deployment of bank credit has undergone a qualitative shift with aggressive lending to the retail segment in the form of personal loans. In the personal loans segment, credit has been growing much above the industry average, largely driven by credit card, housing, vehicle loans and other personal loans. (Source – RBI bulletin on sectoral deployment of Bank Credit – February 2019)

(Source: RBI data on Sectoral Deployment of Non-Food Gross Bank Credit)

Unsecured lending has been growing at a robust pace as reflected in the high growth of other personal loans and credit cards outstanding. Housing and vehicle loans account for more than 50% of the personal loan portfolio. Credit card outstanding, though not very large in overall credit, has also shown a significant increase growing at a CAGR of 29% between 2013-14 to 2018-19. Education witnessed slower credit-offtake, while credit to consumer durables remained in the contraction zone during 2017-18. 6.1. A Gold Loans

India has traditionally been a leading consumer of gold in the world (Source: <https://www.rbi.org.in/Scripts/PublicationReportDetails.aspx?UrlPage=&ID=699#5>) with average household holding ~11% in gold assets as mentioned above in the chart on Country wise Financial Assets and liabilities holding pattern. It is known that the gold demand in India is influenced strongly by the feature of gold as an attractive investment option. The demand for gold loans is influenced by many factors. As the gold loans are granted against the gold ornaments deposited by the Borrower, the size of the stock of gold jewellery, available with the Borrowers is a crucial parameter. The needs of the Borrower coinciding with various purposes like cropping season,

academic year, festivals, Medical purposes etc, are also critical in determining the demand for gold loans. (Source: RBI Report of the Working Group to Study the Issues Related to Gold Imports and Gold Loans by NBFCs in India.)

Below are the figures of Gold import in India:

(US \$ Million)	2013-14	2014-15	2015-16	2016-17	2017-18	2018-19
Gold	28,705	34,407	31,771	27,518	33,657	32,898
Total Imports	4,50,214	4,48,033	3,81,008	3,84,357	4,65,581	514,034.1

(Source: RBI handbook of statistics on the Indian Economy 2018-19.

Note: Data for 2018-19 are provisional and data for 2017-18 are revised.)

As a financial instrument, gold loans have promoted the suitability of gold as a collateral drawing upon its ability to secure loans against itself quickly to address temporary surges in consumption.

6.1. B Vehicle Finance Segment:

Indian automobiles industry is one of the largest in the world, comprising commercial vehicles, passenger vehicles, three-wheelers and two wheelers, with the latter accounting for the largest share. A growing middle class, the young population and development of the rural economy has further aided the two-wheeler segment. Vehicles loans have managed to grow by around 10% in 2017-18, despite some hiccups in the beginning of the year. The growth in vehicle loans in the recent period has moderated, reflecting lower automobile sales.

6.2 Micro, Small & Medium Finance Segment

The Micro, Small and Medium Enterprises (MSME) sector has emerged as a highly vibrant and dynamic sector of the Indian economy over the last five decades. It contributes significantly in the economic and social development of the country by fostering entrepreneurship and generating largest employment opportunities at comparatively lower capital cost, next only to agriculture. (Source: MSME Annual Report 2018-19)

As per the National Sample Survey (NSS) 73rd round, conducted by National Sample Survey Office, Ministry of Statistics & Programme Implementation during the period 2015-16, there were 633.88 lakh unincorporated non-agriculture MSMEs in the country engaged in different economic activities. It is seen that 31% MSMEs were found to be engaged in Manufacturing activities, while 36% were in Trade and 33% in Other Services. Again out of 633.88 estimated number of MSMEs, 324.88 lakh MSMEs (51.25%) were in rural area and 309 lakh MSMEs (48.75%) were in the urban areas. (Source: MSME Annual Report 2018-19)

As per National Sample Survey (NSS) 73rd round conducted during the period 2015-16, MSME sector has been creating 11.10 crore jobs (360.41 lakh in Manufacturing, 387.18 lakh in Trade and 362.82 lakh in Other Services and 0.07 lakh in Non-captive Electricity Generation and Transmission) in the rural and the urban areas across the country. Steady Increase in MSME Finance

MSME sector plays an important role in the overall growth of Indian Economy. MSMEs primarily rely on bank finance for their operations and ensuring timely and adequate flow of credit to the sector has been an overriding public policy objective. Over the years there has been a significant increase in credit extended to this sector by the banks. (Source – MSME Annual Report 2017-18)

Note: [^]Loans to MSME qualifies Micro & Small Enterprises under priority sector and loans to medium industry enterprises.

The access to finance and cost of credit have been a concern for the MSME sector. To address this issue, the government of India, on November 2, 2018, announced 2 per cent interest subvention for the MSME sector, applicable for 2018-19 and 2019-20. All fresh or incremental amount of working capital or new term loan to the extent of only ₹10 million in the sector would be eligible for interest subvention during the period of the scheme. All

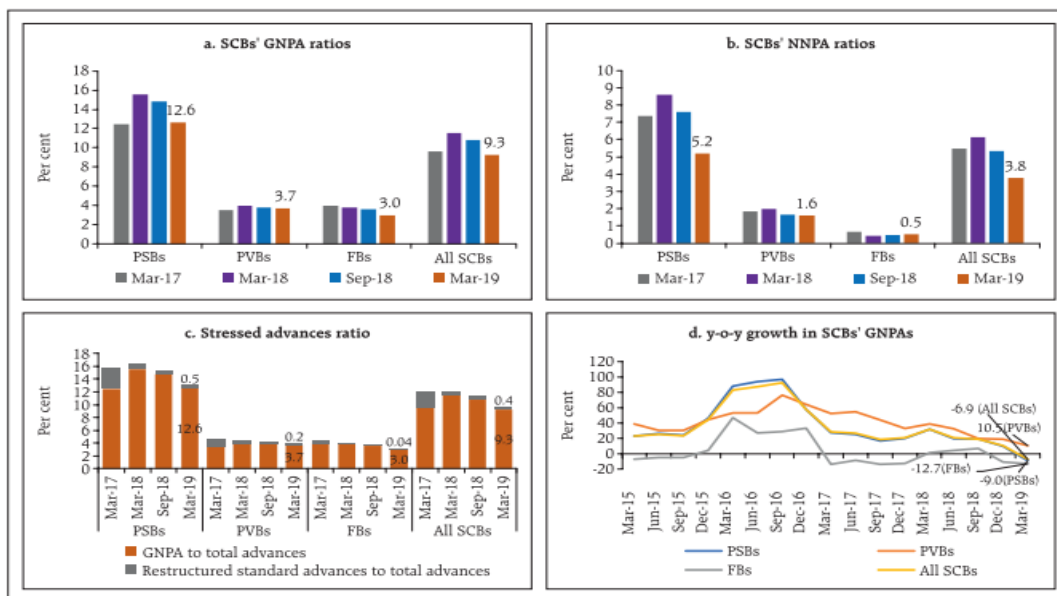

MSMEs which have a valid Udyog Aadhaar Number (UAN) and GSTN Number are eligible under the scheme. Further, the loan accounts of the eligible beneficiaries under the scheme, on the date of filing claim, should not have been declared as NPA as per the extant guidelines in this regard. No interest subvention shall be admissible to the eligible beneficiaries for any period during which their loan accounts remain under NPA category. Small Industries Development Bank of India (SIDBI) is the nodal national level implementing agency for the scheme. Regarding implementation of the scheme, the Reserve Bank has issued the operational guidelines to SCBs in February 2019. (Source – RBI Annual Report 2018-19)

7. Asset Quality Trends

The deterioration in asset quality of Indian banks, especially PSBs, can be traced to the credit boom of 2006-2011 when bank lending grew at an average rate of over 20%. Other factors that contributed to the deterioration in asset quality were lax credit appraisal and post sanction monitoring standards; project delays and cost overruns; and absence of a strong bankruptcy regime until May 2016.

During 2017-18, the GNPA ratio reached 14.6% for PSBs due to restructured advances slipping into NPAs and better NPA recognition. For PVBs, it remained at a much lower level but rose during the year. The asset quality of FBs improved marginally as shown in the below chart on GNPA Ratios. Supervisory data suggest that during H1:2018-19, the resolution of some large NPA accounts resulted in an improvement in asset quality of SCBs. The increased pace at which NPAs were recognised led to the NPA cycle peaking in March 2018. With most of the NPAs already recognised, the NPA cycle turned around with GNPA ratio declining to 9.3 per cent in March 2019. There was convergence of stressed advances ratio with GNPA ratio across all bank groups. The y-o-y growth in GNPA also decelerated across all bank groups. The provision coverage ratio (PCR) of all SCBs increased sharply from 52.4 per cent in September 2018 to 60.6 per cent in March 2019. Y-o-Y growth in NPA provisions of SCBs was, however, lower in March 2019 at 14.7 per cent as compared to 40 per cent in September 2018 due to the base effect of March 2018.

Trends in Non-performing Assets -Bank Group-wise

Bank-wise distribution of asset quality shows that the number of banks having very high GNPA ratio (more than 20 per cent) came down in March 2019 as compared to September 2018. This implies a broader improvement in asset quality. (Source: RBI financial stability report June 2019)

Resolute efforts on the part of PVBs to clean up their balance sheets through higher write-offs and better recoveries

also contributed to low GNPA ratios. Data from supervisory returns suggest a decline in the ratio of write-offs to GNPA's during H1:2018-19 across bank groups and an improvement in actual recoveries. In terms of the net NPA ratio, PSBs experienced significant deterioration during 2017-18. During the year, the share of doubtful advances in total GNPA's increased sizably, driven up by PSBs. The share of sub-standard and loss assets in GNPA's of PVBs declined under the impact of aggressive write-offs. During H1:2018-19, the share of sub-standard and doubtful advances of SCBs declined, while that of loss assets increased marginally.

(Source: Report on Trend and Progress of Banking in India 2017-17, and 2017-18)

Supervisory returns suggest that on top of the elevated level of stressed assets, fresh slippages rose during 2017-18 in respect of PSBs as against a decline in the previous year. This is largely attributable to restructured advances slipping into NPAs and a decline in standard advances. Slippages in respect of PVBs moderated. Quarterly data from supervisory returns suggest a significant decline in fresh slippages across bank groups during H1:2018-19.

Sector-wise, industrial sector receives 37.3% of total loans and advances, but it contributes about three-fourth of total NPAs. Asset quality in the industrial sector deteriorated during 2017-18, mainly with better recognition. The agricultural sector posted an uptick in the GNPA ratio possibly reflecting debt waiver by several states. During H1:2018-19, some moderation in industrial NPAs occurred due to resolution of certain large accounts. At the same time, the asset quality of loans to the agricultural sector worsened further. Loan defaults in retail loans remained at a low level. Size-wise, one-fourth of loans to large industries turned into NPAs by the end of March 2018. Medium sized industries underwent improvement in loan quality during 2017-18, although in H1:2018-19, these industries were faced with an uptick in the GNPA ratio.

Apart from recovery through various resolution mechanisms, banks are also cleaning up balance sheets through sale of doubtful/loss assets to assets reconstruction companies (ARCs) and other banks /NBFCs /financial institutions by taking haircuts.

8. Strengthening The Legal Framework for Recovering Stressed Assets

a. The Insolvency and Bankruptcy Code, 2016

The enactment of the Insolvency and Bankruptcy Code, 2016 (IBC) is a watershed towards improving the credit culture in our country. Prior to the IBC, India had multiple laws that governed various facets of a corporate rescue and/or insolvency process, without having a comprehensive legal framework that envisages a holistic process applicable to troubled or defaulting companies. The IBC provides for a single window, time-bound process for resolution of an asset with an explicit emphasis on promotion of entrepreneurship, maximisation of value of assets, and balancing the interests of all stakeholders.

For a creditor, an asset, in most cases, is more valuable when it is a going concern and generates adequate cash flow, as compared to an asset under liquidation. IBC puts a time limit of 180 days (extendable by a further 90 days) within which creditors have to agree to a resolution plan, failing which the adjudicating authority under the law will pass a liquidation order on the insolvent company. So the threat of liquidation, which could potentially result in larger losses for the creditors as a whole, should be sufficient incentive for them to ensure efficient coordination during the insolvency resolution period so as to quickly arrive at a decision.

b. Follow-up action by the Reserve Bank

Pursuant to the promulgation of The Banking Regulation (Amendment) Ordinance, 2017, the Reserve Bank identified a set of accounts to be referred for resolution under IBC, based on the recommendations of an Internal Advisory Committee ("IAC"). The process adopted for identifying the entities was consistent with the object of making quickest recovery of economic value. The classification criteria recommended by the IAC was based on an intelligible differentia (quantum, materiality, as well as age as of the NPA) and had close nexus with the underlying object of the IBC and the Ordinance.

c. Institutional Measures

i. Central Repository of Information on Large Credits (CRILC)

Setting up of CRILC by the Reserve Bank in 2014 filled a critical gap in addressing the information asymmetry regarding NPAs at the system level by facilitating collection of data on all Borrowers' credit exposures across the banking system. Having the aggregate view of Borrower-wise and bank-wise exposures provided the requisite tool for supervisors as well as lenders to track the incipient stress in a particular account in a timely manner. In fact, without CRILC the AQR would not have been possible.

ii. Overseeing Committee

In order to strengthen the role of the Overseeing Committee (“OC”), the Reserve Bank, in exercise of powers vested under Section 35 AB of the Ordinance, brought the OC under its aegis with an expanded membership to review the process followed by banks for restructuring outside the IBC. This was necessary to reinforce the statute-backed authority of the OC to review the processes and provide requisite comfort to the lenders, particularly public sector banks, to agree to a market-determined haircut as part of restructuring. 9. Constituents of the Indian Banking Industry

- The Reserve Bank of India

The Reserve Bank of India was established on April 1, 1935 in accordance with the provisions of the Reserve Bank of India Act, 1934. The Preamble of the Reserve Bank of India describes the basic functions of the Reserve Bank as "to regulate the issue of Bank notes and keeping of reserves with a view to securing monetary stability in India and generally to operate the currency and credit system of the country to its advantage; to have a modern monetary policy framework to meet the challenge of an increasingly complex economy, to maintain price stability while keeping in mind the objective of growth." The Reserve Bank of India performs the supervisory function under the guidance of the Board for Financial Supervision (BFS). The Board was constituted in November 1994 as a committee of the Central Board of Directors of the Reserve Bank of India under the Reserve Bank of India (Board for Financial Supervision) Regulations, 1994. The primary objective of BFS is to undertake consolidated supervision of the financial sector comprising Scheduled Commercial and Co-operative Banks, All India Financial Institutions, Local Area Banks, Small Finance Banks, Payments Banks, Credit Information Companies, Non-Banking Finance Companies and Primary Dealers.

(Source: RBI website - <https://www.rbi.org.in/CommonPerson/english/scripts/Organisation.aspx>)

Some of the initiatives taken by the Board for Financial Supervision include:

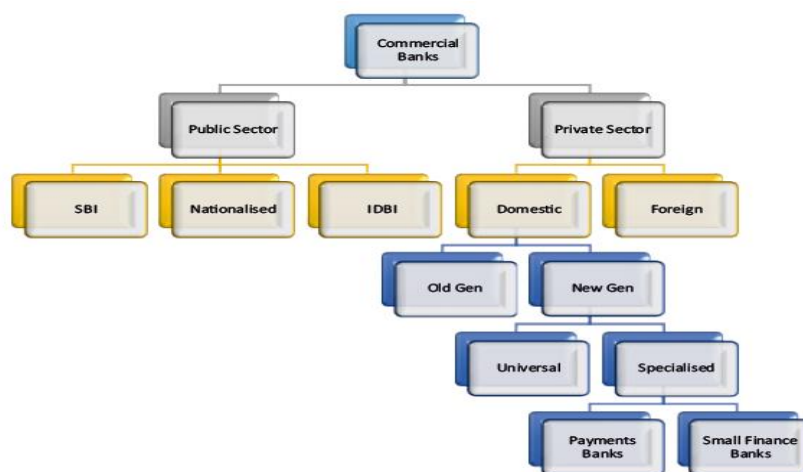

- i. Fine-tuning the supervisory processes adopted by the Bank for regulated entities;
- ii. Introduction of off-site surveillance system to complement the on-site supervision of regulated entities;
- iii. Strengthening the statutory audit processes of banks and enlarging the role of auditors in the supervisory process;
- iv. Strengthening the internal defences within supervised institutions such as corporate governance, internal control and audit functions, management information and risk control systems, review of housekeeping in banks;
- v. Introduction of supervisory rating system for banks and financial institutions;
- vi. Supervision of overseas operations of Indian banks, consolidated supervision of banks;
- vii. Technical assistance programme for cooperative banks;
- viii. Introduction of scheme of Prompt Corrective Action Framework for weak banks;
- ix. Guidance regarding fraud risk management framework in banks;
- x. Introduction of risk based supervision of banks;
- xi. Introduction of an enforcement framework in respect of banks;

- xii. Establishment of a credit registry in respect of large Borrowers of supervised institutions; and
- xiii. Setting up a subsidiary of RBI to take care of the IT requirements, including the cyber security needs of the Reserve Bank and its regulated entities, etc.

- **Indian Banking System – Commercial Banks**

The commercial banking sector in Indian is quite diverse. Based on the ownership pattern, banks can be broadly categorised into public sector banks, private sector banks and foreign banks. While the State Bank of India, nationalised banks and Regional Rural Banks (RRBs) are constituted under respective enactments of the Parliament, the private sector banks and foreign banks are considered banking companies as defined in the Banking Regulation Act, 1949. Till 2015, only universal banking licenses were being issued in India. However, since 2015, licenses for differentiated banks (niche banks) are also being issued alongside licenses for universal banks. (Source: RBI Functions & working report Jan 15, 2018).

Regional Rural Banks:

Regional Rural Banks (RRBs) were setup with a view to developing the rural economy by providing credit and other facilities, particularly to the small and marginal farmers, agricultural labourers, artisans and small entrepreneurs. Being local level institutions, RRBs together with commercial and co-operative banks, were assigned a critical role to play in the delivery of agriculture and rural credit. The equity of the RRBs was contributed by the Central Government, concerned State Government and the sponsor bank in the proportion of 50:15:35. The function of financial regulation over RRBs is exercised by Reserve Bank and the supervisory powers have been vested with NABARD. (Source: RBI Functions & working report Jan 15, 2018)

Foreign Banks:

Foreign banks have been operating in India for more than a century and a half. Foreign banks are permitted to operate in India either as branches or Wholly Owned Subsidiaries (“WOS”). Permission for opening of branches by foreign banks in India is guided by India's commitment to WTO. (Source: RBI Functions & working report Jan 15, 2018)

Payments Banks:

The Reserve Bank has issued payments bank (“PBs”) licences to seven entities, out of which five PBs were operational by End-March 2018 and the remaining two were also operational at end-November 2018. The primary objective of establishing PBs is to harness technology so as to increase financial inclusion by opening small savings accounts and providing payments/ remittance services to migrant labourers, small businesses, low income households and other entities in the unorganised sector, by using the digital medium. (Source: Report on Trend and Progress of Banking in India 2017-18)

Small Finance Banks:

Small Finance Banks (SFBs) have been set up to deepen financial inclusion by catering to clientele such as migrant labourers, low income households, small businesses and other unorganised sector entities. Since nine out of ten SFBs were earlier operating as NBFCs, their legacy reliance on borrowings continued. SFBs are, however, subject to a regulatory ceiling on inter-bank borrowings. Given their MFI background, loans and advances constituted 67% of total assets, which was much higher than that of other SCBs, and the share of investments in total assets was correspondingly lower. 12. Recent Regulatory Initiatives and their Rationale

Some of the recent regulatory initiatives, along with the rationale thereof, are given below.

Important regulatory initiatives (June 2018 - November 2018)

Date	Measure	Rationale/purpose
September 21, 2018	Co-origination of Loans by Banks and NBFCs for lending to Priority Sector: All scheduled commercial banks (excluding Regional Rural Banks and Small Finance Banks) may engage with Non-Banking Financial Companies - Non-Deposit	To augment the flow of funds to Priority sector.

Date	Measure	Rationale/purpose
	<p>taking</p> <p>- Systemically Important (NBFC-ND-Sis) to co-originate loans for the creation of priority sector assets. The bank can claim priority sector status without recourse to the NBFC. Minimum 20% of the credit risk by way of direct exposure will be on NBFC's books till maturity and the balance will be on the bank's books.</p>	
September 27, 2018	<p>Basel III framework on Liquidity Standards: Banks have been allowed to use additional share of their Statutory Liquidity Reserves so as to meet Liquidity Coverage Ratio (LCR) requirement. Hence, the carve-out from SLR, under Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR) will now be 13%, taking the total carve out from SLR available to banks to 15% of their NDTL.</p>	To infuse more liquidity into the system.
November 26, 2018	<p>External Commercial Borrowing (ECBs) mandatory hedging provision was reduced to 70% from 100% by Reserve Bank for eligible Borrowers raising ECBs under Track I, having an average maturity between 3 and 5 years. ECBs falling within the scope but raised earlier will be required to mandatorily roll over their existing hedge(s) only to the extent of 70% of outstanding ECBs exposure.</p>	To provide greater flexibility for managing exchange rate risks.

Priority Sector Lending Certificates (PSLCs) Trading

PSLCs trading were introduced in April 2016 on the lines of carbon credits to drive priority sector lending by leveraging the comparative strength of different banks. Under this arrangement, the overachievers sell excess priority sector obligations, while underachievers buy the same with no transfer of risks or loan assets. Trading in PSLCs takes place through the Reserve Bank's e-Kuber portal. Four kinds of PSLCs, viz., PSLC – Agriculture (PSLC-A); PSLC – Small and Marginal Farmers (PSLC- SM); PSLC – Micro Enterprises (PSLC-ME); and PSLC– General (PSLC-G), can be bought and sold via the platform in order to meet the applicable priority sector targets and sub-targets.

Trading volumes: During 2017-18, the PSLCs trading volume increased by 270% to ₹1,842 billion from ₹498 billion in the previous year. In H1:2018-19, trading volume more than doubled from the level a year ago. Trading volumes tend to spike at the end of each quarter as buyers vie with each other to meet quarterly priority sector targets. The e-Kuber portal has participation from all eligible bank categories – SCBs (including RRBs); urban co-operative banks (UCBs) and the recently operational small finance banks (SFBs).

PSBs and PVBs are major buyers and sellers of PSLCs; however, if buying and selling is netted, PVBs and FBs emerge as major buyers and PSBs, RRBs and SFBs as major sellers.

Public Credit Registry

The PCR aims to be an extensive database of credit information for all credit products in the country, from point of origination of credit to its termination (repayments, restructuring, default, resolution, etc.), eventually covering all lender-Borrower accounts without a size threshold. As of today, information on borrowings from banks, non-banking financial companies (NBFCs), corporate bonds or debentures from the market, external commercial borrowings (ECBs), foreign currency convertible bonds (FCCBs), Masala bonds, and inter-corporate borrowings are not available in a single data repository. The main objective of the PCR is to fill this lacuna and capture all the relevant information about a Borrower, across different borrowing products, in one place. The significant parts of this registry of borrowing contracts and repayment history will be accessible to all stakeholders provided they too share their data with the PCR.

The PCR increases the efficiency of lending institutions by reducing information asymmetry using a PCR, the lender can get a 360-degree view of the Borrower's other outstanding credits and past performance, allowing better screening at time of credit origination and superior monitoring during the life of the credit. This is a well-studied phenomenon and has been recorded in many research studies. The introduction of public registries and private bureaus has been found to raise the ratio of private credit to GDP in many countries by 7 to 8 percentage points over a five-year horizon. Importantly, credit registries and bureaus do not just increase the amount of borrowing; they are also responsible for improving the quality of borrowing.

India currently has a robust and unique digital identification for every citizen in the form of Aadhaar. Similarly, the Corporate Identification Number (CIN) as well as GSTN provide identities to businesses. Moreover, India is one of the few countries to provide an authentication service atop these identity services. These identities can be used in a PCR to aggregate data about Borrowers from across multiple institutions with a high degree of confidence in the accuracy of merging and referencing of data. The PCR will be a single source of information that has veracity. It will make reporting for small financial institutions easier and also remove the inconsistencies that come from aggregation across different reporting formats of multiple financial institutions.

13. Overall Assessment of Indian Banking Sector

In an environment of worsening asset quality of banks, resolution of stressed assets and ensuring adequate provisions as well as capital ascended the hierarchy of priorities for the Reserve Bank in 2017-18 and these concerns persisted in H1:2018-19, although some improvement was visible. Provisions for mark-to-market losses on account of hardening of yields on government securities added to these pressures, and in this context, the Reserve Bank allowed banks to spread the losses across four quarters, providing some relief. That banks managed to improve their capital positions and maintained other soundness indicators such as the leverage ratio and the LCR well above the minimum regulatory requirements testifies to the gradually building resilience of the banking sector. (Source: Report on Trend and Progress of Banking in India 2017-18)

Bank credit is recovering from the risk aversion of recent years and bank intermediation in the flow of resources to the commercial sector is regaining lost ground. There are shifts underway, though, with a renewed focus on lending to less stressed sectors such as retail loans. Lending to the agricultural sector is getting adversely impacted possibly reflecting deteriorating asset quality in the sector. Policy initiatives such as expanding the ambit of PMJDY—from every household to every adult—and the ongoing third phase of the financial inclusion plan is expected to deepen formal financialisation of disadvantaged sections of society. Furthermore, capital infusion in weak RRBs and operationalisation of an increased number of SFBs and PBs is expected to enable the expansion of the geographical penetration of banking services. On the consumer protection front, improvements in grievance redressal, introduction of innovative products for digital payments, and measures to improve cyber security in banking are all expected to leverage on the progress made so far to expand financial inclusion to encompass all Indians and to provide financial services efficiently and cost effectively. (*Source: Report on Trend and Progress of Banking in India 2017-18*)

Going forward, the IBC and the evolving framework for resolution of stressed assets is expected to address the bad loan problem and improve debtor-creditor relationships even as competition from NBFCs, bond market and fintech companies intensifies. In this environment, banks need to augment their capital base to guard against future balance sheet stress, and improve their credit monitoring and risk management strategies in order to support inclusive growth in the evolving financial landscape. (*Source: Report on Trend and Progress of Banking in India 2017-18*).

During 2019-20, the banking sector is poised to build upon the consolidation achieved in the year gone by. Stress tests for credit risk conducted by the Reserve Bank indicate that under the baseline scenario, SCBs' gross NPA ratio may decline further to 9.0 per cent by end-March 2020 (9.1 per cent as at end-March 2019). This would release headroom for provisioning efforts, a turnaround in financial performance and for energising and broadening the flow of credit to the productive sectors of the economy. Concomitantly, several regulatory and supervisory measures are underway to strengthen the soundness of the banking system. The Reserve Bank will issue draft guidelines on (a) corporate governance in banks; and (b) revised standardised approach for calculating minimum capital requirement for operational risk in order to align the current regulatory framework with global best practices. Further, draft revised guidelines will be issued on capital charge for credit risk as well as on securitisation. The regulatory framework for Interest Rate Risk in Banking Book will be finalised. These measures will work in conjunction with the revised prudential framework for resolution of stressed assets framed in June 2019 and the large exposures framework, effective April 1, 2019 to incentivise a prudent credit culture. (*Source: RBI Annual Report 2018-2019*)

Reviving consumption demand and private investment has assumed the highest priority in 2019-20. This may involve strengthening the banking and non-banking sectors, a big push for spending on infrastructure and implementation of much needed structural reforms in the areas of labour laws, taxation, and other legal reforms, which will also enhance ease of doing business in pursuit of fulfilling the vision of India becoming a US\$ 5 trillion economy by 2024-25. Overview

We are one of the oldest private sector banks in India with a history of over 98 years and have a strong base in Kerala along with significant presence in Tamil Nadu, Karnataka, and Maharashtra. We offer a wide range of products and services to our overall customer base of 1.3 million as on September 30, 2019, with particular focus on SME, Retail, and NRI customers. We deliver our products and services through multiple channels, including 412 branches (excluding three service branches and three asset recovery branches) and 290 ATMs spread across 16 states and four union territories as on September 30, 2019, and various alternate channels such as micro ATMs, debit cards, internet banking, mobile banking, point of sale services and UPI. We believe with our focus on quality of service and nurturing long term relationship with our customers, we have developed a well-recognized and trusted brand in south India, particularly in the states of Kerala and Tamil Nadu.

While our Bank has a long operating history as a traditional bank, we are currently focusing on implementation of strategic changes in our business model to function efficiently as a full service new age private sector bank backed by our new marquee investor - FIHM, our Promoter. To this end, we are re-aligning our organizational set-up for efficiently driving our operations and business strategy, wherein branches will be responsible only for deposits, cross-selling and customer servicing and all loan products will be driven by dedicated teams, with each business team operating as a profit centre. We are in the process of rebranding ourselves to “CSB Bank Limited” to address region and community related perceptual issues associated with our previous brand name. We are engaged in lateral hiring along with hiring of new recruits by offering market based compensation with a performance linked variable pay component, including employee stock option plans, which will align our employees’ interest with the performance of our Bank. In Fiscal 2019, we have also introduced a mechanism for review of performance by a special committee of all officer employees of our Bank on completion of 50 years of age, and thereafter on yearly basis after 53 years of age. Further, our Bank may on review by special committee, in its discretion, retire an officer employee any time after completion of 50 years of age and continuance in service up to age of 58 years is subject to suitable service performance. We have also relocated our staff department and credit hub to Chennai, which we believe, will attract best talent and improve our productivity. We are also adopting a partnership based approach for sourcing business for certain products and for select operational functions instead of developing in-house capabilities for each function, which will help us to scale up in a more efficient manner. We are also expanding our products suite, services, and digital banking platform, with investments in technology aimed at

improving our customers' experience, making it easier for them to interact with us, and offering them a range of products tailored to their financial needs.

We have four principal business areas, namely, (a) SME banking, (b) retail banking, (c) wholesale banking, and (d) treasury operations.

Under our SME banking business, we cater to financial institutions, agriculture and allied businesses, and vendors and dealers of corporates. We offer a wide range of products including term loans, working capital loans, invoice/bill discounting, letters of credit and bank guarantees. We believe that lending to SME customers enables us to diversify our credit risk due to relatively smaller individual exposures. SME business compared to other businesses offers higher yields, cross-selling, and associated business opportunities. All of our SME loans are given based on our assessment of borrowers' business, cash-flows, repayment capacity and are further secured with significant tangible security. Our agriculture finance portfolio helps us to meet our priority sector lending obligations, where we are required to lend 40% of our ANBC or credit equivalent amount of off balance sheet exposure, whichever is higher, towards priority sectors, out of which 18% of our ANBC or credit equivalent amount of off balance sheet exposure, whichever is higher, is required to be directed towards agriculture. As on September 30, 2019, our Bank had 412 branches (excluding three service branches and three asset recovery branches) in metro, urban, semi urban, and rural locations, which we believe are conveniently located in close proximity to a large proportion of our existing and target SME customer base. As a percentage of our total advances, loans to SME customers accounted for 43%, 37%, 32% and 29.47% as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. The SME loan book of our Bank has increased from ₹ 35,384 million as on March 31, 2017 to ₹ 35,989 million as on March 31, 2018 and decreased to ₹ 34,733 million as on March 31, 2019. Further, as on September 30, 2019, the SME loan book of our Bank was ₹ 33,605 million. We believe that the SME growth was impacted due to our cautious lending approach in difficult macro environment post demonetization and GST implementation and our focus was on low risk weighted products due to capital constraint and improving quality of SME exposures by lending to SMEs with higher credit rating.

Under our retail banking business, we offer a wide range of loan and deposit products to our retail and NRI customers. Our retail lending products include gold loans, vehicle loans including two wheeler loans, loans against properties, personal loans, housing loans, agricultural loans, and education loans. Our deposit products include current accounts, savings accounts, fixed deposits, recurring deposits, and corporate salary accounts. Our retail loans (including gold loans) constituted approximately 44%, 42%, and 45% and 46.23% of our total advances as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. Our Gold loans advances (including agriculture gold loans) have increased from ₹ 20,263 million as on March 31, 2017 to ₹ 33,331 million as on March 31, 2019 growing at CAGR of 28.3%. Further, our gold loans advances (including agriculture gold loans) as on September 30, 2019 was ₹ 37,818 million. Gold loan advances constituted 24%, 26%, 31% and 33.17% of our total advances as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively, and thus, remain a mainstay product for our Bank on the retail advances side. On the deposits side, CASA banking business constituted 24.78%, 27.03%, and 27.84% of our total deposits as on March 31, 2017, March 31, 2018, and March 31, 2019, respectively, and has grown at a CAGR of 7% during the last three Fiscals. Further, our CASA banking business constituted 28.19% of our total deposits as on September 30, 2019. As of March 31, 2019, our CASA ratio was standing at 27.84% and our retail deposits constituted 93.73% of our total term deposits, and these deposits have consistently exhibited renewal patterns of above 90%. Further, as of September 30, 2019, our CASA ratio was standing at 28.19% and our retail deposits constituted 92.93% of our total term deposits, and these deposits have consistently exhibited renewal patterns of above 97.86%. Further, NRI deposits have been a stable source of funding for our Bank constituting 23.98%, 25.74%, and 24.87% of our total deposits as on March 31, 2017, March 31, 2018, and March 31, 2019, respectively, and have grown at a CAGR of 3% during the last three Fiscals. Our NRI deposits constituted 24.59% of our total deposits as on September 30, 2019. For facilitating fund transfer services required by our NRI customers, we have remittance and rupee drawing arrangements with major exchange houses in the Middle East and also have tie ups with major money transfer agents, which enhances our capability to provide inward remittance services to our customers and strengthens our NRI business.

Under our wholesale banking business, we cater to large and mid-size corporates and other business entities (with credit requirement of ₹ 250 million and above). As a percentage of our total gross advances, wholesale banking advances accounted for 13%, 21%, 23% and 24.30% as on March 31, 2017, March 31, 2018, March 31, 2019, and

September 30, 2019, respectively.

Our treasury operations primarily consist of statutory reserves management, asset liability management, liquidity management, investment and trading of securities, and money market and foreign exchange activities. Our treasury operations are aimed at maintaining an optimum level of liquidity, while complying with the RBI mandated CRR and SLR. We maintain SLR through a portfolio of dated securities and treasury bills of the Government of India, state development loans, and other securities as may be permitted by the RBI from time to time, which we actively manage to optimize yield and benefit from price movements. We are also involved in the trading of securities and foreign exchange, and investment in sovereign debt instruments, commercial papers, mutual funds, certificates of deposits, bonds, and debentures to manage short-term surplus liquidity and to further optimize yield and generate profits thereon. The profits generated from the sale of investments (net) were ₹ 1,959.06 million, ₹ 27.25 million, ₹ 80.06 million and ₹ 129.58 million as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively.

We also distribute life insurance products of Edelweiss Tokio Life Insurance Company Limited, HDFC Life Insurance Company, and ICICI Prudential Life Insurance Company Limited, and general insurance products of ICICI Lombard General Insurance Company Limited and Reliance General Insurance Company Limited under contractual arrangements entered into with them, which increases our product portfolio and helps us to generate fee income. Our income from bancassurance was ₹ 51 million, ₹ 69 million, and ₹ 96 million for Fiscals 2017, 2018, and 2019, respectively and has grown at a CAGR of 37% during the last three Fiscals. Further, our income from bancassurance was ₹ 46.5 million as on September 30, 2019.

As on September 30, 2019, we had a network of 412 branches (excluding three service and three asset recovery branches) and 290 ATMs. Out of these 412 branches, 64 branches are in metropolitan areas, 86 branches are in urban areas, 220 branches are in semi-urban areas, and 42 branches are in rural areas. We have wide presence in India, with 267, 56, 30, 17, and 42 of these 412 branches located in the states of Kerala, Tamil Nadu, Maharashtra, Karnataka, and others, respectively. Further, as on September 30, 2019, we had organized all our branches under eight zonal offices.

In recent years, our growth was constrained by low capital adequacy and higher operating costs, which adversely impacted our financial performance. However, in last three Fiscals from Fiscal 2017 to Fiscal 2019, our Bank has improved its growth by focusing on better yield loan products with low risk and therefore, the surplus funds parked in investments were re-deployed to advances with particular focus on gold loans and corporate advances to entities with high credit ratings which have low risk weights to minimize capital consumption. We also launched new retail products like two wheeler finance in Fiscal 2019. Within deposits, we focused more on increasing CASA by deploying a dedicated team to mobilize CASA from institutional customers which helped us to reduce cost of deposits. Further we adopted a conscious strategy of repricing term deposits to manage its share in overall deposits given our low credit to deposit ratio in Fiscal 2017 and to further reduce cost of deposits. Further, we focused on upgrading technology platform to enhance customer servicing and experience by introducing various features like account portability, that is, flexibility for customizing account features, and upgradation of existing system for debit cards, addition of features like IMPS, E-Deposits, etc. for increasing ease in internet banking. We also focused on taking steps like up-skilling of existing employees by organizing training programmes to improve employee productivity and selective hiring of lateral talent along with hiring of new recruits in order to improve operating efficiency, we focused on rationalizing our branch infrastructure by closing down unprofitable branches and focused on increasing our reach via alternate channels such as ATMs, and digital channels, instead of additional branches. Further, we also started centralization and digitization of various operating processes to bring more efficiency. The revamped operating strategy resulted in revival of growth with gradual improvement in profitability despite our low capital adequacy and lead to turnaround in our core operating profit (profit before provisioning and tax, excluding profit on sale of investments) from ₹ -441.93 million in Fiscal 2017 to ₹ 53.52 million in Fiscal 2019. Our core operating profit (profit before provisioning and tax, excluding profit on sale of investments) was ₹ 906.15 million for the six month period ended September 30, 2019. The major performance highlights for the last three Fiscals and for the six month period ended September 30, 2019 are as follows:

Our total assets (gross) increased from ₹ 161,276 million as on March 31, 2017 to ₹ 169,112 million as on March 31, 2019. Further, our total assets (gross) were ₹ 177,555 million as on September 30, 2019.

On the deposits side, while our overall deposits grew at a slower pace from ₹ 149,116 million in Fiscal 2017 to ₹ 151,239 million in Fiscal 2019 due to our conscious strategy of reducing term deposits and focusing more on CASA, our CASA deposits increased from ₹ 36,946 million as on March 31, 2017 to ₹ 42,106 million as on March 31, 2019 and our CASA ratio improved from 24.78% in Fiscal 2017 to 27.84% in Fiscal 2019, leading to a significant reduction in our cost of deposits from 6.89% in Fiscal 2017 to 5.87% in Fiscal 2019.

Further, our overall deposits were ₹ 155,098 million for the six month period ended September 30, 2019. Our CASA deposits was ₹ 43,719 million as on September 30, 2019 and our CASA ratio was 28.19% for the six month period ended September 30, 2019, leading to a reduction in our cost of deposits to 5.91 % for the six month period ended September 30, 2019.

Our advances started growing again from Fiscal 2017. Our advances (net) increased from ₹ 80,008 million in Fiscal 2017 to ₹ 106,152 million in Fiscal 2019. Further, our advances were ₹ 112,978 million for the six month period ended September 30, 2019. Our yield on advances decreased from 11.10% as on March 31, 2017 to 9.85% as on March 31, 2019. Further, our yield on advances was 10.22% as on September 30, 2019.

Our credit to deposit ratio increased from 53.65% in Fiscal 2017 to 70.19% in Fiscal 2019. Further, our credit to deposit ratio was 72.84% for the six month period ended September 30, 2019.

Our effective risk weight of standard advances decreased from 52.63% as on March 31, 2017 to 41.57% as on March 31, 2019. Further, our effective risk weight of standard advances was 39.97% as on September 30, 2019.

Our gross NPAs decreased to 4.87% as of March 31, 2019 from 7.25% as of March 31, 2017. Further, our gross NPAs was 2.86% as on September 30, 2019. The net NPAs decreased to 2.27% as of March 31, 2019 from 4.12% as of March 31, 2017. Further, our net NPAs was 1.96% as on September 30, 2019, while our provisioning coverage ratio was 65.50%, 75.83%, 78.16% and 79.45 % in respect of NPAs (including technical write-offs) as of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. We made total NPA provisioning of ₹ 6,871.1 million and total Write-offs including technical/prudential write offs of ₹ 4,437.9 million together amounting for ₹ 11,309 million from Fiscal 2017 to Fiscal 2019. The total NPA provisioning of the Bank was ₹ 556.3 million and total write-offs including technical/prudential write offs was ₹ 2,148.8 million, together amounting for ₹ 2,705.1 million for the six month period ended September 30, 2019. Our restated credit cost (total provisions other than tax divided by average total assets) was 1.57% in Fiscal 2017, 1.66% in Fiscal 2018 and declined to 0.65% in Fiscal 2019 led by provisioning & write offs in previous Fiscals in terms of our Restated Financial Information. Our restated credit cost was 0.38% (annualized) for the six month period ended September 30, 2019.

The net interest margin increased from 2.11% in Fiscal 2017 to 2.80% in Fiscal 2019 primarily on account of reduction in our cost of funds and increase in credit to deposit ratio. Further, our net interest margin was 3.43% for the six month period ended September 30, 2019. Our net interest income increased from ₹ 3,136.01 million in Fiscal 2017 to ₹ 4,399.55 million in Fiscal 2019. Further our net interest income was ₹ 2,795.20 million for the six month period ended September 30, 2019. Our non-interest income decreased from ₹ 2,812.01 million in Fiscal 2017 to ₹ 1,359.18 million in Fiscal 2019; however, excluding profit on sale of investments our non-interest income increased from ₹ 853 million in Fiscal 2017 to ₹ 1,279 million in Fiscal 2019. Our non-interest income was ₹ 844.15 million for the six month period ended September 30, 2019; however, excluding profit on sale of investments our non-interest income was ₹ 714.58 million for the six month period ended September 30, 2019.

Our cost to income ratio increased from 74.49% in Fiscal 2017 to 97.68% in Fiscal 2019. Further, cost to income ratio was 71.54% for the six month period ended September 30, 2019. However, excluding our treasury profits and extraordinary provision under AS15 of ₹ 873.2 million, cost to income ratio improved from 111% in Fiscal 2017 to 83.7% in Fiscal 2019.

Pursuant to a preferential allotment of Equity Shares and warrants to FIHM, we received ₹ 7,207.53 million in Fiscal 2019 and the balance amount of ₹ 4,869.29 million in second quarter of Fiscal 2020, which made us well capitalized and improved our capital adequacy ratio (including capital conservation buffer), as per Basel III Norms, from 10.93% as of March 31, 2017 to 16.70% as of March 31, 2019. Our Tier I capital ratio has been further augmented post capital infusion in second quarter of Fiscal 2020. Further, as per the Basel III Norms, the CRAR,

as assessed by our Bank as on September 30, 2019 was 22.77% (including capital conservation buffer). For further details, please see “*History and Certain Corporate Matters*” on page 197 of this Prospectus. We believe that this acquisition by FIHM in our Bank is first of a kind in the banking space in the country.

OUR COMPETITIVE STRENGTHS:

Strong channel network and trusted brand in South India

We provide our products and services primarily through an extensive physical network of branches and ATMs. We operate in 16 States and four Union Territories in India, reaching 1.3 million customers through 412 branches (excluding three service branches and three asset recovery branches) and 290 ATMs, as on September 30, 2019. In addition to our physical network, we have made investments in development of alternate channels from time to time. We formed a dedicated alternate delivery channels unit in the year 2014 for enhancing our online banking capabilities and digital payment solutions for providing services to our customers via non-branch outlets to improve their banking experience.

Our alternate channel network comprises of ATM debit cards, internet banking, mobile banking, point of sales (“**POS**”), QR payments, UPI, 24*7 phone banking, ePassbook, micro ATMs, prepaid (co-branded) cards, and payment gateway services through tie ups, (collectively “**Alternate Channel Network**”). The number of transactions undertaken through Alternate Channel Network has increased from 42.10% in March 31, 2017 to 56.57% in March 31, 2019 and was 64.18% for the six month period ended September 30, 2019, against the branch manual transaction which includes cash, clearing, transfer, RTGS, NEFT done from branches of our Bank (“**Branch Manual Transaction**”).

With over 98 years of history, we believe we have developed a well-recognized and trusted brand in south India, particularly in the states of Kerala and Tamil Nadu, where we have built strong relationships with many of our customers, which has been one of our key growth drivers. We believe that we are known for our consistent approach to developing long-term relationships with our customers, based on our local knowledge and experience, amongst other things. We believe that our neighborhood centric focus has played a significant role in maintaining customer loyalty and our strong gold loan portfolio is a testimonial to the trust placed in our brand by our customers.

We believe that the trust reposed in our brand has enabled us in developing and maintaining a robust and loyal deposit franchise, consisting of a distinctive clientele, including numerous churches, charitable trusts, welfare boards, temple trusts, educational institutions, and local government institutions. Our deposit renewal rate has increased from 88.01% as of March 31, 2017 to 93.00% as of March 31, 2018 and to 97.24% as of March 31, 2019. Further, our deposit renewal rate was 97.86% as on September 30, 2019.

Strong capital base for growth

Our capital position has been significantly strengthened post FIHMs investment in our Bank. Pursuant to a preferential allotment of Equity Shares and warrants to FIHM, for which we received ₹ 7,207.53 million in Fiscal 2019 and the balance amount of ₹ 4,869.29 million in Fiscal 2020, we have a strong capital base for growth acceleration, something which we were not able to accomplish in past due to paucity of capital. As per the Basel III Norms, the CRAR, as assessed by our Bank as on March 31, 2019 and September 30, 2019, was 16.70% and 22.77% (including capital conservation buffer), respectively. This is above the minimum prescribed CRAR of 10.875% (including capital conservation buffer of 1.875%) stipulated by the RBI in the Basel III Norms. Capital augmentation post infusion of funds by FIHM helped vitalize our Bank’s growth engine.

As on March 31, 2019, our Tier 1 CRAR (including capital conservation buffer) and common equity Tier 1 CRAR (including capital conservation buffer) stood at 16.03% and 16.03%, respectively. Further, as on September 30, 2019, our Tier 1 CRAR (including capital conservation buffer) and common equity Tier 1 CRAR (including capital conservation buffer) stood at 22.11% and 22.11%, respectively, well above the minimum prescribed requirements of 7% and 5.5%, respectively, which would enable our long term growth. Our bank currently does not have any Tier 2 bonds as we have redeemed ₹ 418 million worth of unsecured redeemable non-convertible subordinated lower Tier II bonds on March 30, 2019. As on March 31, 2019 and September 30, 2019, our Tier 2 CRAR stood at

0.67% and 0.66%, respectively and therefore our bank has significant head room available to raise Tier 2 capital to supplement our strong Tier 1 capital base.

Well established SME business

We believe that SMEs are more often confronted with challenges such as availability of adequate and timely financial resources than large corporates. We focus on meeting the funding and banking requirements of these SME customers. As a percentage of our total advances, loans to SME customers accounted for 43%, 37%, 32% and 29.47% as on March 31, 2017, March 31, 2018, March 31, 2019 and September 30, 2019, respectively.

We believe that lending to SMEs enables us to diversify our credit risk profile due to relatively smaller individual exposures. As on March 31, 2019 and September 30, 2019, our advances to SME customers aggregated to ₹ 34,733 million and ₹ 33,605 million, respectively, spread across 7,529 accounts and 7,534 accounts, respectively, implying an average ticket size of approximately ₹ 4.61 million and ₹ 4.46 million, respectively. Further, as on March 31, 2019 and September 30, 2019, working capital advances such as cash credit and overdraft facilities to our SME customers constituted 14% and 11.11% of our total advances, respectively, while terms loans to our SME customers constituted 18% and 18.36% of our total advances, respectively.

SME business offers comparatively higher yields, cross-selling and associated business opportunities, and higher degree of secured and collateralized loans. As on March 31, 2019 and September 30, 2019, 99.26% and 96.11% of our SME loan portfolio was secured by tangible collateral, respectively. Lending to SMEs also helps us to meet our priority sector lending targets.

As on September 30, 2019, out of the total 388 SME cluster areas identified by United Nations Industrial Development Organization (“UNIDO”) spread across India, we have presence in 166 such clusters and we intend to expand our SME business in the remaining clusters, specifically in the states of Tamil Nadu, Andhra Pradesh, Telangana, and Gujarat. We believe we have in-depth knowledge and local experience of banking requirements of SMEs to grow in sectors that we believe have good growth potential for us, such as cotton textiles and food processing including dairy and animal feed, and to formulate specific products, services, processes, and delivery capabilities to cater to the requirements of SME customers. Our local experience and understanding of such sectors also provides us the expertise to give loans to SME customers based on our assessment of their business cash-flows and repayment capability. Further, our SME loans are secured against some tangible security from our SME Borrowers. We have strategically decided to reduce our exposure to certain sectors like commercial real estate, jewellery, steel, cashew, and spinning mills on the basis of our assessment and forecast of difficult business conditions in these sectors.

To enhance our sales and marketing efforts, we have established a separate team focusing on SME business with credit analysts, relationship managers, and cluster heads assisting the branches in sourcing additional business and achieving deeper penetration. We synergistically leverage our branch network and the expertise of our branch managers and the SME team to create a customer-centric culture, where the emphasis is on satisfying the complete banking and financial needs of our SME customers by offering them a portfolio of products and services including term loans, working capital loans, export finance, import finance, and letters of credit, customized and tailor-made to their specific requirements.

Retail offering driven by strong gold loan portfolio

Gold loans constituted a major portion of our advances, contributing 24%, 26%, 31% and 33.17% of our total advances as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. As on March 31, 2019 and September 30, 2019, we had 522,248 and 595,121 gold loan accounts, with advances aggregating to ₹ 33,331 million and ₹ 37,818 million, implying an average ticket size of approximately ₹ 0.06 million and ₹ 0.06 million, respectively.

Apart from liquidity of the security and low probability of credit losses, gold loan advances offer benefits of hassle-free lending and lower operational costs. Our gold loan book has grown by 23% from ₹ 20,263 million as on March 31, 2017 to ₹ 24,836 million as on March 31, 2018 and by 34% to ₹ 33,331 million as on March 31, 2019. Further, our gold loan book accounted for ₹ 37,818 million as on September 30, 2019.

We have a dedicated team within our retail banking business to focus on our gold loan product offerings and have established internal processes towards origination, valuation of gold being pledged as security, and subsequent monitoring and collection from customers towards loan repayment, including timely disposal of pledged gold to realize our receivables in the event of default. In addition to our internal procedures, we also engage professional appraisers to determine the purity and value of the gold pledged.

Stable and granular deposit base

Our deposit base has remained stable. During last three Fiscals, despite a decline in term deposits due to our conscious strategy of not focusing on such deposits, our overall deposits base has remained intact and has increased from ₹ 149,116 million in Fiscal 2017 to ₹ 151,239 million in Fiscal 2019, owing to an increase in CASA deposits. Our overall deposits base was ₹ 155,098 million for the six month period ended September 30, 2019.

Our CASA deposits increased from ₹ 36,946 million as on March 31, 2017 to ₹ 42,106 million as on March 31, 2019. Further, our CASA deposits was ₹ 43,719 million as on September 30, 2019. Our CASA ratio improved from 24.78% in Fiscal 2017 to 27.84% in Fiscal 2019, which has led to reduced cost of borrowings for our Bank and improvement in net interest margin of our Bank in Fiscal 2019. Further, our CASA ratio was 28.19% for the six month period ended September 30, 2019

As on March 31, 2019, retail deposits constitute 93.73% of our total term deposits and these deposits have consistently exhibited renewal patterns of above 90%. Further, as of September 30, 2019, our CASA ratio was standing at 28.19% and our retail deposits constituted 92.93% of our total term deposits, and these deposits have consistently exhibited renewal patterns of above 90%. Our deposit renewal rate has increased from 88.01% as of March 31, 2017 to 93% as of March 31, 2018 and to 97.24% as of March 31, 2019. Further, our deposit renewal rate was 97.86% as on September 30, 2019.

Our NRI deposits have been a stable source of funding for our Bank, constituting 23.98%, 25.74%, and 24.87% of our total deposits as on March 31, 2017, March 31, 2018, and March 31, 2019, respectively, and have grown at a CAGR of 3% during the last three Fiscals. Further, NRI deposits constituted 24.59% of our total deposits as on September 30, 2019.

For facilitating fund transfer services required by our NRI customers, we have remittance and rupee drawing arrangements with exchange houses in the Middle East. We also have tie ups with major money transfer agents, which enhances our capability to provide inward remittance services to our customers and strengthens our NRI business.

Professional and experienced management with strong and independent Board.

Our Key Managerial Personnel bring substantial experience and in-depth knowledge of banking operations and management. While some of our Key Managerial Personnel have been with our Bank for more than 35 years, we have also brought in other experienced professionals from the banking industry. We believe that our management's capabilities, strong reputation, extensive network of industry relationships, and wide-ranging experience in the finance and banking industry will continue to help us to grow, modernize, and develop further.

The members of our Board have significant finance and banking experience, including in the RBI, NABARD, Small Industries Development Bank of India ("SIDBI"), KPMG, Thomas Cook (India) Limited, and Fairbridge Capital Private Limited, and include chartered accountants and associates of the Indian Institute of Banking & Finance. The Part-time Chairman of our Bank, Mr. Madhavan Karunakaran Menon, has over 30 years of experience in the financial sector and holds a bachelor's degree and a master's degree in business administration from the George Washington University. Several of our Directors are also on the board of other reputed companies. Our Board of Directors and the Key Managerial Personnel have been responsible for undertaking a number of initiatives to enhance the business focus of our Bank by upgrading processes, technology, and human resources.

For further details, please see "Our Management" beginning on page 206 of this Prospectus.

Streamlined risk management controls, policies and procedures

We have instituted prudent risk management controls, policies, and procedures that are critical for the long-term sustainable development of our business. We have implemented risk management procedures for our credit exposures, including credit evaluation, credit scoring, risk based pricing models, and risk monitoring and control mechanisms. We have developed our own credit risk rating framework in terms of which all exposures of ₹ 2.5 million and above are brought within a rating mechanism. The rating framework incorporates, *inter-alia*, financial analysis and sensitivity and industrial and management risks. A separate risk management department formulates and implements credit risk evaluation, approves risk management framework and policies, oversees the credit approval process, and periodically reviews the same so as to ensure that the business conducted is consistent with our risk appetite, with a focus on maintaining and enhancing asset quality. Further, retail lending is parameterized based on an internally developed framework. We periodically conduct audits/inspections to ensure that the risks on our portfolios are within acceptable parameters. We continuously monitor our portfolios through our internal control system, which includes macro level portfolio analysis, migration of credit rating analysis, and stress testing analysis. We have also implemented some of the recommendations provided in Fiscal 2016 by CRISIL Risk Solutions, a division of CRISIL Risk and Infrastructure Solutions Limited, to revamp our credit assessment framework.

Our credit risk policy is periodically reviewed and updated to incorporate changes in the environment, market, and regulatory guidelines. We have an asset liability management committee for managing market risk; a credit risk management committee for managing credit risk; and an operations risk management committee for managing operations risk. We are focused on maintaining high standards of asset quality through risk management and mitigation practices.

We also manage risk by ensuring that our advances are adequately secured. As on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, 95.09% (i.e. ₹ 78,659 million), 96.01% (i.e. ₹ 92,985 million), 95.95% (i.e. ₹ 104,637 million), and 94.85% (i.e. ₹ 108,155 million) respectively, of our advances were secured.

We believe that our efforts in strengthening risk management have improved our asset quality. Our gross NPAs decreased to 4.87% as of March 31, 2019 from 7.25% as of March 31, 2017. Further, our gross NPAs was 2.86% as on September 30, 2019. The net NPAs decreased to 2.27% as of March 31, 2019 from 4.12% as of March 31, 2017. Further, our net NPAs was 1.96% as on September 30, 2019, while our provisioning coverage ratio was 65.50%, 75.83%, 78.16% and 79.45% in respect of NPAs (including technical write-offs) as of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively.

BUSINESS STRATEGIES:

1. Accelerate transformation as new age private bank.

Re-align our organizational set-up for efficiently driving our operations and business strategy

We have designed a new organizational set up which we believe makes us more capable of attaining the long-term targets for our business growth and successfully evolve into a new age private sector bank.

In the past, our organizational set-up was branch centric, wherein our branches were main drivers of our business, taking care of everything from deposits to lending and customer servicing. Within lending operations too, everything from origination to processing, credit assessment, collections, and monitoring was being undertaken at branch level. This typically had inherent conflict of interest as origination and sanction of loans were with the same branch and branch head. Also, in the event of any investigation pursuant to fraud or asset quality issues, typically the decision making for all products and operations was getting impacted pending such investigation, leading to a slowdown in business. However, we are now moving to a business segment wise organizational set-up, wherein branches will be responsible for origination of deposits, cross selling, and customer servicing, and advances will be driven by a dedicated team for each loan product, i.e. retail, SME, and corporate loans, with respective business strategy, standardized policy framework, clear separation of credit assessment and sanction of loans from the origination team within each business segment to ensure independent analysis and appraisal of loan proposals. Further, we will have specialized loan product teams

within retail banking to focus on specific products like gold loans, two wheeler loans, etc. based on our priorities. We believe that such systematic product driven approach, customized for each business segment and product, will help us to concentrate better on business growth based on our strategy and focus from time to time and to improve our decision making process for approval of credit worthy loan proposals, resulting in quicker turnaround time.

Pursuant to our new organizational set-up and infusion of capital by FIHM, which has given us a strong balance sheet to focus on growth, we will continue to recruit, retain, motivate, and develop talented and experienced professionals, and introduce variable pay, including employee stock option plans, to align compensation with employee performance. We intend to revamp our employee base by hiring new employees completely on market based compensation packages, which will not be under IBA wage settlement system. As on September 30, 2019, out of 3,250 employees of our Bank, 1,309 employees were outside IBA package which constituted approximately 40.28% of our total employees. The corresponding percentage was close to zero as on March 31, 2017. We believe with our focus on market based compensation packages for new recruits and systematic performance based variable pay components (including employee stock option plans), our employees' performance will be better aligned with our business performance and our long term growth strategy, and it will also increase our ability to recruit the right talent for our Bank.

We will support and complement our business operations with greater adoption of right technology at various operational and functional levels to improve operational scalability and efficiency.

Rebranding with new name to address region and community related perceptual issues.

Despite being in existence for nearly ten decades, our previous brand name 'The Catholic Syrian Bank Limited' had limited reach and was recognized only in Kerala and other nearby states, even though we have branches in 16 states and four union territories of India. Additionally, we believe that there is a perceived misconception among the general public that a part of our previous brand name either reflects interference by a religious community or represents a foreign country.

Considering the above mentioned limitations, our Bank believes that a new name which is more appropriate to dispel such un-warranted perceptions would be better for our Bank, especially in the context of transformation initiatives being undertaken by our Bank in the areas of products, people, processes, and geography. In this context, we have changed the name of our Bank from 'The Catholic Syrian Bank Limited' to 'CSB Bank Limited'. For further details, see "*History and Certain Corporate Matters – Brief history of our Bank*" beginning on page 197.

Business approach considering latest developments in banking sector

While we have a long operating history, our previous branch centric structure had created multiple business and decision making centres which worked independent of each other without any coordination, thereby, adversely impacting our ability to develop and adopt a coherent uniform approach in line with latest developments in the banking sector and to implement available technology solutions for our banking operations across various business segments, operations, etc.

With our revamped organizational structure and decision making process, we believe we will have greater ability to evolve, introduce, and implement better operational strategies, business approach, and procedures uniformly across our Bank. We intend to adopt and implement such strategies based on latest developments in the banking sector and the practices followed by various other banks operating in India as well as overseas to put in place an operational architecture which is more efficient, cost effective, and facilitates superior customer servicing. We will focus on partnership driven model in certain aspects of our operations including credit and risk assessment. For example, we have entered into an agreement with Perfios Software Solutions Private Limited to assist us in digitalizing the analysis of bank account statements as part of credit appraisal process, both for retail banking and corporate banking. We also intend to enter into similar business partnerships and alliances to create more value for our various business segments. We will also focus on building a digital franchise by introducing the right technology to enhance the scope of digital banking for our customers which will provide them with a choice to minimize their physical engagement with our Bank if they so desire and to

transact digitally instead. Similarly, we will focus on increasing our geographical reach to service our and other banks' customers by installing micro ATM across urban as well as rural locations to make cash available to our customers at their neighborhood petrol pump, along with normal ATM or POS machines.

Similarly, on the basis of our market experience and latest trends in payments space in India, we have launched a mobile application *BHIM CSB Pay*, based on UPI platform. We will continue to focus more on the UPI platform instead of developing our own branded payments wallet. We believe that we will be able to continually discard outdated technologies and adopt more efficient modern technologies, thereby enhancing our competitiveness.

Focus on enhancing customer experience

Our strategy for ensuring superior customer experience encompasses a mix of physical touch points in form of our branches, ATMs, micro ATMs, and door step services provided by dedicated relationship managers for certain products and services, and creating a technology platform which gives choice to our customers to interact and transact with us based on their preference.

We believe the increased availability of internet access and broadband connectivity across India requires a comprehensive digital strategy to proactively develop new methods of reaching our customers and running our businesses. In the past, due to several reasons including paucity of capital, we were not able to focus on our digital strategy. However, currently with an infusion of additional capital in our Bank, we are focused on investing in technology as a means of improving our customers' experience, making it easier for them to interact with us and offering them a range of products and services tailored to their financial needs. We believe additional investments in our technology infrastructure to further develop our digital strategy will allow us to cross-sell a wider range of products and services on our digital platform in response to our customers' needs and thereby expand our relationship with our customers across a range of customer segments. We believe a comprehensive digital strategy will provide benefits in developing long-term customer relationships by allowing customers to interact with us and access their accounts wherever and whenever they desire.

Expand our products suite, services, and customer interface as a full service Bank

We intend to introduce new products to widen our service offering as a full service Bank, while continuing to remain focused on SME customers by providing them support through the life cycle of their business, and to also capitalize on the opportunity presented by retail banking by enhancing our product and service offerings and customer delivery capabilities. In furtherance of this strategy, we intend to introduce wealth management services (which can be cross sold to our existing NRI and high net worth customers as well as to new customers), trade finance products, foreign exchange products, supply chain finance products, and cash management products. We are also in the process of setting up a separate team for promotion of capital market products to prospective customers, for which we have already appointed a relationship manager at our zonal office in Mumbai. We believe offering a wider range of products as mentioned above will enhance our customer retention capabilities.

We also intend to launch credit cards for our customers in the near future. We will evaluate a co-branded card with an existing non competing issuer as well as launching full fledged card services on our own.

2. Grow our asset business with focus on SME, agricultural and retail customers by leveraging our capital position.

SME business

We have established a specialized SME team to strengthen our marketing in order to source additional SME business and drive further penetration. As of September 30, 2019, out of the total 388 SME cluster areas spread across India, as identified by UNIDO, we have presence in 166 such clusters and we intend to expand our SME business in the remaining clusters, specifically in the states of Tamil Nadu, Andhra Pradesh, Telangana, and Gujarat. Further, for high value SME loans, we have dedicated relationship managers to engage with customers on a continuous basis, enabling us to cater to their financial needs in a customized manner. We are also in the

process of penetrating into MSME sector by establishing a dedicated MSME team for offering better services to the customers in that segment. In order to maintain better asset quality as well as optimize operating costs, we intend to follow differentiated credit approach for SME and MSME loans. SME loans, being higher ticket in nature, will be appraised by dedicated SME credit team on the basis of business cash-flow profile of the respective SME and its repayment capability. Further, our SME loans will also be secured by way of charge against some tangible assets of the concerned SME or its promoters. We also intend to adopt consistently monitored portfolio approach for SME loans to maintain balance between various industrial and services sectors our SME customers are engaged in. For MSME loans, being smaller ticket loans, we will adopt policy based template credit approach to systematically identify credible MSME proposals, optimize operating costs, and reduce turnaround time for customers. With stronger capital base, we plan to leverage SME business to diversify credit risk and generate higher yields.

To support our SME and Wholesale banking businesses, we also plan to launch capital market linked products including lending products linked to capital market instruments.

Agriculture business

We have also established a separate vertical for our agriculture based business to provide a variety of agriculture based banking products such as (i) pre-harvest products (farm finance, land development irrigation loans, and farm equipment loans), (ii) post-harvest products (commodity finance and warehouse finance), (iii) agri-infrastructure products (loans for construction of ware houses and cold storages, tissue culture, water shed programs, soil conservation, etc.), (iv) allied activities products (loans for fisheries, dairy, poultry, piggery, bee-keeping, etc.), and (v) financing for agri-ancillary units (agriculture processing units and agri-enterprises). We also intend to grow our agriculture based business by focusing on lending to customer service units, Primary Agricultural Credit Societies (“PACS”), Farmer’s Service Societies (“FSS”), and Large-sized Adivasi Multi-Purpose Societies (“LAMPS”), thereby mitigating the risk of lending directly to farmers.

Retail business

In order to further grow our retail loan portfolio and diversify our loan portfolio mix, we intend to mainly focus on gold loans, two wheeler loans, loans against property, and personal loans. We have dedicated verticals for gold loans and two wheeler loans and intend to create similar verticals for other focused retail loans going forward. Each of these products will operate as an independent profit centre, supported by a defined strategy and policy framework for each product and technology solutions to improve turnaround time and efficiency in overall processes of sales, credit, sanction, collections, etc. Apart from our own loan origination, we also intend to enter into various strategic partnerships and alliances with fintech companies and NBFCs to originate retail loans in focused product categories. We are also preferred financiers of reputed automobile companies, which enables us to enhance our sales and competitiveness. We believe additional investments in our technology infrastructure to further develop our digital strategy will allow us to cross-sell a wider range of products on our digital platform in response to our customers’ needs and thereby expand our relationship with our customers across a range of customer segments.

For our two wheeler loans, we have already started sourcing business in Kerala and will be gradually expanding to other states, starting with Tamil Nadu. We also intend to explore opportunities for buyout of portfolios of two wheeler loans and other auto loans. For our loans against property and personal loans, we will initially focus only on key top markets for these loans in India.

Traditionally, gold loan business has run on a branch based model for our Bank due to the physical collateral involved which requires customers to visit branches for valuation and paperwork. However, with technology interventions, there is an opportunity to make a lot of business processes associated with gold loans efficient and paper free. We also intend to increase our gold loan origination by entering into business partnerships based on business correspondence model and by enrolling direct selling agents. We intend to increase our branch presence in the states of Karnataka, Andhra Pradesh, Telangana, Maharashtra, and Gujarat to achieve a good geographical spread and to attract new customers.

We also intend to increase our gold loan portfolio by targeting customers who are traditionally served by various NBFCs focused on gold loans. We intend to explore new product offerings based on digital business acquisition channels in the coming years.

3. Continue to leverage strong deposits franchise.

The share of CASA deposits in our total deposits increased from 24.78% in Fiscal 2017 to 27.84% in Fiscal 2019. Further, the share of CASA deposits in our total deposits was 28.19% for the six month period ended September 30, 2019. Though our CASA ratio has improved, it remains our endeavor to further increase CASA ratio so as to reduce our overall cost of deposits. In the past, our focus was not on growing deposits due to lower growth in advances, constrained by low Tier 1 capital adequacy; however, now with the additional capital infusion in our Bank, we intend to grow our deposits to support our growth strategy for advances, particularly by providing attractive interest rates, using pricing as a tool to attract new customers, and by cross selling our products and services.

To improve our wholesale deposit base, we intend to leverage our relationships with various institutions like educational institutions, temple trusts, and churches. We also intend to leverage our corporate and SME relationships by cross selling salary accounts for their employees. Also, our focus on growing SME customers and increasing product offerings for them like supply chain finance and cash management services will help us generate more current account deposits.

For individual deposits, we aim to offer products and services based on customer segmentation, provide wealth management advisory services and differentiated products to high net worth customers, and appoint dedicated relationship managers.

Our NRI deposits have grown from ₹ 35,748 million in Fiscal 2017 to ₹ 37,814 million in Fiscal 2018 and decreased to ₹ 37,610 million in Fiscal 2019. For the six month period ended September 30, 2019, our NRI deposits were ₹ 38,151 million. As on March 31, 2017, March 31, 2018, March 31, 2019 and September 30, 2019, our total NRI deposits constituted 23.98%, 25.74%, 24.87%, and 24.59%, respectively, of our total deposits.

We intend to continue to focus on increasing our NRI deposit base, which has been one of our key growth engines on the deposits side and has also proved to be a stable source of funding for our Bank. We intend to create a separate NRI product, sales and relationship team and are focused on augmenting our NRI business from our branches, all of which are equipped to offer specialized services to our NRI customers. The NRI team shall extend comprehensive support to our branches in all NRI related matters and drive the growth of our NRI business, with special emphasis on increasing our share of inward remittances and deposits from the Middle East, by leveraging our customer base and distribution network in Kerala. We also intend to expand our distribution network in other NRI corridors such as Gujarat and Punjab to tap the NRI customer base. We have remittance and rupee drawing arrangements with exchange houses and tie ups with major money transfer agents, which we plan to expand further. We also intend to enter into strategic partnerships to acquire, engage, and service NRI customers in the Middle East.

We also intend to provide convenient banking experience to customers by improving our branch ambience and access and by offering differentiated products and solutions to meet the specific needs of particular customer demographics.

4. Grow and diversify our distribution infrastructure in key geographical locations.

Apart from developing our home market in Kerala, we intend to increase our presence in the rest of India. Towards this objective, we plan to open 425 branches in next five years, subject to regulatory approvals.

We aim to focus on maintaining the significant advantage we enjoy in the Kerala sub-market by way of our branch reach. We aim to strengthen our presence in key locations in states such as Maharashtra, Gujarat, Andhra Pradesh, Punjab, Karnataka and Telangana in addition to our home state, Kerala. In rural locations, we will focus on expanding our presence largely through business correspondence model. In our SME business, as

on September 30, 2019, out of the total 388 SME cluster areas spread across India, as identified by UNIDO, we have presence in 166 such clusters, and we intend to expand our SME business in the remaining clusters, specifically in the states of Tamil Nadu, Andhra Pradesh, Telangana, and Gujarat.

This expansion would be through a slew of measures, including opening of new branches selectively in the chosen geographies, increasing our digital reach, increasing the strength of employees recruited from respective states in which the branches are located, and focusing on fresh customer acquisition and retention. We believe we will tap into various retail channels, tie-ups for allied products, digital offerings, and strategic partnerships and alliances to create more value for our various business segments.

5. Maximizing non-interest income by widening products and services for corporates as well as retail customers.

Besides our focus on increasing interest income, we also intend to focus on increasing our non-interest income from various conventional and non-conventional sources. Our fee and non-fund based revenues constituted 4.37%, 6.01%, 6.12% and 5.57% of our total revenue for Fiscals 2017, 2018, 2019, and for the six month period ended September 30, 2019, respectively. In order to grow our non-interest income, we distribute third-party investment products, such as life insurance and general insurance products. We also intend to foray into sale of forex, derivatives, and trade products, and provision of wealth management services. Further, having achieved our overall priority sector lending (“PSL”) targets, we have also sold (net of purchase) surplus priority sector lending assets through PSL certificates for net premium aggregating to ₹ 56.45 million in Fiscal 2019. We have not sold any PSL Certificate for the six month period ended September 30, 2019. We intend to continue trading in PSL certificates in order to enhance our non-interest income. Further, we also intend to grow our income from locker fee by increasing the number of lockers through better utilization of space within our branches. We believe that these measures will provide a steady income flow and will improve our cost to income ratio.

6. Invest in technology to improve operational efficiency, scalability and customer experience.

We believe the increased availability of internet access and broadband connectivity across India requires a comprehensive digital strategy to proactively develop new methods of reaching our customers and running our businesses. Our digital strategy therefore focuses on (i) acquiring customers, (ii) enhancing our customer experience, and (iii) making our internal business operations more efficient. We intend to enhance the capabilities of our core banking platform to meet our growing business needs. We currently provide a range of options for customers to access their accounts, including internet banking and mobile banking and we have also launched a mobile application *BHIM CSB Pay* based on UPI platform. We intend to invest in technology platforms which provide early warning signals for stressed asset, and in customer relationship management systems, peripheral systems which integrate our systems with that of our various business partners for origination and other operational functions, and alternate channels such as corporate internet banking, POS facility, and payment system interfaces. We have recently re-organized our IT team structure and segregated the team members into (i) members who will look after the day-to-day functioning of our Bank, and (ii) members who will aid in transformation of our Bank. We intend to create a separate data analytics team and believe that additional investments in our technology infrastructure will allow us to cross-sell a wider range of products on our digital platform in response to our customers’ needs, and thereby expand our relationship with our customers across a range of customer segments. We believe a comprehensive digital strategy will enhance our loan approval capabilities, reduce overall turnaround time, and also provide benefits in developing long-term customer relationships by allowing our customers to interact with us and access their accounts wherever and whenever they desire.

On the operations side, we believe that investments in internal systems and security technology lead to enhanced customer satisfaction, and therefore enhance our competitiveness. Accordingly, we intend to invest in technology in order to improve our banking operations and efficiency and to reduce errors arising out of manual intervention.

7. Strengthening risk management.

We believe that effective risk management is essential for our growth, strategic planning, and long-term sustainable development. We plan to continuously focus on strengthening our risk management and internal control capabilities by improving our policies and procedures and introducing advanced risk management tools. We have also implemented some of the recommendations provided in Fiscal 2016 by CRISIL Risk Solutions, a division of CRISIL Risk and Infrastructure Solutions Limited, to revamp our credit framework. We aim to continue to enhance our credit risk management systems and processes in line with the growth of our business. In terms of business operations, we are implementing an important change wherein loan approval function is separated from loan origination function to put in place a maker and checker approach and ensure independence of credit appraisal process. We also intend to implement latest technology/ analytical tools for effective implementation of operational and process controls and credit evaluation, and thereby continue to focus on containment of our NPA levels. We also intend to develop a technology platform for identifying early warning signals of stress across various industries, sectors and segments.

On the operations side, we have implemented vulnerability assessment penetration testing (“VAPT”) which is a stringent IT security system. We are also using technology to enhance our collection capabilities to follow up (through SMS, emails, etc.) and enable recovery in a timely and efficient manner.

8. Focus on NPA recovery and improve asset quality.

We intend to establish separate teams for retail, SME, and corporate segments dedicated towards recovery of provisioned portfolio and also managing and monitoring of ongoing stressed portfolios. We believe that our efforts in strengthening risk management have improved our asset quality. Our gross NPAs decreased to 4.87% as of March 31, 2019 from 7.25% as of March 31, 2017. Further, our gross NPAs was 2.86% as on September 30, 2019. The net NPAs decreased to 2.27% as of March 31, 2019 from 4.12% as of March 31, 2017. Further, our net NPAs was 1.96% as on September 30, 2019, while our provisioning coverage ratio was 65.50%, 75.83%, 78.16% and 79.45% in respect of NPAs (including technical write-offs) as of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively.

OUR BUSINESSES

Our business is principally organized as: (a) SME banking, (b) retail banking, (c) wholesale banking, and (d) treasury operations.

SME Products

In the SME business, we cater to small and medium industries, emerging corporates, financial institutions, agricultural SMEs, suppliers, and dealers. Our Bank has established branches which we believe are conveniently located in close proximity to a large portion of our target SME customer base. Our Bank has also designated employees for sourcing SME business and has appointed SME team leaders in every zone who support the branches. Various facilities offered by us under the SME business are as follows:

- *Term Loans:* These are provided to customers who need funds to acquire and enhance fixed assets.
- *Working capital loans:* These are given in the form of cash credit/ overdraft for purchase of raw materials and for meeting working capital gaps.
- *Export finance:* Export finance is available in the form of both pre-shipment and post shipment credit. Pre-shipment credit is generally availed by customers against letters of credit or against firm orders from their buyers. Packing credit is allowed in both local currency and foreign currency. Post-shipment credit is availed in the form of discounting of bills after the shipment happens and could be supported by both letters of credit or firm orders.
- *Import Finance:* Import finance is available to importers of goods - raw materials and capital goods.
- *Letter of Credit:* Letter of credit facility is provided to meet trade purchases from domestic/overseas suppliers. These are typically provided for three to six months depending upon the trade cycle and specific agreements between buyers and suppliers.
- *Buyers'/ Suppliers' Credit:* Our Bank arranges buyers'/suppliers' credit through overseas banks/ correspondents to help reduce cost for importers as per the RBI guidelines.
- *Bank Guarantee:* Our Bank provides bank guarantee facilities to our customers favouring government, quasi government bodies, and corporates to support business needs such as performance bonds, customary bonds, and bid- bonds.
- *Commercial Vehicle Loans:* Commercial vehicle loans are provided for purchasing and upgrading business related transportation of our SME customers.
- *Inland bill discounting:* This facility offers a quick and low cost funding option for domestic traders. Discounting of credit worthy bills or receivables drawn against letters of credit or firm orders can be provided for a period of three to six months based on the tenor of the bill.
- *TReDs Bill Discounting:* The Trade Receivables Discounting System (TReDS) was set up in 2017 under the aegis of the RBI to help MSMEs to more easily convert their trade receivables into funding. TReDS enables MSMEs to discount invoices as well as bills of exchange in return for early payment.

In addition to the above, our Bank undertakes structured financing in discussion with customers. Facilities are tailor made to suit customers' specific needs and are adjusted based on customers' performance vis-à-vis projections.

Our outstanding SME loan advances were ₹ 34,733 million and ₹ 33,606 million as on March 31, 2019 and September 30, 2019, representing 32% and 29.47% of our total gross advances as on that date, respectively. As on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019 we had outstanding SME loan advances of ₹ 35,384 million, ₹ 35,989 million, ₹ 34,733 million, and ₹ 33,606 million, representing 43%, 37%, 32% and 29.47% of our total gross advances as on such dates, respectively. We were not entertaining fresh exposures in some of our traditional SME sectors like cashew industry and jewellery industry due to stress in these sectors and this has contributed to the decrease in SME loans.

Retail Asset Products

Our retail banking business offers wide range of services and products to individuals. Our products under our retail business can broadly be classified into (i) loans and advances, (ii) third-party products, and (iii) financial inclusion.

Third Party Products

We have identified bancassurance as an important business line. We have accordingly entered into tie up with Edelweiss Tokio Life Insurance Company Limited, HDFC Life Insurance Company, and ICICI Prudential Life Insurance Company Limited to market their life insurance policies, and ICICI Lombard General Insurance Company Limited and Reliance General Insurance Company Limited for distributing their general insurance products.

As on September 30, 2019, we have over 550 employees involved in selling these insurance products who have been authorized by the IRDAI to act as specified persons for selling insurance products. Our income from bancassurance was ₹ 51 million, ₹ 69 million, and ₹ 96 million for Fiscals 2017, 2018, and 2019, respectively and has grown at a CAGR of 37% during the last three Fiscals. Further, our income from bancassurance was ₹ 46.5 million as on September 30, 2019.

Financial Inclusion

We have set up seven financial literacy and credit counselling centres. As on September 30, 2019, we have 42 rural branches (as defined by the RBI) and are in the process of strengthening our financial literacy activities through each of these branches. The activities carried out by the financial literacy centres and the rural branches include conducting financial literacy camps, credit counselling, counselling/advise on education loans, and counselling on entrepreneurship/ agricultural loan.

Our Bank is also promoting social security schemes such as Pradhan Mantri Jeevan Jyothi Bima Yojana, Pradhan Mantri Suraksha Bima Yojana, and Atal Pension Yojana. We have also commenced sourcing asset products through business correspondent partnerships.

Corporate Products

In corporate banking portfolio, we focus on large-sized corporations which have a credit requirement of ₹ 250 million and above. We have a wide range of loan products which include term loans, working capital facilities, import and export financing, bill discounting, participation in syndication financing, foreign currency loans, and non-fund based services such as letters of credit, forward covers for hedging exposure, foreign currency conversion, and guarantees. Our Bank has set up a centralized corporate banking team to work with other banks that arrange syndicated loans. Our branches originate deals and ensure close supervision of the risks associated with such deals and manage the relationship of our Bank with our corporate customers. The key commercial banking products and services offered to our corporate customers include the following:

Products	Product details
Working capital finance	Over draft and cash credit limits are provided against stocks/inventory and receivables.
Corporate loans	To meet balance sheet funding/ cash flow requirements/ immediate funding requirements.
Term loans	For investment in fixed assets, such as plant and machinery, sheds, buildings, and furniture payable in installments.
Bill Finance	Purchase/ sale bill discounting
Export/ Import Finance	Pre and post-shipment financing, forward covers, buyer's credit and finance in foreign currency.
Buyers'/ Suppliers' Credit	Arrangement of buyers'/ suppliers' credit through overseas banks/ correspondents to help reduce cost for importers as per RBI guidelines.
Letter of Credit	Letter of credit service for importers
Bank Guarantee	Bank guarantees favouring government, quasi government bodies, and corporates to support business needs such as performance bonds, customary bonds, and bid-bonds.

Our revenue from corporate advances business was ₹ 770 million for Fiscal 2017, ₹ 2,090 million for Fiscal 2018, ₹ 2,790 million for Fiscal 2019 and ₹ 1,319 million for the six month period ended September 30, 2019.

TREASURY OPERATIONS

Treasury operations are our interface with the financial markets. Our treasury department undertakes fund management and maintains the statutory reserve requirements of our Bank. The treasury department invests in sovereign and corporate debt instruments, undertakes proprietary trading in equity and fixed income securities and foreign exchange, and invests in certificate of deposits and mutual funds as part of management of short-term surplus liquidity within the framework of our Bank's investment policy.

We have been licensed by the RBI to deal in foreign exchange (Authorised Dealer Licence) and our Bank has established an integrated treasury located at Mumbai, which conducts the foreign exchange operations of our Bank. Integrated treasury located at Mumbai is an A category – Branch of our Bank and maintains independent foreign exchange position and Nostro accounts in all major currencies. We undertake foreign exchange transactions for our customers through 23 B- category branches spread across India. All B-category branches are equipped with trained staff and SWIFT terminals to facilitate foreign exchange operations. We have drawing arrangements with exchange houses for facilitating the transfer of funds for the NRIs.

Centralized back office improves productivity and minimizes turnaround time, and thus yields higher customer satisfaction leading to hike in business volumes and income, as branches focus more on business development and non-customer facing activities are shifted to such back office. Therefore, a Centralized Trade Processing Cell (“CTPC”) has been set up by our Bank as a part of our business process re-engineering initiative to improve our foreign exchange operations. CTPC aims automation and centralization of all standard processes being handled by the branches, which shall mitigate operational risks and ensure strict compliance with regulatory requirements as all the said processes and operations will be carried out on a single platform. Centralization of operations has been taken up in a phased manner and will be extended to the whole Bank gradually. Processing of transactions by CTPC is done on the basis of scanned images of documents received from the branches through document management system, which also aims at any time availability of digitized documents for audit and verification.

Our turnover from foreign exchange operations through our customers in Fiscals 2017, 2018, 2019, and for the six month period ended September 30, 2019 was ₹ 28,890 million, ₹ 25,950 million, ₹ 29,142 million, and ₹ 11,433.3 million, respectively.

OUR PERFORMANCE UNDER PRIORITY SECTOR LENDING TARGETS

In line with guidelines issued by the RBI, we are required to lend at least 40% of our ANBC or credit equivalent to off-balance sheet exposure, whichever is higher, to the priority sectors, including at least 18% to the agricultural sector. Our priority sector lending includes loans for agriculture, social infrastructure, renewable energy, loans to

MSMEs and economically weaker sections of the community, education loans, housing loans, and others. To support this, we have approximately 63.59% of our branches located in rural and semi-urban areas as on September 30, 2019.

The following table presents data on our outstanding priority sector lending, including as a percentage of our ANBC as on March 31, 2017, 2018, 2019 and September 30, 2019.

CERTAIN KEY OPERATING PARAMETERS

Loan concentration

We have an internal credit policy on portfolio diversification. Our total financing exposure in a particular business is evaluated in accordance with business wise growth. Our credit/credit monitoring department monitors sector wise exposure. Major changes in the industrial segments are closely monitored and corrective actions are initiated.

Capital Adequacy

Our capital adequacy details as per the Basel III Norms are as follows:

CRAR (including capital conservation buffer) as on			
March 31, 2017	March 31, 2018	March 31, 2019	September 30, 2019

Asset Classification

The RBI has issued guidelines on income recognition, asset classification, provisioning standards and the valuation of investments applicable to banks, which are revised from time to time. The principal features of the RBI guidelines are set forth below.

An asset, including a leased asset, becomes non-performing once it ceases to generate income for the bank. The RBI guidelines stipulate the criteria for determining and classifying an asset as NPA.

A NPA is a loan or an advance where:

- interest and/or an installment of principal remains “overdue” (as defined below) for a period of more than 90 days in respect of a term loan;
- the account remains “out-of-order” (as defined below) in respect of an overdraft or cash credit for more than 90 days;
- the bill remains “overdue” for a period of more than 90 days in the case of bills purchased and discounted;

- in the case of a loan granted for short duration crops, the installments of principal or interest thereon remain “overdue” for two crop seasons;
- in the case of a loan granted for long duration crops, the installments of principal or interest thereon remain overdue for one crop season;
- the amount of a liquidity facility remains outstanding for more than 90 days, in respect of securitization transactions undertaken in accordance with the RBI guidelines on securitization dated February 1, 2006; or
- in respect of derivative transactions, the overdue receivables representing the positive mark-to-market value of a derivative contract, remain unpaid for a period of 90 days from the specified due date for payment.

Banks should classify an account as NPA if the interest charged during any quarter is not fully repaid within ninety days from the end of the relevant quarter.

“Overdue”

Any amount due to the bank under any credit facility is “overdue” if it is not paid on the due date fixed by the bank.

“Out-of-Order”

An account should be treated as “out-of-order” if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power for 90 days. In circumstances where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but (i) there are no credits continuously for a period of 90 days as on the date of the balance sheet of the bank, or (ii) the credits are not sufficient to cover the interest debited during the same period, these accounts should be treated as “out-of-order”.

Based on the existing guidelines issued by the RBI for asset classification, details of the classification of our gross loans and other data in respect of NPAs as on March 31, 2017, March 31, 2018, March 31, 2019 and September 30, 2019 are as follows:

Particulars	Asset Classification			
	Fiscal 2017	Fiscal 2018	Fiscal 2019	September 30, 2019

Net NPA (₹ in Million)	3,294.84	2,637.84	2,406.76	2215
Net NPA%	4.12%	2.87%	2.27%	1.96%

NPA Recovery Strategy

We follow the RBI guidelines and Board approved recovery policy for one time settlements and out of court settlement of debts. Our recovery policy deals with treatment of impaired assets in various businesses. We rely on the provisions of the IBC and the SARFAESI Act for NPA recovery.

The SARFAESI Act has strengthened the ability of lenders to resolve NPAs by granting them greater rights to enforce the security and recover dues from borrowers. Banks can now accelerate recovery process through enforcement of the SARFAESI Act.

Going forward, the up-tick in credit growth is likely to be supported by the progress being made under the aegis of the IBC in addressing stress on balance sheets of both corporates and banks, recapitalisation of PSBs, and a positive outlook on the economy. (Source: RBI Annual Report 2017-18 available on www.rbi.org.in).

In order to avoid fresh slippages into NPAs, we actively monitor our loans through early warning signal mechanisms, special mentioned accounts (credit labelling) systems, and assess credit ratings periodically. In addition, we maintain internal policy guidelines concerning exposure to individual industries and concentration of credit.

As part of recovery management, we have established asset recovery branches for monitoring and constant follow ups of NPA accounts of ₹ 1 million and above.

Credit ratings

We have put in place an internal credit rating mechanism for our corporate and SME segment which uses various models depending on the type of borrower, such as, NBFCs, educational institutions etc. In addition to internal ratings, we also refer to external ratings from rating agencies in case of certain loan accounts. The following tables set forth the details of external and internal credit ratings for our SME and corporate borrowers in Fiscals 2017, 2018, 2019 and for the six months period ended September 30, 2019.

* The internal rating includes both fund based and non-fund based exposure. The internal ratings have been derived as part of our credit risk management process. Further, due to change in our rating model post Fiscal 2017, our internal ratings for Fiscal 2019 and Fiscal 2018, cannot be compared with the Fiscal 2017.

Applicability of rating:

Pursuant to our credit risk management process, all individual borrowers with a fund and non-fund based exposure of ₹ 2.50 million and above (excluding retail loans) are rated based on the audited balance sheet submitted by the borrower. This, however, does not apply to new borrowers with projected financials. In the case of new borrowers who submit projected financials, rating is carried out after commencement of commercial operations and submission of audited balance sheet. Hurdle rate is the minimum level of rating to be achieved in order to be eligible for a new borrower to be considered for a credit exposure (“**Hurdle Rate**”). In Fiscal 2018, our Bank increased the borrowing rating grades to ten (OR-1 to OR-10) from the level of eight with a current Hurdle Rate of OR-6. Hurdle Rate of the borrower was fixed as CSB -4 till Fiscal 2017 and was revised to OR-6 from Fiscal 2018 onwards. Borrowers with ratings below the Hurdle Rate (i.e. rating of OR-7 to OR-10 for Fiscal 2018 and 2019, and CSB-5 to CSB 8 for Fiscal 2017) indicate high and very high risk level, whereas the borrowers with ratings at or above the Hurdle Rate (i.e. rating of OR-1 to OR-6 for Fiscal 2018 and 2019, and CSB-1 to CSB 4 for Fiscal 2017) indicate low and medium risk level. The following table sets forth the details of our SME and corporate exposure above the Hurdle Rate in the Fiscals 2017, 2018, 2019 and for the six month period ended September 30, 2019.

Credit Exposure

Credit exposure limits are prudential measures mandated by the RBI, aimed at improving risk management and avoiding concentration of credit risk. Credit exposure limits are set in relation to individual industries and sectors, single and group borrowers, unsecured borrowers, and country-wise. As per the RBI’s directives, the credit exposure ceiling is fixed in relation to our capital funds under capital adequacy standards (Tier 1 and Tier 2 capital).

Non-branch delivery channel

ATMs: As on September 30, 2019, we had 290 ATMs, which include 240 on-site and 50 off-site ATMs.

Internet banking: We offer internet banking services to our retail and corporate customers.

Mobile banking: We offer mobile banking services to our retail customers.

Customer Service

We are a member of Banking Codes and Standards Board of India and are actively implementing its codes, namely

Code of Bank's Commitment to Customers and Code of Bank's Commitment to Micro and Small Enterprises. We have also constituted customer service committees at branch and corporate level to monitor customer complaints, queries, and concerns relating to our Bank. We review our customer service measures at regular intervals and a report on the same is presented to the Board level customer service committee on a quarterly basis.

In Fiscals 2017, 2018, 2019, and for the six month period ended September 30, 2019 we received 392, 432, 445 and 2,396 customer complaints (other than ATM complaints), respectively. During this period, we have managed to resolve most of these customer complaints (including certain complaints from the previous Fiscals) and as on September 30, 2019, 56 such customer complaints were outstanding against our Bank. There are no outstanding ATM complaints as on September 30, 2019.

Credit Policy and Process

The main objectives of our credit policy are to maintain the quality of our loan assets, ensure reasonable return on assets, maintain an acceptable risk profile, achieve proper sectoral and geographical risk profile, and ensure compliance with all the regulatory norms in respect of exposure caps, pricing, income recognition and asset classification guidelines, and targeted credits.

To attain these objectives, we have a well-defined process starting from credit sourcing to monitoring of accounts, once credit is granted. Our credit process primarily includes credit sourcing, credit appraisal and assessment, credit sanction, and credit monitoring and administration. The credit sourcing is done by the respective branches with support from specialist business teams. The credit appraisal process involves collection of detailed data, assessment of the requirements, financial analysis, verification of credentials, rating of the applicant and the proposal, risk analysis and mitigation, and compliance with the exposure norms, KYC and AML guidelines, and other regulatory requirements. Our Bank has also entered into an agreement with Perfios Software Solutions Private Limited to assist us in digitalizing the analysis of bank account statements as part of credit appraisal process, both for retail banking and corporate banking. We also have a comprehensive risk rating system that serves as a single point indicator of diverse risk factors of a borrower for taking credit decisions in a consistent manner. Subsequent to the appraisal process, every credit proposal is submitted to the appropriate internal authorities for sanction.

Our credit risk management structure has been established with the objective of achieving compatibility in risk and business policies and ensuring their simultaneous implementation in a consistent manner. It involves setting risk limits based on economic measures of risk and simultaneously ensuring best risk adjusted return keeping in mind capital constraint.

The credit risk management structure of our Bank consists of:

- The Board of Directors
- The Risk Management Committee
- Credit Risk Management Committee
- Credit Risk Management Department

We have also established a Centralised Processing Cell (“CPC”). Credit appraisal of all loans under specialized schemes is now done by CPC.

For improving the post lending monitoring of advances, with specific focus on follow up with the parties for timely remittance of installments/interest and operations in working capital limit, a dedicated monitoring team has been set up. The monitoring team supplements the efforts of the branches and zones in monitoring the accounts.

Anti-Money Laundering (“AML”)

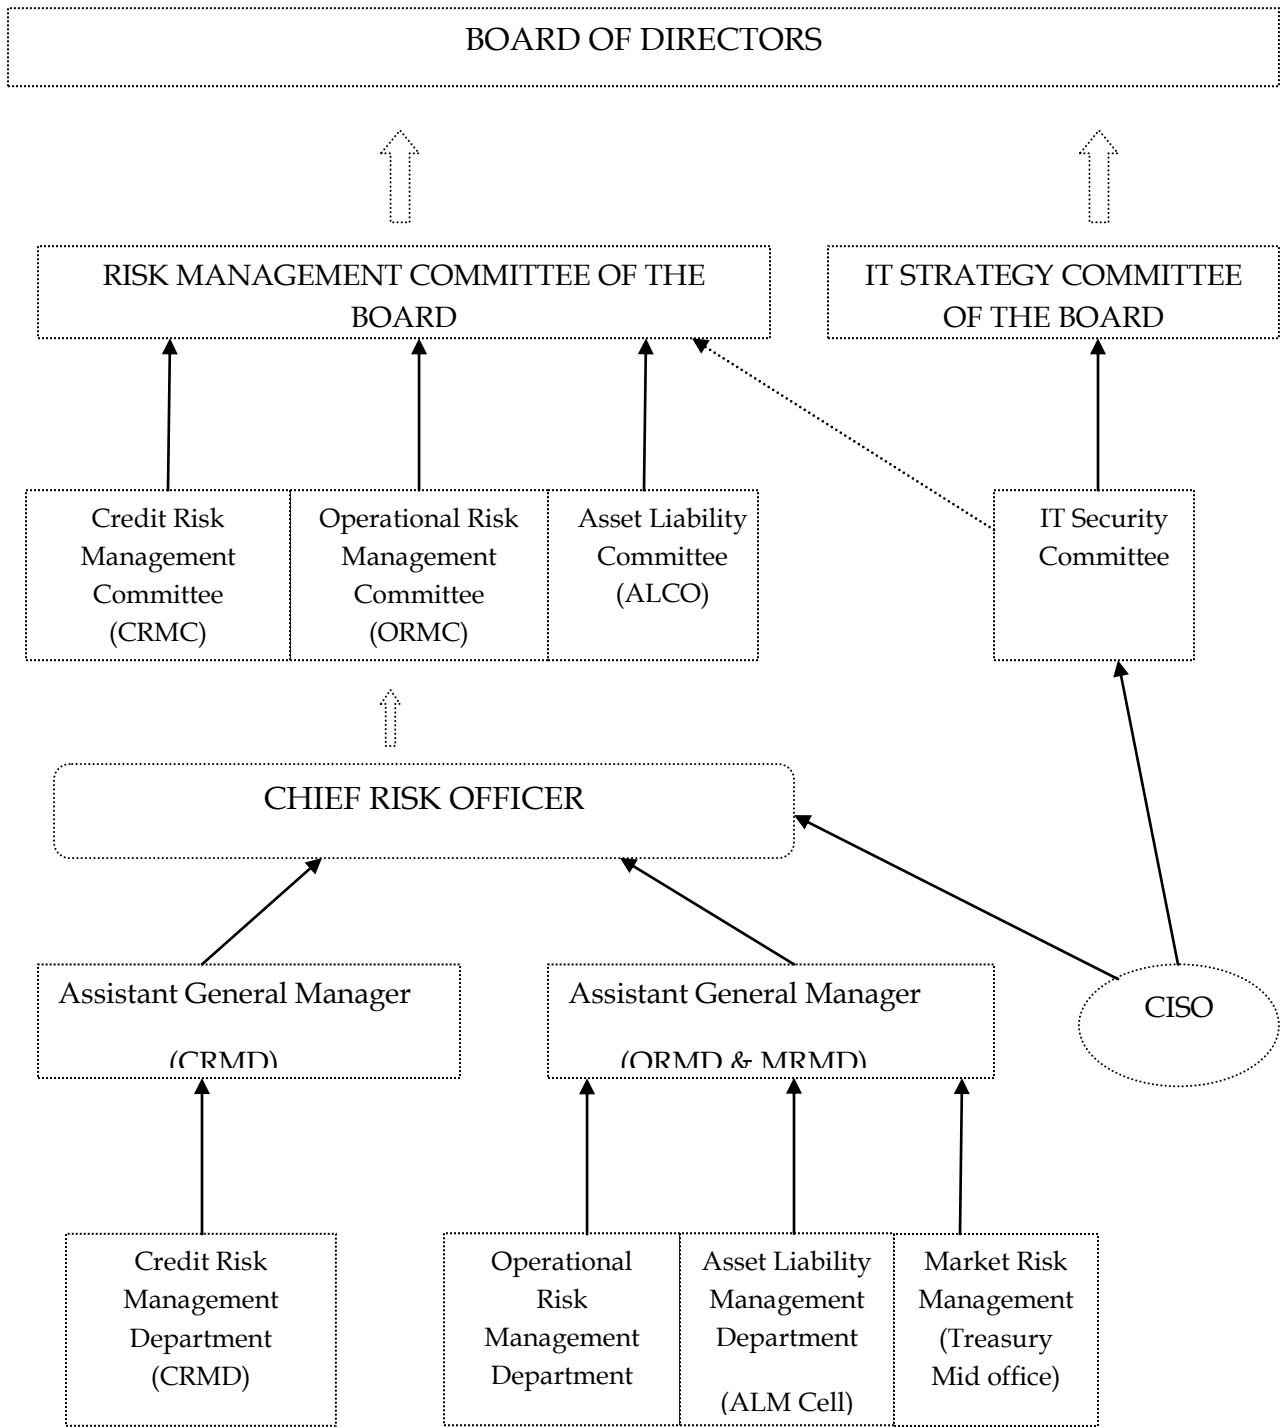

All our transactions are monitored in accordance with the standard guidelines prescribed for the banking industry. Reports such as cash transaction reports, suspicious transaction reports, non-profit organization's transactions, and counterfeit currency reports are regularly filed with the Financial Intelligence Unit of the Government of India. We are in the process of upgrading the AML software to strengthen our AML control.

Risk Management Framework

We adopted the Basel III Norms as on April 1, 2013, which shapes our risk management policies. Our risk management policy is based on an analysis of key areas such as market risk, credit risk, operational risk, liquidity risk, and interest risk. Our risk management system comprises of policies, procedures, organizational structures, and control systems for the identification, measurement, monitoring, and control of various risks through our Risk Management Committee, under the overall supervision of our Board.

We have also set up Asset-Liability Management Committee (“**ALCO**”) to oversee asset liability management functions. The ALCO also recommends pricing of deposits and advances and prepares forecasts showing the effect of various possible changes in market conditions and recommends appropriate action. The ALCO is further responsible for ensuring that we have adequate liquidity and that our funding mix is appropriate so as to avoid maturity mismatches and to prevent price and reinvestment rate risk in case of a maturity gap. The ALCO regularly monitors and reviews the trend of liquidity ratios, such as liquid assets to short term liabilities, and other liquidity risk parameters. The structural liquidity and interest rate sensitivity gap reports are prepared in line with the RBI guidelines to monitor the liquidity and interest rate risk. Our Bank is also adhering to the Basel III Norms of liquidity by monitoring the liquidity coverage ratio and net stable funding ratio on a monthly basis.

We have set up a Credit Risk Management Committee (“**CRMC**”) with the objective of identifying credit risk, measurement of the same through credit rating, scientific risk pricing, monitoring credit risk, controlling credit risk, and credit risk mitigation. The CRMC analyzes, manages, and controls credit risk on a Bank-wide basis. It formulates norms on rating standards and bench marks, prudential limits on large credit exposures, asset concentrations, standards on collateral securities, portfolio management, loan review mechanism, risk concentrations, risk monitoring and evaluation, pricing of loans, and regulatory and legal compliance. In order to manage credit risk, proposals of ₹ 2.50 million and above are subjected to detailed credit risk evaluation and rating. Expert rating models and score cards have been introduced to improve the quality of internal credit rating. Our bank has also set down industry/ sector-wise prudential exposure ceilings to contain/monitor the risk of credit concentration on an ongoing basis.

With the principal objective of mitigating the operational risk within our Bank, we have set up an Operational Risk Management Committee (“**ORMC**”). Its principal objective is the mitigation of operational risk within the institution by creation and maintenance of an explicit operational risk management process. Key roles of ORMC are to review the risk profile, understand future changes and threats, and decide the areas of priority and related mitigation strategy, to review policies and suitably amend the same based on market practices and guidelines issued by regulators, and to monitor and assess the operational risk and initiate corrective action as and when required. ORMC ensures that adequate resources are being assigned to mitigate risks, to review and approval of the development and implementation of operational risk methodologies and tools, including assessments, reporting, capital and loss event databases, to analyze frauds, potential losses, non-compliance, and breaches, and to determine the root cause and recommend corrective measures to prevent recurrences.

Further, our Bank has also formed a market risk management department (“**MRMD**”) to handle certain functions, which were erstwhile carried out at the accounts department. The MRMD has also been assigned certain functions, including, adherence to treasury limits, domestic & forex, asset liability management, computation of yields and costs, liquidity ratio analysis and stress testing.

Information Technology

All our branches are networked through core banking, thereby facilitating any branch banking. We also offer facilities such as RTGS, NEFT, SWIFT, NECS, and ECS. We have also implemented various payment initiatives like net and mobile banking, UPI, E-passbook, QR payment channels, micro ATMs, etc. We continue to upgrade our technological capabilities to increase efficiency, reduce costs, increase convenience for our customers, and to make our offerings competitive. We have also established a 24*7 call centre to improve our customer relationship. We are continuously investing in technology as a means of improving our customers banking experience, making it easier for them to interact with us, and offering them a range of products tailored to their financial needs.

We have recently re-organized our IT team and segregated the team members into (i) members who will look after the day-to-day functioning of our Bank, and (ii) members who will aid in transformation of our Bank. We intend to create a separate data analytics team and believe that additional investments in our technology infrastructure will allow us to cross-sell a wider range of products on our digital platform in response to our customers’ needs and thereby expand our relationship with our customers across a range of customer segments.

Competition

We operate in a highly competitive environment and face competition from public and private sector Indian scheduled commercial banks, foreign commercial banks, and small finance banks in all our products and services. We also face competition in some of our products and services from NBFCs, post office savings schemes, exchange houses, micro-financing institutions, co-operative banks, payment banks, and other entities operating in the financial sector. Our primary competitors are public sector banks and other private sector banks including DCB bank, Federal bank, South Indian bank, City Union, and Karur Vysya Bank. We seek to compete with these entities through value added services, faster customer service response, quality of service, a growing inter-connected branch network, and delivery capabilities based on enhanced technology.

Insurance

We believe that we maintain adequate insurance coverage for our business and other assets. We currently have insurance coverage for our head office, branches, and other offices. We also have standard fire and special perils policy, commercial general liability insurance policy, banker’s indemnity policy, and burglary insurance policy, which provide coverage to our branches and offices across the country. Pursuant to these insurance policies, our furniture and fixtures, electronic equipment, cash in premises, cash in transit, and other valuables and documents are insured against any burglary, theft, fire, perils, terrorism, strike riots, and civil commotion. Further, we have an insurance cover for directors’ and officers’ liability.

Intellectual Property Rights

The “” logo appearing on the cover page of this Prospectus is a trademark owned by our Bank and registered in our name under class 36 and class 16 as per the Trade Marks Act, 1999 and the rules made thereunder. Further, we have made an application to register this logo under class 35 as per the Trade Marks Act, 1999 and the rules made thereunder. As on the date of this Prospectus, we have 14 trademarks registered in our name and applications in relation to 10 trademarks are currently pending. For further details, please see “*Government and Other Approvals*” beginning on page 587.

Employees

As on September 30, 2019, we had 3,250 employees, of whom 1,065 employees were professionals in business management, accountancy, engineering, law, computer science or economics. As of September 30, 2019, our 1,095 officers, 633 clerks, 79 peons, and 22 part-time sweepers were members of trade unions. Our Bank offers various perquisites to the staff which include staff loans at concessional rate of interest, like housing loan, overdraft, motor vehicle loan, etc. Further, facilities such as medical reimbursement and cashless hospitalisation are provided to all employees including retired employees.

We use employee stock option plans to attract and retain talent, and also to incentivize and reward superior performance, aligning employee interests with that of our Bank and creating long-term ownership and commitment. Currently, we have two employee stock option plans. For further details, see “*Capital Structure*” beginning on page 75.

Unnathi

Our Bank has introduced a special training program called ‘Unnathi’ for corporate communication and transformation covering all our employees, across all grades and geographies.

Young workforce

We strongly believe in making investments in the development of a young workforce. Average age of the employees has come down from 39.32 in Fiscal 2018 to 38.23 in Fiscal 2019 and 36.53 as on September 30, 2019. Further, retirement age of the officers/executives of our Bank has been reduced from 60 years to 58 years with effect from April 30, 2019.

Property

We own our registered and corporate office which is located at ‘CSB Bhavan’, Post Box No. 502, St. Mary’s College Road, Thrissur 680 020, Kerala, India. As on September 30, 2019, out of our 412 branches (excluding three service branches all of which are located on leased premises and three asset recovery branches, of which two branches are located on leased premises and one branch is located on the premises that we own), 13 branches are located on premises that we own and the remaining 399 branches are situated on premises taken on lease. For efficient administration, we have also established 25 offices (excluding our head office) as on September 30, 2019, of which 16 offices are located on leased premises and the remaining nine offices are located on premises that we own. Further, as on September 30, 2019, we have 290 ATMs, of which 12 ATMs are located on premises that we own and the remaining 278 ATMs are situated on premises taken on lease.

Corporate Social Responsibility

Our Bank has set up a Board-level Corporate Social Responsibility Committee in terms of the requirements of Section 135 of the Companies Act, 2013 and Companies (Corporate Social Responsibility Policy) Rules, 2014, to look after the CSR initiatives of our Bank.

The Corporate Social Responsibility policy of our Bank aims to identify and support all projects/programs undertaken as part of our Bank’s corporate social responsibilities within the framework of Schedule VII of the

Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014. For instance, recently our Bank has helped in setting up of homes in Thrissur district for socially and economically backward groups in the society, including for women and orphans.

Internal inspection and audit

Internal audit of our Bank is carried out under risk based internal audit (“**RBIA**”) as envisaged under the risk based supervision of the RBI. RBIA offers suggestions to the management not only on mitigating current risks but also on potential future risks, thus playing a vital role in the risk management process of our Bank. Our Bank also subjects its operations to concurrent audit by audit firms to complement its internal audit function. During Fiscal 2019, 138 branches and departments covering 62.29% of the total business of our Bank were subjected to concurrent audit, including core activities such as integrated treasury operations, retail forex centralised processing cell, CTPC, centralised processing cell (general), and centralised processing cell (schematic), and two wheeler loans department. Further, for the Fiscal 2020, we have identified 147 branches and departments covering 64.96% of the total business of our Bank as on September 30, 2019 which would be covered under the ambit of concurrent audit.

Supervision and Reporting

Department of Banking Regulation, Reserve Bank of India, is the nodal department for regulation of Scheduled Commercial Banks. Apart from financial stability, it focuses on developing an inclusive and competitive banking structure through appropriate regulatory measures. The regulatory framework is fine-tuned as per the requirements of the Indian economy while suitably adapting to the international best practices.

KEY REGULATIONS AND POLICIES IN INDIA

The following is an overview of certain sector-specific laws and regulations as prescribed by the central and state governments in India that are applicable to our Bank in India. Taxation statutes such as the Income Tax Act, labour laws such as Contract Labour Act and other miscellaneous regulations and statutes such as the Trade Marks Act, 1999, apply to us as they do to any other Indian company.

The description of laws and regulations set out below is not exhaustive, and is only intended to provide general information to investors and is neither designed nor intended to be a substitute for professional legal advice. The statements below are based on the current provisions of Indian law, and the judicial and administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

The primary legislation governing commercial banks in India is the Banking Regulation Act. The provisions of the Banking Regulation Act are in addition to and not, save as expressly provided under the Banking Regulation Act, in derogation of the Companies Act, 2013, Companies Act, 1956 and any other law currently in force. Other important laws include the Reserve Bank of India Act, 1934, the Negotiable Instruments Act, 1881, the SARFAESI Act) and the Bankers' Books Evidence Act, 1891. Additionally, the RBI, from time to time, issues guidelines, notifications, circulars, regulations, directions, and policies, amongst others, relating to our businesses.

Laws governing our Bank

Some of the key rules and regulations governing our Bank's functioning are enumerated below:

Reserve Bank of India Act, 1934

RBI may, subject to certain conditions, direct the inclusion or exclusion of any bank from the second schedule of the RBI Act. Scheduled banks are required to maintain cash reserves with the RBI. In this regard, RBI may stipulate an average daily balance requirement to be complied with by such banks and may direct that such banks regard a transaction or class of transactions as a liability. RBI has the power to impose penalties against any person for *inter-alia* failure to produce any book, account or other document or furnish any statement, information or particulars which such person is duty-bound to produce or furnish under the RBI Act, or any order, regulation or direction thereunder.

Banking Regulation Act, 1949

A banking company in India is required to obtain a license from the RBI to carry on banking business in India. Such license is granted to a bank subject to compliance with certain conditions *inter-alia*: (i) the bank is or will be in a position to pay its present and future depositors in full as their claims accrue; (ii) affairs of the bank will not be or are not likely to be conducted in a manner detrimental to the interests of present or future depositors; (iii) bank has adequate capital structure and earnings prospects; (iv) public interest will be served if such license is granted to the bank; and (v) any other condition, the fulfilment of which would, in the opinion of the RBI, be necessary to ensure that the carrying on of banking business in India by the company will not be prejudicial to the public interest or the interests of the depositors. The RBI has the power to cancel the license if a bank fails to meet certain conditions or if the bank ceases to carry on banking operations in India. Additionally, the RBI has issued various reporting and record-keeping requirements for commercial banks. Further, the appointing, re-appointing or removing of auditor or auditors of the bank requires prior approval of the RBI.

Banking activities

The Banking Regulation Act specifies the business activities in which a bank may engage. Banks are prohibited from engaging in business activities other than the specified activities.

Ownership restrictions

The Banking Regulation Act requires any person to seek prior approval of the RBI to acquire or agree to acquire, directly or indirectly, shares or voting rights of a bank, by himself or with persons acting in concert, wherein such acquisition (taken together with shares or voting rights held by him or his relative or associate enterprise or persons acting in concert with him) results in aggregate shareholding of such person to be 5% or more of the paid up capital of a bank or entitles him to exercise 5% or more of the voting rights in a bank. Further, the RBI may, by passing an order, restrict any person holding more than 5% of the total voting rights of all the shareholders of the banking company from exercising voting rights on poll in excess of the said 5%, if such person is deemed to be not 'fit and proper' by the RBI. Pursuant to Section 12(2) of the Banking Regulation Act, the RBI has notified on July 21, 2016 that no shareholder in a bank can exercise voting rights on poll in excess of 26% of total voting rights of all the shareholders of the bank.

In this regard, the RBI has issued master directions for prior approval for acquisition of shares or voting rights in private sector banks in November 2015 (the "**Master Directions for Acquisitions**"). The Master Directions for Acquisitions are applicable to the existing and proposed "major shareholders" of the private sector banks and all private sector banks including local area banks, licensed to operate in India by RBI, except urban co-operative banks, foreign banks and banks licensed under specific statutes. The Master Directions for Acquisitions define a "major shareholder" as a shareholder having/likely to have an "aggregate holding" to the extent of 5% or more of the paid-up share capital of the bank or 5% or more of the total voting rights of the concerned bank. The term "aggregate holding" has been defined as the total holding including through "acquisition" and shares or compulsorily convertible preference shares/debentures/bonds or voting rights held by the applicant, his relatives, associate enterprises and persons acting in concert with him in the concerned bank. The aggregate shareholding will also include optionally convertible preference shares / bonds / debentures if the option of conversion is proposed to be exercised.

Every person desirous of undertaking such acquisition shall seek prior approval of the RBI as per the procedure set out in the Master Directions for Acquisitions. However, prior approval of the RBI will not be required for fresh acquisition by existing major shareholders of private sector banks, which consequently would lead the aggregate shareholding of such shareholders of up to 10% of the shares or voting rights provided that the major shareholder furnishes the details of the source of funds for such incremental acquisition to the concerned bank before such acquisition and obtains 'no objection' from the concerned bank. However, prior approval will be required if the incremental acquisition results in excess of 10% of shares or voting rights in the private bank. It is the responsibility of the concerned bank to ensure that all its major shareholders are 'fit and proper' and every bank shall make continuous monitoring arrangements to ensure that the major shareholders continue to be 'fit and proper' as per the Master Directions for Acquisitions.

Board and management

Amendment of any provision relating to the maximum permissible number of directors or the appointment, re-appointment, or termination of the appointment or remuneration of a chairman, managing director or whole-time director, chief executive officer of a bank shall have effect only if it is made with the prior approval of the RBI. The relevant provisions of the Companies Act, 2013 relating to appointment and remuneration of managerial personnel shall not apply to such matters which require RBI approval. RBI is also empowered to remove a chairman, director, chief executive officer (by whatever name called) or other officer or employee of the banking company from office on the grounds of public interest, interest of depositors, securing the proper management of the bank.

Moreover, the RBI may, at any time, in the public interest, interest of banking policy and to secure the interest of the depositors of the bank and the banking company, pass certain orders in writing, such as (i) require the banking company to call for meetings of the board of directors to discuss any matter in relation to the bank; (ii) require an officer of the banking company to discuss any such matter with an officer of the RBI (iii) appoint one or more of its officers to observe the manner in which the affairs of the bank (including its offices and branches) are being conducted; (iv) require the banking company to make such changes to the management as it may deem necessary; (v) require the board of directors of the banking company or any committee or body constituted by it, to send all notices and other communications, to any officer specified by the RBI, relating to any meeting of the board, or

any committee or body constituted by it; and (vi) appoint one or more of its officers to observe the manner in which the affairs of the banking company or of its offices or branches are being conducted and make a report thereon.

The RBI (in consultation with the central government) in the public interest, interest of banking policy and to secure the interest of the depositors of the bank and the banking company, pass orders to supersede the board of directors of a banking company for a period of up to 6 months, which period shall not exceed up to 12 months.

Further, the RBI has in terms of Section 17 of the Banking Regulation Act and *vide* circular dated September 20, 2006 required the banks to create a reserve fund to which it must transfer not less than 25% of the balance of profit as disclosed in the profit and loss account. If there is an appropriation from this account, the bank is required to report the same to the RBI within 21 days, explaining the circumstances leading to such appropriation.

Regulations relating to opening of branches

Section 23 of the Banking Regulation Act requires banks to obtain prior permission of the RBI to open new branches, in or outside India or to change the existing place of such business, other than a change of existing place within the same city, town or village. The RBI issues instructions and guidelines to banks on branch authorization from time to time, including guidelines allowing banking companies to open new branches, banking outlets, closure, shifting of branches/ extension counters/ ATMs etc. In terms of the branch authorisation policy issued by the RBI dated May 18, 2017, domestic scheduled commercial banks may open branches, unless otherwise specifically restricted, in Tier 1 to Tier 6 centres without prior permission from RBI in each case, subject to the conditions laid down by RBI thereunder. The RBI has further stipulated that the banks are required to open at least 25 percent of the total number of 'Banking Outlets' opened during a financial year in 'unbanked rural centres' i.e. Tier 5 and Tier 6. Further, such banks may also shift, merge or close all branches except rural branches and sole semi-urban branches without prior permission from RBI, subject to the conditions laid down by RBI. Rural branches and sole semi-urban branches can also be closed subject to certain conditions. Further, RBI has permitted installation of onsite/offsite ATMs at centres identified by banks, without the need for permission from the RBI. Further, banks are required to periodically report details of the branches opened/closed/shifted to RBI.

Regulatory reporting and examination procedures

The RBI is empowered under the Banking Regulation Act to inspect a bank. The RBI monitors prudential parameters at regular intervals. To this end and to enable off-site monitoring and surveillance by the RBI, banks are required to report to the RBI on various aspects. The RBI conducts periodical on-site inspections on matters relating to the bank's portfolio, risk management systems, internal controls, credit allocation and regulatory compliance, at regular intervals. Further, the RBI also conducts on-site supervision of selected branches with respect to their general operations and foreign exchange related transactions.

Power to impose penalty

The RBI may impose penalties on banks, directors and its employees in case of infringement of regulations under the Banking Regulation Act. The penalty may be a fixed amount or may be related to the amount involved in the contravention. The punishment may also include imprisonment. Banks are also required to disclose the penalty in the 'notes to account' to the balance sheet.

Master Direction on Issue and Pricing of shares by Private Sector Banks, Directions, 2016

The RBI issued master directions for issue and pricing of shares by private sector banks in April 2016. The directions are applicable to all private sector banks licensed by RBI to operate in India. Under the directions, "private sector banks" have been defined as banks licensed to operate in India under Banking Regulation Act, other than urban co-operative banks, foreign banks and banks licensed under specific statutes. Under the directions, a private sector bank, both listed and unlisted, has general permission for issue of shares through, *inter-alia*, public issue or private placement, subject to compliance with applicable laws including FEMA and

other foreign investment related laws, provisions of the Companies Act, and the relevant SEBI guidelines, the RBI master directions dated November 19, 2015. Upon completion of the allotment of shares, complete details of the issue shall be reported to RBI viz. date of issue, details of the type of issue, issue size, details of pricing, number and names of allottees, post allotment shareholding position etc.

Master Direction – Ownership in Private Sector banks, Directions, 2016

The RBI issued master directions for ownership in private sector banks in May 2016. The directions are applicable to all private sector banks licensed by RBI to operate in India. Under the directions, shareholders are now categorized as natural persons (individuals) and legal persons (entities/institutions) for the purposes of ownership limits in the longer run. Legal Persons are further categorized as non-financial and financial institutions, and among financial institutions, diversified and non-diversified financial institutions shall have separate limits for shareholding.

The limits for shareholding are as follows: (i) in the case of individuals and non-financial entities (other than promoters/promoter group), the limit shall be 10% of the paid up capital, however, in case of promoters being individuals and non-financial entities in existing banks, the shareholding shall be 15% of the paid-up capital, (ii) for entities in the financial sector, other than regulated or diversified or listed, the limit shall be at 15% of the paid-up capital; (iii) in case of ‘regulated, well diversified, listed entities from the financial sector’ and shareholding by supranational institutions or public sector undertaking or Government, a limit of 40% of the paid-up capital is prescribed; and (iv) higher stake/strategic investment by promoters/non-promoters through capital infusion by domestic or foreign entities/institution shall be permitted on a case to case basis under circumstances such as relinquishment by existing promoters, rehabilitation / restructuring of problem / weak banks / entrenchment of existing promoters or in the interest of the bank or in the interest of consolidation in the banking sector, etc.

The directions further prescribe that banks (including foreign banks having branch presence in India) shall not acquire any fresh stake in a bank’s equity shares, if by such acquisition, the investing bank’s holding is 10% or more in the investee bank’s equity capital. However, RBI may permit a higher level of shareholding by a bank in exceptional cases such as, restructuring of problem / weak banks or in the interest of consolidation in the banking sector, etc.

Capital adequacy requirements

The RBI has set out the minimum capital adequacy standards for banks based on the guidelines of the Basel Committee on Banking Supervision. The RBI Basel III Capital Regulations have become effective from April 1, 2013 and will be fully implemented by March 31, 2020, in a phased manner. Under the Master Circular on Basel III dated July 1, 2015, a bank is required to maintain a minimum total Capital to Risk Asset Ratio (“**CRAR**”) of 9% and Tier 1 CRAR of 7%. In addition to the total CRAR, the capital conservation buffer will required to be maintained at 2.50% in the form of common equity tier 1, by March 31, 2019. However, basis the RBI circular DBR.BP.BC.No.20/21.06.201/2018-19 dated January 10, 2019, the RBI issued a circular that amends the transitional arrangements for capital conservation buffer under the Master Circular on Basel III, wherein the requirement to maintain a capital conservation buffer of 2.50% for banks has been extended to March 31, 2020.

Liquidity coverage ratio and net stable funding ratio

The Basel III Framework on Liquidity Standards introduced two liquidity ratios i.e. Liquidity Coverage Ratio (“**LCR**”) and Net Stable Funding Ratio (“**NSFR**”) as well as liquidity risk monitoring tools. In June 2014, the RBI issued guidelines in relation to LCR, liquidity risk monitoring tools and LCR disclosure standards pursuant to the publication of the ‘Basel III: the liquidity coverage ratio and liquidity risk monitoring tools’ in January 2013 and the ‘liquidity coverage ratio disclosure standards’ in January 2014 by the Basel Committee on Banking Supervision, which provided enhanced guidance on liquidity, risk governance, measurement, monitoring and reporting to the RBI on liquidity positions. The guidelines stipulate that banks were to ensure a LCR of 60% for the calendar year 2015 with effect from January 1, 2015 and will be expected to transition to a LCR of 100% in January 2019. Further, the RBI issued the guidelines on NFSR on May 17, 2018 with the objective to ensure that

banks maintain a stable funding profile in relation to the composition of their assets and off-balance sheet activities. The RBI has *vide* circular dated November 29, 2018 decided that the NSFR guidelines shall come into effect from April 1, 2020.

Prudential framework for resolution of stressed assets

The RBI has, pursuant to its circular dated June 7, 2019 established a new regulatory framework for resolution of stressed assets. Pursuant to the Revised Framework, existing guidelines and schemes for debt resolution such as revitalising distressed assets, CDR, flexible structuring of existing long term project loans, SDR, change in ownership outside SDR, and scheme for sustainable structuring of stressed assets have been withdrawn. In addition, the guidelines /framework for joint lenders' forum has also been discontinued. According to the Revised Framework, the lenders must identify incipient stress in loan accounts immediately on default by classifying stressed assets as special mention account.

Under the Revised Framework, banks are required to put in place a board approved policy for resolution of stressed assets. Upon the occurrence of a default, banks are required to within a period of 30 days from the date of such default (“**Review Period**”), review the account of the borrower and determine a strategy for implementing a resolution plan or choose to initiate legal proceedings or recovery. If a resolution plan route is chosen by the lenders during the Review Period, the lenders are required to enter into an inter-creditor agreement to provide rules for finalisation and implementation of the resolution plan and also provide in such inter-creditor agreement that decisions by lenders representing 75% of outstanding facilities and 60% by number shall bind all lenders to the inter-creditor agreement. The resolution plan is required to be implemented within 180 days from the end of the Review Period. Depending on the aggregate exposure (including fund based and non-fund based) of the borrower towards the lender, the Review Period is required to commence by a specified date, as set out below:

- (i) INR 20 billion and above (approx. USD 280,000,000 and above) – June 7, 2019;
- (ii) INR 15 billion and above (approx. USD 210,000,000 and above) but less than INR 20 billion (less than approx. USD 280,000,000) – January 1, 2020; and
- (iii) Less than INR 15 billion (approx. USD 280,000,000) – to be announced.

The Revised Framework further clarifies that in the event a viable resolution plan in respect of the borrower is not implemented within the aforementioned timelines, all lenders (whether party to the inter-creditor agreement or not) are required to make additional provisions.

Central Repository of Information on Large Credits

The RBI has *vide* its circular dated May 22, 2014, set up the Central Repository of Information on Large Credits (“**CRILC**”) to collect, store and disseminate data on all borrowers' credit exposures including ‘special mention accounts’ (SMA 0, 1 & 2) having aggregate fund-based and non-fund based exposure of ₹50 million and above. The CRILC is designed entirely for supervisory purposes and its focus is on the reporting entities' exposure to the borrower (as individual and/or as a group) under various heads, such as bank's exposure to a large borrower; the borrower's current account balance; bank's written-off accounts; and identification of non-co-operative borrowers, among others. Further, the CRILC system started with information on SMA2 (default for 61-90 days) to be submitted on as and when basis i.e., whenever repayment for a large borrower's account becomes overdue for 61 days it is to be reported by the bank immediately.

Further, in terms of RBI circular dated June 7, 2019, all banks are required to report credit information including classification of an account as SMA to CRILC, on a monthly basis, exposures of individuals and entities having exposure (both fund and non-fund based) of more than ₹50 million. Banks are also required to report to CRILC, on a weekly basis for all borrower entities in default, having aggregate exposure of more than ₹50 million. Any non-submission of or incorrect reporting in these returns attracts penalties as specified in the Banking Regulation Act.

The Recovery of Debts and Bankruptcy Act, 1993 (“RDB Act”)

The RDB Act was enacted for adjudication of disputes pertaining to debts due to banks and financial institutions exceeding ₹ 10 lakhs or such other amount exceeding ₹ 1 lakh, as may be specified by the Central Government. The RDB Act provides for the constitution of debt recovery tribunals, before which banks and financial institutions may file applications for recovery of debts. Further, no court or other authority, except the Supreme Court or a High Court exercising jurisdiction under Articles 226 and 227 of the Constitution of India, shall have, or is entitled to exercise, any jurisdiction, powers or authority in relation to the aforementioned matter. The tribunals may pass orders for directions including *inter- alia* recovery of such dues by the bank as may be deemed fit along with a recovery certificate to such effect from the presiding officer of the respective tribunal; attachment of the secured properties towards the dues to the bank; appointment of receivers and/or local commissioners with respect to such secured properties and distribution of proceeds from sale of such secured properties towards dues. Pursuant to the recovery certificate being issued, the recovery officer of the respective debt recovery tribunal shall effectuate the final orders of the debt recovery tribunal in the application. Unless such final orders of the debt recovery tribunal have been passed with the consent of the parties to an application, an appeal may be filed against such final orders of the debt recovery tribunal before the debt recovery appellate tribunal, which is the appellate authority constituted under the RDB Act.

Loans and advances

The RBI advised the banks to implement the instructions issued via Master Circular on Loans and Advances – Statutory and other Restrictions dated July 1, 2015 (“**Master Circular – Loans and Advances**”) and adopt adequate safeguards in order to ensure that the banking activities undertaken by them are run on sound, prudent and profitable lines. Banks are prohibited from entering into any commitment for granting any loans or advances to or on behalf of any of its directors, or any firm in which any of its directors is interested. The bank must take approval of its board of directors/management committee before granting loans above ₹ 25 Lakhs to its directors, his relatives or any company or firm in which such director has substantial interest. While granting loans and advances against shares, statutory provisions contained in Sections 19(2) and 19(3) of the Banking Regulation Act, should be strictly observed.

Advances for purchase of gold and lending against gold bullion/coins/primary gold

Pursuant to the Master Circular – Loans and Advances, it is stated that, with effect from November 19, 2012 no advances would be granted by banks for purchase of gold in any form including primary gold, gold bullion, gold jewellery, gold coins, units of Gold Exchange Traded Funds and units of gold mutual funds. Banks can provide finance for genuine working capital requirements of jewellers. Banks should not grant any advance against bullion/primary gold. In order to standardize the valuation and make it more transparent to the borrower, gold ornaments and jewellery accepted as security / collateral will have to be valued at the average of the closing price of 22 carat gold for the preceding 30 days as quoted by the India Bullion and Jewellers Association Limited. Loans (including bullet repayment loans) sanctioned by banks against pledge of gold ornaments and jewellery for non-agricultural purposes should not exceed 75% of the value of gold ornaments and jewellery.

Priority sector lending

The RBI Master Directions on Priority Sector Lending – Targets and Classification, as amended sets out the broad policy in relation to priority sector lending. In accordance with this circular, the priority sectors for all scheduled banks include (i) agriculture; (ii) micro, small and medium enterprises; (iii) export credit; (iv) education; (v) housing; (vi) social infrastructure; (vii) renewable energy and (viii) others. Further, it also prescribes the details of eligible activities under the aforesaid categories. Under the aforementioned master direction, the priority sector lending targets will be based on adjusted net bank credit as defined (“**ANBC**”) or credit equivalent amount of off-balance sheet exposure, whichever is higher, as on the corresponding date of the preceding year. Currently, the total priority sector lending target for domestic banks is 40% of ANBC or credit equivalent amount of off-balance sheet exposure, whichever is higher. This has to be achieved in a phased manner by 2020 as prescribed in the directions. It also prescribed sub-targets for small and marginal farmers, micro-enterprises and weaker sections. By way of a notification dated September 20, 2019, the RBI has, in relation to export credit, enhanced the sanctioned limit, for classification of export credit under priority sector

lending, from ₹ 250 million per borrower to ₹ 400 million per borrower and removed the existing criteria of 'units having turnover of up to ₹ 1 billion.

Lending to micro, small & medium enterprises sector

The Government of India enacted the Micro, Small & Medium Enterprises Development Act, 2006 to include the services sector in the definition of MSME and extend the scope to the medium enterprises. The RBI has from time to time, issued a number of guidelines / instructions / circulars / directives to banks in the matters relating to lending to MSME Sector. In terms of the Master Direction on Lending to Micro, Small and Medium Enterprises Sector, bank loans to MSME for both manufacturing and service sectors are eligible to be classified under the Priority Sector. Advances to the MSME sector shall be reckoned in computing achievement under the overall Priority Sector target of 40 percent of ANBC or credit equivalent amount of off-balance sheet exposure, whichever is higher. Domestic commercial banks and foreign banks with 20 branches and above are required to achieve a sub-target of 7.5 percent of ANBC or credit equivalent amount of off-balance sheet exposure, whichever is higher, for lending to micro enterprises. However, this sub-target for lending to micro enterprises is not applicable to foreign banks with less than 20 branches operating in India. In terms of the recommendations of the Prime Minister's task force on MSME's banks are advised to achieve: (i) 20% year-on-year growth in credit to micro and small enterprises; (ii) 10% annual growth in the number of micro enterprise accounts; and (iii) 60% of total lending to MSME sector as on corresponding quarter of the previous year to micro enterprises.

Exposure norms

As a prudent measure aimed at better risk management and avoidance of concentration of credit risk, the RBI advised the banks to fix limits on their exposure to specific industry or sectors and has prescribed credit exposure limits for banks in respect of their lending to individual borrowers and to all borrowers belonging to a single group. In addition, banks are also required to observe certain statutory and regulatory exposure limits in respect of advances against / investments in shares, convertible debentures /bonds, units of equity-oriented mutual funds and all exposures to VCFs.

The RBI pursuant to Master Circular on Exposure Norms dated July 1, 2015 has prescribed exposure ceiling for a single borrower as 15% of capital funds and group exposure limit as 40% of capital funds comprising of Tier I and Tier II capital. Relaxations are permitted in exceptional circumstances, with the approval of their boards or lending to infrastructure sector or lending to oil companies who have been issued oil bonds by GOI. The total exposure (both lending and investment) to a single NBFC, NBFC-AFC and infrastructure finance companies should not exceed 10%, 15% and 15% respectively, of the bank's capital funds as per its last audited balance sheet. The limit may be increased by another 5% provided that the excess exposure is on account of funds on-lent to the infrastructure sector.

Limits to bank's exposure to capital markets

Section 19(2) of the Banking Regulation Act, restricts a banking company from holding shares in any company, whether as pledgee, mortgagee or absolute owner, of an amount exceeding 30% of the paid-up share capital of that company or 30 percent of its own paid-up share capital and reserves, whichever is less, except as provided in sub-section (1) of Section 19 of the Act.

The aggregate exposure of a bank to the capital markets in all forms (both fund based and non-fund based) should not exceed 40% of its net worth, on both standalone and consolidated basis as on March 31 of the previous year. Within this overall ceiling, the bank's direct investment in shares, convertible bonds/debentures, units of equity oriented mutual funds and all exposures to VCFs (both registered and unregistered) should not exceed 20% of its net worth on both standalone and consolidated basis.

Credit supply for large Borrowers

On August 25, 2016, the RBI released guidelines on enhancing credit supply for large borrowers through market mechanism with the objective of mitigating the risk posed to the banking system on account of large aggregate lending to a single corporate. As per these guidelines, exposure to corporate with large borrowing from banking

system beyond the prescribed limit would attract additional provisions and higher risk weights.

Large exposure framework

On June 3, 2019, the RBI amended the extant December 1, 2016, guidelines on large exposures framework to align the exposure norms for Indian banks with the Basel Committee on Banking Supervision standards. As per the framework, the sum of all exposure values of a bank to a counterparty or a group of connected counterparties is defined as a 'Large Exposure ("LE")', if it is equal to or above 10 percent of the bank's eligible capital base (i.e., Tier 1 capital) and the bank is required to report their LE to the RBI and Department of Banking Supervision, Central Office, ('DBS, CO'). Further, exposure limits to a single counterparty and group of connected counterparties will be 20 percent (extendable up to additional 5 percent exposure by the board of the banks during exceptional circumstances) and 25 percent of our Tier 1 capital respectively. Exposure limits to single NBFC will be 15 percent of our eligible capital base and group of connected NBFC's or group of connected counterparties having NBFC's will be 25 percent of our Tier 1 capital. However, by way of a circular dated September 12, 2019 the RBI mandated that bank's exposure to a single NBFC (excluding gold loan companies) will be restricted to 20 percent of that bank's eligible capital base.

Interest rate on deposits

Interest rate on domestic current account

No interest shall be paid on deposits held in current accounts. However, the balances lying in current account standing in the name of a deceased individual depositor or sole proprietorship concern shall attract interest from the date of death of the depositor till the date of repayment to the claimant/s at the rate of interest applicable to savings deposit as on the date of payment.

Interest rate on domestic saving deposits

Banks shall provide a uniform interest rate on a balance of up to rupees one lakh, on domestic saving deposits, irrespective of the amount in the account within this limit. Banks may further provide differential rates of interest for any end-of-day savings bank balance exceeding rupees one lakh.

Interest rates on domestic term deposits

Interest rates on term deposits shall vary on account of the following reasons: (i) tenor of deposits, as banks have the freedom to determining the tenor of the deposit subject to the minimum tenor of the being of seven days; (ii) size of deposits, as differential interest rate shall be offered by banks on bulk deposits i.e. single rupee deposits of INR 2,00,00,000 and above; and (iii) non-availability of premature withdrawal as banks shall have the freedom to offer term deposits without premature withdrawal.

Prudential norms on income recognition, asset classification and provisioning pertaining to advances ("Prudential Norms")

The RBI, pursuant to its Master Circular on Prudential Norms issued on July 1, 2015, provides the basis for treating various credit facilities as non-performing and the major guidelines are set forth below.

A non performing asset (NPA) is a loan or an advance where:

- a) interest and/ or instalment of principal remain overdue for a period of more than 90 days in respect of a term loan;
- b) the account remains 'out of order', in respect of an Overdraft/Cash Credit ("OD/CC");
- c) the bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted,
- d) the instalment of principal or interest thereon remains overdue for two crop seasons for short duration crops;
- e) the instalment of principal or interest thereon remains overdue for one crop season for long duration crop.

Once the account has been classified as a non-performing asset, the unrealized interest and other income already debited to the account is derecognized and further interest is not recognized or credited to the income account unless collected.

Out-of-order

An account should be treated as 'out of order' if the outstanding balance remains continuously in excess of the sanctioned limit/drawing power for 90 days. In cases where the outstanding balance in the principal operating account is less than the sanctioned limit/drawing power, but there are no credits continuously for 90 days as on the date of balance sheet or credits are not enough to cover the interest debited during the same period, these accounts should be treated as 'out of order'.

The Master Circular on Prudential Norms classifies NPAs into (i) substandard assets; (ii) doubtful assets; and (iii) loss assets. These norms also specify provisioning requirements specific to the classification of the assets.

Provisioning norms

Standard assets

Banks should make general provision for standard assets at the following rates for the funded outstanding on global loan portfolio basis:

- a) Farm credit to agricultural activities and SMEs sectors at 0.25%;
- b) advances to commercial real estate sector at 1%;
- c) advances to commercial real estate – residential housing sector (“**CRE – RH**”) at 0.75%;
- d) housing loans extended at teaser rates and structured advances at 2 percent;
- e) all other loans and advances not included in (a) (b) and (c) above at 0.40%.

Substandard asset

A general provision of 15 percent on total outstanding should be made without making any allowance for ECGC guarantee cover and securities available. The ‘unsecured exposures’ which are identified as ‘substandard’ would attract additional provision of 10%, i.e., a total of 25% on the outstanding balance.

Doubtful asset

- a) 100 percent of the extent to which the advance is not covered by the realisable value of the security to which the bank has a valid recourse and the realisable value is estimated on a realistic basis.
- b) In regard to the secured portion, provision may be made on the following basis, at the rates ranging from 25 percent to 100 percent of the secured portion depending upon the period for which the asset has remained doubtful:

Period for which the advance has remained in ‘doubtful’ category	Provisioning requirement (%)
Upto one year	25
One to three years	40
More than three years	100

Loss assets

Loss assets are to be written off. If loss assets are permitted to remain in the books for any reason, 100 percent of the outstanding is to be provided for.

Additional provision for standard advances

As per RBI circular dated April 18, 2017, RBI has made certain additional stipulations that the banks shall put in place a board approved policy for making provisions for standard assets at rates higher than the regulatory

minimum, based on evaluation of risk and stress in various sectors. The policy put in place shall be reviewed at least on a quarterly basis, on the basis of the performance of various sectors of the economy to which the bank has an exposure to evaluate the present and emerging risks and stress therein. The review may include quantitative and qualitative aspects like debt-equity ratio, interest coverage ratio, profit margins, ratings upgrade to downgrade ratio, sectoral non-performing assets/stressed assets, industry performance and outlook, legal/ regulatory issues faced by the sector, etc. The reviews may also include sector specific parameters.

Disclosure in the “notes to accounts” to the financial statements

The RBI assesses compliance by banks with extant prudential norms on income recognition, asset classification and provisioning as part of its supervisory processes. Banks shall make suitable disclosures, wherever either or both conditions are satisfied :-

- a) the additional provisioning for NPAs assessed by RBI exceeds 10% of the reported profit before provisions and contingencies for the reference period,
- b) the additional gross NPAs identified by RBI exceed 15% of the published incremental gross NPAs for the reference period.

Payment and Settlement Systems Act, 2007 (“PSS Act”)

The PSS Act was introduced to provide for the regulation and supervision of payment systems by the RBI. The said act authorizes the RBI to permit the setting up and continuance of payment and settlement systems, to set standards, to call for returns and information, to audit and inspect, to issue directions, and to impose penalties and initiate prosecution for violations of the said act.

Issuance and operation of prepaid payment instruments

The RBI has issued the Master Direction on Issuance and Operation of Prepaid Payment Instruments dated October 11, 2017 and amended as on February 25, 2019 to provide a framework for authorisation, regulation and supervision of entities operating payment systems for issuance of Prepaid Payment Instruments (“**PPI**”); to foster competition and encourage innovation in this segment in a prudent manner while taking into account safety and security of transactions as well as systems along with customer protection and convenience and to provide for harmonisation and interoperability of PPIs. This master direction applies to all prepaid payment instrument issuers, system providers and system participants. No entity can set up and operate payment systems for issuance of PPIs without prior approval / authorisation of RBI. All non-bank entities seeking authorisation from RBI under the PSS Act shall have a minimum positive net-worth of INR 5,00,00,000 as per the latest audited balance sheet at the time of submitting the application. The directions also prescribe reporting requirements and exemptions to the use of INR denominated PPIs for cross border transactions which are generally not permitted.

Prevention of Money Laundering Act, 2002 (the “PMLA”), Know Your Customer (“KYC”) and Anti Money Laundering (“AML”)

PMLA seeks to prevent money laundering and to provide for confiscation of property derived from, or involved in money laundering, and for incidental matters connected therewith. Section 12 of the PMLA casts certain obligations on, *inter alia*, banking companies in relation to preservation and reporting of customer account information. The RBI has advised all banks to go through the provisions of the PMLA and the rules notified thereunder and to take all steps considered necessary to ensure compliance with the requirements of section 12 of the PMLA.

The RBI has issued several guidelines, including Master Circular dated July 1, 2015, on KYC and AML *inter alia* containing rules on (i) customer identification procedures and customer acceptance; (ii) monitoring of transactions; and (iii) vigilance at the time of opening accounts for new customers to prevent misuse of the banking system. Banks have been advised to ensure that systems and procedures are in place to control financial frauds, identify money laundering and suspicious activities and monitor high value cash transactions. Such monitoring includes cross border transactions. Further, banks have also been advised to ensure that adequate policies are formulated and adopted in relation to KYC and AML.

Legal reserve requirements

Cash reserve ratio (“CRR”)

Each bank is required to maintain CRR on a daily basis which is a specified percentage of their Demand and Time Liabilities (“DTL”), by way of a balance in a current account with the RBI. At present the required CRR is 4%. The RBI does not pay any interest on CRR balances. The CRR has to be maintained on an average basis for a fortnightly period and the minimum daily maintenance of the CRR should be 90% effective from the fortnight beginning April 16, 2016. The RBI may impose penal interest at the rate of 3% above the bank rate on the amount by which the reserve falls short of the CRR required to be maintained on a particular day and if the shortfall continues further the penal interest charged shall be increased to a rate of 5% above the bank rate in respect of each subsequent day during which the default continues. In case of default in the maintenance of CRR on average basis during the fortnight, penal interest will be recovered as envisaged under Section 42(3) of the RBI Act.

Statutory liquidity ratio (“SLR”)

Each bank is required to maintain a SLR, a specified percentage of DTL by way of liquid assets like cash, gold or approved unencumbered securities. The percentage of this liquidity ratio is fixed by the RBI from time to time, pursuant to Section 24 of the Banking Regulation Act. At present, the RBI requires banks to maintain SLR of 18.50%, which shall be reduced every quarter by 25 basis points from 18.50% to:

- a) 18.25% from January 4, 2020;
- b) 18.00% from April 11, 2020.

Regulations relating to Authorised Dealers (“ADs”) for foreign exchange and cross-border business transactions

The foreign exchange and cross border transactions undertaken by banks, both on its own account and also on behalf of customers, are subject to the provisions of the FEMA and rules/ regulations/ directions and notifications issued thereunder. The bank should monitor all non-resident accounts and cross border transactions to prevent money laundering. RBI may impose penalty for contravention of Foreign Exchange Management Act and regulations/ notifications issued there under, or for contravention of any condition subject to which an authorisation is issued by the RBI.

Downstream investment by banks

In accordance with the consolidated FDI Policy effective from August 28, 2017, downstream investments made by a banking company, as defined in section 5(c) of the Banking Regulation Act, incorporated in India, which is owned or controlled by non-residents/non-resident entity, under corporate debt restructuring, or other loan restructuring mechanism, or in trading books, or for acquisition of shares due to defaults in loans, shall not count towards indirect foreign investment. However, their strategic downstream investment shall count towards indirect foreign investment. For this purpose, strategic downstream investments would mean investment by these banking companies in their subsidiaries, joint ventures and associates.

Regulation of financial services provided by banks

The Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, as amended on September 25, 2017 require banks to comply with certain restrictions while undertaking financial services including in relation to risk mitigation measures, limits on investment that can be made by banks in companies undertaking financial services. The directions also provide for specific regulations for certain financial services such as, *inter alia*, setting of an infrastructure debt fund, underwriting activities, mutual fund business and insurance business.

Guidelines on management of intra-group transactions and exposures

The RBI issued the guidelines on management of intra-group transactions and exposures on February 11, 2014. Pursuant to the said guidelines, RBI has prescribed quantitative limits on financial intra-group transactions and

exposures and prudential measures for the non-financial intra-group transactions and exposures. These guidelines also require that all intra- group transactions to be at “arms-length”. The aggregate group exposure to all group entities (financial and non-financial) shall not exceed 20% of a bank’s paid up capital and reserves and 10% of the paid-up capital and reserves incase of all non-financial companies and unregulated financial services companies taken together.

Capital and provisioning requirements for exposures to entities within unhedged foreign currency exposure

RBI issued a circular relating to capital and provisioning requirements for exposures to entities with unhedged foreign currency exposure on January 15, 2014. Pursuant to these guidelines, RBI has introduced incremental provisioning and capital requirements for bank exposures to entities with unhedged foreign currency exposures. The circular also lays down the method of calculating the incremental provisioning and capital requirements. The banks will be required to calculate the incremental provisioning and capital requirements at least on a quarterly basis. This framework became fully effective from April 1, 2014.

Revised Prompt Corrective Action (“PCA”) framework for banks

The RBI vide its circular dated April 13, 2017 has reviewed and revised the PCA framework for banks, which is effective from April 1, 2017. The revised PCA framework sets out certain ‘risk thresholds’, the breach of which would mandate the relevant bank to implement certain mandatory and discretionary actions. The ‘risk thresholds’ take into consideration the capital adequacy ratio, net non-performing advances ratio, return on assets and the leverage ratio of the relevant bank.

The Banking Ombudsman Scheme, 2006

The Banking Ombudsman Scheme, 2006, as amended on July 1, 2017, provides the extent and scope of the authority and functions of the banking ombudsman for redressal of grievances against deficiency in banking services, concerning loans and advances and other specified matters to provide for revised procedures for redressal of grievances by a complainant under the scheme and to broaden the scope of complaints addressed by the banking ombudsman.

Declaration of dividend by banks

The payment of dividends by banks is subject to restrictions under the Banking Regulation Act. Section 15(1) of the Banking Regulation Act states that no banking company shall pay any dividend on its shares until all its capitalized expenses (including preliminary expenses, organisation expenses, share-selling commission, brokerage, amounts of losses incurred and any other item of expenditure not represented by tangible assets) have been completely written off. In addition, the RBI has in terms of Section 17 of the Banking Regulation Act and *vide* circular dated September 20, 2006 required the banks to create a reserve fund to which it must transfer not less than 25% of the balance of profit as disclosed in the profit and loss account. If there is an appropriation from this account, the bank is required to report the same to the RBI within 21 days, explaining the circumstances leading to such appropriation.

Further, in May 2005, the RBI issued guidelines on declaration of dividends by banks, which prescribed certain conditions for declaration of dividends by banks. Only banks which comply with the minimum prudential requirements as prescribed by the guidelines would be eligible to declare dividends.

Consolidated supervision guidelines

In 2003, the RBI issued guidelines for consolidated accounting and consolidated supervision for banks. Under the guidelines, banks are required to prepare consolidated financial statements, submit consolidated prudential returns among other things.

Classification and reporting of fraud cases

The RBI issued a Master Directions on Frauds – Classification and Reporting by commercial banks and select financial institutions on July 1, 2016. The said circular classifies fraud cases into misappropriation and criminal breach of trust, fraudulent encashment through forged instruments, manipulation of books of account or through fictitious accounts and conversion of property, unauthorised credit facilities extended for reward or for illegal gratification, negligence and cash shortages, cheating and forgery, fraudulent transactions involving in foreign exchange and any other type of fraud not coming under the specific heads as above. The banks are required to submit a quarterly report on outstanding frauds in the prescribed format. Further, banks should furnish case wise quarterly reports on frauds involving one lakh and above.

Marginal cost of funds based lending rate (“MCLR”)

Pursuant to the notification issued by RBI dated December 17, 2015, all rupee loans sanctioned and credit limits renewed with effect from April 1, 2016 are to be priced with reference to the MCLR which is the internal benchmark for such purposes. MCLR comprises of: (a) marginal cost of funds; (b) negative carry on account of CRR; (c) operating costs; and (d) tenor premium.

In terms of the notification, the board of directors of the banks are required to adopt a policy delineating the components of spread charged to a customer. Actual lending rates are to be determined by adding the components of spread to the MCLR. Further, no lending below the MCLR, on floating rate advances, of a particular maturity for all loans linked to that benchmark is permitted. The aforementioned notification provides exemption to certain loans from being linked to MCLR as the benchmark for determining interest rate. Further, the aforementioned notification also provides for review of MCLR, reset of interest rates, treatment of interest rates linked to base rate charged to existing borrowers and mandates all the banks to move to the MCLR based pricing from April 1, 2016.

External benchmark based lending

The RBI *vide* circular dated September 04, 2019 mandated that all new floating rate personal or retail loans (housing, auto, etc.) and floating rate loans to Micro and Small Enterprises extended by banks shall be linked, with effect from October 01, 2019, to external benchmarks.

In furtherance of the same, the said new floating rate shall be benchmarked to one of the following: (1) RBI’s policy on repo rate; (2) Government of India 3-Months Treasury Bill yield published by the Financial Benchmarks India Private Ltd (“**FBIL**”); (3) Government of India 6-Months Treasury Bill yield published by the FBIL; and (4) Any other benchmark market interest rate published by the FBIL.

The adoption of multiple benchmarks by the same bank is not allowed within a loan category.

Banks are free to decide the spread over the external benchmark, subject to the conditions, specified in the aforesaid circular. The interest rate under external benchmark shall be reset at least once in three months.

Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, as amended, as amended by the Enforcement of Security Interest and Recovery of Debts Laws and Miscellaneous Provisions (Amendment) Act, 2016 (the “SARFAESI Act”)

The SARFAESI Act provides for the enforcement of security interest without the intervention of the courts. Under the provisions of the SARFAESI Act, a secured creditor can recover dues from its borrowers by taking any of the measures as provided therein. Rights, with respect to the enforcement of security interest, under the SARFAESI Act cannot be enforced unless the account of the borrower has been classified as an NPA in the books of account of the secured creditor in accordance with the directions or guidelines issued by the RBI or any other applicable regulatory authority. The secured creditors must serve a 60 days notice on the borrower demanding repayment of the amount due and specifying the borrower’s assets over which the bank proposes to exercise remedies. If the borrower still fails to pay, the secured creditors, on expiry of 60 days notice period, can:

(i) take possession of the secured assets; (ii) take over the management of the secured assets along with the right to transfer by way of lease, assignment or sale of the secured assets; (iii) appoint any person to manage the secured assets; and (iv) require any person who has acquired any of the secured assets from the borrower to pay amounts necessary to satisfy the debt. In the event that the secured creditor is unable to recover the entire sum due by exercise of the remedies under the SARFAESI Act in relation to the assets secured, such secured creditor may approach the DRT or the relevant court for the recovery of the balance amounts. A secured creditor may also simultaneously pursue its remedies under the SARFAESI Act as well as the DRT.

The SARFAESI Act also provides for sale of financial assets by banks and financial institutions to asset reconstruction companies. The financial assets can be sold to asset reconstruction companies in accordance with the extant guidelines and prudential norms issued by the RBI.

Currency chest

In order to facilitate the distribution of banknotes and rupee coins, the RBI has authorized select branches of scheduled commercial banks to establish currency chests to meet the requirements of the public. These are storehouses where banknotes and rupee coins are stocked on behalf of the RBI. Construction of the currency chests is required to strictly conform to the technical specifications under the RBI circular dated November 14, 2008 and minimum standards prescribed by RBI circular dated April 8, 2019.

Submission of credit information

According to the Credit Information Companies (Regulation) Act, 2005 (“CICRA”), a “credit institution” means a banking company and every credit institution shall become a member of at least one Credit Information Company (“CIC”). A CIC, may, by notice in writing, require its members to furnish such credit information as it may deem necessary. Further, RBI, through its notification dated January 15, 2015, has directed that, all credit institutions shall become members of all CICs and submit data, including historical data, to them and credit institutions shall keep the credit information collected/maintained by them, updated regularly on a monthly basis or at such shorter intervals as may be mutually agreed upon between the credit institution and the CIC under the CICRA.

Indian accounting standards (“Ind AS”)

The MCA has notified the Companies (Indian Accounting Standards) Rules, 2015. On January 18, 2016, MCA outlined the roadmap for implementation of Ind AS for banks, non-banking financial companies, select all India term lending and refinancing institutions and insurance entities. Pursuant to this, RBI has issued guidelines on February 11, 2016 on implementation of Ind AS). Pursuant to a notification dated March 22, 2019, the RBI has decided to defer the implementation of Ind AS for scheduled commercial bank till further notice.

Other laws

In addition to the above, our Bank is also required to comply with the provisions of the Companies Act and rules framed thereunder, IBC and rules framed thereunder and other applicable statutes imposed by the Central or the State Government and other authorities for our day-to-day business and operations. Our Bank is also amenable to various central and state tax laws.

HISTORY AND CERTAIN CORPORATE MATTERS

Brief history of our Bank

Our Bank was incorporated on November 26, 1920 under the Indian Companies Act, 1913 as ‘The Catholic Syrian Bank Limited’. A fresh certificate of incorporation under the Companies Act, 1956 was issued by the RoC on April 14, 1987. The Shareholders of our Bank approved the change of name of our Bank from ‘The Catholic Syrian Bank Limited’ to ‘CSB Bank Limited’ through a postal ballot resolution dated May 4, 2019, and RBI, through its letter bearing reference number DBR.PSBD.No.8231/16.01.060/2018-19 dated April 1, 2019, conveyed its ‘no objection’ in terms of Section 49B of the Banking Regulation Act to change of name of our Bank from ‘The Catholic Syrian Bank Limited’ to ‘CSB Bank Limited’. Subsequently, a fresh certificate of incorporation under the Companies Act, 2013 was issued by the RoC on June 10, 2019 and a fresh license bearing no. MUM-147 dated June 28, 2019 was issued by the RBI under our new name to carry on the banking business in India, in lieu of our previous license dated June 19, 1969, consequent to the change of name of our Bank. The name of our Bank was changed to ‘CSB Bank Limited’ from “The Catholic Syrian Bank Limited” in the second schedule of the RBI Act, with effect from June 10, 2019.

In 1964 and 1965, our Bank took over the assets and liabilities of six small and medium sized banks located in Kerala, namely, Ollur Bank Limited, Puthenpeedika Bank Limited, Kottapadi Bank Private Limited, Oriental Christian Bank Limited, Indian Insurance & Banking Corporation Limited, and Mar Appraem Bank Limited. In August 1969, our Bank was included in the second schedule to the RBI Act. Additionally, in 1975, our Bank attained the status of ‘A’ class scheduled bank.

The registered office of our Bank is located at ‘CSB Bhavan’, Post Box No. 502, St. Mary’s College Road, Thrissur 680 020, Kerala, India.

Financial and/or Strategic Partners

Our Bank does not have any financial and / or strategic partners as of the date of this Prospectus.

Details of shareholders' agreements

Except as disclosed below, our Bank does not have any our subsisting shareholders' agreements among our Shareholders *vis-a-vis* our Bank:

Investment Agreement dated February 20, 2018 entered into between our Bank and FIHM, as superseded and replaced by Amended and Restated Investment Agreement dated October 15, 2018 ("Investment Agreement") read with the letter agreement dated August 7, 2019 entered into between our Bank and FIHM ("Warrant Letter").

Pursuant to the Investment Agreement, FIHM agreed to subscribe to 66,463,329 warrants at a price of ₹ 140 per warrant (convertible and exchangeable for an equal number of Equity Shares) ("**Warrants**"), and 19,832,130 Equity Shares at a price of ₹ 140 per Equity Share ("**Subscription Shares**") for amounts of ₹ 9,304,866,060 ("**Warrant Consideration**") and ₹ 2,776,498,200 ("**Share Consideration**"), respectively.

The Warrant Consideration and the Share Consideration was payable by FIHM to our Bank in the following manner:

- i. 40% of the Warrant Consideration (aggregating to ₹ 3,721,946,424) was payable at a date notified by FIHM to our Bank, such date being no more than 10 business days from the date of issuance of the acceptance notice by FIHM, certifying satisfaction and / or waiver of the conditions precedent as set out thereunder ("**Completion Date**") and 60% of the Warrant Consideration (aggregating to ₹ 5,582,919,636) was payable after the Completion Date in calls.
- ii. An amount of ₹ 35 per Equity Share (aggregating to ₹ 694,124,550) was payable on the Completion Date and the balance amount of ₹ 105 per Equity Share (aggregating to ₹ 2,082,373,650) was payable after the Completion Date in calls.

The Subscription Shares and Warrants upon conversion into Equity Shares, constitute 50.09% of the share capital of our Bank on a fully diluted basis (entitling FIHM to 26% voting rights in our Bank, in accordance with the Banking Regulation Act and notifications issued by the RBI).

The allotment of partially paid up Subscription Shares and partially paid up Warrants was completed on October 19, 2018. The Subscription Shares were made fully paid up on July 5, 2019. Further, the Warrants (other than the Cancelled Warrants) were converted into Equity Shares on August 7, 2019. Please see "*Capital Structure - Share capital history of our Bank from the financial year ended December 31, 1982 till date*" beginning on page 76.

Further, subject to the terms of the Investment Agreement, FIHM is entitled to the following rights:

Board composition: FIHM has the right to nominate two non-executive directors on the Board ("**Investor Directors**"). The right to appoint Investor Directors is subject to FIHM holding at least 15% of the Equity Share capital of our Bank on a fully diluted basis.

Reporting requirements: Ongoing annual and quarterly reporting requirements relating to financial statements (in accordance with IFRS), certifications from CEO and CFO relating to internal controls, business performance reports and any other financial information as required to be disclosed to Fairfax India Holdings Corporation ("**FIHC**") for regulatory filings by FIHC and / or any of its affiliates under Canadian securities laws or as may be deemed necessary by FIHC or FIHM.

Anti-dilution: Our Bank cannot issue any Equity Shares or any other securities exchangeable into Equity Shares to any person, unless our Bank has offered FIHM the right to subscribe to such number of Equity Shares or securities, which would result in maintaining the shareholding of FIHM, on a fully diluted basis, at the same percentage as it would be prior to any such issuance, until the expiry of the earlier of (i) expiry of five years from the Completion Date, or (ii) the date on which any lock-in or non-disposal requirements imposed by the RBI on FIHM fall away or cease to have effect.

Quorum: The quorum for Board meetings requires the presence of at least one Investor Director, except where such presence is prohibited under applicable law due to conflict of interest; or in case of adjourned meetings due to want of quorum, where the Investor Director is not present and other Directors suffice for the purposes of constituting a quorum, in accordance with the Companies Act, 2013.

Committees: Subject to FIHM holding at least 15% of the Equity Share capital on a fully diluted basis, (i) it is entitled to nominate at least one Investor Director on each committee of the Board, including the Nomination and Remuneration Committee and quorum requirements as stated above shall apply *mutatis mutandis* to meetings of all such committees, (ii) all matters relating to appointment, termination or replacement of Directors, KMPs, officers or senior executives, or any alteration in their terms of appointment or engagement ("**NRC Matters**"), require the approval of majority of the Nomination and Remuneration Committee, including an approval from the Investor Director, and (iii) any matter which constitutes a NRC matter, may only be tabled before the Board for consideration, if such matter has been tabled before the Nomination and Remuneration Committee and has been approved in the manner stated above.

Further, in order to facilitate the Offer in accordance with applicable laws, FIHM has issued certain waivers relating to anti-dilution rights for issuance under the Offer and for allotment of Equity Shares pursuant to exercise of employee stock options granted under the 2013 ESOS Scheme and for allotment of Equity Shares to the CSB ESOS Trust in terms of the 2019 ESOS Scheme in respect of the Investment Agreement for the purpose of the Offer in the waiver letter dated July 30, 2019 read with extension of the waiver letter dated September 27, 2019 (collectively, the "**Waiver Letter**"). The Waiver Letter for the waiver of the anti-dilution rights for issuance under the Offer is effective from the date of execution until (i) the date of listing of the Equity Shares of our Bank pursuant to the Offer; or (ii) January 31, 2020, whichever is earlier, and the waivers contained therein shall stand automatically withdrawn after such date, unless mutually extended by the parties.

Further, the subscription by FIHM for the Subscription Shares and Warrants (together referred to as the "**Subscription Securities**") and the issuance and allotment of the Subscription Securities by our Bank to FIHM, was subject to the receipt of all requisite regulatory approvals, including the approval of the DFS. Pursuant to the application made by our Bank to DFS, our Bank received the approval of the DFS on October 9, 2018 for the investment by FIHM in our Bank ("**DFS Approval**") which specified that the limit for investment by FIHM in our Bank is at ₹ 1,208 crores instead of ₹ 1,208.14 crores. As a result of this typographical error in the DFS Approval, our Bank submitted an application dated April 18, 2019 to the DFS. The approval from the DFS in response to this rectification application was received on August 14, 2019.

The consideration payable by FIHM to our Bank pursuant to the final call issued by our Bank for payment of the balance amount of the Warrant Consideration, being the remaining 30% of the consideration payable on the Warrants aggregates to ₹ 2,791,459,818 ("**Final Aggregate Warrant Consideration**"). In light of the aforesaid, and given the conditions of the DFS Approval, pursuant to the Warrant Letter, FIHM has agreed to restrict its total equity inflow in our Bank to an amount of ₹ 1,208 crores and accordingly the Final Aggregate Warrant Consideration would be reduced by an amount of ₹ 1,364,286 ("**Excess Amount**"). Such Excess Amount would accordingly be reduced from the Final Aggregate Warrant Consideration which would result in balance payment of 30% of the consideration payable pursuant to the final call not having been paid up on 32,483 Warrants ("**Cancelled Warrants**"). Accordingly, given that the final call amount on the Cancelled Warrants would not have been paid up given the considerations set out above, the Cancelled Warrants stand cancelled and any part of the Excess Amount, if already remitted by FIHM to our Bank, shall be refunded and remitted by our Bank to FIHM. Further, the RBI, has through an email on November 11, 2019 sought certain clarifications from our Bank with respect to the allotment of the warrants and the amount received by our Bank pursuant to such allotment, as well as the filing of form FCGPR with respect to the investment by our Promoter in our Bank. For further details, please see "Risk Factors- *We have issued Equity Shares during the last one year from the date of filing of this Prospectus at a price that may be lower than the Offer Price*" on page 47.

Other agreements

Our Bank has not entered into any other subsisting material agreement, other than in the ordinary course of business. Further, neither our Promoter nor any of the Key Managerial Personnel, Directors or employees of our Bank have entered into an agreement, either by themselves or on behalf of any other person, with any Shareholder or any other

third party with regard to compensation or profit sharing in connection with the dealings of the securities of our Bank.

OUR MANAGEMENT

The composition of our Board is governed by the provisions of the Companies Act, 2013, the Banking Regulation Act and our Articles of Association. In terms of our Articles of Association, our Bank is required to have not less than three and not more than seven directors excluding the directors appointed by RBI pursuant to Section 36AB of the Banking Regulation Act.

Further, the Banking Regulation Act requires that at least 51% of Directors have specialized knowledge or practical experience in one or more of the following areas: accountancy, agriculture and rural economy, banking, cooperation, economics, finance, law, small-scale industry and any other matter as RBI may specify. Out of the aforesaid number of Directors, not less than two Directors are required to have specialized knowledge or practical experience in agriculture and rural economy, cooperation or small-scale industry. Further, in accordance with the Banking Regulation Act, not less than 51% of the directors, shall be the persons who do not have substantial interest in, or be connected with, whether as an employee, manager or managing agent, of any company (not being a company registered under Section 8 of the Companies Act, 2013) or firm which carries on any trade, commerce or industry which is not a small scale industrial concern, or be proprietors of any trading, commercial or industrial concern which is not a small scale industrial concern. Further, under the Banking Regulation Act, the appointment or reappointment of a part-time chairman and the managing director and chief executive officer requires the prior approval of RBI. RBI has also prescribed “fit and proper” criteria to be considered when appointing directors of banks, with our Directors being required to make declarations confirming their on-going compliance with such criteria and our Bank being required to check this compliance on an annual basis.

As on date of this Prospectus, our Board comprises of seven Directors of which one is an Executive Director, two are Non – executive Directors (including Part – time Chairman) and four Independent Directors (including one woman Director). Our Bank is in compliance with the corporate governance norms prescribed under the SEBI Listing Regulations and the Companies Act, 2013 in relation to the composition of our Board and constitution of committees thereof.

 - a) Section 26 of Part I of Chapter III of the Companies Act, 2013, as amended (the "Act");
 - b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("ICDR Regulations"); and
 - c) The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India ("ICAI"), as amended from time to time (the "Guidance Note").
2. The Bank's Board of Directors is responsible for the preparation of the Restated Financial Information for the purpose of inclusion in the offer document to be filed with Securities and Exchange Board of India ("SEBI"), relevant stock exchanges and Registrar of Companies, Kerala at Ernakulam ("ROC") in connection with the IPO. The Restated Financial Information have been prepared by the management of the Bank on the basis of preparation stated in Notes to the Restated Financial Information. The responsibility of the Board of Directors of the Bank includes designing, implementing and maintaining adequate internal control relevant to the preparation and presentation of the Restated Financial Information. The Board of Directors are also responsible for identifying and ensuring that the Bank complies with the Act, ICDR Regulations and the Guidance Note.
3. We have examined such Restated Financial Information taking into consideration:
 - a) The terms of reference and terms of our engagement agreed upon with you in accordance with our engagement letter dated 1.5.2019 in connection with the IPO;
 - b) The Guidance Note also requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI;
 - c) Concepts of test checks and materiality to obtain reasonable assurance based on verification of evidence supporting the Restated Financial Information; and
 - d) The requirements of Section 26 of the Act and the ICDR Regulations. Our work was performed solely to assist you in meeting your responsibilities in relation to your compliance with the Act, the ICDR Regulations and the Guidance Note in connection with the IPO.

4. These Restated Financial Information have been compiled by the management from previously audited statutory financial statements prepared in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Companies Act 2013 and rules made thereunder and any other notifications or circulars issued by RBI from time to time audited by us for the respective years ended March 31, 2019, 2018 and 2017 and for the six months ended September 30, 2019 and adopted by the Board of Directors at their meetings held on April 22, 2019, , April 30, 2018, April 24, 2017 and October 17, 2019, respectively, as adjusted for the differences in the changes in accounting policies.
5. For the purpose of our examination, we have relied on:
Auditors' reports issued by us dated April 22, 2019, April 30, 2018, April 24, 2017 and October 17, 2019, respectively on the financial statements for the years ended March 31, 2019, 2018 and 2017 and for the six months ended September 30, 2019 as referred in paragraph 4 above.
6. Based on our examination and according to the information and explanations given to us, we report that the Restated Financial Information:
 - a) have been prepared after incorporating adjustments for the changes in accounting policies, material errors and regrouping/reclassifications retrospectively in the financial years ended March 31, 2018 and March 31, 2017 to reflect the same accounting treatment as per the accounting policies and grouping/classifications followed for the six months ended September 30, 2019.
 - b) have been prepared in accordance with the Act, ICDR Regulations and the Guidance Note; and
 - c) the Statement of Assets and Liabilities / Statement of Profit and Loss and Cash Flow Statement of the Bank as restated as at 31st March 2017, 31st March 2018, 31st March 2019 and for the six months ended September 30, 2019 after making such adjustments and regroupings as in our opinion are appropriate and more fully described in significant accounting policies and notes there on.
7. This report should not in any way be construed as a reissuance or re-dating of any of the previous audit reports issued by us, nor should this report be construed as a new opinion on any of the financial statements referred to herein.
8. We have no responsibility to update our report for events and circumstances occurring after the date of the report.
9. Our report is intended solely for use of the Board of Directors for inclusion in the offer document to be filed with SEBI, the relevant stock exchanges and the ROC in connection with the IPO. Our report should not be used, referred to, or distributed for any other purpose except with our prior consent in writing. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.

1. GENERAL

- a) The financial statements have been prepared in accordance with the requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of the Bank used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time, the Accounting Standards (AS) specified under Section 133 of the Companies Act, 2013 read with Rule 7 of The Companies (Accounts) Rules, 2014 so far as they apply to the Bank and practices generally prevalent in the banking industry in India.
- b) Going Concern Assumption, Historical cost convention and Accrual basis of accounting have been consistently applied while preparing and presenting the financial statements, except as stated in para 10 –“Recognition of Revenue and Expenditure”.

2. USE OF ESTIMATES

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosures of contingent liabilities at the date of the financial statements. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

3. TRANSACTIONS INVOLVING FOREIGN EXCHANGE

- a) Monetary assets and liabilities including contingent liabilities have been translated at the exchange rates prevailing at the close of the year as advised by FEDAI and the effect is accounted in Profit & Loss Account
- b) Income and Expenditure items denominated in foreign currencies have been accounted at the exchange rates prevailing on the date of transaction.
- c) Outstanding foreign exchange forward contracts are revalued at the rates applicable on the closing date as advised by FEDAI. The resultant profit/loss is taken into Profit and Loss Account.
- d) Contingent Liabilities on guarantees, letters of credit, acceptances and endorsements are reported at the exchange rates prevailing at the close of the year.

4. INVESTMENTS

- a) Accounting and classification
All Investments are accounted for on settlement dates. In terms of RBI guidelines, the entire investments portfolio has been classified under three categories for valuation purpose, viz., “Held to Maturity”, “Available for Sale” and “Held for Trading” at the time of its purchase. However, for disclosure in the Balance Sheet, investments are classified under six groups – Govt. Securities, Other Approved Securities, Shares, Debentures and Bonds, Subsidiaries/Joint Venture and Others.
- b) Cost of acquisition
Costs such as brokerage pertaining to investments, paid at the time of acquisition are charged to the profit and loss account.
- c) Basis of Classification
Securities that are held principally for resale within 90 days from the date of purchase are classified under the HFT category. Investments that the bank intends to hold till maturity are classified under the HTM category. Securities which are not classified in the above categories are classified under the AFS category.
- d) Transfer between categories
Reclassification of investments from one category to the other, if done, is in accordance with the RBI guidelines. Transfer of scrips from AFS/HFT category to HTM category is made at the lower of book value or market value. In the case of transfer of securities from HTM to AFS/HFT category, the investments held under HTM at a discount are transferred to AFS/HFT category at the acquisition price and investments placed in the HTM category at a premium are transferred to AFS/HFT at the amortized cost.

Transfer of investments from AFS to HFT or vice versa is done at the book value. Depreciation carried, if any, on such investments is also transferred from one category to another.

e) Valuation of Securities:

(i) Investments in “Held to Maturity” category are accounted for at acquisition cost or at amortized cost, if acquired at a premium. In case the cost is higher than the face value, the premium is amortized over the period remaining to maturity using Constant Yield Method. Such amortization of premium is adjusted against income under the head “Income on Investments”. Where the face value is higher than the cost, the discount is ignored and is accounted only on maturity date of the instrument.

(ii) Securities classified as “Available for Sale” are marked to market scrip-wise on a quarterly basis other than shares which is done on a weekly basis and net depreciation in each category is provided for, while net appreciation is ignored.

(iii) Individual scrips in “Held for Trading” category are marked to market at daily intervals and net depreciation in each category is provided for, while net appreciation is ignored.

(iv) Treasury Bills, Commercial Papers and Certificate of Deposits are valued at carrying cost.

(v) Security receipts are valued as per the Net Asset Value (NAV) obtained from the issuing Reconstruction Company/Securitization Company. Depreciation in each scrip is provided for while appreciation is ignored.

(vi) Profit on sale of investments in ‘Held to Maturity’ category is recognized in the Profit and Loss Account and an equivalent amount net of taxes and transfer to Statutory Reserves is appropriated to Capital Reserve.

(vii) Investments are also classified as Performing and Non Performing as per the guidelines of RBI and provisions on Non Performing investments are made as per the provisioning norms of RBI.

(viii) As per RBI circular [FMOD.MAOG. No. 116/01.01.001/2016-17, dated 10.11.2016], the bank is classifying Repo / Reverse Repo under LAF scheme in Schedule 4 [Borrowings] and Schedule 7 [Balances with banks and Money at call & short notice] respectively.

5. ADVANCES

a) Advances have been classified as ‘Performing’ and ‘Non-performing Advances’ (NPA) in accordance with the applicable regulatory guidelines. NPAs are further classified in to Sub-standard, Doubtful and Loss assets in terms of applicable regulatory guidelines.

b) Provision for Non Performing Advances comprising Sub-standard, Doubtful and Loss Assets is made in accordance with the RBI guidelines which prescribe minimum provision levels and encourage banks to make a higher provision based on sound commercial judgement. In respect of identified NPAs provision is recognized at borrower level on the basis of ageing of loans. The provisioning done is at or higher than the minimum rate prescribed under the RBI guidelines.

c) The amount of advances shown in the Balance Sheet is net of provisions, interest suspense, ECGC claims received and discount on assignment transactions.

d) Provision on Standard Assets, is maintained as per RBI guidelines. In respect of Rescheduled/ Restructured Advances, provision is made for the diminution in the fair value of restructured advances measured in present value terms as per RBI Guidelines. The said provision is reduced to arrive at net advances. In case of advances to stressed sectors, bank has recognized provision in line with RBI guidelines. These provisions are included under in Item No. IV ‘Others’, of Schedule – Other Liabilities & Provisions.

e) Amounts recovered against debts written off in earlier years are recognized as revenue.

f) The sale of financial assets (including Non Performing Advances) to Reconstruction Company (RC)/ Securitisation Company (SC) are accounted as per the extant guidelines of Reserve Bank of India from time to time.

h) Policy on Managing Currency induced credit risk: As per Credit Policy of the bank Forward exchange cover is insisted on all Foreign Currency loans of USD 2 Mio or above unless there is natural hedge by way of export/other earnings. For foreign currency loans of less than USD 2 Mio, forward exchange cover is optional to the borrower subject to furnishing of an unconditional undertaking to bear the exchange loss if any.

i) In addition to the provisions required to be held according to the asset classification status, provisions are held for individual country exposure, wherever applicable and in accordance with RBI Guidelines

6. FIXED ASSETS AND DEPRECIATION

- a) Fixed Assets other than premises are carried at cost less accumulated depreciation. Cost includes cost of purchase and all directly attributable costs of bringing the asset to its working condition for its intended use.
- b) Premises are stated at revalued amount. Appreciation on revaluation of premises is credited to Revaluation Reserve. The additional depreciation on the revalued portion of buildings is charged to Profit and Loss Account and an equivalent amount is withdrawn from Revaluation Reserve and credited to General Reserve.
- c) Subsequent expenditure incurred on fixed assets put to use is capitalized only when it represents an improvement which increases the future benefits from the existing asset beyond its previously assessed standard of performance or an extension which becomes an integral part of the asset.
- d) Depreciation on additions to fixed assets is provided on pro rata basis. No depreciation is charged on the fixed assets sold/discarded during the year, except for premises and motor vehicles which are depreciated on a pro-rata basis.
- e) The bank has adopted the revised useful life of assets as prescribed in Schedule II of the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II

Type of Fixed Asset	Useful Life Considered (Yrs)	Useful Life as per Schedule II (Yrs)	Depreciation Method
Premises	58 Yrs	60 Yrs	Written Down Value
Servers & Networks	3 Yrs	6 Yrs	Straight Line
ATMs	8 Yrs	15 Yrs	Straight Line

7. INTANGIBLE ASSETS

Accounting and amortisation of computer software are in accordance with the provisions of Accounting Standard 26 – Intangible Assets, specified under Section 133 of the Companies Act, 2013 read with Rule 7 of The Companies (Accounts) Rules, 2014.

- a) Application Software purchased is amortised over a period of 5 years on pro rata basis under Straight Line Method.
- b) Internally Generated Application Software is accounted as an intangible asset and is amortised over a period of 5 years on pro rata basis under Straight Line Method from the date the software becomes Available for Use. If the software is still in the development phase and has not become Available for Use, no amortisation is charged to Profit & Loss Account.

8. NON BANKING ASSETS

In the case of Non Banking Assets, diminution in value, if any, is provided for.

9. EMPLOYEE BENEFITS

9.1 Short Term Employee Benefits

The undiscounted amount of short-term employee benefits which are expected to be paid in exchange for the services rendered by employees are recognised during the period when the employee renders the service.

9.2 Long term Employee Benefits

- a) Defined Contribution Plan - Provident Fund and New Pension Scheme (Contributory) are the defined contribution plans of the bank. In addition to contribution for the period, shortfall, if any, in the Provident Fund Trust is charged to Profit and Loss Account of the bank.
- b) Defined Benefit Plans - Liabilities towards Gratuity, Pension and Leave benefits to employees are defined benefit obligations and are provided for on the basis of actuarial valuation made at the end of each financial year. Projected Unit Credit Method is used by the actuary for valuing the obligations in case of Pension, Gratuity and Long term Compensated Absences and other long term employee benefits. Discount rate used to arrive at the present value of estimated future cash flows is arrived at by reference to market yields on balance sheet date on government bonds of term consistent with estimated term of the obligations as per para 78 of AS 15 Employee Benefits. Actuarial Gains/Losses are immediately taken to the profit and loss account and are not deferred.

Brief description of the defined benefit plans:

- i) Pension - Pension is payable to the employees who have specifically opted for the same. For becoming eligible for pension, the employee should have served the bank for a minimum period of 10 years in the case of retirement on superannuation and 20 years in other cases. At the time of retirement or death of the pension eligible employee, the pension trust purchases annuity from insurance company, out of the contributions made by the bank.
- ii) Gratuity - Gratuity is payable to all employees on termination of employment due to retirement, death or resignation, provided that the employee has continuously served the bank for a minimum period of 5 years.
- iii) Long term compensated absences and other long term employee benefits viz:
 - a. Privilege Leave
 - b. Leave fare concession
 - c. Sick Leaveare based on actuarial valuation at the end of the financial year

9.3 Employee Stock Options (ESOP)

The accounting for shares granted under Employee Stock Option Scheme is done as per the ICAI Guidance note on ESOP. The Bank has applied the intrinsic value method to arrive at the compensation cost of ESOP granted to the employees of the Bank. Intrinsic value is the amount by which the value of the underlying shares as determined by an independent valuer exceeds the exercise price of the options. Compensation cost so determined is amortised over the vesting period of the option granted.

10. RECOGNITION OF REVENUE AND EXPENDITURE

Revenue is recognised to the extent it is probable that the economic benefits will flow to the bank and the revenue can be reliably measured.

- a. Interest/discount on advances/bills is recognised on accrual basis except on non-performing assets in which case the income is recognised as per prudential norms issued by RBI. Exchange, Brokerage, Commission & Rent on lockers are recognised on cash basis.
- b. Income on Investments (other than dividend on shares & mutual funds and income on non performing investments) is recognised on accrual basis. Dividend income is recognized when the right to receive payment is established.
- c. Recovery in Non Performing Assets is first appropriated towards interest and the balance, if any, towards principal, except in the case of Suit Filed Accounts, sale to Asset Reconstruction Companies and accounts under One Time Settlement where recovery is appropriated based on the court decree/terms of agreement.
- d. In the case of purchase of loans from other banks/NBFCs through direct assignment of cash flows, bank recognizes interest income on the basis of original IRR/actual collection record of the pool. The discount, if any, on such purchase is recognised in proportion to the principal received.
- e. In case of Asset Sale to ARCs, where the sales is at a price higher than the net book value (NBV), (i.e. outstanding less provision held) and consideration is received in cash, the excess provision on NPA is credited to Profit and loss account. If consideration is other than cash, the excess provision is retained. If the sale is at a price below the NBV, the shortfall is debited to Profit & Loss Account, as per the option given by RBI.
- f. Legal expenses incurred on suit filed accounts are expensed in profit and loss account as per RBI guidelines. Such amount when recovered is treated as income.

11. TAXES ON INCOME

Income tax expense is the aggregate amount of current tax and deferred tax charge. Current year taxes are determined in accordance with the Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The impact of changes in the deferred tax assets and liabilities is recognized in the Profit and Loss Account.

Deferred tax assets are recognized and reassessed at each reporting date, based upon the Management's judgement as to whether realisation is considered as reasonably certain. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax asset can be realized against future profits.

12. SEGMENT INFORMATION

Bank has adopted RBI's revised guidelines on segment reporting issued in April 2007 and accordingly 4 business segments viz. Treasury, Corporate/Wholesale Banking, Retail Banking and Other Banking Operations have been considered as reportable segments. Advances classified as corporate as per Basel III norms are grouped in Corporate/Wholesale Banking assets while all other advances are grouped as Retail Banking Assets. Deposits of ₹ 2 crore and above are classified as corporate/wholesale banking liabilities (to conform to ALM classification adopted by the bank) and all other deposits are grouped as retail banking liabilities. Deposits of borrowers classified as corporate as per Basel II norms are treated as wholesale deposits regardless of amount. For arriving at segment results, income and expenditure that cannot be directly identified with a particular segment are allocated on appropriate basis.

13. IMPAIRMENT OF ASSETS

Impairment losses, if any, on Fixed Assets (including revalued assets) are recognized in accordance with the Accounting Standard 28 'Impairment of Assets' specified under Section 133 of the Companies Act, 2013 read with Rule 7 of The Companies (Accounts) Rules, 2014 and charged to Profit and Loss Account.

14. ACCOUNTING FOR PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

- a) As per the Accounting Standard 29, 'Provisions, Contingent Liabilities and Contingent Assets', specified under Section 133 of the Companies Act, 2013 read with Rule 7 of The Companies (Accounts) Rules, 2014 the Bank recognizes provisions only when it has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.
- b) Contingent assets are not recognized in the financial statements.

While computing the provision requirement pertaining to fraud accounts, adjustment is made for "financial collateral eligible under BASEL III Capital regulations -Capital charge for credit risk (standardized approach)", if available and amount so arrived at is charged fully to Profit and Loss Account, in the same quarter of detection.

15. EARNINGS PER SHARE

The bank reports basic and diluted Earnings per equity share in accordance with the Accounting Standard 20 on "Earnings per share specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. Basic Earnings per share (EPS) reported is computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share have been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period except where the results are anti-dilutive.

16. SHARE ISSUE EXPENSES

The share issue expenses are adjusted from share premium account in terms of Section 52 of the Companies Act, 2013, in cases where RBI approval is obtained.

17. NET PROFIT/LOSS

The net profit/loss disclosed in the Profit & Loss Account is after

- (i) provision for taxes
- (ii) provision for standard, restructured and non performing assets.
- (iii) provision for depreciation on investments and
- (iv) other usual and necessary provisions.

	<p>(b) Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy.</p> <p>Process The Nomination & Remuneration Committee works in close co-ordination with the Risk Management Committee of the Board to review the compensation practices every year in order to achieve effective alignment between remuneration and risks. The Nomination & Remuneration Committee will study the business and industry environment, analyze and categorize the risks and streamline the components of the compensation plan like proportion of the total variable compensation to be paid to MD & CEO, WTD's and Senior executives to ensure financial stability of the organization.</p> <p>Authority to invoke clawback arrangement The Nomination & Remuneration Committee of the Board also have the authority to ascertain whether the decision taken by the MD& CEO, WTD, Senior executives/ officers (Non IBA Package) have brought forth a negative contribution to the Bank. The Committee has vested with the powers to invoke the clawback arrangement, after taking into account relevant statutory and regulatory stipulations as applicable.</p> <p>Objectives The objectives of the remuneration policy are four fold:</p> <ul style="list-style-type: none"> • To align compensation with prudent risk taken.

	<ul style="list-style-type: none"> • To ensure effective governance of the compensation in the organization. • To ensure effective supervisory oversight and stakeholder engagement in compensation. • To attract and retain talent. <p>Key features</p> <ul style="list-style-type: none"> • To actively oversee the compensation systems design and operation. • To monitor and review the compensation system to ensure that the system operates as intended. • Staff engaged in financial and risk control must be independent, have appropriate authority, and be compensated in a manner that is independent of the business areas they oversee and commensurate with their key role in the firm. • Supervisory review of compensation practices must be rigorous and sustained and deficiencies must be addressed promptly with supervisory action. • Firms must disclose clear comprehensive and timely information about their compensation practices to facilitate constructive engagement by all stakeholders.
(c)	<p>Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks.</p> <p>For the purpose of effectively aligning compensation structure with risk outcomes, the functionaries in the institution are arranged under the following four categories.</p> <ol style="list-style-type: none"> 1) Managing Director & CEO 2) Senior Executives (Risk control and compliance staff) -Non IBA Package 3) Senior / Other Officers - Non IBA Package 4) Other officers and staff -On IBA package <p>Clawback Arrangement/Compensation Recovery A clawback arrangement or a compensation recovery is provided in the policy [MD & CEO,WTD's and Senior executives/ officers (Non IBA Package)] which will entail the Bank to recover proportionate amount of variable compensation paid to the functionaries on account of an act or decision taken by the official which has brought forth a negative contribution to the bank at a prospective stage. The clawback arrangement is subject to the relevant statutory and regulatory stipulations as applicable.</p> <p>Limit on variable pay</p> <p>As per the policy, the variable compensation offered to an official would not exceed 70% of the total fixed compensation in a year.</p> <p>Severance pay and guaranteed bonus</p> <p>As per the policy, severance pay (other than gratuity or terminal entitlements or as entitled by statute) is not paid to any official of the organization except in those cases where it is mandatory by statute.</p> <p>Sign on bonus or joining bonus is limited to the first year and is paid only as Employee stock options.</p> <p>Hedging</p> <p>As per the policy, no compensation scheme or insurance facility would be provided by the Bank to employees to hedge their compensation structure to offset the risk alignment mechanism (deferral pay and clawback arrangements) embedded in their compensation arrangement.</p> <p>Committees to mitigate risks caused by an individual decision</p>

	<p>In order to further balance the impact of market or credit risks caused to the organization by an individual decision taken by a senior level executive, MD & CEO or a whole time director, the bank, as a promoted practice, has constituted various committees to take decisions on various aspects.</p> <p>Credit limits are sanctioned by committees at different levels. Investment decisions of the Bank are taken and monitored by Treasury & Investment Management Committee and there is an upper limit cut in treasury dealings where individual decisions can be taken. Interest rates on Asset and liability products for different buckets are decided and monitored by the ALCO. Banks' exposure to liquidity risk are also monitored by ALCO.</p> <p>Compensation of risk control staff</p> <p>Members of staff engaged in financial and risk control would be compensated in a manner that is independent of the business areas they oversee and commensurate with their key role in the bank. (d)	<p>Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration.</p> <p>Compensation of MD & CEO, whole time directors and senior executives (Non IBA), performance linkage As per the policy, the compensation paid out to the referred functionaries is divided into three components</p> <ol style="list-style-type: none"> 1. The fixed compensation is determined based on the industry standards, the exposure, skill sets, talent and qualification attained by the official over his/her career span. 2. The variable compensation for MD & CEO and senior executives on Non – IBA package basis are fixed based on performance and responsibility in the bank. The Bank's performance is based on the various financial indicators like revenue earned, cost deployed, profit earned, NPA position and other intangible factors like leadership and employee development. Variable pay is paid purely based on performance. 3. Employees Stock options as per the CSB Employees Stock Option Scheme 2013 (CSBESOS-2013) as approved by the Board. <p>Approval from RBI is to be obtained to decide compensation for MD & CEO/ whole time directors. The payment of compensation also requires approval of the shareholders of the Bank in the General Meeting pursuant to the Bank's Articles of Association read with the Section 197 of the Companies Act, 2013.</p> <p>Compensation paid to Other Officers and staff members on IBA package The compensation paid to other officials that include Award staff, Officers coming under Scale I to III and Senior executives coming under Scale IV to VII is fixed based on the periodic industry level settlements with Indian Banks Association. The variable compensation paid to functionaries is based on the Performance/Target Linked incentive scheme which has been formulated on the basis of performance parameters. The ESOP scheme may be extended to the employees referred herein and form part of the overall performance management program at the discretion of the Board. However, the grant of stock option is as per CSB Employees Stock Option Scheme.</p>
(e)	<p>A discussion of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.</p> <p>Deferred compensation and Performance Linkage (Non-IBA)</p> <p>In case of deferral arrangements of variable pay to MD & CEO, WTD's, Senior/other executives (Non IBA Package), the deferral period should not be less than three years. Compensation payable under deferral arrangements should vest no faster than on a pro rata basis.</p> <p>Clawback and deferral arrangements The provisions of clawback and deferral arrangements applicable to the referred functionaries (all Non IBA Package) are subject to relevant statutory and regulatory stipulations as applicable.</p>
(f)	<p>Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms)</p>

		that the bank utilizes and the rationale for using these different forms. Bank uses an optimum mix of cash, ESOPS and variable pay to decide the compensation to MD & CEO /WTD and senior executives on Non – IBA package. This is done to align the compensation of senior staff with their performance, risk and responsibility taken in higher assignments. The Officers in Scale I-VII as well as Award staff come under the purview of IBA package that is as per the Industry wide settlements. The variable compensation paid to functionaries is based on the Target/ Performance Linked incentive scheme which has been formulated on the basis of performance parameters as may be prescribed from time to time. The ESOP scheme may be extended to the employees referred herein and form part of the overall performance management program at the discretion of the Board. b) Qualitative disclosures

(i) Main drivers of LCR and evolution of contribution of inputs

The Liquidity Coverage Ratio (LCR) standard aims to ensure that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 days' time horizon under a significantly severe liquidity stress scenario, by which time it is assumed that proper corrective actions can be taken. The LCR position depends upon the level of High Quality Liquid Assets (HQLA) and level of inflows and outflows in 30 days stress horizon computed as per the RBI guidelines in this regard.

(ii) Intra period changes

The intra period changes are mainly on account of changes in unencumbered excess SLR positions.

(iii) The composition of High Quality Liquid Assets (HQLA)

Banks' High Quality Liquid Assets consists of the following

- i. Cash
- ii. Balance with RBI in excess of CRR requirement
- iii. Unencumbered portion of investments in Government securities in excess of SLR requirement.
- iv. Investments in Government securities held within the mandatory SLR requirement, to the extent allowed by RBI under Marginal Standing facility(MSF)

v. Investment in Government Securities held up to 14% of Net Demand and Time Liabilities (NDTL) permissible under Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR).

(iv) Concentration of funding

Banks' concentration from top 20 depositors stood at 6.97% of total deposits as on 30th September 2019.

(v) Derivative exposure and potential collateral calls

Bank does not have derivative business except forward contracts.

(vi) Currency Mismatch in LCR

The bank does not have aggregate liabilities denominated in any foreign currency of 5 per cent or more of the bank's total liabilities and hence LCR in other currencies is not computed.

(vii) Centralisation of liquidity management

Banks' liquidity management and monitoring is centralized. Bank has a Board adopted liquidity management policy in line with RBI regulation and guidelines.

(viii) Other Inflows and outflows in the LCR calculation that are not captured in the template but which the bank considers relevant for its liquidity profile

Inflows and outflows are comprehensively captured in LCR template

7. Employee Stock Option Scheme (ESOS)-2013

The shareholders of the Bank in the 92nd Annual General Meeting of the Bank held on 23.09.2013 accorded sanction to frame and implement the Employees Stock Option Scheme and grant/issue options to eligible present and future employees of the Bank, such that the offer, issue and allotment of such shares pursuant to the option shall not exceed 5% of issued equity shares of the Bank from time to time. Accordingly, the Bank formulated a stock option scheme called "CSB Employees Stock Option Scheme 2013" ("ESOS 2013" or "Scheme") as per Board resolution dated April 8, 2014 and the same has been approved by shareholders vide postal ballot on August 18, 2014. The ESOS is equity settled where the employees will receive one equity share per option. The period of vesting shall range from a minimum of three years from the date of Grant and normally shall not exceed a maximum of five years ("Vesting Period"), unless the Nomination & Remuneration Committee decides for a longer/ shorter vesting period, subject to applicable laws. The Committee may, at its sole discretion, decide the proportion of shares, which shall vest each year during the vesting period ("Vesting Schedule"). The Stock option granted to employees vest over the period as decided by the Nomination & Remuneration Committee. The Exercise Period for the relevant Grant shall be a period commencing from the relevant Vesting Date for the respective tranche and shall end with the expiry of 10 years from the relevant Grant Date or such other period as may be decided by the Committee for each Grant.

The 2013 ESOS Scheme was effective from April 1, 2013. It was subsequently amended for the purpose of compliance with the SEBI SBEB Regulations and approved pursuant to resolution passed by Board of Directors dated May 23, 2019. Further, the 2013 ESOS Scheme was discontinued for the purpose of fresh grants thereunder, pursuant to resolution passed by Board of Directors dated May 23, 2019, and continues only to facilitate exercise of options which have already been granted.

Stock option activity under the scheme during the half year ended 30.09.2019 has been as follows:

Outstanding at the beginning of the half year	305000
Granted during the half year	Nil
Forfeited during the half year	Nil
Options Lapsed	Nil
Exercised during the half year	Nil
Outstanding at the end of the half year	305000
Options exercisable at the end of the half year	305000

Options outstanding at the beginning of the half year carry an exercise price of ₹ 147.25.

- CSB Employees Stock Option Scheme 2019

Pursuant to the requisite approval of the members on May 4, 2019, the Bank has formulated a stock option scheme called "CSB Employees Stock Option Scheme 2019" ("ESOS 2019" or "Scheme"). The scheme is intended to promote the culture of employee ownership and as well as to attract, retain, motivate and incentivize talents in the Bank. The Scheme shall be administered through an employee stock option trust ("ESOS Trust") in the nature of an irrevocable employee welfare trust in due compliance with the applicable laws. Under the Scheme, the Bank will allot a maximum of 5. Million shares to the Trust, over a period of time and trust will transfer the shares to the eligible employees at the time of exercise of option by eligible employees on meeting terms of grant fixed by the Nomination & Remuneration Committee, on a case to case basis.

Bank, on July 12, 2019 allotted 5,000,000 equity shares @ Rs.10/- per share to CSB ESOS Trust, pursuant to the approval of the shareholders obtained, vide post ballot resolution dated May 4, 2019. However, no options have been granted to the employees under the scheme.

Under intrinsic value method, since exercise price of the stock options granted under the ESOS is more than the underlying value of the shares, it has not resulted in any charge to the Profit and Loss Account for the year. If the Bank had adopted the Black-Scholes model based fair valuation, reserves would have been lower by ₹ 17.2 Million.

The fair value of options granted during the period has been estimated on the date of grant using the Black Scholes option pricing model with the following assumptions:

Average Dividend Yield	0%
Expected Volatility	32.58%
Risk free interest rate	7.62%
Expected life of options	10 years
Expected forfeiture	Nil

Expected volatility is a measure of the amount by which the equity share price is expected to fluctuate during a period. The measure of volatility used in Black-Scholes option pricing model is the annualized standard deviation of the continuously compounded rates of returns on the shares over a period of time. Expected volatility has been computed by considering the historical data on daily volatility in CNX Bank Nifty over the last 10 years.

8. Small and Micro Industries

Under the Micro, Small and Medium Enterprises Development Act, 2006 which came into force from 2 October, 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. There have been no reported cases of delays in payments to micro and small enterprises or of interest payments due to delays in such payments. The above is based on the information available with the Bank which has been relied upon by the auditors.

9. Provision for Long Term Contracts

The Bank has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the bank has reviewed and recorded adequate provision as required under any Law/Accounting Standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements

Clawback Arrangement/Compensation Recovery

A clawback arrangement or a compensation recovery is provided in the policy[MD & CEO,WTD's and Senior executives/ officers (Non IBA Package)] which will entail the Bank to recover proportionate amount of variable compensation paid to the functionaries on account of an act or decision taken by the official which has brought forth a negative contribution to the bank at a prospective stage. The clawback arrangement is subject to the relevant statutory and regulatory stipulations as applicable.

Limit on variable pay

As per the policy, the variable compensation offered to an official would not exceed 70% of the total fixed compensation in a year.

Severance pay and guaranteed bonus

As per the policy, severance pay (other than gratuity or terminal entitlements or as entitled by statute) is not paid to any official of the organization except in those cases where it is mandatory by statute.

Sign on bonus or joining bonus is limited to the first year and is paid only as Employee stock options.

Hedging

As per the policy, no compensation scheme or insurance facility would be provided by the Bank to employees to hedge their compensation structure to offset the risk alignment mechanism (deferral pay and clawback arrangements) embedded in their compensation arrangement.

Committees to mitigate risks caused by an individual decision

In order to further balance the impact of market or credit risks caused to the organization by an individual decision taken by a senior level executive, MD & CEO or a whole time director, the bank, as a promoted practice, has constituted various committees to take decisions on various aspects.

Credit limits are sanctioned by committees at different levels.

Investment decisions of the Bank are taken and monitored by Treasury & Investment Management Committee and there is an upper limit cut in treasury dealings where individual decisions can be taken.

Interest rates on Asset and liability products for different buckets are decided and monitored by the ALCO. Banks' exposure to liquidity risk are also monitored by ALCO.

Compensation of risk control staff

Members of staff engaged in financial and risk control would be compensated in a manner that is independent of the business areas they oversee and commensurate with their key role in the bank. The mix of fixed and variable compensation for control function personnel should be weighted in favour of fixed compensation.

(d) Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration.

Compensation of MD & CEO, whole time directors and senior executives (Non IBA), performance linkage

As per the policy, the compensation paid out to the referred functionaries is divided into three components

4. The fixed compensation is determined based on the industry standards, the exposure, skill sets,

		<p>talent and qualification attained by the official over his/her career span.</p> <p>5. The variable compensation for MD & CEO and senior executives on Non – IBA package basis are fixed based on performance and responsibility in the bank. The Bank’s performance is based on the various financial indicators like revenue earned, cost deployed, profit earned, NPA position and other intangible factors like leadership and employee development. Variable pay is paid purely based on performance.</p> <p>6. Employees Stock options as per the CSB Employees Stock Option Scheme 2013 (CSBESOS-2013) as approved by the Board.</p> <p>Approval from RBI is to be obtained to decide compensation for MD & CEO/ whole time directors. The payment of compensation also requires approval of the shareholders of the Bank in the General Meeting pursuant to the Bank’s Articles of Association read with the Section 197 of the Companies Act, 2013.</p> <p><u>Compensation paid to Other Officers and staff members on IBA package</u> The compensation paid to other officials that include Award staff, Officers coming under Scale I to III and Senior executives coming under Scale IV to VII is fixed based on the periodic industry level settlements with Indian Banks Association. The variable compensation paid to functionaries is based on the Performance/Target Linked incentive scheme which has been formulated on the basis of performance parameters. The ESOP scheme may be extended to the employees referred herein and form part of the overall performance management program at the discretion of the Board. However, the grant of stock option is as per CSB Employees Stock Option Scheme.</p>

b) Qualitative disclosures

(i) Main drivers of LCR and evolution of contribution of inputs

The Liquidity Coverage Ratio (LCR) standard aims to ensure that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 days' time horizon under a significantly severe liquidity stress scenario, by which time it is assumed that proper corrective actions can be taken. The LCR position depends upon the level of High Quality Liquid Assets (HQLA) and level of inflows and outflows in 30 days stress horizon computed as per the RBI guidelines in this regard.

(ii) Intra period changes

The intra period changes are mainly on account of changes in unencumbered excess SLR positions.

(iii) The composition of High Quality Liquid Assets (HQLA)

Banks' High Quality Liquid Assets consists of the following

- i. Cash
- ii. Balance with RBI in excess of CRR requirement
- iii. Unencumbered portion of investments in Government securities in excess of SLR requirement.
- iv. Investments in Government securities held within the mandatory SLR requirement, to the extent allowed by RBI under Marginal Standing facility(MSF)
- v. Investment in Government Securities held up to 13% of Net Demand and Time Liabilities (NDTL) permissible under Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR).

(iv) Concentration of funding

Banks' concentration from top 20 depositors stood at 6.85% of total deposits as on 31st March 2019.

(v) Derivative exposure and potential collateral calls

Bank does not have derivative business except forward contracts.

(vi) Currency Mismatch in LCR

The bank does not have aggregate liabilities denominated in any foreign currency of 5 per cent or more of the bank's total liabilities and hence LCR in other currencies is not computed.

(vii) Centralisation of liquidity management

Banks' liquidity management and monitoring is centralized. Bank has a Board adopted liquidity management policy in line with RBI regulation and guidelines.

(viii) Other Inflows and outflows in the LCR calculation that are not captured in the template but which the bank considers relevant for its liquidity profile

Inflows and outflows are comprehensively captured in LCR template

10. Employee Stock Option Scheme (ESOS)

The shareholders of the Bank in the 92nd Annual General Meeting of the Bank held on 23.09.2013 accorded sanction to frame and implement the Employees Stock Option Scheme and grant/issue options to eligible present and future employees of the Bank, such that the offer, issue and allotment of such shares pursuant to the option shall not exceed 5% of issued equity shares of the Bank from time to time. Accordingly, the Bank formulated a stock option scheme called "CSB Employees Stock Option Scheme 2013" ("ESOS 2013" or "Scheme") as per Board resolution dated April 8, 2014 and the same has been approved by shareholders vide postal ballot on August 18, 2014. The ESOS is equity settled where the employees will receive one equity share per option. The period of vesting shall range from a minimum of three years from the date of Grant and normally shall not exceed a maximum of five years ("Vesting Period"), unless the Nomination & Remuneration Committee decides for a longer/ shorter vesting period, subject to applicable laws. The Committee may, at its sole discretion, decide the proportion of shares, which shall vest each year during the vesting period ("Vesting Schedule"). The Stock option granted to employees vest over the period as decided by the Nomination & Remuneration Committee. The Exercise Period for the relevant Grant shall be a period commencing from the relevant Vesting Date for the respective tranche and shall end with the expiry of 10 years from the relevant Grant Date or such other period as may be decided by the Committee for each Grant.

Stock option activity under the scheme during the year ended 31.03.2019 has been as follows:

Outstanding at the beginning of the year	330000
Granted during the year	Nil
Forfeited during the year	Nil
Options Lapsed	25000
Exercised during the year	Nil
Outstanding at the end of the year	305000
Options exercisable at the end of the year	305000

Options outstanding at the beginning of the year carry an exercise price of ₹ 147.25

Under intrinsic value method, since exercise price of the stock options granted under the ESOS is more than the underlying value of the shares, it has not resulted in any charge to the Profit and Loss Account for the year. If the Bank had adopted the Black-Scholes model based fair valuation, staff cost for the year would have been higher by ₹ 8.8 million and profit before tax would have been lower by the same extent.

The fair value of options granted during the period has been estimated on the date of grant using the Black Scholes option pricing model with the following assumptions:

Average Dividend Yield	0%
Expected Volatility	32.58%
Risk free interest rate	7.62%
Expected life of options	10 years
Expected forfeiture	Nil

Expected volatility is a measure of the amount by which the equity share price is expected to fluctuate during a period. The measure of volatility used in Black-Scholes option pricing model is the annualized standard deviation of the continuously compounded rates of returns on the shares over a period of time. Expected volatility has been computed by considering the historical data on daily volatility in CNX Bank Nifty over the last 10 years.

11. Small and Micro Industries

Under the Micro, Small and Medium Enterprises Development Act, 2006 which came into force from 2 October, 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. There have been no reported cases of delays in payments to micro and small enterprises or of interest payments due to delays in such payments. The above is based on the information available with the Bank which has been relied upon by the auditors.

12. Provision for Long Term Contracts

The Bank has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the bank has reviewed and recorded adequate provision as required under any Law/Accounting Standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements

NOTES TO ACCOUNTS FOR FINANCIAL YEAR 2017-18

1.1 Investments

- a) Loss on sale of investments under Held to Maturity category amounting to ₹14.0 Million (Previous Year ₹ 0.7 Million) has been taken to Profit and Loss account. There was no profit on sale of investments under Held to Maturity category during the year (previous year - ₹ 1868.3 Million) requiring any appropriation to Capital Reserve Account (Previous year a sum of ₹ 11.70 Million has been appropriated to Capital Reserve Account).
- b) In respect of Investments in Held to Maturity category, the amount of amortization of excess of acquisition cost over face value is ₹151.7 Million (previous year ₹ 153.7 Million) which is netted against Income on Investments.
- c) The RBI has vide Circular RBI/2017-18/147 DBR No.BP.BC.102/21.04.048/2017-18 dated April 2, 2018, given all banks an option to spread Marked To Market (MTM) loss on government securities in AFS / HFT categories incurred during the quarters ended 31.12.2017 and 31.03.2018 equally over up to four quarters. The MTM loss in respect of Government Securities in AFS category for the quarter ended 31.12.2017 was ₹4.6 Million and for the quarter ended 31.03.2018 was ₹102.2 Million. The bank has exercised the option to spread the MTM loss in line with the above Circular and ₹27.8 Million has been charged to Profit & Loss Account. The balance amount to be provided for as on 31.03.2018 was ₹ 79.0 Million and consequently the loss for the year ended 31.03.2018 is lesser by ₹79.0 Million. The bank did not have any investments under HFT category.
- d) Provisions for depreciation on investments in the Available for Sale category investments amounting to ₹241.5 Million (including ₹ 27.8 Million as mentioned above) is debited to Profit & Loss account (previous year ₹ 155.5 Million).
- e) During the financial year 2017-18, the bank has transferred securities amounting to ₹ 3889.6 Million (previous year ₹ 6740.5 Million) from Held to Maturity category to Available for Sale category. Out of the securities shifted, ₹ 820.7 Million is on account of reduction in HTM SLR limit as per RBI notification No. DBR.No.Ret.BC.90/12.02.001/2017-18 dated October 4, 2017
- f) UDAY bonds issued on conversion of advances to DISCOM companies on restructuring of advances in March 2016 which were not envisaged to be converted into SDL amounting to ₹189.4 Million are treated as Non-Performing Investments (NPI), and a provision of ₹ 75.8 Million is held on the same.

1.2 Reconciliation

Reconciliation of inter-bank and inter-branch transactions has been completed up to 31st March 2018. Steps for elimination of outstanding entries are in progress. In the opinion of the management, since the outstanding entries to be eliminated are insignificant, no material consequential effect is anticipated.

1.3 Taxation

Claims against the bank not acknowledged as debt under contingent liabilities include disputed income tax liabilities of ₹ 256.6 Million (Previous Year – ₹ 268.8 Million) of which ₹ 242.6 Million (Previous Year – ₹ 212.5 Million) has been paid/adjusted and included under other assets. In respect of these claims, provision for tax is not considered necessary based on various judicial decisions on such disputes. Management does not envisage any liability in respect of such disputed issues.

Provision for income tax for the year is arrived at after due consideration of the various favourable judicial decisions on certain disputed issues.

* The percentage of holdings by shareholders as of 31.03.2014 has come down to 42% as on 31.03.2018. Section 79 of the Income Tax Act provides that in the case of closely held companies, the present holding of shareholders as at the end of the year in which the loss was incurred shall not fall less than 51% of the voting power at the close of financial year when set off of carried forward business losses are claimed. Based on favorable legal opinion received, bank has set off ₹.247.4 Million of the carried forward business loss pertaining to FY 14 from the taxable income of FY 18 (with a beneficial impact of ₹.86.5 Million in the provision for tax). The balance business loss of ₹.220.5 Million pertaining to FY 2014 is being carried forward to be claimed in future. Deferred Tax Asset on carry forward loss includes ₹ 77.1 Million reckoned on the amount of ₹. 220.5 Million mentioned above.

Based on the shareholder approval for further capital infusion and signing of investor agreement entered into by the bank and consequent improved business, there is virtual certainty of future taxable profits to offset the losses as well as the provision for bad and doubtful debts. Accordingly, the bank has recognised the deferred asset on carry forward loss and provision for bad and doubtful debts in line with AS 22. The carry forward/set off of loss in the return of income filed for the year will not undergo any change on account of restatement.

5.14 Disclosure on Remuneration

<p>Qualitative disclosures</p>	<p>(a) Information relating to the composition and mandate of the Nomination & Remuneration Committee.</p> <p><u>Composition</u> The Nomination & Remuneration Committee of the Board comprises of independent directors.</p> <p><u>Function and mandate</u> The Nomination & Remuneration Committee of the Board inter alia, oversee the framing, review and implementation of compensation policy of the Bank including ESOS of the bank on behalf of the Board.</p> <p>The Committee should ensure that:-</p> <ul style="list-style-type: none"> • the cost/income ratio of the bank supports the remuneration package consistent with maintenance of sound capital adequacy ratio; • the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the bank successfully; • relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and • remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.
	<p>(b) Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy.</p> <p><u>Process</u> The Nomination & Remuneration Committee works in close co-ordination with the Risk Management Committee of the Board to review the compensation practices every year in order to achieve effective alignment between remuneration and risks. The Nomination & Remuneration Committee will study the business and industry environment, analyze and categorize the risks and streamline the components of the compensation plan like proportion of the total variable compensation to be paid to MD & CEO, WTD's and Senior executives to ensure financial stability of the organization.</p> <p><u>Authority to invoke clawback arrangement</u> The Nomination & Remuneration Committee of the Board also have the authority to ascertain whether the decision taken by the MD& CEO, WTD, Senior executives/ officers (Non IBA Package) have brought forth a negative contribution to the Bank. The Committee has vested with the powers to invoke the clawback arrangement, after taking into account relevant statutory and regulatory stipulations as applicable.</p> <p><u>Objectives</u> The objectives of the remuneration policy are four fold:</p> <ul style="list-style-type: none"> • To align compensation with prudent risk taken. • To ensure effective governance of the compensation in the organization. • To ensure effective supervisory oversight and stakeholder engagement in compensation. • To attract and retain talent.

	<p><u>Key features</u></p> <ul style="list-style-type: none"> • To actively oversee the compensation systems design and operation. • To monitor and review the compensation system to ensure that the system operates as intended. • Staff engaged in financial and risk control must be independent, have appropriate authority, and be compensated in a manner that is independent of the business areas they oversee and commensurate with their key role in the firm. • Supervisory review of compensation practices must be rigorous and sustained and deficiencies must be addressed promptly with supervisory action. • Firms must disclose clear comprehensive and timely information about their compensation practices to facilitate constructive engagement by all stakeholders.
(c)	<p>Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks.</p> <p>For the purpose of effectively aligning compensation structure with risk outcomes, the functionaries in the institution are arranged under the following four categories.</p> <ol style="list-style-type: none"> 1) Managing Director & CEO 2) Senior Executives (Risk control and compliance staff) -Non IBA Package 3) Senior / Other Officers - Non IBA Package 4) Other officers and staff -On IBA package <p><u>Clawback Arrangement/Compensation Recovery</u></p> <p>A clawback arrangement or a compensation recovery is provided in the policy[MD & CEO,WTD's and Senior executives/ officers (Non IBA Package)] which will entail the Bank to recover proportionate amount of variable compensation paid to the functionaries on account of an act or decision taken by the official which has brought forth a negative contribution to the bank at a prospective stage. The clawback arrangement is subject to the relevant statutory and regulatory stipulations as applicable.</p> <p><u>Limit on variable pay</u></p> <p>As per the policy, the variable compensation offered to an official would not exceed 70% of the total fixed compensation in a year.</p> <p><u>Severance pay and guaranteed bonus</u></p> <p>As per the policy, severance pay (other than gratuity or terminal entitlements or as entitled by statute) is not paid to any official of the organization except in those cases where it is mandatory by statute.</p> <p>Sign on bonus or joining bonus is limited to the first year and is paid only as Employee stock options.</p> <p><u>Hedging</u></p> <p>As per the policy, no compensation scheme or insurance facility would be provided by the Bank to employees to hedge their compensation structure to offset the risk alignment mechanism (deferral pay and clawback arrangements) embedded in their compensation arrangement.</p> <p><u>Committees to mitigate risks caused by an individual decision</u></p>

	<p>In order to further balance the impact of market or credit risks caused to the organization by an individual decision taken by a senior level executive, MD & CEO or a whole time director, the bank, as a promoted practice, has constituted various committees to take decisions on various aspects.</p> <p>Credit limits are sanctioned by committees at different levels.</p> <p>Investment decisions of the Bank are taken and monitored by Treasury & Investment Management Committee and there is an upper limit cut in treasury dealings where individual decisions can be taken.</p> <p>Interest rates on Asset and liability products for different buckets are decided and monitored by the ALCO. Banks' exposure to liquidity risk are also monitored by ALCO.</p> <p><u>Compensation of risk control staff</u></p> <p>Members of staff engaged in financial and risk control would be compensated in a manner that is independent of the business areas they oversee and commensurate with their key role in the bank. The mix of fixed and variable compensation for control function personnel should be weighted in favour of fixed compensation.</p>
(d)	<p>Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration.</p> <p><u>Compensation of MD & CEO, whole time directors and senior executives (Non IBA), performance linkage</u></p> <p>As per the policy, the compensation paid out to the referred functionaries is divided into three components</p> <ol style="list-style-type: none"> 7. The fixed compensation is determined based on the industry standards, the exposure, skill sets, talent and qualification attained by the official over his/her career span. 8. The variable compensation for MD & CEO and senior executives on Non – IBA package basis are fixed based on performance and responsibility in the bank. The Bank's performance is based on the various financial indicators like revenue earned, cost deployed, profit earned, NPA position and other intangible factors like leadership and employee development. Variable pay is paid purely based on performance. 9. Employees Stock options as per the CSB Employees Stock Option Scheme 2013 (CSBESOS-2013) as approved by the Board. <p>Approval from RBI is to be obtained to decide compensation for MD & CEO/ whole time directors. The payment of compensation also requires approval of the shareholders of the Bank in the General Meeting pursuant to the Bank's Articles of Association read with the Section 197 of the Companies Act, 2013.</p> <p><u>Compensation paid to Other Officers and staff members on IBA package</u></p> <p>The compensation paid to other officials that include Award staff, Officers coming under Scale I to III and Senior executives coming under Scale IV to VII is fixed based on the periodic industry level settlements with Indian Banks Association. The variable compensation paid to functionaries is based on the Performance/Target Linked incentive scheme which has been formulated on the basis of performance parameters. The ESOP scheme may be extended to the employees referred herein and form part of the overall performance management program at the discretion of the Board. However, the grant of stock option is as per CSB Employees Stock Option Scheme.</p>
(e)	<p>A discussion of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.</p> <p><u>Deferred compensation and Performance Linkage</u> (Non-IBA)</p>

		<p>In case of deferral arrangements of variable pay to MD & CEO, WTD's, Senior/other executives (Non IBA Package), the deferral period should not be less than three years. Compensation payable under deferral arrangements should vest no faster than on a pro rata basis.</p> <p><u>Clawback and deferral arrangements</u></p> <p>The provisions of clawback and deferral arrangements applicable to the referred functionaries (all Non IBA Package) are subject to relevant statutory and regulatory stipulations as applicable.</p>			
	(f)	<p>Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the bank utilizes and the rationale for using these different forms.</p> <p>Bank uses an optimum mix of cash, ESOPS and variable pay to decide the compensation to MD & CEO /WTD and senior executives on Non – IBA package. This is done to align the compensation of senior staff with their performance, risk and responsibility taken in higher assignments.</p> <p>The Officers in Scale I-VII as well as Award staff come under the purview of IBA package that is as per the Industry wide settlements. The variable compensation paid to functionaries is based on the Target/ Performance Linked incentive scheme which has been formulated on the basis of performance parameters as may be prescribed from time to time. The ESOP scheme may be extended to the employees referred herein and form part of the overall performance management program at the discretion of the Board. b) Qualitative disclosures

(i) Main drivers of LCR and evolution of contribution of inputs

The Liquidity Coverage Ratio (LCR) standard aims to ensure that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 days' time horizon under a significantly severe liquidity stress scenario, by which time it is assumed that proper corrective actions can be taken. The LCR position depends upon the level of High Quality Liquid Assets (HQLA) and level of inflows and outflows in 30 days stress horizon computed as per the RBI guidelines in this regard.

(ii) Intra period changes

The intra period changes are mainly on account of changes in unencumbered excess SLR positions.

(iii) The composition of High Quality Liquid Assets (HQLA)

Banks' High Quality Liquid Assets consists of the following

- i. Cash
- ii. Balance with RBI in excess of CRR requirement
- iii. Unencumbered portion of investments in Government securities in excess of SLR requirement.
- iv. Investments in Government securities held within the mandatory SLR requirement, to the extent allowed by RBI under Marginal Standing facility(MSF)
- v. Investment in Government Securities held up to 9% of Net Demand and Time Liabilities (NDTL) permissible under Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR).

(iv) Concentration of funding

Banks' concentration from top 20 depositors stood at 5.11% of total deposits as on 31st March 2018.

(v) Derivative exposure and potential collateral calls

Bank does not have derivative business except forward contracts.

(vi) Currency Mismatch in LCR

The bank does not have aggregate liabilities denominated in any foreign currency of 5 per cent or more of the bank's total liabilities and hence LCR in other currencies is not computed.

(vii) Centralisation of liquidity management

Banks' liquidity management and monitoring is centralized. Bank has a Board adopted liquidity management policy in line with RBI regulation and guidelines.

(viii) Other Inflows and outflows in the LCR calculation that are not captured in the template but which the bank considers relevant for its liquidity profile

Inflows and outflows are comprehensively captured in LCR template

10. Employee Stock Option Scheme (ESOS)

The shareholders of the Bank in the 92nd Annual General meeting of the Bank held on 23.09.2013 accorded sanction to frame and implement the Employees Stock Option Scheme and grant/issue options to eligible present and future employees of the Bank, such that the offer, issue and allotment of such shares pursuant to the option shall not exceed 5% of issued equity shares of the Bank from time to time. Accordingly, the Bank formulated a stock option scheme called "CSB Employees Stock Option Scheme 2013" ("ESOS 2013" or "Scheme") as per Board resolution dated April 8, 2014 and the same has been approved by shareholders vide postal ballot on August 18, 2014. The ESOS is equity settled where the employees will receive one equity share per option. The period of vesting shall range from a minimum of three years from the date of Grant and normally shall not exceed a maximum of five years ("Vesting Period"), unless the Nomination & Remuneration Committee decides for a longer/ shorter vesting period, subject to applicable laws. The Committee may, at its sole discretion, decide the proportion of shares, which shall vest each year during the vesting period ("Vesting Schedule"). The Stock option granted to employees vest over the period as decided by the Nomination & Remuneration Committee. The Exercise Period for the relevant Grant shall be a period commencing from the relevant Vesting Date for the respective tranche and shall end with the expiry of 10 years from the relevant Grant Date or such other period as may be decided by the Committee for each Grant.

Stock option activity under the scheme during the year ended 31.03.2018 has been as follows:

Outstanding at the beginning of the year	330000
Granted during the year	Nil
Forfeited during the year	Nil
Exercised during the year	Nil
Outstanding at the end of the year	330000
Options exercisable at the end of the year	220064

Options outstanding at the beginning of the year carry an exercise price of ₹. 147.25

Under intrinsic value method, since exercise price of the stock options granted under the ESOS is more than the underlying value of the shares, it has not resulted in any charge to the Profit and Loss Account for the year. If the Bank had adopted the Black-Scholes model based fair valuation, staff cost for the year would have been higher by ₹ 0.95 million and profit before tax would have been lower by the same extent.

The fair value of options granted during the period has been estimated on the date of grant using the Black Scholes option pricing model with the following assumptions:

Average Dividend Yield	0%
Expected Volatility	31.81%
Risk free interest rate	6.40%
Expected life of options	10 years
Expected forfeiture	Nil

Expected volatility is a measure of the amount by which the equity share price is expected to fluctuate during a period. The measure of volatility used in Black-Scholes option pricing model is the annualised standard deviation of the continuously compounded rates of returns on the shares over a period of time. Expected volatility has been computed by considering the historical data on daily volatility in CNX Bank Nifty over the last 10 years.

11. Small and Micro Industries

Under the Micro, Small and Medium Enterprises Development Act, 2006 which came into force from 2 October, 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. There have been no reported cases of delays in payments to micro and small enterprises or of interest payments due to delays in such payments. The above is based on the information available with the Bank which has been relied upon by the auditors.

12. Provision for Long Term Contracts

The Bank has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the bank has reviewed and recorded adequate provision as required under any Law/Accounting Standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements

NOTES TO ACCOUNTS FOR FINANCIAL YEAR 2016-17

1.1 Capital Infusion

On 25.10.2016, the Bank has allotted 92,54,100 Equity Shares on Preferential basis for an issue price of ₹ 120/- per share (₹ 10/- towards share capital & ₹ 110/- towards share premium) and mobilized ₹ 1110.5 Million. An amount of ₹ 92.5 Million has been collected towards Share Capital and ₹ 1018.0 Million towards Share Premium out of the Issue.

The balance addition of ₹4.3 Million in share premium account represents reversal of excess amount appropriated towards expenses incurred in Pre IPO placement of shares during FY 2015-16.

Consequent to the above the paid up equity capital of the bank increased from ₹717.6 Million to ₹ 810.1 Million and Share Premium Account from ₹ 5452.8 Million to ₹ 6475.1 Million.

1.2 Investments

- (i) The profit on sale of investments under Held to Maturity category amounting to ₹1868.3 Million (previous year ₹35.7 Million) and loss on sale of investments under Held to Maturity category amounting to ₹0.7 Million (Previous Year - ₹0.2 Million) has been taken to Profit and Loss account. Due to inadequacy of profits, the appropriation towards capital reserves is made only to the extent of ₹11.7 Million (previous year - ₹23.3 Million), being the net profit available for appropriation after transfer to statutory reserves. Had there been no change in the manner of appropriation, capital reserves as well as the debit balance in Profit & Loss Account would have been higher by ₹1206.2 Million.
- (ii) In respect of Investments in Held to Maturity category, the amount of amortization of excess of acquisition cost over face value is ₹153.7 Million (previous year ₹158.8 Million) which is netted against Income on Investments.
- (iii) Further provisions for depreciation on investments in the Available for Sale category investments amounting to ₹ 155.7 Million is debited to Profit & Loss account and excess provision amounting to ₹0.2 Million is credited to Profit & Loss account (previous year ₹ 148.4 Million depreciation is debited to Profit & Loss account).
- (iv) During the financial year 2016-17, the bank has transferred securities amounting to ₹6740.5 Million (previous year - Nil) from Held to Maturity category to Available for Sale category.
- (v) UDAY bonds issued on conversion of advances to DISCOM companies on restructuring of advances in March 2016 which were not envisaged to be converted into SDL amounting to ₹365.7 Million are treated as standard assets and no further provision is made apart from 15% held in terms of RBI letter [DBR. BP. BC. No. 11660/21.04.132/2015-16, dated 17.03.2016]

1.3 Reconciliation

Reconciliation of inter-bank and inter-branch transactions has been completed up to 31st March 2017. Steps for elimination of outstanding entries are in progress. In the opinion of the management, since the outstanding entries to be eliminated are insignificant, no material consequential effect is anticipated.

1.4 Taxation

Claims against the bank not acknowledged as debt under contingent liabilities include disputed income tax liabilities of ₹ 268.8 Million (Previous Year – ₹272.1 Million) of which ₹ 212.5 Million (Previous Year – ₹ 185.1 Million) has been paid/adjusted and included under other assets. In respect of these claims, provision for tax is not considered necessary based on various judicial decisions on such disputes. Management does not envisage any liability in respect of such disputed issues.

Provision for income tax for the year is arrived at after due consideration of the various favourable judicial decisions on certain disputed issues.

5.14 Disclosure on Remuneration

<p>Qualitative disclosures</p>	<p>(a) Information relating to the composition and mandate of the Remuneration Committee.</p> <p><u>Composition</u> The Nomination & Remuneration Committee of the Board comprises of independent directors.</p> <p><u>Function and mandate</u> The Nomination & Remuneration Committee of the Board inter alia, oversee the framing, review and implementation of compensation policy of the Bank including ESOS of the bank on behalf of the Board.</p> <p>The Committee should ensure that:-</p> <ul style="list-style-type: none"> • the cost/income ratio of the bank supports the remuneration package consistent with maintenance of sound capital adequacy ratio; • the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the bank successfully; • relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and • remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.
	<p>(b) Information relating to the design and structure of remuneration processes and the key features and objectives of remuneration policy.</p> <p><u>Process</u> The Nomination & Remuneration Committee works in close co-ordination with the Risk Management Committee of the Board to review the compensation practices every year in order to achieve effective alignment between remuneration and risks. The Nomination & Remuneration Committee will study the business and industry environment, analyze and categorize the risks and streamline the components of the compensation plan like proportion of the total variable compensation to be paid to MD & CEO, WTD's and Senior executives to ensure financial stability of the organization.</p> <p><u>Authority to invoke clawback arrangement</u> The Nomination & Remuneration Committee of the Board also have the authority to ascertain whether the decision taken by the MD& CEO, WTD, Senior executives/ officers (Non IBA Package) have brought forth a negative contribution to the Bank. The Committee has vested with the powers to invoke the clawback arrangement, after taking into account relevant statutory and regulatory stipulations as applicable.</p> <p><u>Objectives</u> The objectives of the remuneration policy are four fold:</p> <ul style="list-style-type: none"> • To align compensation with prudent risk taken. • To ensure effective governance of the compensation in the organization. • To ensure effective supervisory oversight and stakeholder engagement in compensation.

- To attract and retain talent.

Key features

- To actively oversee the compensation systems design and operation.
- To monitor and review the compensation system to ensure that the system operates as intended.
- Staff engaged in financial and risk control must be independent, have appropriate authority, and be compensated in a manner that is independent of the business areas they oversee and commensurate with their key role in the firm.
- Supervisory review of compensation practices must be rigorous and sustained and deficiencies must be addressed promptly with supervisory action.
- Firms must disclose clear comprehensive and timely information about their compensation practices to facilitate constructive engagement by all stakeholders.

(c) Description of the ways in which current and future risks are taken into account in the remuneration processes. It should include the nature and type of the key measures used to take account of these risks.

For the purpose of effectively aligning compensation structure with risk outcomes, the functionaries in the institution are arranged under the following five categories.

- 1) Managing Director & CEO/Whole time directors
- 2) Senior Executives (Risk control and compliance staff) -Non IBA Package
- 3) Senior Executives (Chief General Manager) -Non IBA Package
- 4) Senior / Other Officers - Non IBA Package
- 5)Other officers and staff -on IBA package

Clawback Arrangement/Compensation Recovery

A clawback arrangement or a compensation recovery is provided in the policy[MD & CEO,WTD's and Senior executives/ officers (Non IBA Package)] which will entail the Bank to recover proportionate amount of variable compensation paid to the functionaries on account of an act or decision taken by the official which has brought forth a negative contribution to the bank at a prospective stage. The clawback arrangement is subject to the relevant statutory and regulatory stipulations as applicable.

Limit on variable pay

The variable compensation offered to an official would not exceed 70% of the total fixed compensation in a year.

Severance pay and guaranteed bonus

Severance pay (other than gratuity or terminal entitlements or as entitled by statute) is not paid to any official of the organization except in those cases where it is mandatory by statute.

Sign on bonus or joining bonus is limited to the first year and is paid only as Employee stock options.

Hedging

No compensation scheme or insurance facility would be provided by the Bank to employees to hedge their compensation structure to offset the risk alignment mechanism (deferral pay and clawback

arrangements) embedded in their compensation arrangement.

Committees to mitigate risks caused by an individual decision

In order to further balance the impact of market or credit risks caused to the organization by an individual decision taken by a senior level executive, MD & CEO or a whole time director, the bank, as a promoted practice, has constituted various committees to take decisions on various aspects.

Credit limits are sanctioned by committee at different levels.

Investment decisions of the Bank are taken and monitored by Investment Committee and there is an upper limit cut in treasury dealings where individual decisions can be taken.

Interest rates on Asset and liability products for different buckets are decided and monitored by the ALCO. Banks' exposure to liquidity risk are also monitored by ALCO.

Compensation of risk control staff

Members of staff engaged in financial and risk control would be compensated in a manner that is independent of the business areas they oversee and commensurate with their key role in the bank. The mix of fixed and variable compensation for control function personnel should be weighted in favour of fixed compensation.

(d) Description of the ways in which the bank seeks to link performance during a performance measurement period with levels of remuneration.

Compensation of MD & CEO, whole time directors and senior executives (Non IBA), performance linkage

The compensation paid out to the referred functionaries is divided into three components

1. The fixed compensation is determined based on the industry standards, the exposure, skill sets, talent and qualification attained by the official over his/her career span.
2. The variable compensation for MD & CEO and senior executives on Non – IBA package basis are fixed based on performance and responsibility in the bank. The Bank's performance is based on the various financial indicators like revenue earned, cost deployed, profit earned, NPA position and other intangible factors like leadership and employee development. Variable pay is paid purely based on performance.
3. Employees Stock options as per the CSB Employees Stock Option Scheme 2013 (CSBESOS-2013) as approved by the Board.

Approval from RBI is to be obtained to decide compensation for MD & CEO/ whole time directors. The payment of compensation also requires approval of the shareholders of the Bank in the General Meeting pursuant to the Bank's Articles of Association read with the Section 197 of the Companies Act, 2013.

Compensation paid to Other Officers and staff members on IBA package

The compensation paid to other officials that include Award staff, Officers coming under Scale I to III and Senior executives coming under Scale IV to VII is fixed based on the periodic industry level settlements with Indian Bank Association. The variable compensation paid to functionaries is based on the Performance/Target Linked incentive scheme which has been formulated on the basis of performance parameters. The ESOP scheme may be extended to the employees referred herein and form part of the overall performance management program at the discretion of the Board. However, the grant of stock option is as per CSB Employees Stock Option Scheme.

(e) A discussion of the bank's policy on deferral and vesting of variable remuneration and a discussion of the bank's policy and criteria for adjusting deferred remuneration before vesting and after vesting.

Deferred compensation and Performance Linkage (Non-IBA)

		<p>In case of deferral arrangements of variable pay to MD & CEO, WTD's, Senior/other executives (Non IBA Package), the deferral period should not be less than three years. Compensation payable under deferral arrangements should vest no faster than on a pro rata basis.</p> <p><u>Clawback and deferral arrangements</u></p> <p>The provisions of clawback and deferral arrangements applicable to the referred functionaries (all Non IBA Package) are subject to relevant statutory and regulatory stipulations as applicable.</p>			
	(f)	<p>Description of the different forms of variable remuneration (i.e. cash, shares, ESOPs and other forms) that the bank utilizes and the rationale for using these different forms.</p> <p>Bank uses an optimum mix of cash, ESOPS and variable pay to decide the compensation to MD & CEO /WTD and senior executives on Non – IBA package. This is done to align the compensation of senior staff with their performance, risk and responsibility taken in higher assignments.</p> <p>The Officers in Scale I-VII as well as Award staff come under the purview of IBA package that is as per the Industry wide settlements. The variable compensation paid to functionaries is based on the Target/ Performance Linked incentive scheme which has been formulated on the basis of performance parameters as may be prescribed from time to time. The ESOP scheme may be extended to the employees referred herein and form part of the overall performance management program at the discretion of the Board. However , the grant of stock option is as per CSB Employees Stock Option Scheme</p>

b) Qualitative disclosures

(i) Main drivers of LCR and evolution of contribution of inputs

The Liquidity Coverage Ratio (LCR) standard aims to ensure that a bank maintains an adequate level of unencumbered High Quality Liquid Assets (HQLAs) that can be converted into cash to meet its liquidity needs for a 30 days' time horizon under a significantly severe liquidity stress scenario, by which time it is assumed that proper corrective actions can be taken. The LCR position depends upon the level of High Quality Liquid Assets (HQLA) and level of inflows and outflows in 30 days stress horizon computed as per the RBI guidelines in this regard.

(ii) Intra period changes

The intra period changes are mainly on account of changes in unencumbered excess SLR positions.

(iii) The composition of High Quality Liquid Assets (HQLA)

Banks' High Quality Liquid Assets consists of the following

i. Cash

ii. Balance with RBI in excess of CRR requirement

iii. Unencumbered portion of investments in Government securities in excess of SLR requirement.

iv. Investments in Government securities held within the mandatory SLR requirement, to the extent allowed by RBI under Marginal Standing facility(MSF)

v. Investment in Government Securities held up to 11% of Net Demand and Time Liabilities (NDTL) permissible under Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR).

(iv) Concentration of funding

Banks' concentration from top 20 depositors stood at 7.06% of total deposits as on 31st March 2017.

(v) Derivative exposure and potential collateral calls

Bank does not have derivative business except forward contracts.

(vi) Currency Mismatch in LCR

The bank does not have aggregate liabilities denominated in any foreign currency of 5 per cent or more of the bank's total liabilities and hence LCR in other currencies is not computed.

(vii) Centralisation of liquidity management

Banks' liquidity management and monitoring is centralized. Bank has a Board adopted liquidity management policy in line with RBI regulation and guidelines.

(viii) Other Inflows and outflows in the LCR calculation that are not captured in the template but which the bank considers relevant for its liquidity profile

Inflows and outflows are comprehensively captured in LCR template

7. Employee Stock Option Scheme (ESOS)

The shareholders of the Bank in the 92nd Annual General meeting of the Bank held on 23.09.2013 accorded sanction to frame and implement the Employees Stock Option Scheme and grant/issue options to eligible present and future employees of the Bank, such that the offer, issue and allotment of such shares pursuant to the option shall not exceed 5% of issued equity shares of the Bank from time to time. Accordingly, the Bank formulated a stock option scheme called "CSB Employees Stock Option Scheme 2013" ("ESOS 2013" or "Scheme") as per Board resolution dated April 8, 2014 and the same has been approved by shareholders vide postal ballot on August 18, 2014. The ESOS is equity settled where the employees will receive one equity share per option. The period of vesting shall range from a minimum of three years from the date of Grant and normally shall not exceed a maximum of five years ("Vesting Period"), unless the Remuneration & Compensation Committee decides for a longer/ shorter vesting period, subject to applicable laws. The Committee may, at its sole discretion, decide the proportion of shares, which shall vest each year during the vesting period ("Vesting Schedule"). The Stock option granted to employees vest over the period as decided by the Remuneration & Compensation Committee. The Exercise Period for the relevant Grant shall be a period commencing from the relevant Vesting Date for the respective tranche and shall end with the expiry of 10 years from the relevant Grant Date or such other period as may be decided by the Committee for each Grant.

Stock option activity under the scheme during the year ended 31.03.2017 has been as follows:

Outstanding at the beginning of the year	820000
Granted during the year	Nil
Forfeited during the year	490000
Exercised during the year	Nil
Outstanding at the end of the year	330000
Options exercisable at the end of the year	110032

Options outstanding at the beginning of the year carry an exercise price of ₹ 147.25

Under intrinsic value method, since exercise price of the stock options granted under the ESOS is more than the underlying value of the shares, it has not resulted in any charge to the Profit and Loss Account for the year. If the bank had adopted the Black-Scholes model based fair valuation, staff cost and profit before tax for the year ended 31.03.2017 would have been lower by ₹ 9.5 Million .

The fair value of options granted during the period has been estimated on the date of grant using the Black Scholes option pricing model with the following assumptions:

Average Dividend Yield	0%
Expected Volatility	31.81%
Risk free interest rate	6.40%
Expected life of options	10 years
Expected forfeiture	Nil

Expected volatility is a measure of the amount by which the equity share price is expected to fluctuate during a period. The measure of volatility used in Black-Scholes option pricing model is the annualised standard deviation of the continuously compounded rates of returns on the shares over a period of time. Expected volatility has been computed by considering the historical data on daily volatility in CNX Bank Nifty over the last 10 years.

8. Small and Micro Industries

Under the Micro, Small and Medium Enterprises Development Act, 2006 which came into force from 2 October, 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. There have been no reported cases of delays in payments to micro and small enterprises or of interest payments due to delays in such payments. The above is based on the information available with the Bank which has been relied upon by the auditors.

9. Provision for Long Term Contracts

The Bank has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the bank has reviewed and recorded adequate provision as required under any Law/Accounting Standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements

NOTES TO ADJUSTMENTS CARRIED OUT IN THE STATEMENT OF PROFIT & LOSS AND ASSETS & LIABILITIES

1. BASIS OF PREPARATION

The Restated financial statements

- (a) have been prepared after incorporating adjustments for the changes in accounting policies, material errors and regrouping/reclassifications retrospectively in the financial years ended March 31, 2019, March 31, 2018 and March 31, 2017 to reflect the same accounting treatment as per the accounting policies and grouping/classifications followed for the half year ended September 30, 2019 and
- (b) have been prepared in accordance with the Banking Regulations Act, ICDR Regulations and the Guidance Note on Reports in Company Prospectuses (Revised 2019).

2. ADJUSTMENTS CARRIED OUT IN THE STATEMENT OF PROFIT & LOSS AND BALANCE SHEET

1. Higher Provisioning on Non-Performing Advances:

Bank as a prudential measure decided to accelerate the provision for NPA over and above the provision requirements as per RBI guidelines. Accordingly, the accounting policy on provision for NPA was changed with effect from 01.04.2018. The financial results for the year ended 31.03.2017 and 31.03.2018 have been restated for the above change in accounting policy along with its corresponding effect on advances.

2. Higher Provisioning for Frauds:

As per RBI Circular DBR. No.BP.BC.92/21.04.048/2015-16 dated April 18, 2016, in respect of provisioning pertaining to frauds, bank has the option to make the provisions over a period, not exceeding four quarters commencing from the quarter in which the fraud has been detected and debit other reserves in respect of amount remaining unprovided at the end of the financial year. However, as a prudential measure, Bank had opted to charge the entire amount of such provisioning required to profit & loss account. The financial results for the year ended 31.03.2017 and 31.03.2018 have been restated for the above change in accounting policy along with its corresponding effect on Reserves and other liabilities.

3. Higher provisioning on Security Receipts:

Bank as a prudential measure decided to ignore the appreciation in the value of Security Receipts held by the bank though netting of appreciation against depreciation on Security Receipts is permitted as per RBI guidelines. Accordingly, the accounting policy on depreciation on investments was changed with effect from 01.04.2018. The financial results for the year ended 31.03.2017 and 31.03.2018 have been restated for the above change in accounting policy along with its corresponding effect on investments.

FINANCIAL INDEBTEDNESS

As on September 30, 2019, our Bank has unsecured borrowings in the nature of non-convertible debentures amounting to ₹1.40 million.

Pursuant to a resolution passed by the Board at its meeting held on November 3, 1999, our Board has been authorised to issue and allot unsecured, redeemable, non-convertible, subordinated deep discount bonds in the nature of debentures for an aggregate issue price of ₹ 8.4 million, at a price of ₹ 150 per bond (“**Deep Discount Bonds**”), subject to compliance with the guidelines issued by the RBI and other applicable laws. The Deep Discount Bonds were issued on a private placement basis.

Set forth is a brief description of the Deep Discount Bonds issued by our Bank as on September 30, 2019:

(All amounts in ₹ million except percentages)

⁽¹⁾The effective annual rate of return on these instruments is 13.57%.

*Deep Discount Bonds of ₹ 1.4 million are accounted under “Other liabilities and provisions” in the financial statements of our Bank, and accordingly, the Deep Discount Bonds do not form part of borrowings under the financial statements.

For details on the borrowing powers of our Bank, see “Our Management” beginning on page 206. For details on outstanding borrowing amounts of our Bank for the last three Fiscals, see “Financial Statements” beginning on page 237.

Some of the conditions relating to the Deep Discount Bonds issued by our Bank are as follows:

- Tenor & redemption:** The Deep Discount Bonds are redeemable at the expiry of 29 years from the deemed date of allotment and the amount payable on redemption is ₹ 6,000 per bond (subject to TDS at applicable rates) applying a yield of 12.93% (quarterly compounded) to the issue price till the date of redemption.
- Redemption on maturity:** The Deep Discount Bonds do not carry any obligation, for interest or otherwise, after the date of redemption.
- Rights of the bondholders:** The bond holders are not entitled to any rights and privileges of Shareholders, other than those available to them under the applicable laws.
- Modification of rights:** The rights, privileges, terms and conditions attached to the Deep Discount Bonds may be varied, modified or abrogated with the written consent of those bond holders who hold at least three fourth of the outstanding amount of these bonds or with the sanction accorded pursuant to a resolution passed at the meeting of the bond holders. However, nothing in such consent or resolution shall be operative against our Bank where such consent or resolution modifies or varies the terms and conditions of the Deep Discount Bond, if the same are not acceptable to our Bank.
- Future borrowings:** Our Bank is entitled to borrow or raise loans or avail finance in whatever form and issue bonds, debentures, other securities in any manner having such ranking in priority, *pari passu* or

otherwise, and change the capital structure, including issue of shares of any class, according to such terms and conditions as our Bank may think appropriate, without the consent of or intimation to the debenture holders.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

You should read the following discussion of our financial condition and results of operations together with our Restated Financial Information for each of Fiscals 2017, 2018 and 2019, and as of and for the six month period ended September 30, 2019, including the notes thereto and the report thereon, which appear elsewhere in this Prospectus. You should also read the section titled "Risk Factors" beginning on page 23, which discusses a number of factors and contingencies that could impact our financial condition and results of operations. The following discussion relates to our Bank, unless otherwise stated, is based on Restated Financial Information.

Our Restated Financial Information, which are included in this Prospectus under "Financial Statements" have been prepared in accordance with Indian GAAP and SEBI ICDR Regulations. The Restated Financial Information has been prepared on a basis that differs in certain material respects from generally accepted accounting principles in other jurisdictions, including US GAAP and IFRS. We do not provide a reconciliation of our Restated Financial Information to US GAAP or IFRS and we have not otherwise quantified or identified the impact of the differences between Indian GAAP and US GAAP or IFRS as applied to our Restated Financial Information. Accordingly, the degree to which the financial statements in this Prospectus will provide meaningful information to a prospective investor in countries other than India depends entirely on such potential investor's level of familiarity with Indian accounting practices. Our fiscal year ends on March 31 of each year; therefore, all references to a particular fiscal are to the twelve-month period ended March 31 of that year. Please refer to section titled "Certain Conventions, Presentation of Financials, Industry and Market Data" beginning on page 15.

This discussion contains forward-looking statements and reflects our current plans and expectations. Actual results may differ materially from those anticipated in these forward-looking statements. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated. Given these uncertainties, prospective investors are cautioned not to place undue reliance on such forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to those discussed in sections titled "Forward-Looking Statements", "Risk Factors" and "Our Business" beginning on pages 17, 23 and 141, respectively.

Overview

We are one of the oldest private sector banks in India with a history of over 98 years and have a strong base in Kerala along with significant presence in Tamil Nadu, Karnataka, and Maharashtra. We offer a wide range of products and services to our overall customer base of 1.3 million as on September 30, 2019, with particular focus on SME, Retail, and NRI customers. We deliver our products and services through multiple channels, including 412 branches (excluding three service branches and three asset recovery branches) and 290 ATMs spread across 16 states and four union territories as on September 30, 2019, and various alternate channels such as micro ATMs, debit cards, internet banking, mobile banking, point of sale services and UPI. We believe with our focus on quality of service and nurturing long term relationship with our customers, we have developed a well-recognized and trusted brand in south India, particularly in the states of Kerala and Tamil Nadu.

While our Bank has a long operating history as a traditional bank, we are currently focusing on implementation of strategic changes in our business model to function efficiently as a full service new age private sector bank backed by our new marquee investor - FIHM, our Promoter. To this end, we are re-aligning our organizational set-up for efficiently driving our operations and business strategy, wherein branches will be responsible only for deposits, cross-selling and customer servicing and all loan products will be driven by dedicated teams, with each business team operating as a profit centre. We are in the process of rebranding ourselves to "CSB Bank Limited" to address region and community related perceptual issues associated with our previous brand name. We are engaged in lateral hiring along with hiring of new recruits by offering market based compensation with a performance linked variable pay component, including employee stock option plans, which will align our employees' interest with the performance of our Bank. In Fiscal 2019, we have also introduced a mechanism for review of performance by a special committee of all officer employees of our Bank on completion of 50 years of age, and thereafter on yearly basis after 53 years of age. Further, our Bank may on review by special committee, in its discretion, retire an officer employee any time after completion of 50 years of age and continuance in service up to age of 58 years is subject to

suitable service performance. We have also relocated our staff department and credit hub to Chennai, which we believe, will attract best talent and improve our productivity. We are also adopting a partnership based approach for sourcing business for certain products and for select operational functions instead of developing in-house capabilities for each function, which will help us to scale up in a more efficient manner. We are also expanding our products suite, services, and digital banking platform, with investments in technology aimed at improving our customers' experience, making it easier for them to interact with us, and offering them a range of products tailored to their financial needs.

We have four principal business areas, namely, (a) SME banking, (b) retail banking, (c) wholesale banking, and (d) treasury operations.

Under our SME banking business, we cater to financial institutions, agriculture and allied businesses, and vendors and dealers of corporates. We offer a wide range of products including term loans, working capital loans, invoice/bill discounting, letters of credit and bank guarantees. We believe that lending to SME customers enables us to diversify our credit risk due to relatively smaller individual exposures. SME business compared to other businesses offers higher yields, cross-selling, and associated business opportunities. All of our SME loans are given based on our assessment of borrowers' business, cash-flows, repayment capacity and are further secured with significant tangible security. Our agriculture finance portfolio helps us to meet our priority sector lending obligations, where we are required to lend 40% of our ANBC or credit equivalent amount of off balance sheet exposure, whichever is higher, towards priority sectors, out of which 18% of our ANBC or credit equivalent amount of off balance sheet exposure, whichever is higher, is required to be directed towards agriculture. As on September 30, 2019, our Bank had 412 branches (excluding three service branches and three asset recovery branches) in metro, urban, semi urban, and rural locations, which we believe are conveniently located in close proximity to a large proportion of our existing and target SME customer base. As a percentage of our total advances, loans to SME customers accounted for 43%, 37%, 32% and 29.47% as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. The SME loan book of our Bank has increased from ₹ 35,384 million as on March 31, 2017 to ₹ 35,989 million as on March 31, 2018 and decreased to ₹ 34,733 million as on March 31, 2019. Further, as on September 30, 2019, the SME loan book of our Bank was ₹ 33,605 million. We believe that the SME growth was impacted due to our cautious lending approach in difficult macro environment post demonetization and GST implementation and our focus was on low risk weighted products due to capital constraint and improving quality of SME exposures by lending to SMEs with higher credit rating.

Under our retail banking business, we offer a wide range of loan and deposit products to our retail and NRI customers. Our retail lending products include gold loans, vehicle loans including two wheeler loans, loans against properties, personal loans, housing loans, agricultural loans, and education loans. Our deposit products include current accounts, savings accounts, fixed deposits, recurring deposits, and corporate salary accounts. Our retail loans (including gold loans) constituted approximately 44%, 42%, and 45% and 46.23% of our total advances as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. Our Gold loans advances (including agriculture gold loans) have increased from ₹ 20,263 million as on March 31, 2017 to ₹ 33,331 million as on March 31, 2019 growing at CAGR of 28.3%. Further, our gold loans advances (including agriculture gold loans) as on September 30, 2019 was ₹ 37,818 million. Gold loan advances constituted 24%, 26%, 31% and 33.17% of our total advances as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively, and thus, remain a mainstay product for our Bank on the retail advances side. On the deposits side, CASA banking business constituted 24.78%, 27.03%, and 27.84% of our total deposits as on March 31, 2017, March 31, 2018, and March 31, 2019, respectively, and has grown at a CAGR of 7% during the last three Fiscals. Further, our CASA banking business constituted 28.19% of our total deposits as on September 30, 2019. As of March 31, 2019, our CASA ratio was standing at 27.84% and our retail deposits constituted 93.73% of our total term deposits, and these deposits have consistently exhibited renewal patterns of above 90%. Further, as of September 30, 2019, our CASA ratio was standing at 28.19% and our retail deposits constituted 92.93% of our total term deposits, and these deposits have consistently exhibited renewal patterns of above 97.86%. Further, NRI deposits have been a stable source of funding for our Bank constituting 23.98%, 25.74%, and 24.87% of our total deposits as on March 31, 2017, March 31, 2018, and March 31, 2019, respectively, and have grown at a CAGR of 3% during the last three Fiscals. Our NRI deposits constituted 24.59% of our total deposits as on September 30, 2019. For facilitating fund transfer services required by our NRI customers, we have remittance and rupee drawing arrangements with major exchange houses in the Middle East and also have tie ups with major money transfer agents, which enhances our capability to provide inward remittance services to our customers and strengthens our NRI business.

Under our wholesale banking business, we cater to large and mid-size corporates and other business entities (with credit requirement of ₹ 250 million and above). As a percentage of our total gross advances, wholesale banking advances accounted for 13%, 21%, 23% and 24.30% as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively.

Our treasury operations primarily consist of statutory reserves management, asset liability management, liquidity management, investment and trading of securities, and money market and foreign exchange activities. Our treasury operations are aimed at maintaining an optimum level of liquidity, while complying with the RBI mandated CRR and SLR. We maintain SLR through a portfolio of dated securities and treasury bills of the Government of India, state development loans, and other securities as may be permitted by the RBI from time to time, which we actively manage to optimize yield and benefit from price movements. We are also involved in the trading of securities and foreign exchange, and investment in sovereign debt instruments, commercial papers, mutual funds, certificates of deposits, bonds, and debentures to manage short-term surplus liquidity and to further optimize yield and generate profits thereon. The profits generated from the sale of investments (net) were ₹ 1,959.06 million, ₹ 27.25 million, ₹ 80.06 million and ₹ 129.58 million as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively.

We also distribute life insurance products of Edelweiss Tokio Life Insurance Company Limited, HDFC Life Insurance Company, and ICICI Prudential Life Insurance Company Limited, and general insurance products of ICICI Lombard General Insurance Company Limited and Reliance General Insurance Company Limited under contractual arrangements entered into with them, which increases our product portfolio and helps us to generate fee income. Our income from bancassurance was ₹ 51 million, ₹ 69 million, and ₹ 96 million for Fiscals 2017, 2018, and 2019, respectively and has grown at a CAGR of 37% during the last three Fiscals. Further, our income from bancassurance was ₹ 46.5 million as on September 30, 2019.

As on September 30, 2019, we had a network of 412 branches (excluding three service and three asset recovery branches) and 290 ATMs. Out of these 412 branches, 64 branches are in metropolitan areas, 86 branches are in urban areas, 220 branches are in semi-urban areas, and 42 branches are in rural areas. We have wide presence in India, with 267, 56, 30, 17, and 42 of these 412 branches located in the states of Kerala, Tamil Nadu, Maharashtra, Karnataka, and others, respectively. Further, as on September 30, 2019, we had organized all our branches under eight zonal offices.

In recent years, our growth was constrained by low capital adequacy and higher operating costs, which adversely impacted our financial performance. However, in last three Fiscals from Fiscal 2017 to Fiscal 2019, our Bank has improved its growth by focusing on better yield loan products with low risk and therefore, the surplus funds parked in investments were re-deployed to advances with particular focus on gold loans and corporate advances to entities with high credit ratings which have low risk weights to minimize capital consumption. We also launched new retail products like two wheeler finance in Fiscal 2019. Within deposits, we focused more on increasing CASA by deploying a dedicated team to mobilize CASA from institutional customers which helped us to reduce cost of deposits. Further we adopted a conscious strategy of repricing term deposits to manage its share in overall deposits given our low credit to deposit ratio in Fiscal 2017 and to further reduce cost of deposits. Further, we focused on upgrading technology platform to enhance customer servicing and experience by introducing various features like account portability, that is, flexibility for customizing account features, and upgradation of existing system for debit cards, addition of features like IMPS, E-Deposits, etc. for increasing ease in internet banking. We also focused on taking steps like up-skilling of existing employees by organizing training programmes to improve employee productivity and selective hiring of lateral talent along with hiring of new recruits in order to improve operating efficiency, we focused on rationalizing our branch infrastructure by closing down unprofitable branches and focused on increasing our reach via alternate channels such as ATMs, and digital channels, instead of additional branches. Further, we also started centralization and digitization of various operating processes to bring more efficiency. The revamped operating strategy resulted in revival of growth with gradual improvement in profitability despite our low capital adequacy and lead to turnaround in our core operating profit (profit before provisioning and tax, excluding profit on sale of investments) from ₹ -441.93 million in Fiscal 2017 to ₹ 53.52 million in Fiscal 2019. Our core operating profit (profit before provisioning and tax, excluding profit on sale of investments) was ₹ 906.15 million for the six month period ended September 30, 2019. The major performance highlights for the last three Fiscals and for the six month period ended September 30, 2019 are as follows:

Our total assets (gross) increased from ₹ 161,276 million as on March 31, 2017 to ₹ 169,112 million as on March 31, 2019. Further, our total assets (gross) were ₹ 177,555 million as on September 30, 2019.

On the deposits side, while our overall deposits grew at a slower pace from ₹ 149,116 million in Fiscal 2017 to ₹ 151,239 million in Fiscal 2019 due to our conscious strategy of reducing term deposits and focusing more on CASA, our CASA deposits increased from ₹ 36,946 million as on March 31, 2017 to ₹ 42,106 million as on March 31, 2019 and our CASA ratio improved from 24.78% in Fiscal 2017 to 27.84% in Fiscal 2019, leading to a significant reduction in our cost of deposits from 6.89% in Fiscal 2017 to 5.87% in Fiscal 2019.

Further, our overall deposits were ₹ 155,098 million for the six month period ended September 30, 2019. Our CASA deposits was ₹ 43,719 million as on September 30, 2019 and our CASA ratio was 28.19% for the six month period ended September 30, 2019, leading to a reduction in our cost of deposits to 5.91 % for the six month period ended September 30, 2019.

Our advances started growing again from Fiscal 2017. Our advances increased from ₹ 80,008 million in Fiscal 2017 to ₹ 106,152 million in Fiscal 2019. Further, our advances were ₹ 112,978 million for the six month period ended September 30, 2019. Our yield on advances decreased from 11.10% as on March 31, 2017 to 9.85% as on March 31, 2019. Further, our yield on advances was 10.22% as on September 30, 2019.

Our credit to deposit ratio increased from 53.65% in Fiscal 2017 to 70.19% in Fiscal 2019. Further, our credit to deposit ratio was 72.84% for the six month period ended September 30, 2019.

Our effective risk weight of standard advances decreased from 52.63% as on March 31, 2017 to 41.57% as on March 31, 2019. Further, our effective risk weight of standard advances was 39.97% as on September 30, 2019.

Our gross NPAs decreased to 4.87% as of March 31, 2019 from 7.25% as of March 31, 2017. Further, our gross NPAs was 2.86% as on September 30, 2019. The net NPAs decreased to 2.27% as of March 31, 2019 from 4.12% as of March 31, 2017. Further, our net NPAs was 1.96% as on September 30, 2019, while our provisioning coverage ratio was 65.50%, 75.83%, 78.16% and 79.45 % in respect of NPAs (including technical write-offs) as of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, respectively. We made total NPA provisioning of ₹ 6,871.1 million and total Write-offs including technical/prudential write offs of ₹ 4,437.9 million together amounting for ₹ 11,309 million from Fiscal 2017 to Fiscal 2019. The total NPA provisioning of the Bank was ₹ 556.3 million and total write-offs including technical/prudential write offs was ₹ 2,148.8 million, together amounting for ₹ 2,705.1 million for the six month period ended September 30, 2019. Our restated credit cost (total provisions other than tax divided by average total assets) was 1.57% in Fiscal 2017, 1.66% in Fiscal 2018 and declined to 0.65% in Fiscal 2019 led by provisioning & write offs in previous Fiscals in terms of our Restated Financial Information. Our restated credit cost was 0.38% (annualized) for the six month period ended September 30, 2019.

The net interest margin increased from 2.11% in Fiscal 2017 to 2.80% in Fiscal 2019 primarily on account of reduction in our cost of funds and increase in credit to deposit ratio. Further, our net interest margin was 3.43% for the six month period ended September 30, 2019. Our net interest income increased from ₹ 3,136.01 million in Fiscal 2017 to ₹ 4,399.55 million in Fiscal 2019. Further our net interest income was ₹ 2,795.20 million for the six month period ended September 30, 2019. Our non-interest income decreased from ₹ 2,812.01 million in Fiscal 2017 to ₹ 1,359.18 million in Fiscal 2019; however, excluding profit on sale of investments our non-interest income increased from ₹ 853 million in Fiscal 2017 to ₹ 1,279 million in Fiscal 2019. Our non-interest income was ₹ 844.15 million for the six month period ended September 30, 2019; however, excluding profit on sale of investments our non-interest income was ₹ 714.58 million for the six month period ended September 30, 2019.

Our cost to income ratio increased from 74.49% in Fiscal 2017 to 97.68% in Fiscal 2019. Further, cost to income ratio was 71.54% for the six month period ended September 30, 2019. However, excluding our treasury profits and extraordinary provision under AS15 of ₹ 873.2 million, cost to income ratio improved from 111% in Fiscal 2017 to 83.7% in Fiscal 2019.

Pursuant to a preferential allotment of Equity Shares and warrants to FIHM, we received ₹ 7,207.53 million in Fiscal 2019 and the balance amount of ₹ 4,869.29 million in second quarter of Fiscal 2020, which made us well capitalized

and improved our capital adequacy ratio (including capital conservation buffer), as per Basel III Norms, from 10.93% as of March 31, 2017 to 16.70% as of March 31, 2019. Our Tier I capital ratio has been further augmented post capital infusion in second quarter of Fiscal 2020. Further, as per the Basel III Norms, the CRAR, as assessed by our Bank as on September 30, 2019 was 22.77% (including capital conservation buffer). For further details, please see “*History and Certain Corporate Matters*” on page 197 of this Prospectus. We believe that this acquisition by FIHM in our Bank is first of a kind in the banking space in the country.

Significant Factors Affecting Our Results of Operations and Financial Condition

Our Bank’s asset portfolio, financial condition and results of operations have been, and are expected to be, influenced by numerous factors, including but not limited to those described below. These are expected to affect the overall growth prospects of our Bank, including its ability to expand its deposit base, the quality of its assets, the level of credit disbursed by our Bank, the value of its asset portfolio and its ability to implement its strategies.

The Indian economy and credit environment

India is the world's largest democracy in terms of population (approximately 1.34 billion) with GDP of approximately INR 190.1 trillion* in 2018-19 (*Source – RBI handbook of statistics on Indian Economy – 2018-19*). Economic liberalization measures, including industrial deregulation, privatization of state-owned enterprises and reduced controls on foreign trade and investment, began in the early 1990s and served to accelerate the country's growth, which averaged nearly 7% per year from 1997 to 2017. India's diverse economy encompasses traditional village farming, modern agriculture, handicrafts, a wide range of modern industries, and a multitude of services. Slightly less than half of the workforce is in agriculture, but services are the major source of economic growth, accounting for nearly two-thirds of India's output but employing less than one-third of its labour force. India has capitalized on its large educated English-speaking population to become a major exporter of information technology services, business outsourcing services, and software workers. India's economic growth slowed in 2011 because of a decline in investment caused by high interest rates, rising inflation, and investor pessimism about the government's commitment to further economic reforms and about slow world growth. Investors’ perceptions of India improved in early 2014, due to a reduction of the current account deficit. Growth rebounded in 2014 through 2016. The economy slowed again in 2017, due to shocks of "demonetisation" in 2016 and introduction of GST in 2017. The outlook for India's long-term growth is moderately positive due to a young population and corresponding low dependency ratio, healthy savings and investment rates, and increasing integration into the global economy. (*Source: CIA World Factbook*).

*Note: *Data for 2018-19 are Provisional Estimates.*

The acceleration of global growth should in principle provide a solid boost to export demand. Certainly, it has done so in the past, particularly in the mid-2000s when the booming global economy allowed India to increase its exports by more than 26% per annum. This time, the export response to world growth has been in line with the long-term average, but below the response in the mid-2000s. Perhaps it is only a matter of time until exports start to grow at a healthy rate. Remittances are already perking up, and may revive further due to higher oil prices (*Source: Economic Survey 2017-18, Published by Ministry of Finance*)

India’s long-term GDP growth has become more stable, diversified, and resilient. Over the next few years, India is expected to grow at well over 7% per year, with progress being buttressed by dynamic reforms in the macroeconomic, fiscal, tax and business environments. In recent years, India has made a significant dent in poverty levels, with extreme poverty dropping from 46% to an estimated 13.4% over the two decades before 2015. Regulations governing the Indian banking industry

Our operations are regulated extensively by the RBI. The RBI is actively involved in the management of the Indian economy. Accordingly, we are subject to:

- Two categories of statutory reserve requirements: CRR and SLR. Under these requirements, the banks are required to maintain CRR on a daily basis which is a specified percentage of their demand and time liabilities (“DTL”), by way of a balance in a current account with the RBI. The basic objective of the CRR

and the SLR requirements is to ensure that banks hold sufficient liquid resources to meet any unexpected contingencies. At present the required CRR is 4%, while the stipulated SLR is 18.50%. The CRR has to be maintained on an average basis for a fortnightly period and the minimum daily maintenance of the CRR should be 90% effective from the fortnight beginning April 16, 2016. The RBI may impose penal interest at the rate of 3% above the bank rate on the amount by which the reserve falls short of the CRR required to be maintained on a particular day and if the shortfall continues further the penal interest charged shall be increased to a rate of 5% above the bank rate in respect of each subsequent day during which the default continues. In addition, under the RBI's regulations, our liabilities are subject to a SLR requirement, according to which 18.50% of our NDTL need to be invested in Government securities, state Government securities and other securities approved by the RBI from time to time. In case of default in the maintenance of CRR on average basis during the fortnight, penal interest will be recovered as envisaged under Section 42(3) of the RBI Act. Any increase in the CRR requirements from the current levels could affect our ability to deploy our funds or make investments, which could in turn have a negative impact on our results of operations.

- Requirements to lend to certain priority sectors: In terms of the *Reserve Bank of India (Priority Sector Lending – Targets and Classification) Directions, 2016 dated July 7, 2016*, as amended (“**Priority Lending Circular**”), priority sectors for scheduled banks include (i) agriculture; (ii) micro, small and medium enterprises; (iii) export credit; (iv) education; (v) housing; (vi) social infrastructure; (vii) renewable energy and (viii) others as specified in the Priority Lending Circular. Further, it also prescribes the details of eligible activities under the aforesaid categories. Under the aforementioned master direction, the priority sector lending targets are linked to ANBC or credit equivalent amount of off-balance sheet exposure, whichever is higher, as on the corresponding date of the preceding year. Currently, the total priority sector lending target for domestic banks is 40% of ANBC or credit equivalent amount of off-balance sheet exposure, whichever is higher. This has to be achieved in a phased manner by 2020 as prescribed in the directions. It also prescribed sub-targets for small and marginal farmers, micro-enterprises and weaker sections. By way of a notification dated September 20, 2019, the RBI has, in relation to export credit, enhanced the sanctioned limit, for classification of export credit under priority sector lending, from ₹ 250 million per borrower to ₹ 400 million per borrower and removed the existing criteria of ‘units having turnover of up to ₹ 1 billion.

The Government's monetary policy is heavily influenced by the condition of the Indian economy, and changes in the monetary policy affect the interest rates of our advances and deposits. The RBI responds to fluctuating levels of economic growth, liquidity concerns and inflationary pressures in the economy by adjusting the monetary policy. A monetary policy designed to combat inflation typically results in an increase in RBI lending rates. Further, in addition to having gradually established more stringent capital adequacy requirements, the RBI has also instituted several prudential measures to moderate credit growth including increase in risk weights for capital adequacy computation and general provisioning for various asset classes. For further information, see the section titled “*Key Regulation and Policies in India*” beginning on page 183.

Competition in the Indian banking industry

We operate in a highly competitive environment and face competition from public and private sector Indian scheduled commercial banks, foreign commercial banks and small finance banks in all our products and services. We also face competition in some of our products and services from NBFCs, post office savings schemes, exchange houses, micro-financing institutions, co-operative banks and other entities operating in the financial sector.

Further liberalization of the Indian financial sector could also lead to a greater presence or new entries of Indian and foreign banks offering a wider range of products and services, which could adversely affect our competitive environment. For instance, the RBI had come out with a set of guidelines for licensing of new banks in the private sector in February 2013. Pursuant to these guidelines, the RBI granted in-principle approval to set up two new private sector banks on April 2, 2014.

Further, the RBI gave in-principle approval to 11 entities to launch payments banks in August 2015 and to 10 entities to launch small finance banks in September 2015. The RBI has also issued guidelines for ‘on-tap’ licensing of universal banks in the private sector in August, 2016.

We also compete with foreign banks with operations in India. In November 2013, the RBI released a framework for the setting up of wholly owned subsidiaries in India by foreign banks. The framework encourages foreign banks to establish a presence in India by granting rights similar to those received by Indian banks, subject to certain restrictions and safeguards. Under the current framework, wholly owned subsidiaries of foreign banks are allowed to raise rupee resources through issue of non-equity capital instruments. Further, wholly owned subsidiaries of foreign banks may be allowed to open branches in Tier 1 to Tier 6 centres (except at a few locations considered sensitive on security considerations) without having the need for prior permission from RBI in each case, subject to certain reporting requirements. The guidelines may result in increased competition from foreign banks.

Our future success will depend in large part on our ability to respond in an effective and timely manner and our ability to compete effectively. Increased competitive pressure may have an adverse impact on our business, financial condition and results of operations.

Concentration of our advances and deposits.

As of March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, our total advances to the 20 largest borrowers were ₹ 10,041.8 million, ₹ 14,543.7 million ₹ 16,196.7 million and ₹ 18,121.0 million, respectively. The percentage of advances to the 20 largest borrowers to total advances of our Bank accounted for approximately 10.85%, 13.87% 13.50% and 15.47%, as of March 31, 2017, March 31, 2018 March 31, 2019 and September 30, 2019, respectively. We cannot assure you that these borrowers will continue to honour their commitments and there will be no defaults in future. We cannot assure you that there will not be any delay in payments of interest and/or principal from these borrowers.

If any or a substantial number of our 20 largest borrowers do not repay or delay in making payments, we may be required to classify their accounts as NPA and make necessary provisions for the same.

As of March 31, 2017, March 31, 2018 March 31, 2019, and September 30, 2019, our total deposits of the 20 largest depositors were ₹ 10,523 million, ₹ 7,513.9 million ₹ 10,364.3 million, and ₹ 10,815.8 million respectively. The percentage of deposits of the 20 largest depositors to total deposits of our Bank accounted for approximately 7.06%, 5.11% 6.85%, and 6.97%, as of March 31, 2017, March 31, 2018 March 31, 2019 and September 30, 2019, respectively. We cannot assure you that there will not be any premature withdrawal or non-renewal of deposits from these depositors.

If any or a substantial number of our top 20 depositors withdraw their deposits or do not roll over their time deposits upon maturity, we may be required to seek more expensive sources of funding, including paying higher interest rates in order to attract and/or retain further deposits, and we cannot assure you that we will be able to obtain additional funding on commercially reasonable terms as and when required. In such an event, our Bank's liquidity position, financial condition, business and results of operations may be materially and adversely affected.

As on September 30, 2019, our gross advances extended to top five industry and service sectors is shown in the table below. Furthermore, we have exposure to (a) agriculture, MSMEs, education, and housing, sectors which the RBI categorizes as priority sectors, and (b) NBFCs. As on September 30, 2019, priority sector advances (including eligible investments) aggregated to ₹ 38,770.06 million, which represented 45.86% of our ANBC.

Industry/Service Sector	Gross advances (₹ in million)	Exposure as % of Total Advances
	As on September 30, 2019	
A. Industries		
Textiles	4,360.41	3.82
Food Processing	3,287.12	2.88
Chemicals and Chemical Products (Dyes, Paints, etc.)	1,521.04	1.33
Infrastructure	1,265.48	1.11
Construction	1,260.51	1.11
B. Services		

Industry/Service Sector	Gross advances (₹ in million)	Exposure as % of Total Advances
	As on September 30, 2019	
NBFC including HFCs	20,701.71	18.15
Trade (Wholesale and retail)	8,953.31	7.85
Commercial Real Estate	2,555.42	2.24
Tourism, Hotel and Restaurants	1,710.12	1.50
Transport Operators	743.86	0.65

Further, in the first half of Fiscal 2019, we faced challenges arising out of excess liquidity deployed in short term instruments, resulting in spreads and capital constraints limiting its capacity to grow advances. However, we addressed this by growing advances with low risk weights like gold loans and discounted bills, to companies with high credit ratings.

Accordingly, we financed fresh/ additional credit facilities, with an exposure of ₹ 6,658.9 million to housing finance companies, details of which are given below:

External Rating	No. of Accounts	Fresh exposure (in ₹ million)	Risk weight (%)
AAA	3	3,499.9	20
AA	3	1,649.9	30
A	5	1,436.6	50
BBB	1	72.5	100
Total	12	6,658.9	

Considering the liquidity position, we had deployed funds in housing finance companies with a good rating and carry low risk weight and consequently there was an increase in the indirect exposure to NHB/housing finance companies from Fiscal 2018 to Fiscal 2019. Major exposures were in AAA, AA and A rated companies with risk weight ranging from 20% to 50%. All these accounts were standard and regular without any arrears in repayment.

Priority sector lending

In accordance with the Reserve Bank of India (Priority Sector Lending – Targets and Classification) Directions, 2016 dated July 7, 2016, as amended, all banks in India, including us, are subject to directed lending regulations. We are required to lend a minimum of 40% of our ANBC to ‘priority sectors’. Our priority sectors advances include advance for agriculture, loans to micro and small enterprises, housing loans and educational loans, social infrastructure and renewable energy. Further, RBI had also mandated sub-target of 18% of our ANBC to agriculture, 8% to small and marginal farmers, 7.5% to micro enterprises and 10% to weaker sections.

As on March 31, 2017, March 31, 2018, March 31, 2019 and September 2019, our lending to priority sectors constituted 44.22% (i.e., ₹ 37,697.5 million), 42.96% (i.e., ₹ 35,519.3 million), 40.71% (i.e. ₹ 38,040.9 million), 45.86% (i.e. ₹ 43,930.47 million) respectively, of our ANBC, including 20.14% (i.e., ₹ 17,170.8 million), 20.53% (i.e., ₹ 16,973.8 million), 20.94% (i.e., ₹ 19,563.4 million) and 24.75% (i.e., ₹ 23,708.60 million) respectively, to the agricultural sector.

Further, as on March 31, 2017, March 31, 2018, March 31, 2019, and September 30, 2019, of our total NPAs, 10.33% (i.e., ₹ 619.8 million), 12.59% (i.e., ₹ 961.5 million), 11.69% (i.e., ₹ 620.7 million), and 2.01% (i.e., ₹ 410.2 million), respectively, were towards agricultural sector (excluding RIDF).

We have experienced instances of shortfalls in our directed lending to priority sectors in the past. Any shortfall in lending to priority sectors shall be allocated for contribution to the RIDF established with NABARD and other funds with NABARD/NHB/SIDBI/MUDRA Ltd, as decided by the RBI from time to time. Our investment in such deposits as on March 31, 2019 and September 30, 2019, was ₹ 5,393 million and ₹ 5,160.48 million, respectively.

Further, non-achievement of lending targets to priority sectors may also be considered as a factor by RBI while deciding to grant regulatory clearances and approvals for various purposes. For a list of the material approvals and licenses required from the RBI under the Banking Regulation Act and the RBI Act, see the section titled “*Government and Other Approvals*” beginning on page 587. We cannot assure you that we will be able to meet the lending targets towards priority sectors. In case we are unable to meet such targets, we may have to deposit the shortfall with any one of such agencies, resulting in reduced interest income on such advances and refusal of RBI to grant us regulatory clearances and approvals in the future.

Additionally, any adverse performance by our priority sector borrowers could significantly increase our NPAs, which may materially and adversely affect our business, results of operations and financial condition.

Interest rate

Our net interest income amounted to 19.39%, 27.06%, 29.66% and 34.23% of our total income in Fiscal 2017, Fiscal 2018 and Fiscal 2019 and for the six month period ended September 30, 2019, respectively. Net interest income represents the excess of interest earned from interest-earning assets (such as performing loans and investments) over the interest paid on interest-bearing customer deposits and borrowings. Our net interest margin for Fiscals 2017, 2018, 2019 and for the six month period ended September 30, 2019 was 2.11%, 2.57%, 2.80% and 3.43%, respectively. Net interest margin represents a percentage of net interest income over average working funds.

Interest rates are sensitive to many factors beyond our control, including RBI’s monetary policy, domestic and international economic and political conditions as well as other factors. Volatility and changes in market interest rates could disproportionately affect the interest we earn on our assets as compared to the interest we pay on our liabilities. The difference could result in an increase in interest expense relative to interest income leading to a reduction in net interest income. Accordingly, volatility in interest rates could materially and adversely affect our business and financial performance. An increase in interest rates may also adversely affect the rate of growth of important sectors of the Indian economy, such as corporate, retail and agricultural sectors, which may materially and adversely impact our business. Such increase in the interest rates may lead to inability of the Borrower to repay the interest income and this will further affect our interest income and net interest income.

Our sources of funding have primarily been customer deposits. Our cost of funds is sensitive to interest rate fluctuations, which exposes us to the risk of a reduction in spreads. In addition, attracting customer deposits in the Indian banking industry is competitive. The rates that we must pay to attract deposits are determined by numerous factors such as the prevailing interest rate structure, competitive landscape, Indian monetary policy, and inflation. If we fail to achieve or sustain continued growth of our deposit base, we may be forced to rely more heavily on more expensive sources of funding, such as the wholesale market, which could materially and adversely affect our profitability and business.

Capital Adequacy

We are subject to regulations relating to capital adequacy of banks, which determines the minimum amount of capital we must hold as a percentage of the risk-weighted assets on our portfolio, or CRAR. The RBI has prescribed conditions for the Basel III capital regulation framework in India, which came into effect on April 1, 2013, and subject to a series of transitional arrangements to be phased in over a period of time, will be fully implemented by March 31, 2020.

The Basel III Norms require, among other things, higher levels of Tier I capital and common equity, capital conservation buffers, maintenance of a minimum prescribed leverage ratio on a quarterly basis, higher deductions from common equity and Tier I capital for investments in subsidiaries, changes in the structure of non-equity instruments eligible for inclusion in Tier I capital, and loss absorbency features for non-equity Tier I and Tier II capital. As of March 31, 2019, banks are required to maintain a common equity Tier 1 adequacy ratio of 5.50%, minimum Tier 1 capital ratio of 7.00%, minimum total capital ratio of 9.00%, and a capital conservation buffer of 1.875%. As of September 30, 2019, banks are required to maintain a common equity Tier 1 adequacy ratio of 5.50%, minimum Tier 1 capital ratio of 7.0%, minimum total capital ratio of 9.00%, and a capital conservation buffer of 1.875%.

We have not been able to maintain the minimum prescribed CRAR under the Basel III Norms in past. As on March 31, 2018, our CRAR under the Basel III Norms was 8.33% (including capital conservation buffer), as compared to the minimum prescribed regulatory requirement of 10.875% (which includes a capital conservation buffer of 1.875%). However, as on March 31, 2019 and September 30, 2019, our CRAR under the Basel III Norms was 16.70% and 22.77% (including capital conservation buffer), as compared to the minimum prescribed regulatory requirement of 10.875% (which includes a capital conservation buffer of 1.875%); but there can be no assurance that we will be able to maintain our CRAR above the minimum prescribed regulatory requirements in future.

Due to increase of size of assets and accordingly the risk weighted assets, there is an impact on the CRAR under the Basel III Norms. Further, any adverse developments could affect our ability to continue to satisfy the capital adequacy requirements, including deterioration in our asset quality, decline in the values of our investments or applicable risk weight for different asset classes. In case the CRAR falls further below the regulatory minimum requirement in future, we may be constrained in further expanding our business.

The RBI or any other relevant authority may implement the package of reforms, including the terms which capital securities are required to have, in a manner that is different from that which is currently envisaged, or may impose more onerous requirements. There can be no assurance that we will be able to comply with such requirements or that any breach of applicable laws and regulations will not adversely affect our reputation, business, financial condition and result of operations. If we fail to meet capital adequacy requirements, as may be prescribed by RBI from time to time, RBI may take certain actions, including restricting our lending and investment activities, further balance sheet growth, and the payment of dividends by us. These actions could also materially and adversely affect our reputation, results of operations, and financial condition.

Significant Accounting Policies

1. General

- a) The financial statements have been prepared in accordance with the requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of our Bank used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time, the Accounting Standards (AS) specified under Section 133 of the Companies Act, 2013 read with Rule 7 of The Companies (Accounts) Rules, 2014 so far as they apply to our Bank and practices generally prevalent in the banking industry in India.
- b) Going Concern Assumption, Historical cost convention and Accrual basis of accounting have been consistently applied while preparing and presenting the financial statements, except as stated in paragraph 10 –“Recognition of Revenue and Expenditure”.

2. Use of estimates

The preparation of our financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosures of contingent liabilities at the date of the financial statements. Our management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

3. Transactions involving foreign exchange

- a) Monetary assets and liabilities including contingent liabilities have been translated at the exchange rates prevailing at the close of the year as advised by FEDAI and the effect is accounted in Profit and Loss Account.
- b) Income and Expenditure items denominated in foreign currencies have been accounted at the exchange rates prevailing on the date of transaction.

- c) Outstanding foreign exchange forward contracts are revalued at the rates applicable on the closing date as advised by FEDAI. The resultant profit/loss is taken into Profit and Loss Account.
- d) Contingent Liabilities on guarantees, letters of credit, acceptances and endorsements are reported at the exchange rates prevailing at the close of the year.

4. Investments

a) *Accounting and classification*

All Investments are accounted for on settlement dates. In terms of RBI guidelines, the entire investments portfolio has been classified under three categories for valuation purpose, viz., “Held to Maturity”, “Available for sale” and “Held for Trading” at the time of its purchase. However, for disclosure in the Balance Sheet, investments are classified under six groups – Govt. Securities, Other Approved Securities, Shares, Debentures and Bonds, Subsidiaries/Joint Venture and Others.

b) *Cost of acquisition*

Costs such as brokerage pertaining to investments, paid at the time of acquisition are charged to the profit and loss account.

c) *Basis of Classification*

Securities that are held principally for resale within 90 days from the date of purchase are classified under the HFT category. Investments that our Bank intends to hold till maturity are classified under the HTM category. Securities which are not classified in the above categories are classified under the AFS category.

d) *Transfer between categories*

Reclassification of investments from one category to the other, if done, is in accordance with the RBI guidelines. Transfer of scrips from AFS/HFT category to HTM category is made at the lower of book value or market value. In the case of transfer of securities from HTM to AFS/HFT category, the investments held under HTM at a discount are transferred to AFS/HFT category at the acquisition price and investments placed in the HTM category at a premium are transferred to AFS/HFT at the amortized cost. Transfer of investments from AFS to HFT or vice versa is done at the book value. Depreciation carried, if any, on such investments is also transferred from one category to another.

e) *Valuation of Securities*

- (i) Investments in “Held to Maturity” category are accounted for at acquisition cost or at amortized cost, if acquired at a premium. In case the cost is higher than the face value, the premium is amortized over the period remaining to maturity using Constant Yield Method. Such amortization of premium is adjusted against income under the head “Income on Investments”. Where the face value is higher than the cost, the discount is ignored and is accounted only on maturity date of the instrument.
- (ii) Securities classified as “Available for Sale” are marked to market scrip-wise on a quarterly basis other than shares which is done on a weekly basis and net depreciation in each category is provided for, while net appreciation is ignored.
- (iii) Individual scrips in “Held for Trading” category are marked to market at daily intervals and net depreciation in each category is provided for, while net appreciation is ignored.
- (iv) Treasury Bills, Commercial Papers and Certificate of Deposits are valued at carrying cost.
- (v) Security receipts are valued as per the Net Asset Value (“NAV”) obtained from the issuing Reconstruction Company/Securitization Company. Depreciation in each scrip is provided for while appreciation is ignored.

- (vi) Profit on sale of investments in 'Held to Maturity' category is recognised in the Profit and Loss Account and an equivalent amount net of taxes and transfer to Statutory Reserves is appropriated to Capital Reserve.
- (vii) Investments are also classified as Performing and Non Performing as per the guidelines of RBI and provisions on Non Performing investments are made as per the provisioning norms of RBI.
- (viii) As per RBI circular [FMOD.MAOG. No. 116/01.01.001/2016-17, dated November 10, 2016], our Bank is classifying Repo / Reverse Repo under LAF scheme in Schedule 4 [Borrowings] and Schedule 7 [Balances with Banks and Money at call and short notice], respectively.

5. Advances

- a) Advances have been classified as 'Performing' and 'Non Performing Advances' ("NPA") in accordance with the applicable regulatory guidelines. NPAs are further classified in to Sub-standard, Doubtful and Loss assets in terms of applicable regulatory guidelines.
- b) Provision for NPA comprising sub-standard, doubtful and loss assets is made in accordance with the RBI guidelines which prescribe minimum provision levels and encourage banks to make a higher provision based on sound commercial judgement. In respect of identified NPAs provision is recognized at borrower level on the basis of ageing of loans. The provisioning done is at or higher than the minimum rate prescribed under the RBI guidelines.
- c) The amount of advances shown in the Balance Sheet is net of provisions, interest suspense, ECGC claims received and discount on assignment transactions.
- d) Provision on Standard Assets is maintained as per RBI guidelines.
- e) In respect of Rescheduled/ Restructured Advances, provision is made for the diminution in the fair value of restructured advances measured in present value terms as per RBI Guidelines. The said provision is reduced to arrive at net advances. In case of advances to stressed sectors, the Bank has recognized provision in line with RBI guidelines. These provisions are included under in Item No. IV 'Others', of Schedule – Other Liabilities and Provisions.
- f) Amounts recovered against debts written off in earlier years are recognised as revenue.
- g) The sale of financial assets (including Non Performing Advances) to Reconstruction Company (RC)/ Securitisation Company (SC) are accounted as per the extant guidelines of Reserve Bank of India from time to time.
- h) Policy on Managing Currency induced credit risk: As per Credit Policy of the bank forward exchange cover is insisted on all Foreign Currency loans of USD 2 Mio or above unless there is natural hedge by way of export/other earnings. For foreign currency loans of less than USD 2 Mio, forward exchange cover is optional to the borrower subject to furnishing of an unconditional undertaking to bear the exchange loss if any.
- i) In addition to the provisions required to be held according to the asset classification status, provisions are held for individual country exposure, wherever applicable and in accordance with RBI Guidelines.

6. Fixed Assets and Depreciation

- a) Fixed Assets other than premises are carried at cost less accumulated depreciation. Cost includes cost of purchase and all directly attributable costs of bringing the asset to its working condition for its intended use.
- b) Premises are stated at revalued amount. Appreciation on revaluation of premises is credited to Revaluation Reserve. The additional depreciation on the revalued portion of buildings is charged to Profit and Loss Account and an equivalent amount is withdrawn from Revaluation Reserve and credited to General Reserve.

- c) Subsequent expenditure incurred on fixed assets put to use is capitalized only when it represents an improvement which increases the future benefits from the existing asset beyond its previously assessed standard of performance or an extension which becomes an integral part of the asset.
- d) Depreciation on additions to fixed assets is provided on pro rata basis. No depreciation is charged on the fixed assets sold/discarded during the year, except for premises and motor vehicles which are depreciated on a pro-rata basis.
- e) The bank has adopted the revised useful life of assets as prescribed in Schedule II of the Companies Act, 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II.

Type of Fixed Asset	Useful Life Considered (Years)	Useful Life as per Schedule II (Years)	Depreciation Method
Premises	58 Years	60 Years	Written Down Value
Servers & Networks	3 Years	6 Years	Straight Line
ATMs	8 Years	15 Years	Straight Line

7. Intangible Assets

Accounting and amortization of computer software are in accordance with the provisions of Accounting Standard 26 – Intangible Assets, specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

- a) Application Software purchased is amortized over a period of 5 years on pro rata basis under Straight Line Method.
- b) Internally Generated Application Software is accounted as an intangible asset and is amortized over a period of 5 years on pro rata basis under Straight Line Method from the date the software becomes Available for Use. If the software is still in the development phase and has not become Available for Use, no amortization is charged to Profit and Loss Account.

8. Non-banking Assets

In the case of Non Banking Assets, diminution in value, if any, is provided for.

9. Employee Benefits

9.1 Short Term Employee Benefits

The undiscounted amount of short-term employee benefits which are expected to be paid in exchange for the services rendered by employees are recognized during the period when the employee renders the service.

9.2 Long term Employee Benefits

- a) Defined Contribution Plan - Provident Fund and New Pension Scheme (Contributory) are the defined contribution plans of the bank. In addition to contribution for the period, shortfall, if any, in the Provident Fund Trust is charged to Profit and Loss Account of the Bank.
- b) Defined Benefit Plans - Liabilities towards Gratuity, Pension and Leave benefits to employees are defined benefit obligations and are provided for on the basis of actuarial valuation made at the end of each financial year. Projected Unit Credit Method is used by the actuary for valuing the obligations in case of Pension, Gratuity and Long term Compensated Absences and other long term employee benefits. Discount rate used to arrive at the present value of estimated future cash flows is arrived at by reference to market yields on balance sheet date on government bonds of term consistent with estimated term of the obligations as per para 78 of AS

15 Employee Benefits. Actuarial Gains/Losses are immediately taken to the profit and loss account and are not deferred.

Brief description of the defined benefit plans:

- i) Pension - Pension is payable to the employees who have specifically opted for the same. For becoming eligible for pension, the employee should have served the bank for a minimum period of 10 years in the case of retirement on superannuation and 20 years in other cases. At the time of retirement or death of the pension eligible employee, the pension trust purchases annuity from insurance company, out of the contributions made by the bank.
- ii) Gratuity - Gratuity is payable to all employees on termination of employment due to retirement, death or resignation, provided that the employee has continuously served the bank for a minimum period of 5 years.
- iii) Long term compensated absences and other long term employee benefits viz:
 - a. Privilege Leave
 - b. Leave fare concession
 - c. Sick Leave

are based on actuarial valuation at the end of the financial year.

9.3 Employee Stock Options (“ESOPs”)

The accounting for shares granted under Employee Stock Option Scheme is done as per the ICAI Guidance note on ESOP. Our Bank has applied the intrinsic value method to arrive at the compensation cost of ESOP granted to the employees of our Bank. Intrinsic value is the amount by which the value of the underlying shares as determined by an independent valuer exceeds the exercise price of the options. Compensation cost so determined is amortized over the vesting period of the option granted.

10. Recognition of Revenue and Expenditure

Revenue is recognised to the extent it is probable that the economic benefits will flow to the bank and the revenue can be reliably measured.

- a) Interest/discount on advances/bills is recognised on accrual basis except on non-performing assets in which case the income is recognised as per prudential norms issued by RBI. Exchange, Brokerage, Commission and Rent on lockers are recognised on cash basis.
- b) Income on Investments (other than dividend on shares and mutual funds and income on non performing investments) is recognised on accrual basis. Dividend income is recognized when the right to receive payment is established.
- c) Recovery in Non Performing Assets is first appropriated towards interest and the balance, if any, towards principal, except in the case of Suit Filed Accounts, sale to Asset Reconstruction Companies and accounts under One Time Settlement where recovery is appropriated based on the court decree / terms of agreement.
- d) In the case of purchase of loans from other banks/NBFCs through direct assignment of cash flows, bank recognizes interest income on the basis of original IRR/actual collection record of the pool. The discount, if any, on such purchase is recognised in proportion to the principal received.
- e) In case of Asset Sale to ARCs, where the sales is at a price higher than the net book value (NBV), (i.e. outstanding less provision held) and consideration is received in cash, the excess provision on NPA is credited to Profit and loss account. If consideration is other than cash, the excess provision is retained. If the sale is at a price below the NBV, the shortfall is debited to Profit and Loss Account, as per the option given by RBI.

- f) Legal expenses incurred on suit filed accounts are expensed in profit and loss account as per RBI guidelines. Such amount when recovered is treated as income.

11. Taxes On Income

Income tax expense is the aggregate amount of current tax and deferred tax charge. Current year taxes are determined in accordance with the Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. The impact of changes in the deferred tax assets and liabilities is recognized in the Profit and Loss Account.

Deferred tax assets are recognized and reassessed at each reporting date, based upon the Management's judgement as to whether realisation is considered as reasonably certain. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax asset can be realized against future profits.

12. Segment Information

Bank has adopted RBI's revised guidelines on segment reporting issued in April 2007 and accordingly four business segments viz. Treasury, Corporate/Wholesale Banking, Retail Banking and Other Banking Operations have been considered as reportable segments. Advances classified as corporate as per Basel III norms are grouped in Corporate/Wholesale Banking assets while all other advances are grouped as Retail Banking Assets. Deposits of ₹ 20 million and above are classified as corporate/wholesale banking liabilities (to conform to ALM classification adopted by the bank) and all other deposits are grouped as retail banking liabilities. Deposits of borrowers classified as corporate as per Basel II norms are treated as wholesale deposits regardless of amount. For arriving at segment results, income and expenditure that cannot be directly identified with a particular segment are allocated on appropriate basis.

13. Impairment of Assets

Impairment losses, if any, on Fixed Assets (including revalued assets) are recognized in accordance with the Accounting Standard 28 'Impairment of Assets' specified under Section 133 of the Companies Act, 2013 read with Rule 7 of The Companies (Accounts) Rules, 2014 and charged to Profit and Loss Account.

14. Accounting for provisions, contingent liabilities and contingent assets

- a) As per the Accounting Standard 29, 'Provisions, Contingent Liabilities and Contingent Assets', specified under Section 133 of the Companies Act, 2013 read with Rule 7 of The Companies (Accounts) Rules, 2014 our Bank recognizes provisions only when it has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made.
- b) Contingent assets are not recognized in the financial statements.

While computing the provision requirement pertaining to fraud accounts, adjustment is made for "financial collateral eligible under BASEL III Capital regulations-Capital charge for credit risk (standardized approach)", if available and amount so arrived at is charged fully to Profit and Loss Account, in the same quarter of detection.

15. Earnings per share

Our Bank reports basic and diluted Earnings per equity share in accordance with the Accounting Standard 20 on “Earnings per share” specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. Basic earnings per share (“EPS”) reported is computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share have been computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period except where the results are anti-dilutive.

16. Share Issue Expenses

The share issue expenses are adjusted from share premium account in terms of Section 52 of the Companies Act, 2013, in cases where RBI approval is obtained.

17. Net Profit/Loss

The net profit/loss disclosed in the Profit and Loss Account is after:

- (i) provision for taxes;
- (ii) provision for standard, restructured and non-performing assets;
- (iii) provision for depreciation on investments; and
- (iv) other usual and necessary provisions.

Components of Income and Expenditure

Income

Our income consists of interest earned and other income.

Interest earned includes interest and discounts on advances and bills made to our customers, income on investments, interest on balances with the RBI and other inter-bank lending and other interest income (which primarily includes interest income received from reverse repo lending, Clearcorp Repo Order Matching System (“**CROMS**”) lending, RIDF & other funds and refunds of income tax). Our investment portfolio consists primarily of dated central government and state government securities, other approved securities, bonds issued by public sector undertakings/private companies, security receipts issued by asset restructuring companies, bank certificate of deposits, equity shares and other investments such as commercial papers. We meet our SLR requirements through investments in dated central and state government securities, and treasury bills.

Our other income consists of commission, exchange and brokerage fees, from trade finance, bancassurance, ATM/Debit cards, issue of demand drafts etc., profit from sale of investments, profit from sale of land, buildings and other assets (including sale of non-banking assets), profits from exchange transactions and miscellaneous income. Our miscellaneous income consists primarily of recovery of bad debts written off, lease rental income, locker rents, processing fees on our banking products and other charges and income such as incidental charges (including charges for non-maintenance of minimum balance) and other income such as gold appraisal fee, folio charges, service charges, etc.

Expenditure

Our expenditure consists of interest expended and operating expenses.

Our interest expended consists of the interest paid on deposits, interest paid on borrowings from the RBI and other inter-bank counterparties/financial institutions and other interest expenses (including interest paid on CBLO borrowings and tier II bonds issued by us).

Our non-interest expenditure consists principally of operating expenses, which includes payments to and provisions for employees, rent, taxes and lighting, printing and stationery, depreciation on our Bank’s properties/assets, directors’ fees and auditors’ fees and expenses, law charges, repairs and maintenance, insurance, postage and telecommunications, advertising fees and publicity, and other expenses, which consist primarily of travelling and

inspection expenses, business promotion expenses, expenses on security and watchmen, clearing house expenses, wages paid to temporary labour and facility management charges.

Provisions and contingencies

Provisioning for standard assets, non-performing assets, depreciation/write-offs on investments, diminution in restructured advances, income tax (including deferred tax) and others are included in provisions and contingencies.

Net interest income (C=A-B)	3,848.1	4,399.5	14.33

Interest earned

Our interest earned increased by 3.91% from ₹ 12,968.1 million in Fiscal 2018 to ₹ 13,475.2 million in Fiscal 2019. The increase in interest earned was primarily due to the following:

- Our interest earned from advances and discounts on bills increased by 6.11% from ₹ 9,128.1 million in Fiscal 2018 to ₹ 9,686.2 million in Fiscal 2019, primarily due to an increase in average advances from ₹ 88,708.4 million in Fiscal 2018 to ₹ 98,349.3 million in Fiscal 2019. Average advances are monthly average of the advances.

- Our income on investments increased by 3.32% from ₹ 3,362.0 million in Fiscal 2018 to ₹ 3,473.7 million in Fiscal 2019 primarily due to increase in yield on short term investments, our yield on investments increased from 6.39% in Fiscal 2018 to 6.63% in Fiscal 2019.
- Our interest on balances with RBI and other inter-bank lending decreased by 60.10% from ₹ 59.4 million in Fiscal 2018 to ₹ 23.7 million in Fiscal 2019 primarily due to decrease in inter-bank and call money deployments.
- Our other interest earned decreased by 30.32% from ₹ 418.5 million in Fiscal 2018 to ₹ 291.6 million in Fiscal 2019 due to reduction in reverse repo deployments with RBI from ₹ 1,948.5 million to ₹ 489.3 million.

Interest Expended

Our interest expended decreased by 0.49% from ₹ 9,120.0 million in Fiscal 2018 to ₹ 9,075.6 million in Fiscal 2019. The decrease in interest expended was primarily due to the following:

- Our interest expense on deposits decreased by 3.95% from ₹ 8,972.6 million in Fiscal 2018 to ₹ 8,618.3 million in Fiscal 2019 primarily due to decrease in average term deposits from ₹ 108,875.8 million in Fiscal 2018 to ₹ 106,708.8 million in Fiscal 2019 and decrease in cost of term deposits from 7.07% in Fiscal 2018 to 6.80% as on Fiscal 2019 and decrease in cost of savings deposits from 3.99% in Fiscal 2018 to 3.93% in Fiscal 2019. Average figures are based on average monthly balances.
- Interest expense on RBI and inter-bank borrowings increased by 538.74% from ₹ 49.3 million in Fiscal 2018 to ₹ 314.9 million in Fiscal 2019 primarily due to increase in average borrowings from banks and RBI from ₹ 498.9 million in Fiscal 2018 to ₹ 4,417.08 million in Fiscal 2019. Average figures are based on average monthly balances.
- Interest expenditure on our other borrowings increased by 45.26% from ₹ 98.1 million in Fiscal 2018 to ₹ 142.5 million in Fiscal 2019 primarily due to increase in the average borrowings from other institutions from ₹ 766.5 million in Fiscal 2018 to ₹ 1,125.2 million and increase in interest paid on call money borrowed from other institutions from ₹ 25.5 million in Fiscal 2018 to ₹ 75.0 million in Fiscal 2019. Average figures are based on average monthly balances.

Our other income increased by 8.37% from ₹ 1,254.2 million in Fiscal 2018 to ₹ 1,359.2 million in Fiscal 2019. The increase in other income was primarily due to the following:

- Our profit on sale of investments increased by 193.79% from ₹ 27.25 million in Fiscal 2018 to ₹ 80.06 million in Fiscal 2019 primarily due to profit from sale of T-bill.
- Our miscellaneous income increased by 6.03% from ₹ 890.1 million in Fiscal 2018 to ₹ 943.8 million in Fiscal 2019 primarily due to, *inter alia*, increase in bad debts recovery from written off accounts from ₹ 269.2 million in Fiscal 2018 to ₹ 307.7 million in Fiscal 2019 and also increase in processing fee earned for loans and other credit facilities from ₹ 184.4 million in Fiscal 2018 to ₹ 205.2 million in Fiscal 2019 on account of concerted efforts to plug revenue leakages. Profit on exchange transactions decreased by 19.97% from ₹ 88.1 million in Fiscal 2018 to ₹ 70.5 million in Fiscal 2019. Profit on sale of land building and other assets decreased 149.23% from ₹ 15.3 million in Fiscal 2018 to ₹ (-)7.5 million in Fiscal 2019.
- Commission/brokerage on bancassurance increased by 39.22% from ₹ 69.1 million in Fiscal 2018 to ₹ 96.2 million in Fiscal 2019 mainly due to increase in volume of insurance business.

Operating expenses

Our operating expenses increased by 29.05% from ₹ 4,359.0 million in Fiscal 2018 to ₹ 5,625.1 million in Fiscal 2019. The increase in our operating expenses was primarily due to the following:

- Our expenses related to payments and provisions for employees increased by 33.99% from ₹ 2,869.1 million in Fiscal 2018 to ₹ 3,844.3 million in Fiscal 2019, primarily due to increase in provision due to reduction of retirement age from 60 years to 58 years, decrease in return on plan assets and decrease in discount rate used for arriving present value of obligation liability, resulting in the increase in the provision for employee benefit amounting to ₹ 546.1 million and also on account of increase in dearness allowance rates by 7% during the year amounting to ₹ 327.1 million.
- Our other expenditure included in operating expenses increased by 45.42% from ₹ 451.0 million in Fiscal 2018 to ₹ 655.8 million in Fiscal 2019 primarily due to (i) write off of management fees paid to asset recovery companies to ₹ 71.0 million in Fiscal 2019, (ii) penalty imposed by RBI for delay in adherence of directives of SWIFT related operational controls amounting to ₹ 40 million in Fiscal 2019, (iii) increase in management charges from ₹ 39.7 million in Fiscal 2018 to ₹ 67.0 million in Fiscal 2019, and (iv) servicer fees paid for assignment transactions amounting to ₹ 9.6 million in Fiscal 2019. Rent tax and lighting had increased by 10.19% from ₹ 459.1 million in Fiscal 2018 to ₹ 505.9 million in Fiscal 2019. The increase in rent is mainly due to shifting of branches from first floor to ground floor for better customer service. Lighting has increased due to renovation/ air conditioning of branches.

Provisions and contingencies (other than provision for tax)

Provisions and contingencies (other than provision for tax) decreased by 58.78% from ₹ 2,692.2 million in Fiscal 2018 to ₹ 1,109.7 million in Fiscal 2019 primarily due to decrease in provision for NPA from ₹ 2,381.4 million in Fiscal 2018 to ₹ 901.3 million in Fiscal 2019. Slippages decreased from ₹ 2,811.6 million in Fiscal 2018 to ₹ 1,974.5 million in Fiscal 2019. Our gross NPA ratio decreased from 7.89% as at March 31, 2018 to 4.87% as at March 31, 2019, and our net NPA ratio decreased from 2.87% as at March 31, 2018 to 2.27% as at March 31, 2019. Our provision coverage ratio has increased to 78.16% as on March 31, 2019 from 75.83% as on March 31, 2018.

Gross NPA	7.25	7.89	4.87
Net NPA	4.12	2.87	2.27

During Fiscal 2019, our Bank changed its accounting policies and accelerated the provisioning in respect of (i) non-performing advances, (ii) frauds, and (iii) security receipts. The impact of the changes have been incorporated in the Restated Financial Information for Fiscal 2019. For further details, please see the section titled “Other Financial Information – Annexure II” on page 382 of this Prospectus.

Provision for tax (including deferred tax)

Provision for tax increased by 52.93% from ₹ (678.0) million in Fiscal 2018 to ₹ (319.2) million in Fiscal 2019 primarily due to decrease in deferred tax assets.

Net loss after tax

As a result of the factors mentioned above, our net loss after tax decreased by 48.31% from ₹ (1,270.9) million in Fiscal 2018 to ₹ (656.9) million in Fiscal 2019.

Interest earned

Our interest earned decreased by 2.95% from ₹ 13,362.9 million in Fiscal 2017 to ₹ 12,968.1 million in Fiscal 2018. The decrease in interest earned was primarily due to the following:

- Our interest earned from advances and discounts on bills increased by 3.63% from ₹ 8,808.8 million in Fiscal 2017 to ₹ 9,128.1 million in Fiscal 2018, primarily due to an increase in average advances from ₹

79,336.5 million in Fiscal 2017 to ₹ 88,708.4 million in Fiscal 2018. Average advances are monthly average of the advances.

- Our income on investments decreased by 18.51% from ₹ 4,125.6 million in Fiscal 2017 to ₹ 3,362.0 million in Fiscal 2018 decrease in investments in T Bills and other investments aggregating to around 14% of investment portfolio. Our yield on investments decreased from 6.63% in Fiscal 2017 to 6.39% in Fiscal 2018.
- Our interest on balances with RBI and other inter-bank lending increased by 120.82% from ₹ 26.9 million in Fiscal 2017 to ₹ 59.4 million in Fiscal 2018 primarily due to increase in inter-bank and call money deployments.
- Our other interest earned increased by 4.21% from ₹ 401.6 million in Fiscal 2017 to ₹ 418.5 million in Fiscal 2018. Increase is mainly on account of interest earned on reverse repo lending by 6.05% from ₹ 117.2 million in Fiscal 2017 to ₹ 124.2 million in Fiscal 2018.

Interest Expended

Our interest expended decreased by 10.82% from ₹ 10,226.9 million in Fiscal 2017 to ₹ 9,120.0 million in Fiscal 2018. The decrease in interest expended was primarily due to the following:

- Our interest expense on deposits decreased by 10.64% from ₹ 10,041.5 million in Fiscal 2017 to ₹ 8,972.6 million in Fiscal 2018 primarily due to decrease in average term deposits from ₹ 113,165.4 million in Fiscal 2017 to ₹ 108,875.8 million in Fiscal 2018 and also on account of decrease in cost of term deposits from 7.80% in Fiscal 2017 to 7.07% in Fiscal 2018. Average figures are based on average monthly balances.
- Interest expense on RBI and inter-bank borrowings decreased by 46.82% from ₹ 92.7 million in Fiscal 2017 to ₹ 49.3 million in Fiscal 2018 primarily due to decrease in average borrowings from RBI from ₹ 1,174.5 million in Fiscal 2017 to ₹ 436.4 million in Fiscal 2018. Interest expenditure on our other borrowings increased by 5.82% from ₹ 92.7 million in Fiscal 2017 to ₹ 98.1 million in Fiscal 2018 mainly due to increase in average borrowings in CROMs from ₹ 266.2 million in Fiscal 2017 to ₹ 476.98 million in Fiscal 2018. Average figures are based on average monthly balances.

Other Income

The following table sets forth the main components of our Bank's other income for the periods indicated.

	<i>(₹ in million)</i>	
Particulars	Fiscal 2017	Fiscal 2018

Our other income decreased by 55.4% from ₹ 2,812.0 million in Fiscal 2017 to ₹ 1,254.2 million in Fiscal 2018. The decrease in other income was primarily due to the following:

- Our profit on sales of investments decreased by 98.61% from ₹ 1,959.1 million in Fiscal 2017 to ₹ 27.2 million in Fiscal 2018 primarily due to hardening of yields.
- Our miscellaneous income increased by 59.70% from ₹ 557.4 million in Fiscal 2017 to ₹ 890.1 million in Fiscal 2018 primarily due to increase in bad debts recovery from written off accounts from ₹ 56.2 million in Fiscal 2017 to ₹ 269.2 million in Fiscal 2018, increase in premium received on sale of priority sector lending certificate (“PSLC”) from ₹ 27.4 million in Fiscal 2017 to ₹ 76.5 million in Fiscal 2018 also increase in gold loan related charges from ₹ 18 million in Fiscal 2017 to ₹ 46.6 million in Fiscal 2018. Folio charges and service charges increased from ₹ 19.8 million in Fiscal 2017 to ₹ 50.6 million in Fiscal 2018.

Operating expenses

Our operating expenses decreased by 1.6% from ₹ 4,430.9 million in Fiscal 2017 to ₹ 4,359 million in Fiscal 2018. The decrease in our operating expenses was primarily due to the following:

- Our expenses related to payments and provisions for employees decreased by 2.27% from ₹ 2,935.81 million in Fiscal 2017 to ₹ 2,869.05 million in Fiscal 2018, primarily due to decrease in overall basic pay for employees from ₹ 1,103.1 million in Fiscal 2017 to ₹ 1,023.1 million in Fiscal 2018, decrease in leave fare concession (“LFC”) from ₹ 24.8 million in Fiscal 2017 to ₹ 17.9 million in Fiscal 2018.
- Rent, taxes and lighting expenses increased by 10.72% from ₹ 414.62 million in Fiscal 2017 to ₹ 459.07 million in Fiscal 2018 primarily due to renewal of lease agreements for existing branches.
- Our other expenditure included in operating expenses decreased by 12.08% from ₹ 513 million in Fiscal 2017 to ₹ 451 million in Fiscal 2018 primarily due to decrease in travelling and inspection expenses from ₹ 117.2 million in Fiscal 2017 to ₹ 73.5 million in Fiscal 2018 and decrease in expenses towards security arrangements of our branches and ATMs from ₹ 70.1 million in Fiscal 2017 to ₹ 57.8 million in Fiscal 2018. In Fiscal 2017 there was an extraordinary debit of ₹ 54.0 million on account of expenses related to cancelled initial public offering.

Provisions and contingencies (other than provision for tax)

Provisions and contingencies (other than provision for tax) increased by 6.77% from ₹ 2,521.6 million in Fiscal 2017 to ₹ 2,692.2 million in Fiscal 2018 primarily due to increase in provisioning for depreciation/write offs on investments, increase in provision for standard advances. Our provision coverage ratio improved from 65.50% as on March 31, 2017 to 75.83% as on March 31, 2018. Our gross NPA ratio increased from 7.25% as at March 31, 2017 to 7.89% as at March 31, 2018, and our net NPA ratio decreased from 4.12% as at March 31, 2017 to 2.87% as at March 31, 2018.

Provision for tax (including deferred tax)

Provision for tax (including deferred tax) decreased by 59.72% from ₹ (424.5) million in Fiscal 2017 to ₹ (678.05) million in Fiscal 2018 primarily due to increase in deferred tax assets from ₹ 1,832.2 million as on March 31, 2017 to ₹ 2,510.3 million as on March 31, 2018.

Net loss after tax

As a result of the factors mentioned above, our net loss after tax increased by 119.2% from ₹ 579.9 million in Fiscal 2017 to ₹ 1,270.9 million in Fiscal 2018.

Total assets (net) decreased by 2.76% from ₹ 157,700.3 million as of March 31, 2017 compared to ₹ 153,346.6 million as of March 31, 2018, and thereafter increased by 7.30% from ₹ 153,346.6 million as of March 31, 2018 to ₹ 164,534.6 million as of March 31, 2019. The decrease in total assets (net) as on March 31, 2018 as compared to March 31, 2017 was primarily on account of decrease in net investment by 28.73% from ₹ 57,291.8 million as on March 31, 2017 to ₹ 40,832.9 million as on March 31, 2018. The increase in total assets (net) as on March 31, 2019 as compared to March 31, 2018 was primarily on account of increase in net advances by 15.57% from ₹ 91,848.5 million as on March 31, 2018 to ₹ 106,152.4 million as on March 31, 2019.

Our cash in hand increased by 8.61% from ₹ 505.9 million as of March 31, 2017 to ₹ 549.5 million as of March 31, 2018 and further increased by 6.33% from ₹ 549.5 million as of March 31, 2018 to ₹ 584.3 million as of March 31, 2019. The fluctuations in cash balances are a function of volatility in customer remittances.

Our balances with RBI decreased by 11.74% from ₹ 7,057.9 million as of March 31, 2017 to ₹ 6,229.5 million as of March 31, 2018. However, it increased by 7.07% from ₹ 6,229.5 million as of March 31, 2018 to ₹ 6,669.8 million as of March 31, 2019. The balances maintained with RBI account were mainly a function of the treasury management activities by our Bank in the ordinary course of business and prevailing CRR requirements.

Our balances with banks in India decreased by 67.4% from ₹ 576.4 million as of March 31, 2017 to ₹ 187.9 million as of March 31, 2018. It further decreased by 31.87% from ₹ 187.9 million as of March 31, 2018 to ₹ 128 million as of March 31, 2019 and by 31.02% from ₹ 128.0 million as of March 31, 2019. The money at call and short notice has increased by 29.89% from ₹ 3,780.0 million as on March 31, 2017 to ₹ 4,909.8 million as on March 31, 2018 and decreased by 54.17% from ₹ 4,909.8 million as on March 31, 2018 to ₹ 2,250.0 million as on March 31, 2019. Such decrease was mainly on account of variance in balances of reverse repo (₹ 3,780 million as on March 31, 2017, ₹ 4,510 million as on March 31, 2018 and ₹ 2,250 million as on March 31, 2019). In the event of an arbitrage opportunity money is borrowed at low cost and lent at higher rates.

Our balances with banks outside India increased by 43.64% from ₹ 191.2 million as of March 31, 2017 to ₹ 274.7 million as of March 31, 2018. However, it decreased by 62.06% from ₹ 274.7 million as of March 31, 2018 to ₹ 104.2 million as of March 31, 2019 on account of increase in deployments of foreign currency loans.

Our net investments decreased by 28.73% from ₹ 57,291.8 million as of March 31, 2017 to ₹ 40,832.9 million as of March 31, 2018 and it decreased by 1.36% from ₹ 40,832.9 million as at March 31, 2018 to ₹ 40,276.1 million as of March 31, 2019. The decrease in investments is mainly due to the redeployment of funds parked in short term investments to advances.

Our advances increased by 14.80% from ₹ 80,007.8 million as of March 31, 2017 to ₹ 91,848.5 million as of March 31, 2018 to ₹ 106,152.4 million as of March 31, 2019. The increase in advances is mainly on account of increase in corporate advances from ₹ 10,355.5 million as on March 31, 2017 to ₹ 19,388.0 million as on March 31, 2018 and further increased to ₹ 25,369.0 million as on March 31, 2019. Our gold loan portfolio increased from ₹ 20,262.9 million in Fiscal 2017 to ₹ 24,836.3 million in Fiscal 2018 to ₹ 33,331.0 million in Fiscal 2019.

Our net fixed assets increased by 10.43% from ₹ 513.0 million as of March 31, 2017 to ₹ 566.5 million as of March 31, 2018 and it increased by 5.74% from ₹ 566.5 million as of March 31, 2018 to ₹ 599.0 million as of March 31, 2019. The increase was on account of additions in number of ATMs and fixed assets for our offices and branches.

Our net other assets increased by 2.20% from ₹ 7,776.1 million as of March 31, 2017 to ₹ 7,947.3 million as of March 31, 2018 primarily on account of increase in deposits placed with NABARD/SIDBI/NHB for meeting shortfall in priority sector lending from ₹ 5,502.4 million as on March 31, 2017 to ₹ 5,848.16 million as on March 31, 2018. Our net other asset decreased by 2.22% from ₹ 7,947.3 million as of March 31, 2018 to ₹ 7770.8 million as of March 31, 2019 primarily on account of decrease in deposits placed with NABARD/SIDBI/NHB for meeting shortfall in priority sector lending from ₹ 5,848.2 million as on March 31, 2018 to ₹ 5,393.3 million as on March 31, 2019.

The total assets (net) as on September 30, 2019 were ₹ 173,232.6 million. Our cash in hand was ₹ 549.2 million as on September 30, 2019. Our balances with RBI were ₹ 6,512.8 million as on September 30, 2019. For details on Allotment of Equity Shares pursuant to conversion of warrants exchangeable into Equity Shares issued by our Bank to FIHM, please see the section titled “Capital Structure - Share capital history of our Bank” on page 75.

Total shareholders' funds increased by 175.42% from ₹ 3,536.4 million as of March 31, 2018 to ₹ 9,739.9 million as of March 31, 2019 primarily due to capital infusion amounting to ₹ 7,207.5 million which was offset by the increase in accumulated loss from ₹ 4,482.7 million to ₹ 5,139.59 million and increase in deferred tax assets held from ₹ 2,510.3 million to ₹ 2,841.5 million primarily on account of increase in carry forward loss.

Our deposits (comprising of demand deposits from banks and others, savings deposits and term deposits from banks and others) decreased by 1.48% from ₹ 149,115.6 million as of March 31, 2017 to ₹ 146,906.5 million as of March 31, 2018. The deposits increased by 2.86% to ₹ 151,238.7 million as of March 31, 2019 from ₹ 146,906.5 million as of March 31, 2018. The term deposits from others decreased from ₹ 111,986.4 million in Fiscal 2017 to ₹ 107,141.0 million in Fiscal 2018 which resulted in the decrease in total deposits. The decrease in term deposits in Fiscal 2018 was offset by the increase in savings deposits from ₹ 30,868.3 million to ₹ 33,425.1 million. The increase in deposits during Fiscal 2019 was primarily due to increase in savings deposits from ₹ 33,425.1 million in Fiscal 2018 to ₹ 35,935.0 million in Fiscal 2019 as well as increase in term deposits from banks from ₹ 58.9 million to ₹ 1,900.5 million during the same period.

Our borrowings comprises of subordinate tier II bonds amounting to ₹ 418 million as on March 31, 2017 and March 31, 2018. However, our Bank did not have any borrowings as on March 31, 2019.

Our other liabilities and provisions decreased by 8.11% from ₹ 2,705.2 million as of March 31, 2017 to ₹ 2,485.7 million as of March 31, 2018 and increased by 43.06% from ₹ 2,485.7 million as of March 31, 2018 to ₹ 3,555.9 million as of March 31, 2019. The other liabilities and provisions increased in Fiscal 2019 primarily due to provision created for superannuation benefits amounting to ₹ 746.2 million and increase in contingent provisions against standard assets from ₹ 343.2 million as of March 31, 2018 to ₹ 472.4 million as of March 31, 2019.

The total shareholders' fund was ₹ 15,359.9 million as on September 30, 2019. The deposits for the six month period ended September 30, 2019 was ₹ 15,5098.2 million. Our Bank did not have any borrowings as on September 30, 2019. Our other liabilities and provisions was ₹ 2,774.5 million as on September 30, 2019.

Liquidity, capital resources and capital adequacy

We regularly monitor our funding levels to ensure we are able to satisfy the requirements of our loan disbursements and those that would arise upon maturity of our liabilities. Further, since we are regulated by RBI, we need to comply with various liquidity guidelines and ratios as prescribed by RBI from time to time. We maintain diverse sources of funding and liquid assets to facilitate flexibility in meeting our liquidity requirements. Liquidity is provided principally by deposits and borrowings from banks and financial institutions, deposits from customers and retained earnings. Surplus funds, if any, are invested in accordance with our investment policy.

In addition, we monitor and manage our asset-liability gap with respect to our maturing assets and liabilities. As of September 30, 2019, our assets in the nature of advances, investments and foreign currency assets maturing within one year exceeded our liabilities in the nature of deposits, borrowing and foreign currency liabilities maturing within the same period by ₹ 49,553.3 million. As of September 30, 2019, our assets maturing between one year to five years exceeded our liabilities maturing within the same period by ₹ 1,486.0 million. As of September 30, 2019, our liabilities maturing over five years exceeded our assets maturing within the same period by ₹ 50,018.4 million.

We are also subject to the capital adequacy requirements of the RBI. As per capital adequacy guidelines under Basel III framework, by March 31, 2019 and September 30, 2019, we are required to maintain a minimum capital adequacy ratio of 10.875% (including 1.88% of Capital Conservation Buffer (CB)), with minimum Common Equity Tier I (CET I) CAR of 5.5% (7.38% including CB) respectively. These guidelines on Basel III framework are to be implemented in a phased manner. The minimum CAR required to be maintained by our Bank for Fiscal 2019 and for the six month period ended September 30, 2019 is 10.875% and with minimum CET I of 5.5%.

Our capital adequacy ratios are as follows:

Net cash generated in financing activities was ₹ 1,064.3 million for Fiscal 2017. This was primarily due to issuance of equity share capital of ₹ 92.5 million, share premium gained from issuance of Equity Shares of ₹ 1,022.3 million, which was partially offset by ₹ 50.6 million used to pay interest on tier II bonds.

Qualitative Disclosure about Risk and Risk Management

Interest rate risk

Since a substantial portion of our rupee liabilities are fixed rate bearing and we have a mix of floating and fixed-rate assets (with rupee advances substantially floating rate bearing and investments wholly fixed rate bearing), movements in domestic interest rates constitute the main source of interest rate risk. We assess and manage the interest rate risk on our balance sheet through the process of asset-liability management. Our asset liability management policy, which has been approved and adopted by our Board of Directors, sets forth the broad guidelines for asset liability management activities. The asset liability management function, *inter alia*, categorizes all rate sensitive assets and liabilities into various time period categories according to interest rate sensitivity. We follow RBI guidelines for managing our asset and liability position. Our cost of borrowings has been and will be negatively impacted by an increase in interest rates. Exposure to fluctuations in interest rates is measured primarily by way of gap analysis, providing a static view of the maturity profile of our assets and liabilities. An interest rate sensitivity report is prepared by classifying all assets and liabilities into various categories according to interest rate sensitivity for reporting on a monthly basis to the ALCO. The difference between the amounts of assets and liabilities maturing in any maturity category provides a measure of the extent to which we are exposed to the risk of potential changes in the margins on new assets and liabilities.

Our asset and liability management committee meets on a monthly basis and reviews the interest rate and liquidity gap positions on the book, formulates a view on interest rates, reviews the business profile and its impact on asset liability management and determines the asset liability management strategy, in light of the then-current and expected business environment.

Liquidity risk

Liquidity risk arises from the absence of liquid resources, when funding loans, and repaying deposits and borrowings. This could be due to a decline in the expected collection, or our inability to raise adequate resources at an appropriate price. This risk is minimized through a mix of strategies, including reducing reliance on bulk deposits, maintaining adequate stock of liquid assets and following a forward-looking borrowing programme based on projected loans and maturing obligations. We monitor liquidity risk through our asset liability management function aided by liquidity gap reports. This involves the categorization of all assets and liabilities in different maturity profiles, and evaluating them for any mismatches in any particular maturities, especially in the short term. Our Liquidity Management Policy is based on RBI guidelines and the ALCO's guidelines and establishes the maximum allowed mismatches in the various maturities.

Exchange rate risk

The majority of our assets are financed in rupees and, therefore, we do not have any significant exchange rate risk on our asset portfolio. We do not directly hedge exposures individually, though we manage our foreign currency positions on a portfolio basis. As a financial intermediary, we are exposed to exchange rate risk on our merchant and proprietary transactions, which we manage through methods such as maintaining currency wise intra-day and overnight limits on uncovered positions specified by our Board of Directors. Some of these transactions also result in credit exposure on counterparties, which is managed by setting suitable counterparty limits. Notwithstanding the above, changes in exchange rates, including between the Rupee and the U.S. Dollar or any other foreign currency, can affect the general economy, which could have an adverse impact on our business.

Analysis of Changes In Interest Income & Interest Expense Volume And Rate Analysis

The following table sets forth, for the periods indicated, the allocation of the changes in our interest income and interest expense between average volume and changes in average rates. The changes in net interest income between periods have been reflected as attributed either to volume or rate changes. For the purposes of this table, changes that are due to both volume and rate have been allocated solely to changes in rate.

SECTION VI: LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATION AND MATERIAL DEVELOPMENTS

Except as stated below, there are no outstanding (1) criminal proceedings involving our Bank, Directors and Promoter; (2) actions taken by statutory or regulatory authorities involving our Bank, Directors and Promoter; (3) claims involving our Bank, Directors and Promoter for any direct or indirect tax liabilities (disclosed in a consolidated manner giving the total number of claims and total amounts involved); (4) proceedings involving our Bank, Directors and Promoter (other than proceedings covered under (1) to (3) above) which has been determined to be material pursuant to the Materiality Policy (as disclosed herein below); and (5) litigation involving the Group Company which has a material impact on our Bank, as of November 25, 2019. Further, except as discussed in this chapter, there are no disciplinary actions including penalties imposed by SEBI or stock exchanges against our Promoter in the last five financial years including any outstanding action.

In terms of the Materiality Policy dated May 23, 2019, other than outstanding criminal proceedings, statutory or regulatory actions including outstanding actions, disciplinary action including penalty imposed by SEBI or stock exchanges against the Promoter in the last five financial years and claims for any direct or indirect tax liabilities disclosed in point (1) to (3) above, all other pending litigations:

- A. involving our Bank, our Directors and Promoter:*
- B. where the aggregate monetary claim made by, or against, our Bank, our Directors or our Promoter in any such pending litigation proceeding is in excess of 0.25% of our Bank's total income for the most recently completed fiscal year as per the Restated Financial Information, i.e. ₹ 37.09 million; and*
- C. where the monetary liability is not quantifiable, or which does not fulfil the threshold specified in (i) above, but the outcome of which could, nonetheless, have a material adverse effect on the position, business, operations, prospects or reputation of our Bank*

shall be considered "material" and accordingly have been disclosed in this Prospectus.

For the purposes of the above, pre-litigation notices received by our Bank, our Directors or our Promoter from third parties (excluding those notices issued by statutory/regulatory/tax authorities or notices threatening criminal action) have not and shall not, unless otherwise decided by the Board, be considered as litigation until such time that any of our Bank, Directors or Promoter, as the case may be, is impleaded as a defendant in litigation before any judicial/arbitral forum or governmental authority.

Further, creditors of our Bank to whom dues owed by our Bank exceed 5% of our Bank's total dues owed to creditors as of the end of the most recent period covered in the Restated Financial Information, would be considered as material creditors.

Unless stated to the contrary, the information provided below is as of the date of this Prospectus.

All terms defined in a particular litigation disclosure below are for that particular litigation only.

A. Litigation proceedings involving our Bank

I. Litigation proceedings initiated against our Bank

- (a) Criminal proceedings

Except as disclosed below, as on the date of this Prospectus, there are no other criminal proceedings pending against our Bank:

Sr. No.	Petition / Application Number	Party(ies) to the Petition/ Application (“Complainant(s)”)	Forum	Brief description and present status of the case
1.	Criminal Revision Petition no. 330/17	Ms. Geetha Ramachandran	The High Court of Kerala	<p>Our Bank dismissed the Complainant from its services on August 31, 2006 after making a due inquiry as she granted loans in violation of the instructions of our Bank. The aggregate amount of loan granted by the Complainant as per the chargesheet dated October 25, 2005 issued by our Bank to the Complainant is ₹ 21.95 million.</p> <p>The Complainant filed a complaint before the Kerala Women’s Commission on December 18, 2007. The Kerala Women’s Commission found out that all the charges levelled against the Complainant are baseless and this was quashed by the order of Kerala High Court dated May 24, 2010 on the ground that the Kerala Women’ Commission was not having any jurisdiction in the said matter. On the basis of the aforementioned order, the Complainant again approached the then board of directors of our Bank on June 7, 2010 to reinstate her, which was declined by them.</p> <p>Further, a civil suit dated August 20, 2013 was filed by the Complainant for recovery of ₹ 3.56 million on the ground of her illegal termination from the services of our Bank. The matter was rejected for non-payment of court fee.</p> <p>Further, a criminal complaint no. 611/2014 was filed by the Complainant before the Chief Judicial Magistrate, Thrissur against the then chairman of our Bank, Mr. Santhanakrishnan.</p> <p>The Complainant alleged that Mr. Santhanakrishnan committed an offence under Section 417 of IPC and punishable under Section 420 of IPC by not reinstating her in the services of our Bank, despite being assured to be reinstated in case the loans granted in her capacity as branch manager are recovered back by her. The criminal complaint no. 611/2014 was dismissed by the Chief Judicial Magistrate, Thrissur on July 26, 2016. Subsequently, a Criminal Revision Petition no. 330/2017 was filed before the High Court of Kerala by the Complainant against the said order of the court of Chief Judicial Magistrate, Thrissur on December 15, 2016. Matter is pending before the High Court of Kerala.</p> <p>Further, the Complainant vide a letter dated December 16, 2018 submitted to the Centralized Public Grievance Redress And Monitoring System, requested to settle the matter and reconsider the decision. Matter is pending at the Centralized Public Grievance Redress and Monitoring System.</p>
2.	Criminal complaint no. 143/03	Mr. K.M. Johny	The Court of Judicial Magistrate of First Class, Pimpri at Pune	<p>The Complainant filed a criminal complaint on November 29, 2002 before the court of Judicial Magistrate of First Class, Pimpri at Pune against our Bank, the then branch manager of the Pune branch of our Bank, Mr. T.J. Thomas, the then assistant manager of the Pune branch of our Bank, Mr. P.M. Joseph and Shalakra Enterprises. The Complainant alleged that based on a forged application for sanction of a loan, our Bank had sanctioned a loan of ₹ 2.6 million on December 28, 2001 in the name of Rini Engineers, of which the Complainant is the proprietor, without the knowledge of the Complainant and transferred the proceeds of the loan to Shalakra Enterprises by fabricating the documents causing</p>

				wrongful loss to the Complainant. Further, our Bank filed an application on August 28, 2003 to call back the process issued against it and to grant suitable costs to our Bank. Matter is pending before the court of Judicial Magistrate of First Class, Pimpri at Pune.
3.	Criminal Miscellaneous Petition no. 6087/2019	Mr. K.M. Johny	The Court of Judicial Magistrate of First Class, Chalakudy	The Complainant filed a criminal complaint on July 4, 2019 before the court of Judicial Magistrate of First Class at Chalakudy, Kerala against the branch manager of Irinjalakuda branch, Chairman, General Manager of our Bank and branch manager of Pune branch to take cognizance under Section 294(b), 323, 387, 420, 406, 467, 471 and 506(2) of IPC and grant such other reliefs which are deemed fit and proper in the interest of justice and equity of law. The Complainant alleged that the bank officials had fabricated some loan documents to wrongfully retain the original title deed of the wife’s property and to cause wrongful loss to the Complainant. The Complainant also alleged that the bank officials acted with ulterior motives using obscene words against him causing hurt and gave death threat to him. The court on hearing the Complainant forwarded the matter u/s 156(3) of Code of Criminal Procedure, 1973 to Station House Officer, Chalakudy for investigation. Subsequently, on receipt of the direction, Chalakudy police initiated the investigation by registering FIR no. 0587/2019 dated July 5, 2019. The matter is currently pending for investigation.
4.	Criminal complaint no. c-840/Rd/DIG/UT	Mr. Parvesh Sharma, Mr. Jatinder, Mr. Pankaj Kumar, and Mr. Manpreet Singh	Police Complaint, the Economic Offences Wing, Chandigarh Police	The Complainants filed a criminal complaint against our Bank officials on September 14, 2015 before the Deputy Inspector General of Police, Chandigarh for the involvement of our Bank officials in alleged cheating and fraud. The Complainants alleged that our Bank officials, on the pretext of granting loan to the Complainants at lower rates, fraudulently obtained cheques and other documents in relation to the loan. The Complainants prayed for the investigation of the fraud committed by our Bank officials. Subsequently, Mr. CR Sebastian, the then branch manager of our Bank, filed a FIR dated November 20, 2017 against the Complainants for selling the secured properties without the permission of our Bank. Mr. Parvesh Sharma and Mr. Pankaj Kumar filed a petition for quashing of the FIR on November 20, 2017 (Criminal complaint no. 9579/18) and on December 12, 2018 (Criminal complaint no. 52886/18 respectively). The matter is currently pending for investigation.
5.	Criminal complaint no. 7623/2017	Mr. Jaspreet Singh	Police Complaint before the Senior Superintendent of Police, Chandigarh	The Complainant filed a criminal complaint against our Bank officials on May 30, 2017 before the Senior Superintendent of Police, Chandigarh for cheating and forging the loan document of the Complainant and causing wrongful loss to him. The Complainant alleged that our Bank officials, on the pretext of granting loan to the Complainant took loan disbursement documents, signed cheques and other papers from the Complainant and when the loan could not be processed, the Complainant requested the branch manager of our Bank to return the documents and signed cheques. However, the branch manager assured that the loan will be disbursed soon and did not return the documents. Subsequently, the officials of our Bank demanded repayment

6.	FIR no. 0119 dated August 25, 2018	Mr. Manjinder Singh Brar	Police Complaint before the Senior Superintendent of Police Office, Kharar	The Complainant lodged a FIR against the concerned manager of our Sector 34, Chandigarh branch. The Complainant alleged that the concerned manager and recovery officer in order to take the possession of the scheduled property harassed the complainant. The complainant claimed that the scheduled property belongs to his mother and was not mortgaged in favour of the loan taken by Gagandeep Singh who failed to repay the loan taken from our Bank. The matter is currently pending.
7.	Criminal Complaint no. 533/19	Mr. Ricky Chhabra	High Court of Punjab and Haryana, Chandigarh	The Complainant availed a term loan and mortgage loan from our Bank by creating an equitable mortgage of property. Further, the complainant failed to pay the monthly installment and subsequently the account turned into NPA and proceedings under the SARFAESI Act were initiated. Subsequently, on valuation of the mortgaged property, it was found out that the complainant has sold the mortgaged property. FIR was filed by our Bank against the complainant for commission of fraud. The Complainant filed the present petition under Section 483 of the Code of Criminal Procedure, 1973 for anticipatory bail.
8.	FIR no. 2473/18	Former employee of our Bank	Superintendent of Police, Central Police Station, Ernakuam	The Complainant was terminated from the services of our Bank on November 3, 2018 by way of discharge simpliciter. Further, the Complainant lodged a FIR against the employee of our Bank under Section 354 and 354A of IPC on November 14, 2018. Subsequently, the Complainant also made a representation before the Minister of Labour and Excise, Kerala alleging that our Bank did not constitute an internal committee as required under the Sexual harassment of women at workplace (Prevention, Prohibition and Redressal) Act, 2013. Subsequently, our Bank received a letter from Chief Minister’s office on January 18, 2019 to enquire into the allegation made by the Complainant. Our Bank is in the process of filing a reply to the same. In relation to this dispute, the Complainant also made a representation before the Regional Labour Commissioner (“RLC”), Kochi on December 20, 2018 against our Bank for reinstatement of her services. On March 13, 2019, the RLC, Kochi closed the matter as the Complainant was holding a managerial position, which does not come under the purview of Industrial Dispute Act, 1947.
9.	Criminal Miscellaneous Petition no. 3585/2006	Mr. Thomas Panjikkaran	The Chief Judicial Magistrate, Thrissur	Mr. Thomas Panjikkaran, a former shareholder of our Bank filed a criminal complaint before Chief Judicial Magistrate, Thrissur against Mr. R.P. Joshua, former chairman of our Bank, erstwhile company secretary of our Bank and others in relation to certain alleged irregularities in conduct of banking business including inadequate action against defaulters and failure to fix staff responsibility. Pursuant to the directions of Chief Judicial Magistrate, Thrissur the police investigation was conducted wherein it was observed that the nature of complaint was civil and there was no case for initiation of criminal proceedings. The Complainant filed a Criminal

				<p>Miscellaneous Petition no. 3585/2006 before the Chief Judicial Magistrate, Thrissur against the police investigation report and pursuant to an ex-parte order of the court an enquiry was directed in the matter. Subsequently, our Bank filed a criminal miscellaneous case no. 541/07, challenging the order of Chief Judicial Magistrate, Thrissur which was dismissed by the High Court on March 1, 2007. Seeking a direction to quash the complaint, our Bank filed a special leave petition (CrI. No. 1853/2007). The Complainant filed a writ petition (WP. no. 2168/2008) before the Kerala High Court without including our Bank as the party, wherein the court passed an order for completion of enquiry in the matter within two weeks from the date of the order.</p> <p>Subsequently, our Bank and one of the interested directors filed a writ appeal (WA no. 740/2008 and 741/2008 respectively) challenging the order passed in WP no. 2168/2008. The division bench of the High Court, in a common judgement, dated April 3, 2008 dismissed the appeals. Our Bank then filed a criminal miscellaneous petition in the ongoing special leave petition (CrI. MP no. 6813/2008) seeking for a stay on the order passed by the Kerala High Court which was granted on April 24, 2008. Our Bank also filed a Special Leave Petition (“SLP”) (SLP CrI. no. 4120/2008) before the Supreme Court against the judgement and order dated April 3, 2008 passed by the Kerala High Court in W.A Nos. 740/2008 and 741/2008. The Supreme court allowed both the SLPs (SLP CrI. No 1853/2007 and (SLP CrI. No 4120/2008) and numbered the criminal appeals as criminal appeal no. 1349/2010 and 1350/2010 respectively. Both the matters were heard together by the Supreme Court on July 26, 2018 and the appeals were allowed on same day by setting aside the orders passed by the Chief Judicial Magistrate, Thrissur and Kerala High Court and remitted back the matter (CMP 3585/2006) to the Chief Judicial Magistrate, Thrissur to consider the matter afresh as per the High Court orders. Accordingly, the Criminal Miscellaneous Petition no. 3585/2006 is now pending before the Chief Judicial Magistrate, Thrissur for consideration.</p>

The Petitioner alleged that he was not paid overtime wages by the Contractor and lodged a complaint before RLC (Central) on March 22, 2013 for non-payment of overtime wages. The Petitioner was transferred from our Bank’s ATM counter in Aswini Junction, Patturaikkal. Further, our Bank denied the request of the Petitioner to reinstate him at the ATM counter in Ashwini Junction, Patturaikkal. Subsequently, the Petitioner challenged the action of our Bank and the Contractor before CGIT, Ernakulam.	CGIT, Ernakulam.
5.	ID 118/2018	CGIT, Delhi - 1	Mr. Devesh Kumar	The Petitioner had filed an application before CGIT, Delhi-1 dated January 18, 2019 challenging the termination of his service by our Bank due to abandonment of his service. The Tis Hazari Court, Delhi on October 15, 2011, passed an order for the judicial custody of the petitioner with respect to the ongoing dispute with the petitioner’s wife. Due to the judicial custody, the petitioner was not able to continue his service in our Bank for thirteen months. After the release from the judicial custody, the petitioner wanted to resume his services with our Bank. Our Bank issued a letter dated March 20, 2013 to the petitioner stating that he will be deemed to have voluntarily retired if he fails to resume the duty within 30 days from the date of the letter. Further, the petitioner alleged that our Bank has sent a letter dated March 20, 2013 on the old mailing address of the petitioner even after being aware about the change in address. Aggrieved by the action of our Bank, the petitioner approached the ALC, Delhi alleging illegal termination of his services. Further, the case was referred to the present forum. 2. Notices issued by Regulatory authorities

A show cause notice dated July 15, 2019 was issued to our Bank by the director, Financial Intelligence Unit- India (“**FIU-IND**”) under Section 13 of PMLA for alleged non – compliance with the provisions of Section 12 of PMLA. The show cause notice alleged that on the analysis of the Cross Border Wire Transfers (“**CBWTRs**”)/ Electronic fund transfers (“**EFTs**”) of our Bank and validation made by FIU-IND at a system level between April 1, 2014 till December 31, 2018, deficiencies were revealed in respect of CBWTRs filed by our Bank for 36,394 reportable transactions.

It was alleged that the CBWTRs reported by our Bank lacked complete information in respect of the 36,394 CBWTRs that originated or concluded in India and our Bank had also failed to furnish the complete information in the prescribed format, indicating the failure of our Bank to have an effective internal mechanism in place in terms of guidelines issued under PMLA. Accordingly, our Bank was called upon to show cause within 15 days of the receipt of the said notice as to why suitable directions including imposition of penalty should not be passed against our Bank under Section 13 of PMLA read with Section 12 (1) (a) and (b) of PMLA and Rules 3(1) (E), 7(2) and 7(4) of the Prevention of Money-laundering (Receipt and Management of Confiscated Properties) Rules, 2005, as amended (“**PML Rules, 2005**”) for the non-compliance with Section 12(1) (a) and (b) of PMLA read with rule 3(1) (E), 7(2) and 7(4) of the PML Rules, 2005, *i.e.*, alleged failure of our Bank to furnish complete information in the CBWTRs filed and the non compliance made under Section 12(1)(a) and (b) of PMLA read with Rule 5(2) and 7(3) of the PML Rules, 2005 *i.e.* alleged failure of our Bank to evolve an effective internal mechanism to detect and report to the director, FIU-IND, the complete information in respect of all CBWTRs of the value of more than ₹ 0.50 million or its equivalent in foreign currency where, either the origin or destination of the fund is in India.

Subsequently, our Bank submitted its reply to the said show cause notice on August 1, 2019, stating that the exercise of submission of data and mode and perfection of data was only in its evolving stage with lot of operational gaps. Sample reports were thus submitted by our Bank to FIU-IND for their expert scrutiny through emails dated February 2, 2015 and January 15, 2016 as part of format finalisation and data upload. It was mentioned in the reply emails sent by FIU-IND helpdesk that the formats are correct. The format and data forwarded to FIU-IND as part of CBWTR till May 2019 was based on the email confirmations from FIU-IND and in the absence of any further communication on the data discrepancy from FIU-IND, the format was confirmed to be final and followed. Another discrepancy highlighted in the show cause notice with regards to the submission of reports under two names viz ‘Catholic Syrian Bank’ and ‘Catholic Syrian Bank Ltd’ were typographical errors and had since been rectified to ‘CSB Bank Ltd’ based on the receipt of approval for change of name. Further, post the receipt of the said show cause notice, the major discrepancies that were pointed out were rectified immediately and a report in the renewed format for the month of June 2019 was submitted to FIU-IND for their review. In relation to the alleged failure on part of our Bank to evolve an effective internal mechanism to detect and report CBWTRs to the director, FIU-IND, our Bank stated that there is no failure on its part and it had already developed an internal software program in 2015 itself taking the compliance point in its due seriousness. The only defect pointed out in the said show cause notice was the incompleteness of the report which was rectified to a great extent and the report for June 2019 was submitted accordingly. Our Bank had further beefed up the staff position with addition of well experienced hands and imminent purchase of an external software with sophisticated features from a leading software vendor. Considering the above factual circumstances, our Bank requested to take a lenient view and drop all other further proceedings as per the show cause notice, especially considering the evolving nature of data submission. Further, our Bank requested for grant of 30 day’s time

to cleanse the data for resubmission of reports to FIU-IND as part of the reporting obligation and also to grant an opportunity for personal hearing. Our Bank still awaits reply from FIU-IND on the said request.

(c) Other pending proceedings:

Except as disclosed below, as on the date of this Prospectus, there are no other civil proceedings pending against our Bank, which have been considered material by our Bank in accordance with the Materiality Policy:

(1) Civil proceeding:

Mr. Abdul Samad, proprietor of Flying King Export and Import Company (the “**Customer**”), exporters of Indian natural granites, had a current account with the Thumpamon branch of our Bank. The Customer approached Palm Link (the “**Plaintiff**”) for arranging a stand by letter of credit (“**SBLC**”) to the extent of USD 100 million for the purpose of supply of granites. In connection with this transaction, at the request of the Customer, our Bank issued a letter dated June 16, 2012 to the Plaintiff confirming that the Customer had issued a standing instruction to pay 15% of the SBLC amount as commission to the Plaintiff on receipt of the SBLC funds. The Plaintiff alleged that based on the above requests and agreement entered into with the Customer dated June 18, 2012, the Plaintiff arranged for SBLC of USD 25 million from the City Commercial Bank, New Zealand. Further, the Plaintiff sought our Bank’s confirmation for the acceptance of the balance USD 75 million. Even after informing the Customer, he neither accepted the SBLC of USD 25 million nor responded to the Plaintiff’s request of sending the SBLC for the balance against the Customer and our Bank for an amount of USD 75 million. Further, the Plaintiff issued a notice dated November 6, 2012 informing our Bank that in absence of confirmation for acceptance of SBLC, the Plaintiff will cancel the arrangement and hold our Bank liable for cost and commission payment of 15% of USD 25 million. The Plaintiff stated that the undertaking of our Bank would amount to guarantee. Therefore, the Plaintiff preferred a plaint under Order VII Rule I of the Civil Procedure Code, 1908 before the court of Sub-judge at Thrissur on May 23, 2016 claiming an amount of ₹ 201.04 million together with interest at the rate of 18% from the date of the plaint, aggregating to ₹ 300.55 million, being the 15% commission amount on USD 25 million along with interest. The case is pending before the court of Sub-judge, Thrissur.

(c) **NCLT Proceedings:**

1. State Bank of India filed an application under Section 7 of the IBC, 2016 before NCLT, Principal Bench at New Delhi, for initiation of corporate insolvency resolution process ("**CIRP**") against Surya Pharmaceutical Limited. In furtherance of the application, CIRP was initiated pursuant to an order passed by the NCLT, New Delhi bench dated October 8, 2018 and moratorium was put in effect. The resolution professional filed an application on July 3, 2019 before NCLT, New Delhi Bench for a direction, inter alia, to liquidate Surya Pharmaceutical Limited and the NCLT, New Delhi Bench approved the liquidation vide order dated August 9, 2019. Our Bank being a financial creditor filed the proof of its claim before the liquidator for an amount of ₹ 1573.78 million on September 21, 2019. The liquidator has published an e-auction sale notice dated November 7, 2019 for sale of assets owned by Surya Pharmaceutical Limited on December 2, 2019. Further, an original application dated May 22, 2014 was also filed by our Bank against Surya Pharmaceutical Limited. For further details, see serial no. 1 of recovery proceedings on page 548.
2. Unity Infraprojects Limited filed an application under Section 10 of the IBC, 2016 to initiate corporate insolvency resolution process ("**CIRP**") against itself. The application was admitted vide an order of the NCLT, Mumbai Bench dated June 20, 2017 and a moratorium was put in effect from the date of the order. The resolution professional filed application on March 21, 2018 under Section 33(1) of the IBC, 2016 as no resolution plans, that were received by the resolution professional till the last date of the extended moratorium, i.e., March 16, 2018 praying for liquidation and other reliefs could be approved by the committee of creditors. Our Bank, being a financial creditor, had filed a proof of its claim for an amount of ₹ 897.22 million on July 4, 2017. Further, NCLT, Mumbai Bench through its order dated December 19, 2018 directed the resolution professional to put the last resolution plan dated February 27, 2018 submitted jointly by Phoenix ARC Private Limited and First Global Finance Private Limited before the committee of creditors. Subsequently, the committee of creditors rejected the resolution plan and as no resolution plan was approved within the stipulated time, it authorized the resolution professional to file an application for liquidation on February 8, 2019. The liquidation application was heard and the NCLT, Mumbai Bench had reserved the order that is yet to be pronounced. The resolution professional filed a Company Appeal (AT) (Insolvency) No. 1030 of 2019 before NCLAT, New Delhi for expeditious disposal of the liquidation application, however, the aforesaid appeal was disposed-of by NCLAT, New Delhi vide an order dated October 15, 2019. Simultaneously, SBI, the leader bank has filed an original application before DRT, New Delhi on March 15, 2018 invoking the personal and corporate guarantee against directors/ promoters and associate/ subsidiaries and group companies of the borrower in the account of Unity Infra Projects and our Bank being one of the lenders has been made a pro forma defendant in the original application. The said proceedings are pending before DRT, New Delhi.
3. Andhra Bank filed an application under Section 7 of the IBC, 2016 before NCLT, Mumbai Bench for initiation of corporate insolvency resolution process ("**CIRP**") against Sterling Biotech Limited. In furtherance of the application, CIRP was initiated pursuant to an order passed by the NCLT, Mumbai Bench dated June 11, 2018. Our Bank, being a financial creditor, had filed a proof of its claim for an amount of ₹ 259.34 million on June 7, 2018. Thereafter, a one-time settlement offer was made by the promoters of Sterling Biotech Limited and subsequently, an application was filed by Andhra Bank for withdrawal of CIRP. The committee of creditors approved the withdrawal of CIRP with requisite majority. Further, NCLT, Mumbai Bench disallowed the withdrawal of the proceedings and passed an order for liquidation of the Sterling Biotech Limited on May 8, 2019 as no resolution plan was approved despite completion of the CIRP period. The liquidation was stayed by NCLAT, New Delhi on May 30, 2019. NCLAT, New Delhi has vide order dated August 28, 2019 set aside the liquidation order passed by NCLT, Mumbai Bench. NCLAT,

New Delhi vide its order dated November 18, 2019 further clarified that if the order dated August 28, 2019 passed by it in terms of Section 12A of the IBC, 2016 is not given effect within a period of thirty days from the date of the order dated November 18, 2019, in such case the order of NCLAT, New Delhi Bench dated August 28, 2019 shall stand recalled and the liquidation order dated May 8, 2019 passed by NCLT, Mumbai Bench shall stand restored. In this matter, an original application (L) no. 254/2018 dated April 13, 2018 was also filed by Andhra Bank and other parties, including our Bank, invoking personal guarantee of Mr. Nitin Sandesara and Mr. Chetan Sandesara (directors of Sterling Biotech Limited). This matter is currently pending.

4. Peter Beck & Partners and Culross Opportunities SP, debenture holders of Sharon Bio Medicine Limited filed an application under Section 7 of the IBC, 2016 before NCLT, Mumbai Bench for initiation of corporate insolvency resolution process (“CIRP”) against Sharon Bio Medicine Limited. In furtherance of the application, CIRP was initiated pursuant to an order passed by the NCLT, Mumbai Bench dated April 11, 2017. Our Bank, being a financial creditor, had filed a proof of its claim for an amount of ₹ 92.69 million on May 8, 2017. A resolution plan submitted by Peter Beg and Partners was approved by the committee of creditors and an order to that effect was passed by the NCLT, Mumbai Bench on February 28, 2018. Mr. Lalit Mishra and, promoters of Sharon Bio Medicine Limited and others filed an appeal in NCLAT against the NCLT, Mumbai Bench order dated February 28, 2018. The NCLAT through its order dated December 19, 2018 dismissed the appeal filed by the promoters against the resolution plan. The resolution plan is awaiting implementation.
5. M. R. Ventures filed an application under Section 7 of the IBC, 2016 before NCLT, Chennai Bench for initiation of corporate insolvency resolution process (“CIRP”) against Royal Splendour Developers Private Limited. In furtherance of the application, CIRP was initiated pursuant to an order passed by NCLT, Chennai bench dated December 4, 2017. Our Bank, being a financial creditor, had filed a proof of its claim for an amount of ₹ 64.92 million on February 22, 2018. A resolution plan dated October 8, 2018 submitted by the resolution applicant was placed before the committee of creditors on November 17, 2018 and the same was put to vote. Subsequently, the resolution plan was submitted to NCLT, Chennai Bench for consideration. Meanwhile the Resolution Professional moved an application for extension of CIRP period by 90 days from August 6, 2019 which was allowed by the NCLT, Chennai Bench vide order dated August 22, 2019. The CIRP period was extended for 90 days from August 6, 2019. A resolution plan was submitted by Jain Housing & Construction Limited which was voted in favour by the committee of creditors in the meeting held on October 30, 2019. The matter is currently pending before NCLT, Chennai Bench. Further, an original application dated July 31, 2017 was filed by our Bank against Royal Splendour Developers Private Limited. (a) Criminal proceedings

1. Mr. Madhavan Karunakaran Menon

- a) Mr. Bijan Kumar Mitra (the “**Complainant**”) registered an FIR bearing no. 44 of 2019 on March 2, 2019 at Rabindra Sarobor Police Station, Kolkata against Mr. Madhavan Karunakaran Menon and two employees of

Thomas Cook (India) Limited (the “**Company**”), alleging commission of offences under Sections 406, 420 and 120B of the IPC. The Complainant has alleged that the Company had failed to refund the initial booking amount after cancellation of the tour by the Complainant, and therefore the Company is liable to be prosecuted. The Company had arrived at an amicable settlement with the Complainant and refunded the amount, and the same was acknowledged by the Complainant. The Complainant has requested the concerned police officer to withdraw his complaint against Mr. Madhavan Karunakaran Menon and employees of the Company. The Company is in the process of closing the matter before the concerned Police Officer.

- b) Mr. Ajay Kumar Singhania (the “**Complainant**”) registered an FIR bearing no. 279 of 2018 on October 14, 2018 at Posta Police Station, Kolkata, against Mr. Madhavan Karunakaran Menon and 14 others, employees of Sterling Holiday Resorts Limited (“**SHRL**”), alleging commission of offences under Sections 406, 420 and 120B of the IPC. The Complainant alleged that SHRL had failed to provide holiday to the Complainant in Corbett Resort, neither constructed the Corbett Resort till date nor refunded the amount of ₹ 0.06 million with interest of ₹ 2.52 million. Subsequently, SHRL filed a petition for quashing the FIR under Section 482 of the Code of Criminal Procedure, 1973 in the Calcutta High Court. Further, the Calcutta High Court stayed the proceedings of the lower court and restrained the Police from taking any coercive action against the directors and employees of SHRL.
- c) Metropolitan Magistrate, Kolkata issued a summon in a complaint registered by Mr. Nirmala Devi Singhania under Section 200 of the Code of Criminal Procedure, 1973 against Mr. Madhavan Karunakaran Menon and 13 others of SHRL alleging commission of offences under Sections 406, 417, 418, 420 and 120B of the IPC. Mr. Nirmala Devi Singhania has alleged that SHRL has failed to adjust an amount of ₹ 0.03 million with interest of ₹ 0.76 million against the arrangement which was done in the years 2000 and 2003 respectively. SHRL filed a quashing petition before the Calcutta High Court and thereafter, the proceedings of the Metropolitan Magistrate Court, Kolkata was put on a stay by the Calcutta High Court.

5. Material approvals relating to our branches

Pursuant to RBI circular no. DBOD.No.BAPD.BC.54/22.01.001/2013-14 dated September 19, 2013, domestic scheduled commercial banks (other than RRBs) are permitted to open branches in Tier 2 to Tier 6 centres and in the rural semi-urban and urban centres in northern states and Sikkim, without any permission from RBI in each case, subject to certain conditions. The general permission has been extended to branches in Tier 1 centres as well, subject to fulfilment of criteria laid down under the circular.

There are certain restrictions on our Bank on opening of branches. For details in relation to the same, see “*Risk Factor – We are required to obtain prior permission from RBI to open new branches.*” on page 45.

As of the date of this Prospectus, our presence is spread across 16 states and four union territories. Our top 25 branches are located in five states and two union territories on the basis of their business contribution (advances and deposits). Further, out of the remaining 11 states and two union territories, top one branch has been identified from each of these remaining states and union territories on the basis of their business contribution (advances and deposits) (“**Material Branches**”). 10. Investment approvals

In accordance with the Banking Regulations Act, the applicable FDI policy, directions issued by RBI from time to time and applicable law, approvals from the DFS, the *erstwhile* FIPB and RBI have been obtained for issuance of equity shares, from time to time. Further, the DFS, by its letter dated October 9, 2018, provided its approval to our Bank for increasing its FDI limits to 74% of its paid up share capital and the RBI, by its letter dated July 12, 2018, provided its approval for acquisition by FIHM of up to 51% of the post-Offer paid-up share capital of our Bank. Our Bank, through letters dated April 18, 2019 and May 7, 2019, had requested the DFS to amend the approval granted by the *erstwhile* FIPB and the aforementioned approval from DFS and to permit the foreign investment in our Bank, subject to applicable law, of up to 74% of the paid up capital of our Bank, without any monetary investment limit. In addition to the above, our Bank through its letter dated September 7, 2019 had requested the DFS to grant our Bank an approval to raise an additional amount of ₹ 30,000 million from all type of non-resident investors apart from the amount already raised, for the proposed Offer and any future fund raising in our Bank in the form of QIP or preferential issue or any other permitted mode of fund raising in terms of the provisions of the Companies Act, 2013 and SEBI ICDR Regulations. Pursuant to which, the DFS by its letter dated October 30, 2019, subject to certain terms and conditions, granted its approval to raise additional share capital of up to a maximum of ₹ 30,000 million, including premium such that the composite foreign shareholding in our Bank, inclusive of all types of foreign investments, both direct and indirect, shall not exceed 74% of the enhanced paid up capital of our Bank.

For further details of such approvals, see “*Capital Structure - Share Capital History of our Bank*” beginning on page 75.

Prohibition by SEBI or other Governmental Authorities

Our Bank, Promoter, members of the Promoter Group, persons in control of the Promoter, the Selling Shareholders, our Directors and the persons in control of our Bank are not prohibited from accessing the capital markets or debarred from buying, selling or dealing in securities under any order or direction passed by SEBI or any securities market regulator in any jurisdiction or any other authority/court.

Compliance with the Companies (Significant Beneficial Ownership) Rules, 2018

Our Bank, Promoter, members of the Promoter Group and the Selling Shareholders are in compliance with the Companies (Significant Beneficial Ownership) Rules, 2018.

Directors associated with the securities market

None of our Directors are, in any manner, associated with the securities market and there is no outstanding action initiated by SEBI against the Directors of our Bank in the past five years preceding the date of this Prospectus.

Eligibility for the Offer

Our Bank is eligible for this Offer in accordance with the Regulation 6(2) of the SEBI ICDR Regulations, which states as follows:

“An issuer not satisfying the condition stipulated in sub-regulation (1) shall be eligible to make an initial public offer only if the issue is made through the book-building process and the issuer undertakes to allot at least seventy five per cent of the net offer to qualified institutional buyers and to refund the full subscription money if it fails to do so.”

Since our Bank does not satisfy the conditions specified in Regulation 6(1) of the SEBI ICDR Regulations, we are required to allot at least 75% of the Offer to QIBs to meet the conditions specified under Regulation 6(2) of the SEBI ICDR Regulations. In the event we fail to do so, the full application monies shall be refunded to the Bidders, in accordance with the SEBI ICDR Regulations.

Our Bank confirms that it is in compliance with the conditions specified in Regulation 7(1) of the SEBI ICDR Regulations, to the extent applicable, and will ensure compliance with the conditions specified in Regulation 7(2) of the SEBI ICDR Regulations, to the extent applicable.

Further, our Bank confirms that it is not ineligible to make the Offer in terms of Regulation 5 of the SEBI ICDR Regulations, to the extent applicable. The details of our compliance with Regulation 5 of the SEBI ICDR Regulations are as follows:

- (a) Our Bank, Promoter, members of the Promoter Group, the Selling Shareholders or our Directors are not debarred from accessing the capital markets by the SEBI.
- (b) Neither our Promoter nor Directors are promoters or directors of companies which are debarred from accessing the capital markets by the SEBI.
- (c) Our Bank, Promoter or Directors are not wilful defaulters.

- (d) None of our Directors has been declared a fugitive economic offender (in accordance with the Fugitive Economic Offenders Act, 2018).
- (e) There are no outstanding warrants, options or rights to convert debentures, loans or other instruments convertible into, or which would entitle any person any option to receive Equity Shares, as on the date of this Prospectus.

The Selling Shareholders confirm that they are in compliance with Regulation 8 of the SEBI ICDR Regulations.

DISCLAIMER CLAUSE OF SEBI

IT IS TO BE DISTINCTLY UNDERSTOOD THAT SUBMISSION OF THE DRAFT RED HERRING PROSPECTUS TO SEBI SHOULD NOT, IN ANY WAY, BE DEEMED OR CONSTRUED THAT THE SAME HAS BEEN CLEARED OR APPROVED BY SEBI. SEBI DOES NOT TAKE ANY RESPONSIBILITY EITHER FOR THE FINANCIAL SOUNDNESS OF ANY SCHEME OR THE PROJECT FOR WHICH THE OFFER IS PROPOSED TO BE MADE OR FOR THE CORRECTNESS OF THE STATEMENTS MADE OR OPINIONS EXPRESSED IN THE DRAFT RED HERRING PROSPECTUS. THE BRLMS HAVE CERTIFIED THAT THE DISCLOSURES MADE IN THE DRAFT RED HERRING PROSPECTUS ARE GENERALLY ADEQUATE AND ARE IN CONFORMITY WITH THE SECURITIES AND EXCHANGE BOARD OF INDIA (ISSUE OF CAPITAL AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2018. THIS REQUIREMENT IS TO FACILITATE INVESTORS TO TAKE AN INFORMED DECISION FOR MAKING AN INVESTMENT IN THE PROPOSED OFFER.

IT SHOULD ALSO BE CLEARLY UNDERSTOOD THAT WHILE THE BANK IS PRIMARILY RESPONSIBLE FOR THE CORRECTNESS, ADEQUACY AND DISCLOSURE OF ALL RELEVANT INFORMATION IN THE DRAFT RED HERRING PROSPECTUS, THE BRLMS ARE EXPECTED TO EXERCISE DUE DILIGENCE TO ENSURE THAT THE BANK AND THE SELLING SHAREHOLDERS DISCHARGE THEIR RESPONSIBILITY ADEQUATELY IN THIS BEHALF AND TOWARDS THIS PURPOSE, THE BRLMS, AXIS CAPITAL LIMITED AND IIFL SECURITIES LIMITED HAVE FURNISHED TO SEBI, A DUE DILIGENCE CERTIFICATE DATED AUGUST 9, 2019 IN THE FORMAT PRESCRIBED UNDER SCHEDULE V(A) OF THE SECURITIES AND EXCHANGE BOARD OF INDIA (ISSUE OF CAPITAL AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2018.

THE FILING OF THE DRAFT RED HERRING PROSPECTUS DOES NOT, HOWEVER, ABSOLVE THE BANK FROM ANY LIABILITIES UNDER THE COMPANIES ACT, 2013 OR FROM THE REQUIREMENT OF OBTAINING SUCH STATUTORY AND/OR OTHER CLEARANCES AS MAY BE REQUIRED FOR THE PURPOSE OF THE OFFER. SEBI FURTHER RESERVES THE RIGHT TO TAKE UP, AT ANY POINT OF TIME, WITH THE BRLMS, ANY IRREGULARITIES OR LAPSES IN THE DRAFT RED HERRING PROSPECTUS.

Disclaimer from our Bank, the Selling Shareholders and the BRLMs

Bidders will be required to confirm and will be deemed to have represented to our Bank, the Selling Shareholders, Underwriters and their respective directors, officers, agents, affiliates, and representatives that they are eligible under all applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares and will not issue, sell, pledge, or transfer the Equity Shares to any person who is not eligible under any applicable laws, rules, regulations, guidelines and approvals to acquire the Equity Shares. Our Bank, the Selling Shareholders, Underwriters and their respective directors, officers, agents, affiliates, and representatives accept no responsibility or liability for advising any investor on whether such investor is eligible to acquire the Equity Shares.

The BRLMs and their respective associates and affiliates may engage in transactions with, and perform services for, our Bank, the Selling Shareholders and their respective group companies, affiliates or associates or third parties in the ordinary course of business and have engaged, or may in the future engage, in commercial banking and investment banking transactions with our Bank, the Selling Shareholders and their respective group companies, affiliates or associates or third parties, for which they have received, and may in the future receive, compensation.

Disclaimer in respect of Jurisdiction

The Offer was made in India to persons resident in India (including Indian nationals resident in India who are competent to contract under the Indian Contract Act, 1872, HUFs, companies, corporate bodies and societies registered under the applicable laws in India and authorised to invest in shares, Mutual Funds registered with the SEBI, Indian financial institutions, commercial banks, regional rural banks, co-operative banks (subject to RBI permission), or trusts under applicable trust law and who were authorised under their constitution to hold and invest in shares, permitted insurance companies and pension funds, insurance funds set up and managed by the army and navy and insurance funds set up and managed by the Department of Posts, India and systemically important non banking financial companies) and permitted Non-Residents including FPIs and Eligible NRIs, AIFs and other eligible foreign investors, if any, provided that they were eligible under all applicable laws and regulations to purchase the Equity Shares.

The Draft Red Herring Prospectus did not constitute an offer to sell or an invitation to subscribe for Equity Shares offered hereby in any jurisdiction other than India to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Invitations to subscribe to or purchase the Equity Shares in the Offer were made only pursuant to the Red Herring Prospectus if the recipient was in India or the preliminary offering memorandum for the Offer, which comprised the Red Herring Prospectus and the preliminary international wrap for the Offer, if the recipient was outside India. Any person into whose possession the Red Herring Prospectus came or this Prospectus comes is required to inform himself or herself about, and to observe, any such restrictions. Any dispute arising out of this Issue will be subject to the jurisdiction of appropriate court(s) in Mumbai, India only.

No action has been, or will be, taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that the Draft Red Herring Prospectus has been filed with SEBI for its observations.

The Equity Shares have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold outside the United States in offshore transactions in reliance on Regulation S and applicable laws of the jurisdictions where such offers and sales are made.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Neither the delivery of the Red Herring Prospectus and this Prospectus nor any sale thereunder shall, under any circumstances, create any implication that there has been no change in the affairs of our Bank and the Selling Shareholders from the date hereof or that the information contained herein is correct as of any time subsequent to this date.

Stock market data of Equity Shares

This being an initial public offer of the Equity Shares of our Bank, the Equity Shares are not listed on any stock exchange.

Redressal of investor grievances

The agreement between the Registrar to the Offer, our Bank and the Selling Shareholders provides for retention of records with the Registrar to the Offer for a period of at least eight years from the last date of dispatch of the letters of allotment and demat credit to enable the investors to approach the Registrar to the Offer for redressal of their grievances.

All grievances in relation to the Bidding process may be addressed to the Registrar to the Offer with a copy to the relevant Designated Intermediary to whom the Bid cum Application Form was submitted. The Bidder should give full details such as name of the sole or First Bidder, Bid cum Application Form number, Bidder DP ID, Client ID, UPI ID, PAN, date of the submission of Bid cum Application Form, address of the Bidder, number of the Equity Shares applied for and the name and address of the Designated Intermediary where the Bid cum Application Form was submitted by the Bidder. Anchor Investors are required to address all grievances in relation to the Offer to the BRLMs.

Further, the Bidder shall also enclose a copy of the Acknowledgment Slip duly received from the concerned Designated Intermediary in addition to the information mentioned hereinabove.

The Registrar to the Offer shall obtain the required information from the SCSBs for addressing any clarifications or grievances of ASBA Bidders. Our Bank, the BRLMs and the Registrar to the Offer accept no responsibility for errors, omissions, commission or any acts of SCSBs including any defaults in complying with its obligations under applicable SEBI ICDR Regulations. Investors can contact the Compliance Officer or the Registrar to the Offer in case of any pre-Offer or post-Offer related problems such as non-receipt of letters of Allotment, non-credit of allotted Equity Shares in the respective beneficiary account, non-receipt of refund intimations and non-receipt of funds by electronic mode.

Our Bank shall obtain authentication on the SCORES and comply with the SEBI circular (CIR/OIAE/1/2013) dated April 17, 2013 in relation to redressal of investor grievances through SCORES.

Our Bank has also constituted a Stakeholders' Relationship Committee to review and redress the shareholders and investor grievances such as transfer of Equity Shares, non-recovery of balance payments, declared dividends,

approve subdivision, consolidation, transfer and issue of duplicate shares. For details, see “*Our Management - Stakeholders’ Relationship Committee*” beginning on page 221.

Our Bank has appointed Mr. Sijo Varghese, as the Company Secretary and Compliance Officer. For further details, see “*General Information – Company Secretary and Compliance Officer*” beginning on page 66.

Disposal of investor grievances by our Bank

Our Bank does not have any subsidiary. Further, our Bank estimates that the average time required by our Bank or the Registrar to the Offer or the relevant Designated Intermediary, for the redressal of routine investor grievances shall be 30 Working Days from the date of receipt of the complaint. In case of non-routine complaints and complaints where external agencies are involved, our Bank will seek to redress these complaints as expeditiously as possible.

Our Bank has not received any investor complaint during the three years preceding the date of this Prospectus. Further, no investor complaint in relation to our Bank is pending as on the date of filing of this Prospectus.

The Equity Shares have not been and will not be registered under the U.S. Securities Act or any state securities laws in the United States, and unless so registered, may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws. Accordingly, the Equity Shares are being offered and sold outside the United States in offshore transactions in reliance on Regulation S and applicable laws of the jurisdictions where such offers and sales are made.

SECTION VII: OFFER INFORMATION

TERMS OF THE OFFER

The Equity Shares being Allotted pursuant to this Offer are subject to the provisions of the Companies Act, the SCRA, SCRR, SEBI ICDR Regulations, the SEBI Listing Regulations, our Memorandum and Articles of Association, the Banking Regulation Act, the terms of the Red Herring Prospectus, this Prospectus, the Abridged Prospectus, the Bid cum Application Form, the Revision Form, CAN or the Allotment Advice and other terms and conditions as may be incorporated in the Allotment Advice and other documents or certificates that may be executed in respect of this Offer. The Equity Shares shall also be subject to all applicable laws, guidelines, rules, notifications and regulations relating to the offer of capital and listing and trading of securities offered from time to time by the SEBI, the GoI, the Stock Exchanges, the RoC, the RBI, and/or other authorities, as in force on the date of the Offer and to the extent applicable or such other conditions as may be prescribed by such governmental, regulatory or statutory authority while granting its approval for the Offer.

The Offer

The Offer consists of Fresh Issue and an offer for sale of the Equity Shares by the Selling Shareholders.

Offer expenses

The Offer-related expenses (excluding listing fees) shall be shared between our Bank and the Selling Shareholders in proportion of the Equity Shares to be offered by each of the Selling Shareholders and the Equity Shares allotted by our Bank respectively. For details, see “*Objects of the Offer*” beginning on page 98.

Ranking of the Equity Shares

The Equity Shares being Allotted in the Offer shall be subject to the provisions of the Companies Act, our Memorandum and Articles of Association and shall rank *pari passu* in all respects with the existing Equity Shares including rights in respect of voting, right to receive dividend and other corporate benefits if any, declared by our Bank after the date of Allotment. For details, see “*Main Provisions of the Articles of Association*” beginning on page 641.

Mode of Payment of Dividend

Our Bank shall pay dividends, if declared, to shareholders of our Bank as per the provisions of the Companies Act, 2013, our Memorandum and Articles, the Banking Regulation Act, the SEBI Listing Regulations and other applicable law. All dividends, if any, declared by our Bank after the date of Allotment, will be payable to the Bidders who have been Allotted Equity Shares in the Offer, for the entire year, in accordance with applicable law. For details in relation to dividends, see “*Dividend Policy*” and “*Main Provisions of the Articles of Association*” beginning on pages 236 and 641, respectively of this Prospectus.

Face Value and Offer Price

The face value of the Equity Shares is ₹ 10. The Floor Price of Equity Shares is ₹ 193 per Equity Share and the Cap Price is ₹ 195 per Equity Share. The Anchor Investor Offer Price is ₹ 195 per Equity Share. The Price Band, and minimum Bid Lot for the Offer was decided by our Bank, in consultation with BRLMs, and advertised in all editions of the English national daily newspaper Financial Express, all editions of the Hindi national daily newspaper Jansatta, and in all Kerala editions of the Malayalam daily newspaper Deepika (Malayalam being the regional language of Kerala wherein our Registered and Corporate Office is located), each with wide circulation, respectively, at least two Working Days prior to the Bid/ Offer Opening Date and was made available to the Stock Exchanges for the purpose of uploading on their websites. The Price Band, along with the relevant financial ratios calculated at the Floor Price and at the Cap Price, was pre-filled in the Bid cum Application Forms available at the websites of the Stock Exchanges. The Offer Price was determined by our Bank in consultation with the BRLMs, after the Bid/Offer Closing Date, on the basis of assessment of market demand for the Equity Shares offered by way of Book Building Process.

At any given point of time there shall be only one denomination for the Equity Shares.

Compliance with disclosure and accounting norms

Our Bank shall comply with all applicable disclosure and accounting norms as specified by SEBI from time to time.

Rights of the Equity Shareholders

Subject to applicable laws, rules, regulations and guidelines and the provisions of our Articles, the Shareholders of our Bank shall have the following rights:

- The right to receive dividend, if declared;
- The right to attend general meetings and exercise voting powers, unless prohibited by law;
- The right to vote on a poll either in person or by proxy or 'e-voting';
- The right to receive offers for rights shares and be allotted bonus shares, if announced;
- The right to receive any surplus on liquidation subject to any statutory and other preferential claims being satisfied;
- The right to freely transfer the Equity Shares, subject to the Banking Regulation Act, foreign exchange regulations and other applicable laws; and
- Such other rights, as may be available to a shareholder of a listed public company under applicable law, including the Companies Act, 2013, the Banking Regulation Act, the terms of the SEBI Listing Regulations, and our Memorandum and Articles.

For a detailed description of the main provisions of our Articles relating to voting rights, dividend, forfeiture and lien, transfer and transmission, and/ or consolidation/ splitting, see "*Main Provisions of the Articles of Association*" beginning on page 641.

Allotment of Equity Shares in dematerialised form

Pursuant to Section 29 of the Companies Act, 2013 and the SEBI ICDR Regulations, the Equity Shares shall be Allotted only in dematerialised form. Hence, the Equity Shares offered through the Red Herring Prospectus can be applied for in the dematerialised form only. Further, our Bank has entered into tripartite agreements with the respective Depositories and the Registrar to our Bank:

- Tripartite Agreement dated April 12, 2010 among NSDL, our Bank and the Registrar to our Bank.
- Tripartite Agreement dated March 20, 2003 among CDSL, our Bank and the Registrar to our Bank.

Market Lot and Trading Lot

Further, the trading of our Equity Shares on the Stock Exchanges shall only be in dematerialised form, consequent to which, the tradable lot is one Equity Share. Allotment of Equity Shares will be only in electronic form in multiples of 1 Equity Share, subject to a minimum Allotment of 75 Equity Shares.

Joint Holders

Subject to provisions contained in our Articles, where two or more persons are registered as the holders of any Equity Share, they shall be deemed to hold such Equity Shares as joint tenants with benefits of survivorship.

Jurisdiction

The courts of Mumbai, India will have exclusive jurisdiction in relation to this Offer.

Period of operation of subscription list

See "*Offer Structure – Bid/Offer Programme*" on page 620.

Nomination facility to Bidders

In accordance with Section 72 of the Companies Act, 2013 read with the Companies (Share Capital and Debentures) Rules, 2014, as amended, the sole or first Bidder, along with other joint Bidders, may nominate any one person in whom, in the event of the death of the sole Bidder or in case of joint Bidders, the death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, shall vest to the exclusion of all other persons, unless the nomination is varied or cancelled in the prescribed manner. A person, being a nominee, entitled to the Equity Shares by reason of death of the original holder(s), shall be entitled to the same advantages to which such person would be entitled if such person were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to the Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale, transfer or alienation of Equity Share(s) by the person nominating. A nomination may be cancelled or varied by nominating any other person in place of the present nominee by the holder of the Equity Shares who has made the nomination by giving a notice of such cancellation or variation. A buyer will be entitled to make a fresh nomination in the manner prescribed. A fresh nomination can be made only on the prescribed form, which is available on request at our Registered and Corporate Office or with the registrar and transfer agents of our Bank.

Any person who becomes a nominee by virtue of Section 72 of the Companies Act, 2013 as mentioned above, shall, upon the production of such evidence as may be required by our Board, elect either:

- to register himself or herself as the holder of the Equity Shares; or
- to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, our Board may thereafter withhold payment of all dividend, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment will be made only in dematerialised form, there is no requirement for a separate nomination with our Bank. Nominations registered with the respective Depository Participant of the applicant will prevail. If Bidders wish to change their nomination, they are requested to inform their respective Depository Participant.

Minimum Subscription

If our Bank does not receive (a) the minimum subscription of 90% of the Fresh Issue, and (b) subscription in the Offer equivalent to at least 10% post-Offer paid up equity share capital of our Bank (the minimum number of securities as specified under Rule 19(2)(b) of the SCRR), including through devolvement of Underwriters, as applicable, within 60 days from the date of Bid/Offer Closing Date on the date of closure of the Offer or withdrawal of applications, or if the subscription level falls below the threshold under Rule 19(2)(b) of the SCRR mentioned above after the Bid/Offer Closing Date; or after technical rejections; or if the listing or trading permission is not obtained from the Stock Exchanges for the Equity Shares so offered under the offer document, our Bank shall forthwith refund the entire subscription amount received. If there is a delay beyond 15 days, our Bank and our Directors, who are officers in default, shall pay interest at the rate of fifteen per cent per annum.

The requirement for minimum subscription is not applicable to the Offer for Sale. In case of under-subscription in the Offer, after meeting the minimum subscription requirement of 90% of the Fresh Issue, the balance subscription in the Offer will be met in the following order of priority: (i) through the sale of Offered Shares being offered by the Selling Shareholders in the Offer for Sale; and (ii) through the balance part of the Fresh Issue.

Under-subscription, if any, in any category except the QIB portion, would be met with spill-over from the other categories at the discretion of our Bank, in consultation with the BRLMs and the Designated Stock Exchange.

Further, in accordance with Regulation 49(1) of the SEBI ICDR Regulations, our Bank shall ensure that the number of prospective Allottees to whom the Equity Shares will be Allotted will be not less than 1,000.

Arrangements for disposal of odd lots

Since our Equity Shares will be traded in dematerialised form only and the market lot for our Equity Shares will be one Equity Share, no arrangements for disposal of odd lots are made.

Restriction, if any, on transfer and transmission of Equity Shares

Except for the lock-in of the pre-Offer Equity Shares, Allotments made to Anchor Investors pursuant to the Offer, as detailed in “*Capital Structure*” beginning on page 75, in the Banking Regulation Act and rules and regulations made thereunder and our Articles, there are no restrictions on transfers and transmission of Equity Shares or on their consolidation or splitting. For details, see, “*Main Provisions of the Articles of Association*” beginning on page 641.

In accordance with Section 12B of the Banking Regulation Act read with the Reserve Bank of India (Prior approval for acquisition of shares or voting rights in private sector banks) Directions, 2015 dated November 19, 2015, no person (along with his relatives, associate enterprises or persons acting in concert with such person) can acquire or hold 5% or more of the total paid-up share capital of our Bank, or be entitled to exercise 5% or more of the total voting rights of our Bank, without prior approval of the RBI. For details, see “*Key Regulations and Policies in India*” and “*Offer Procedure*” beginning on pages 183 and 622, respectively.

Withdrawal of the Offer

Our Bank, in consultation with the BRLMs, reserves the right not to proceed with the entire or portion of the Offer for any reason at any time after the Bid/Offer Opening Date but before the Allotment. In such an event, our Bank would issue a public notice in the same newspapers, in which the pre-Offer advertisements were published, within two days of the Bid/Offer Closing Date, providing reasons for not proceeding with the Offer. Further, the Stock Exchanges shall be informed promptly in this regard by our Bank. Upon receipt of instructions from our Bank and the BRLMs, through the Registrar to the Offer, shall notify the SCSBs and the Sponsor Bank to unblock the bank accounts of the ASBA Bidders within one Working Day from the date of receipt of such notification. In the event of withdrawal of the Offer and subsequently, plans of a fresh offer by our Bank, a fresh draft red herring prospectus will be submitted again to SEBI.

Notwithstanding the foregoing, this Offer is also subject to obtaining the final listing and trading approvals of the Stock Exchanges, which our Bank shall apply for after Allotment and within six Working Days or such other period as may be prescribed, and the final RoC approval of the Prospectus after it is filed with the RoC.

In case of discrepancy in the data entered in the electronic book *vis-à-vis* the data contained in the physical Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges may be taken as the final data for the purpose of Allotment.

(1) Subject to valid Bids being received at or above this Offer Price. This Offer was made in accordance with Rule 19(2)(b) of the SCRR in compliance with Regulation 6 (2) of the SEBI ICDR Regulations.

(2) In case of joint Bids, the Bid cum Application Form contained only the name of the First Bidder whose name should also appear as the first holder of the beneficiary account held in joint names. The signature of only such First Bidder would be required in the Bid cum Application Form and such First Bidder would be deemed to have signed on behalf of the joint holders.

(3) Provided that any difference between the price at which Equity Shares are allocated to the Anchor Investors and the Anchor Investor Offer Price, shall be payable by the Anchor Investor Pay - in Date as mentioned in the CAN.

Bidders will be required to confirm and will be deemed to have represented to our Bank, the Selling Shareholders, the Underwriters, their respective directors, officers, agents, affiliates and representatives that they are eligible under applicable law, rules, regulations, guidelines and approvals to acquire the Equity Shares.

Subject to valid Bids being received at or above the Offer Price, undersubscription, if any, in any category except the QIB Portion, would be met with spill-over from the other categories or a combination of categories at the discretion of our Bank, in consultation with the BRLMs and the Designated Stock Exchange.

Bid/Offer Programme

BID/ OFFER OPENED ON*	November 22, 2019
BID/ OFFER CLOSED ON	November 26, 2019

*Our Bank in consultation with the BRLMs, allocated 60% of the QIB Portion to Anchor Investors on a discretionary basis, in accordance with the SEBI ICDR Regulations. Anchor Investors Bid on the Anchor Investor Bidding Date.

An indicative timetable in respect of the Offer is set out below:

Event	Indicative Date
Finalisation of Basis of Allotment with the Designated Stock Exchange	On or about December 2, 2019
Initiation of refunds (if any, for Anchor Investors) / unblocking of funds from ASBA Account	On or about December 3, 2019
Credit of the Equity Shares to depository accounts of Allottees	On or about December 3, 2019
Commencement of trading of the Equity Shares on the Stock Exchanges	On or about December 4, 2019

The above timetable is indicative and does not constitute any obligation on our Bank, the Selling Shareholders or the BRLMs. While our Bank shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchanges are taken within six Working Days of the Bid/ Offer Closing Date or such period as may be prescribed, the timetable may change due to various factors, such as extension of the Bid/ Offer Period by our Bank, revision of the Price Band or any delays in receiving the final listing and trading approval from the Stock Exchanges. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchanges and in accordance with the applicable laws. The Selling Shareholders confirm that they shall severally extend reasonable co-operation required by our Bank and the BRLMs for the completion of the necessary formalities for listing and commencement of trading of the Equity Shares at the Stock Exchanges within six Working Days from the Bid/Offer Closing Date, or within such other period as may be prescribed.

Submission of Bids (other than Bids from Anchor Investors)

Except in relation to the Bids received from the Anchor Investors, Bids and any revision in Bids were accepted only between 10.00 a.m. and 5.00 p.m. (Indian Standard Time (“IST”)) during the Bid/Offer Period (except on the Bid/Offer Closing Date) at the Bidding Centres as mentioned on the Bid cum Application Form except that:

- (i) on the QIB Bid/Offer Closing Date, in case of Bids by QIBs under the Net QIB Portion, the Bids and the revisions in Bids were accepted only between 10.00 a.m. and 3.00 p.m. (Indian Standard Time) and uploaded until 4.00 p.m. (IST);

- (ii) on the Bid/Offer Closing Date:
 - (a) in case of Bids by Non-Institutional Bidders, the Bids and the revisions in Bids were accepted only between 10.00 a.m. and 3.00 p.m. (IST) and uploaded until 4.00 p.m. (IST); and
 - (b) in case of Bids by Retail Individual Bidders, the Bids and the revisions in Bids were accepted only between 10.00 a.m. and 3.00 p.m. (IST) and uploaded until 5.00 p.m. (IST), which were extended up to such time as deemed fit by the Stock Exchanges after taking into account the total number of applications received up to the closure of timings and reported by BRLMs to the Stock Exchanges.

For the avoidance of doubt, it is clarified that Bids not uploaded on the electronic bidding system or in respect of which full Bid Amount is not blocked by SCSBs or the Sponsor Bank, as the case may be, will be rejected.

Due to limitation of the time available for uploading the Bids on the Bid/Offer Closing Date, the Bidders were advised to submit their Bids one day prior to the Bid/Offer Closing Date. Bidders were cautioned that, in the event a large number of Bids are received on the Bid/Offer Closing Date, it may lead to some Bids not being uploaded due to lack of sufficient time to upload. Such Bids that cannot be uploaded on the electronic bidding system were not considered for allocation under this Offer. Bids were only be accepted on Working Days. Investors may please note that as per letter no. List/smd/sm/2006 dated July 3, 2006 and letter no. NSE/IPO/25101- 6 dated July 6, 2006 issued by BSE and NSE respectively, Bids and any revision in Bids were accepted only during Monday to Friday and were not accepted on Saturdays and public holidays as declared by the Stock Exchanges. Bids by ASBA Bidders were uploaded by the SCSBs in the electronic system to be provided by the Stock Exchanges. Neither our Bank, nor the Selling Shareholders, nor any member of the Syndicate is liable for any failure in uploading or downloading the Bids due to faults in any software / hardware system or otherwise.

In case of discrepancy in the data entered in the electronic book *vis-à-vis* the data contained in the physical Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges may be taken as the final data for the purpose of Allotment.

OFFER PROCEDURE

All Bidders should review the General Information Document, which highlights the key rules, processes and procedures applicable to public issues in general in accordance with the provisions of the Companies Act, the SCRA, the SCRR and the SEBI ICDR Regulations. The General Information Document is available on the websites of the Stock Exchanges and the BRLMs. Please refer to the relevant provisions of the General Information Document which are applicable to the Offer. The Bidders should note that the details and process provided in the General Information Document should be read along with this section.

SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018 read with its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019, has introduced an alternate payment mechanism using Unified Payments Interface (“UPI”) and consequent reduction in timelines for listing in a phased manner. From January 1, 2019, the UPI Mechanism for RIBs applying through Designated Intermediaries was made effective along with the existing process and existing timeline of T+6 days. (“UPI Phase I”). The UPI Phase I was effective till June 30, 2019.

With effect from July 1, 2019, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, read with circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 with respect to Bids by RIBs through Designated Intermediaries (other than SCSBs), the existing process of physical movement of forms from such Designated Intermediaries to SCSBs for blocking of funds has been discontinued and only the UPI Mechanism for such Bids with existing timeline of T+6 days will continue for a period of three months or launch of five main board public issues, whichever is later (“UPI Phase II”). However, SEBI vide its circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019 has extended the timeline for implementation of UPI Phase II up to March 31, 2020. Subsequently, the final reduced timeline will be made effective using the UPI Mechanism for applications by RIBs (“UPI Phase III”), as may be prescribed by SEBI. Accordingly, the procedure set forth is under UPI Phase II.

Our Bank, the Selling Shareholders and the members of the Syndicate do not accept any responsibility for the completeness and accuracy of the information stated in this section and the General Information Document and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Prospectus. Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in the Red Herring Prospectus and this Prospectus.

Further, our Bank, the Selling Shareholders and the Syndicate are not liable for any adverse occurrences consequent to the implementation of the UPI Mechanism for application in this Offer.

Book Building Procedure

The Offer was made through the Book Building Process, in accordance with Regulation 6(2) of the SEBI ICDR Regulations, wherein atleast 75% of the Offer was allocated to QIBs on a proportionate basis provided that our Bank in consultation with the BRLMs, allocated 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations, of which one-third was reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. Further, such number of Equity Shares representing 5% of the Net QIB Portion was allocated on a proportionate basis to Mutual Funds only, and the remainder of the Net QIB Portion was allocated on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received from them at or above the Offer Price. If at least 75% of the Offer cannot be Allotted to QIBs, the Bid Amounts received by our Bank shall be refunded. Further, not more than 15% of the Offer was available for allocation on a proportionate basis to Non-Institutional Bidders and not more than 10% of the Offer was available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received from them at or above the Offer Price.

Under-subscription, if any, in any category, except the QIB Category, would be allowed to be met with spill-over from any other category or categories, as applicable, at the discretion of our Bank in consultation with the BRLMs and the Designated Stock Exchange, subject to applicable laws.

The Equity Shares, on Allotment, shall be traded only in the dematerialized segment of the Stock Exchanges.

Bidders should note that the Equity Shares will be Allotted to successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders' depository account, including DP ID, Client ID and PAN and UPI ID (for RIBs bidding using the UPI Mechanism), shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form.

In accordance with Section 12B of the Banking Regulation Act read with the Reserve Bank of India (Prior approval for acquisition of shares or voting rights in private sector banks) Directions, 2015, as amended dated November 19, 2015, no person either by himself or acting in concert with any other person can acquire, directly or indirectly, or hold 5% or more of the total paid-up share capital of our Bank, or be entitled to exercise 5% or more of the total voting rights of our Bank, without prior approval of the RBI. Accordingly, in case of Bids for such number of Equity Shares, as may result in the shareholding of a Bidder (along with his relatives, associate enterprises or persons acting in concert with such person) 5% or more of the total paid-up share capital of our Bank, such Bidder is required to submit the approval obtained from the RBI with the Registrar, at least one Working Day prior to the finalisation of the Basis of Allotment. In case of failure by such Bidder to submit the approval obtained from the RBI within the above time period, our Bank may Allot maximum number of Equity Shares, as adjusted for the Bid Lot (and in case of oversubscription in the Offer, after making applicable proportionate allocation for the Equity Shares Bid for), that will limit the aggregate shareholding of the Bidder (along with his relatives, associate enterprises or persons acting in concert with such person and including existing shareholding, if any) to less than 5% of the post-Offer paid-up share capital of our Bank. For further details, see “Key Regulations and Policies in India” beginning on page 183.

A clear legible copy of the approval obtained from the RBI together with the application submitted by such Bidder with the RBI for obtaining such approval must be submitted by the Bidders along with a copy of the Bid cum Application Form, with the Registrar at any time prior to the date falling one Working Day before the date for finalisation of the Basis of Allotment as stated above. The approval obtained from the RBI should clearly mention the name(s) of the entities which propose to Bid in the Offer, the aggregate shareholding of the Bidder in the pre-Offer paid-up share capital of our Bank and the maximum permitted holding of Equity Shares by such Bidder, in accordance with the above requirements.

Phased implementation of UPI for Bids by Retail Individual Bidders as per the UPI Circular

SEBI has issued a circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018, circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019, SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019. SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 and SEBI circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019 (collectively the “UPI Circular”) in relation to streamlining the process of public issue of equity shares and convertibles. Pursuant to the UPI Circular, UPI is to be introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under the ASBA) for applications by RIBs through intermediaries with the objective to reduce the time duration from public issue closure to listing from six Working Days to up to three Working Days. Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to the UPI Mechanism, the UPI Circular proposes to introduce and implement the UPI Mechanism in three phases in the following manner:

- a) **Phase I:** This phase was applicable from January 1, 2019 till June 30, 2019. Under this phase, a Retail Individual Bidder had the option to submit the Bid cum Application Form with any of the intermediary and use his / her UPI ID for the purpose of blocking of funds. The time duration from public issue closure to listing would continue to be six Working Days.
- b) **Phase II:** This phase has become applicable from July 1, 2019 and will continue up to March 31, 2020. Under this phase, submission of the Bid cum Application Form by a Retail Individual Bidder through intermediaries to SCSBs for blocking of funds will be discontinued and will be replaced by the UPI Mechanism. However, the time duration from public issue closure to listing would continue to be six Working Days during this phase.
- c) **Phase III:** Subsequently, the time duration from public issue closure to listing would be reduced to be three

Working Days.

All SCSBs offering facility of making application in public issues provided a facility to make application using the UPI Mechanism. The issuers are to appoint one of the SCSBs as a sponsor bank to act as a conduit between the Stock Exchanges and NPCI in order to facilitate collection of requests and / or payment instructions of the Retail Individual Bidders into the UPI Mechanism.

For further details, refer to the General Information Document available on the websites of the Stock Exchanges and the BRLMs.

Bid cum Application Form

Bidders (other than Anchor Investors) must compulsorily use the ASBA process to participate in the Offer. Anchor Investors are not permitted to participate in this Offer through the ASBA process. The RIBs can additionally Bid through the UPI Mechanism.

Copies of the ASBA Forms and the abridged prospectus were available with the Designated Intermediaries at relevant Bidding Centres and at our Registered and Corporate Office. The ASBA Forms were available for download on the websites of NSE (www.nseindia.com) and BSE (www.bseindia.com) one day prior to the Bid/Offer Opening Date. Anchor Investor Application Forms shall be available at the offices of the BRLMs at least one day prior to the Anchor Investor Bidding Date.

Bidders (other than RIBs bidding using the UPI Mechanism and Anchor Investors) must provide bank account details and authorisation by the ASBA bank account holder to block funds in their respective ASBA Accounts in the relevant space provided in the Bid cum Application Form and the Bid cum Application Form that does not contain such detail are liable to be rejected.

RIBs bidding using the UPI Mechanism must provide the UPI ID in the relevant space provided in the Bid cum Application Form and the Bid cum Application Form that does not contain the UPI ID are liable to be rejected.

Further, such Bidders (other than Anchor Investors) shall ensure that the Bids are submitted at the Bidding Centres only on Bid cum Application Forms bearing the stamp of a Designated Intermediary (except in case of electronic Bid-cum-Application Forms) and Bid cum Application Forms not bearing such specified stamp may be liable for rejection. RIBs using UPI Mechanism, may submit their ASBA Forms with Syndicate Members, Registered Brokers, RTA or Depository Participants. Bidders must ensure that the ASBA Account has sufficient credit balance such that an amount equivalent to the full Bid Amount can be blocked by the SCSB or the Sponsor Bank, as applicable, at the time of submitting the Bid. The Sponsor Bank shall provide details of the UPI linked bank account of the Bidders to the Registrar to the Offer for purpose of reconciliation.

The prescribed colour of the Bid cum Application Forms for various categories is as follows:

Category	Colour of Bid cum Application Form*
Resident Indians including resident QIBs, Non-Institutional Investors, Retail Individual Investors and Eligible NRIs applying on a non-repatriation basis^	White
Non-Residents including FPIs and Eligible NRIs, FVCIs and registered bilateral and multilateral development financial institutions applying on a repatriation basis^	Blue
Anchor Investors**	White

* Excluding electronic Bid cum Application Forms

**Bid cum Application Forms for Anchor Investors were made available at the office of the BRLMs.

^Electronic Bid cum Application forms will also be available for download on the website of NSE (www.nseindia.com) and BSE (www.bseindia.com).

In case of ASBA Forms, Designated Intermediaries shall upload the relevant bid details in the electronic bidding system of the Stock Exchanges. Subsequently, except in case of RIBs Bidding using UPI Mechanism, Designated Intermediaries (other than SCSBs) shall submit/deliver the Bid cum Application to the respective SCSB, where the

Bidder has a bank account with ASBA facility, details of which were provided by the Bidder in his respective ASBA form and shall not submit it to any non-SCSB bank or any Escrow Bank. For RIBs Bidding using UPI Mechanism, the Stock Exchanges shall share the bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds.

Who can Bid?

In addition to the category of Bidders set forth in the General Information Document, the following persons are also eligible to invest in the Equity Shares under all applicable laws, regulations and guidelines:

- FPIs eligible under the applicable law;
- Scientific and/or industrial research organisations in India, which are authorised to invest in equity shares; and
- Any other person eligible to Bid in this Offer, under the laws, rules, regulations, guidelines and policies applicable to them.

Participation by Promoter, Promoter Group, BRLMs, associates and affiliates of the BRLMs, the Syndicate Members, persons related to Promoter, Promoter Group and the Selling Shareholders

The BRLMs and the Syndicate Members shall not be allowed to purchase the Equity Shares in any manner, except towards fulfilling their underwriting obligations. However, the respective associates and affiliates of the BRLMs and the Syndicate Members may purchase Equity Shares in the Offer, either in the QIB Portion or in the Non-Institutional Portion as may be applicable to such Bidders, and such Bid subscription may be on their own account or on behalf of their clients. All categories of investors, including respective associates or affiliates of the BRLMs and Syndicate Members, shall be treated equally for the purpose of allocation to be made on a proportionate basis.

Neither (i) the BRLMs or any associates of the BRLMs (except Mutual Funds sponsored by entities which are associates of the BRLMs or insurance companies promoted by entities which are associate of BRLMs or AIFs sponsored by the entities which are associate of the BRLMs or FPIs (other than individuals, corporate bodies and family offices), sponsored by the entities which are associates of the BRLMs) nor; (ii) any “person related to the Promoter or Promoter Group” shall apply in the Offer under the Anchor Investor Portion.

For the purposes of this section, a QIB who has any of the following rights shall be deemed to be a “person related to the Promoter or Promoter Group”: (a) rights under a shareholders’ agreement or voting agreement entered into with the Promoter or members of the Promoter Group; (b) veto rights; or (c) right to appoint any nominee director on our Board.

Further, an Anchor Investor shall be deemed to be an associate of the BRLMs, if: (a) either of them controls, directly or indirectly through its subsidiary or holding company, not less than 15% of the voting rights in the other; or (b) either of them, directly or indirectly, by itself or in combination with other persons, exercises control over the other; or (c) there is a common director, excluding a nominee director, amongst the Anchor Investor and the BRLMs.

The Promoter and members of the Promoter Group will not participate in the Offer.

Further, the Selling Shareholders will not participate in the Offer except to the extent of the Offered Shares.

Bids by Mutual Funds

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged with the Bid cum Application Form. Failing this, our Bank reserves the right to reject any Bid without assigning any reason therefore.

Bids made by asset management companies or custodians of Mutual Funds shall specifically state names of the concerned schemes for which such Bids are made. In case of a Mutual Fund, a separate Bid may be made in respect of each scheme of a Mutual Fund registered with the SEBI and such Bids in respect of more than one scheme of a Mutual Fund will not be treated as multiple Bids, provided that such Bids clearly indicate the scheme for which the Bid is submitted. Further, Bids by mutual funds with the same PAN but with different Client IDs and DP IDs, shall

not be treated as multiple Bids.

No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights. No Mutual Fund scheme shall invest more than 10% of its net asset value in equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in case of index funds or sector or industry specific scheme. Further, the Banking Regulation Act requires any person to seek prior approval of the RBI to acquire or agree to acquire, directly or indirectly, shares or voting rights of a bank, by itself or with persons acting in concert, wherein such acquisition (taken together with shares or voting rights held by such person or associate enterprise or persons acting in concert with the concerned person) results in aggregate shareholding of such person to be 5% or more of the paid up capital of a bank or entitles him to exercise 5% or more of the voting rights in a bank. For details, see "*Key Regulations and Policies in India*" beginning on page 183.

Bids by HUFs

Bids by Hindu Undivided Families or HUFs should be made in the individual name of the Karta. The Bidder/Applicant should specify that the Bid is being made in the name of the HUF in the Bid cum Application Form/Application Form as follows: "Name of sole or first Bidder/Applicant: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the Karta". Bids/Applications by HUFs will be considered at par with Bids/Applications from individuals.

Bids by Eligible NRIs

Eligible NRIs may obtain copies of Bid cum Application Form from the Designated Intermediaries. Only Bids accompanied by payment in Indian Rupees or freely convertible foreign exchange will be considered for Allotment. Eligible NRI Bidders bidding on a repatriation basis by using the Non-Resident Forms should authorise their SCSSB to block their Non-Resident External ("NRE") accounts or Foreign Currency Non-Resident ("FCNR") Accounts, and Eligible NRI Bidders bidding on a non-repatriation basis by using Resident Forms should authorise their SCSSB to block their Non-Resident Ordinary ("NRO") accounts, for the full Bid Amount, at the time of the submission of the Bid cum Application Form.

Eligible NRIs Bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents in white colour.

Eligible NRIs Bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents in blue colour.

Bids by FPIs

In terms of the SEBI FPI Regulations, the issue of equity shares to a single FPI or an investor group (which means multiple entities having common ownership, directly or indirectly, of more than fifty percent. or common control) must be below 10% of the post-issue equity share capital of a company. Further, in terms of FEMA Rules, the total holding by each FPI shall be below 10% of the total paid-up equity share capital of a company and the total holdings of all FPIs put together shall not exceed 24% of the paid-up equity share capital of a company. In terms of the FEMA Rules, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included.

In accordance with the FEMA Rules, participation by FPIs is restricted under Schedule 2 of the FEMA Rules, in accordance with applicable law, subject to limit of the individual holding of an FPI below 10% of the post-Offer paid-up capital of our Bank and the aggregate limit for FPI investment not exceeding 24% of the post-Offer paid-up capital of our Bank. The aggregate limit of 24% may be increased up to the sectoral cap, if any by way of a resolution passed by the board of directors followed by a special resolution passed by the shareholders of a company. The aggregate limit of foreign investment, in our Bank, of 24% has been increased to 74%, with a sub limit of 49% for FPIs and 24% for NRIs, by way of a resolution passed by our Board in its meeting held on December 22, 2014 followed by a special resolution passed by the Shareholders in the general meeting held on February 19, 2015 and amended by the resolutions passed by our Board in its meeting held on February 17, 2018 followed by a special resolution passed by the Shareholders in the general

meeting held on March 21, 2018. The said resolutions were amended by the resolution passed by the board of directors on March 6, 2019 and by the shareholders by way of postal ballot on May 4, 2019. Further, pursuant to a letter dated August 19, 2015 issued by the *erstwhile* Foreign Investment Promotion Board and letter dated October 9, 2018 issued by Department of Financial Services, our Bank has received approval for increase in the foreign investment limit up to 74% of its paid up share capital and the RBI, by its letter dated July 12, 2018, provided its approval for acquisition by FIHM of up to 51% of the post-Offer paid-up share capital of our Bank. Our Bank, through letters dated April 18, 2019 and May 7, 2019, had requested the DFS to amend the approval granted by the *erstwhile* FIPB and the aforementioned approval from DFS and to permit the foreign investment in our Bank, subject to applicable law, of up to 74% of the paid up capital of our Bank, without any monetary investment limit. In addition to the above, our Bank through its letter dated September 7, 2019 had requested the DFS to grant our Bank an approval to raise an additional amount of ₹ 30,000 million from all type of non-resident investors apart from the amount already raised, for the proposed Offer and any future fund raising in our Bank in the form of QIP or preferential issue or any other permitted mode of fund raising in terms of the provisions of the Companies Act, 2013 and SEBI ICDR Regulations. Pursuant to which, the DFS by its letter dated October 30, 2019, subject to certain terms and conditions, granted its approval to raise additional share capital of up to a maximum of ₹ 30,000 million, including premium such that the composite foreign shareholding in our Bank, inclusive of all types of foreign investments, both direct and indirect, shall not exceed 74% of the enhanced paid up capital of our Bank. For further details, see “*Government and other Approvals*” on page 587. In accordance with the FEMA Rules, with effect from April 1, 2020, the aggregate investment limit shall be the sectoral cap applicable to our Bank, i.e. 74%. For details of restrictions on investment by FPIs, see “*Restrictions on Foreign Ownership of Indian Securities*” on page 640.

Further, the investments made by a SEBI registered FPI in a listed Indian company will be reclassified as FDI if the total shareholding increases to more than 10% of the total paid-up equity share capital on a fully diluted basis or 10% or more of the paid up value of each series of debentures or preference shares or warrants and our Bank and the investor will be required to comply with applicable reporting requirements.

FPIs are permitted to participate in the Offer subject to compliance with conditions and restrictions which may be specified by the Government from time to time. The FPIs who wish to participate in the Offer are advised to use the Bid cum Application Form for non-residents. Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 21 of the SEBI FPI Regulations, an FPI may issue, subscribe to or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by an FPI against securities held by it that are listed or proposed to be listed on any recognised stock exchange in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only to persons registered as Category I FPI under the SEBI FPI Regulations; (ii) such offshore derivative instruments are issued only to persons who are eligible for registration as Category I FPIs (where an entity has an investment manager who is from the Financial Action Task Force member country, the investment manager shall not be required to be registered as a Category I FPI); (iii) such offshore derivative instruments are issued after compliance with ‘know your client’ norms; and (iii) compliance with other conditions as may be prescribed by SEBI.

An FPI issuing offshore derivative instruments is also required to ensure that any transfer of offshore derivative instruments issued by or on its behalf, is carried out subject to inter alia the following conditions:

- (a) such offshore derivative instruments are transferred only to persons in accordance with the SEBI FPI Regulations; and
- (b) prior consent of the FPI is obtained for such transfer, except when the persons to whom the offshore derivative instruments are to be transferred to are pre-approved by the FPI.

All non-resident investors should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commission.

Bids by SEBI registered VCFs, AIFs and FVCIs

The SEBI FVCI Regulations and the SEBI AIF Regulations, *inter-alia*, prescribe the respective investment restrictions on the FVCIs, VCFs and AIFs registered with SEBI. Accordingly, the holding by any individual VCF or

FVCI registered with SEBI, in any company should not exceed 25% of the corpus of the VCF or FVCI. Further, VCFs can invest only up to 33.33% of the investible funds in various prescribed instruments, including in public offerings.

Category I and II AIFs cannot invest more than 25% of the corpus in one investee company. A category III AIF cannot invest more than 10% of the corpus in one investee company. A VCF registered as a category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than one-third of its investible funds by way of subscription to an initial public offering of a venture capital undertaking. Additionally, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the SEBI VCF Regulations until the existing fund or scheme managed by the fund is wound up.

All non-resident investors should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commission. Neither our Bank nor the BRLMs will be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

Bids by limited liability partnerships

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, our Bank reserves the right to reject any Bid without assigning any reason thereof.

Bids by banking companies

In case of Bids made by banking companies registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, and (ii) the approval of such banking company's investment committee are required to be attached to the Bid cum Application Form, failing which our Bank reserves the right to reject any Bid without assigning any reason.

The investment limit for banking companies in another banking company as per the Banking Regulation Act, 1949, as amended ("**Banking Regulation Act**"), and the Reserve Bank of India (Financial Services provided by Banks) Directions, 2016 (the "**Financial Services Directions**"), is 10% but not exceeding 30% of the paid-up share capital of such investee company if (i) the investee company is engaged in non-financial activities permitted for banks in terms of Section 6(1) of the Banking Regulation Act, or (ii) the additional acquisition is through restructuring of debt/corporate debt restructuring/strategic debt restructuring, or to protect the bank's interest on loans/investments made to a company. The bank is required to submit a time-bound action plan for disposal of such shares within a specified period to the RBI. A banking company would require a prior approval of the RBI to *inter alia* make (i) investment in a subsidiary and a financial services company that is not a subsidiary (with certain exceptions prescribed under 5(b)(i) of the Financial Services Directions), and (ii) investment in a non-financial services company in excess of 10% of such investee company's paid-up share capital as stated in 5(a)(v)(c)(i) of the Financial Services Directions. Further, the aggregate investment by a banking company in subsidiaries and other entities engaged in financial and non-financial services company cannot exceed 20% of the investee company's paid-up share capital and reserves.

In terms of the Master Circular on Basel III Capital Regulations dated July 1, 2014, as amended (i) a bank's investment in the capital instruments issued by banking, financial and insurance entities should not exceed 10% of its capital funds; (ii) banks should not acquire any fresh stake in a bank's equity shares, if by such acquisition, the investing bank's holding exceeds 5% of the investee bank's equity capital; (iii) equity investment by a bank in a subsidiary company, financial services company, financial institution, stock and other exchanges should not exceed 10% of the bank's paid-up share capital and reserves; (iv) equity investment by a bank in companies engaged in non-financial services activities would be subject to a limit of 10% of the investee company's paid up share capital or 10% of the bank's paid up share capital and reserves, whichever is less; and (v) a banking company is restricted from holding shares in any company, whether as pledgee, mortgagee or absolute owner, of an amount exceeding 30% of the paid-up share capital of that company or 30% of its own paid-up share capital and reserves, whichever is less. For details in relation to the investment limits under Master Direction – Ownership in Private Sector Banks, Directions, 2016, see "*Key Regulations and Policies in India*" beginning on page 183.

Bids by SCSBs

SCSBs participating in the Offer are required to comply with the terms of the circulars dated September 13, 2012 and January 2, 2013 issued by the SEBI. Such SCSBs are required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for such applications.

Bids by NBFC – SI

In case of Bids made by NBFC – SI, a certified copy of the certificate of registration issued by the RBI, a certified copy of its last audited financial statements on a standalone basis and a net worth certificate from its statutory auditor(s), must be attached to the Bid cum Application Form. Failing this, our Bank in consultation with the BRLMs, reserves the right to reject any Bid, without assigning any reason thereof. NBFC – SI participating in the Offer shall comply with all applicable regulations, guidelines and circulars issued by RBI from time to time.

Bids by insurance companies

In case of Bids made by insurance companies registered with the IRDAI, a certified copy of certificate of registration issued by IRDAI must be attached to the Bid cum Application Form. Failing this, our Bank in consultation with the BRLMs reserves the right to reject any Bid without assigning any reason thereof.

The exposure norms for insurers is prescribed in Regulation 9 of the Insurance Regulatory and Development Authority of India (Investment) Regulations, 2016 (“**IRDAI Investment Regulations**”) are set forth below:

- (i) equity shares of a company: the lower of 10%* of the investee company’s outstanding equity shares (face value) or 10% of the respective fund in case of a life insurer/investment assets in case of a general insurer or a reinsurer;
- (ii) the entire group of the investee company: not more than 15% of the respective fund in case of a life insurer or 15% of investment assets in case of a general insurer or a reinsurer or 15% of the investment assets in all companies belonging to the group, whichever is lower; and
- (iii) the industry sector in which the investee company operates: not more than 15% of the respective fund of a life insurer or general insurance or 15% of the investment assets, whichever is lower.

The maximum exposure limit, in the case of an investment in equity shares, cannot exceed the lower of an amount of 10% of the investment assets of a life insurer or general insurer and the amount calculated under points (i), (ii) or (iii) above, as the case may be.

**The above limit of 10% shall stand substituted as 15% of outstanding equity shares (face value) for insurance companies with investment assets of ₹2,500,000 million or more and 12% of outstanding equity shares (face value) for insurers with investment assets of ₹500,000 million or more but less than ₹2,500,000 million.*

Insurer companies participating in this Offer shall comply with all applicable regulations, guidelines and circulars issued by the IRDAI from time to time including the IRDAI Investment Regulations.

Bids under power of attorney

In case of Bids made pursuant to a power of attorney by limited companies, corporate bodies, registered societies, eligible FPIs, AIFs, Mutual Funds, insurance companies, insurance funds set up by the army, navy or air force of the Union of India, insurance funds set up by the Department of Posts, India or the National Investment Fund and provident funds with minimum corpus of ₹ 250 million and pension funds with a minimum corpus of ₹ 250 million, in each case, subject to applicable law and in accordance with their respective constitutional documents a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws as applicable must be lodged along with the Bid cum Application Form. Failing this, our Bank reserves the right to accept or reject any Bid in whole or

in part, in either case, without assigning any reason thereof.

Our Bank in consultation with the BRLMs, in its absolute discretion, reserves the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application Form, subject to such terms and conditions that our Bank, in consultation with the BRLMs, may deem fit, without assigning any reasons thereof.

Bids by Anchor Investors

In accordance with the SEBI ICDR Regulations, in addition to details and conditions mentioned in this section the key terms for participation by Anchor Investors are provided below.

- (i) Anchor Investor Application Forms were made available for the Anchor Investor Portion at the office of the BRLMs.
- (ii) The Bid must be for a minimum of such number of Equity Shares so that the Bid Amount exceeds ₹ 100 million. A Bid cannot be submitted for over 60% of the QIB Portion. In case of a Mutual Fund, separate Bids by individual schemes of a Mutual Fund will be aggregated to determine the minimum application size of ₹ 100 million.
- (iii) One-third of the Anchor Investor Portion was reserved for allocation to domestic Mutual Funds.
- (iv) Bidding for Anchor Investors was open one Working Day before the Bid/ Offer Opening Date, i.e., the Anchor Investor Bidding Date, and was completed on the same day.
- (v) Our Bank in consultation with the BRLMs finalised allocation to the Anchor Investors on a discretionary basis, provided that the minimum number of Allottees in the Anchor Investor Portion was not less than:
 - (a) maximum of two Anchor Investors, where allocation under the Anchor Investor Portion is up to ₹ 100 million;
 - (b) minimum of two and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion is more than ₹ 100 million but up to ₹ 2,500 million, subject to a minimum Allotment of ₹ 50 million per Anchor Investor; and
 - (c) in case of allocation above ₹ 2,500 million under the Anchor Investor Portion, a minimum of five such investors and a maximum of 15 Anchor Investors for allocation up to ₹ 2,500 million, and an additional 10 Anchor Investors for every additional ₹2,500 million, subject to minimum allotment of ₹ 50 million per Anchor Investor.
- (vi) Allocation to Anchor Investors was completed on the Anchor Investor Bidding Date. The number of Equity Shares allocated to Anchor Investors and the price at which the allocation is made was made available in the public domain by the BRLMs before the Bid/ Offer Opening Date, through intimation to the Stock Exchange.
- (vii) Anchor Investors cannot withdraw or lower the size of their Bids at any stage after submission of the Bid.
- (viii) If the Offer Price is greater than the Anchor Investor Allocation Price, the additional amount being the difference between the Offer Price and the Anchor Investor Allocation Price will be payable by the Anchor Investors on the Anchor Investor Pay-in Date specified in the CAN. If the Offer Price is lower than the Anchor Investor Allocation Price, Allotment to successful Anchor Investors will be at the higher price, i.e., the Anchor Investor Allocation Price shall still be the Anchor Investor Office Price.
- (ix) Equity Shares Allotted in the Anchor Investor Portion will be locked in for a period of 30 days from the date of Allotment.
- (x) Neither the Promoter, members of the Promoter Group, the BRLMs or any associate of the BRLMs (except Mutual Funds sponsored by entities which are associates of the BRLMs or insurance companies promoted by entities which are associate of the BRLMs or AIFs sponsored by the entities which are associate of the BRLMs or FPIs (other than individuals, corporate bodies and family offices), sponsored by the entities which are

associates of the BRLMs) shall apply in the Offer under the Anchor Investor Portion. For details, see “- Participation by Promoter, Promoter Group, BRLMs, associates and affiliates of the BRLMs, the Syndicate Members and persons related to Promoter, Promoter Group” beginning on page 625.

(xi) Bids made by QIBs under both the Anchor Investor Portion and the QIB Portion will not be considered multiple Bids.

(xii) For more information, see the General Information Document.

Payment into Escrow Account

Our Bank in consultation with the BRLMs has decided the list of Anchor Investors to whom the CAN has been sent, pursuant to which, the details of the Equity Shares allocated to them in their respective names will be notified to such Anchor Investors.

Anchor Investors were not permitted to Bid in the Offer through the ASBA process. The payment instruments for payment into the Escrow Accounts should be drawn in favour of:

- (i) In case of resident Anchor Investors: “Anchor Escrow Account – CSB Bank Limited IPO – Anchor Investor - R”
- (ii) In case of non-resident Anchor Investors: “Anchor Escrow Account – CSB Bank Limited IPO – Anchor Investor - NR ”

Anchor Investors should note that the escrow mechanism is not prescribed by SEBI and has been established as an arrangement between our Bank, the Selling Shareholders, the Syndicate, the Escrow Collection Bank and the Registrar to the Offer to facilitate collections of Bid amounts from Anchor Investors.

Bids by provident funds/pension funds

In case of Bids made by provident funds/pension funds, subject to applicable laws, with minimum corpus of ₹ 250 million, a certified copy of certificate from a chartered accountant certifying the corpus of the provident fund/pension fund must be attached to the Bid cum Application Form. Failing this, our Bank reserves the right to reject any Bid, without assigning any reason therefor.

In accordance with existing regulations issued by the RBI, OCBs cannot participate in the Offer.

Information for Bidders

The relevant Designated Intermediary will enter each Bid option into the electronic Bidding system as a separate Bid and generate an acknowledgement slip (“**Acknowledgement Slip**”), for each price and demand option and give the same to the Bidder. Therefore, a Bidder can receive up to three Acknowledgement Slips for each Bid cum Application Form. It is the Bidder’s responsibility to obtain the Acknowledgment Slip from the relevant Designated Intermediary. The registration of the Bid by the Designated Intermediary does not guarantee that the Equity Shares shall be allocated/Allotted. Such Acknowledgement Slip will be non-negotiable and by itself will not create any obligation of any kind. When a Bidder revises his or her Bid, he /she shall surrender the earlier Acknowledgement Slip and may request for a revised Acknowledgment Slip from the relevant Designated Intermediary as proof of his or her having revised the previous Bid.

In relation to electronic registration of Bids, the permission given by the Stock Exchanges to use their network and software of the electronic bidding system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Bank and/or the BRLMs are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of compliance with the statutory and other requirements, nor does it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of the Draft Red Herring Prospectus, the Red Herring Prospectus or this Prospectus; nor does it warrant that the Equity Shares will be listed or will continue to be listed on the Stock Exchanges.

In the event of an upward revision in the Price Band, RIBs who had Bid at Cut-off Price could either (i) revise their Bid or (ii) shall make additional payment based on the cap of the revised Price Band (such that the total amount i.e. original Bid Amount plus additional payment does not exceed ₹ 200,000 with respect to RIBs if the Bidder wants to continue to Bid at Cut-off Price). The revised Bids must be submitted to the same Designated Intermediary to whom the original Bid was submitted. If the total amount (i.e. the original Bid Amount plus additional payment) exceeds ₹ 200,000 with respect to RIBs, the Bid will be considered for allocation under the Non-Institutional Portion. If, however, the Retail Individual Bidder does not either revise the Bid or make additional payment and the Offer Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for shall be adjusted downwards for the purpose of allocation, such that no additional payment would be required from the Retail Individual Bidder and the Retail Individual Bidder is deemed to have approved such revised Bid at Cut-off Price.

In the event of a downward revision in the Price Band, Retail Individual Bidders who have bid at Cut-off Price may revise their Bid; otherwise, the excess amount paid at the time of Bidding would be unblocked after Allotment is finalised. Any revision of the Bid shall be accompanied by instructions to block the incremental amount, if any, to be paid on account of the upward revision of the Bid.

Pre-Offer Advertisement

Subject to Section 30 of the Companies Act, 2013, our Bank, after filing the Red Herring Prospectus with the RoC, published a pre-Offer advertisement, in the form prescribed by the SEBI ICDR Regulations, in all editions of Financial Express (a widely circulated English national daily newspaper), all editions of Jansatta (a widely circulated Hindi national daily newspaper) and in all Kerala editions of Deepika (a widely circulated Malayalam newspaper, Malayalam also being the regional language of Kerala where our Registered Office is located). Our Bank in the pre-Offer advertisement stated the Bid/Offer Opening Date, the Bid/Offer Closing Date and the QIB Bid/Offer Closing Date. This advertisement, subject to the provisions of Section 30 of the Companies Act, 2013, was in the format prescribed in Part A of Schedule X of the SEBI ICDR Regulations.

Signing of Underwriting Agreement and filing of Prospectus with the RoC

Our Bank and the Selling Shareholders have entered into an Underwriting Agreement with the Underwriters. Our Bank will file this Prospectus with the RoC, in accordance with applicable law. This Prospectus contains details of the Offer Price, Anchor Investor Offer Price, Offer size and underwriting arrangement and is complete in all material respects.

General instructions

Please note that QIBs and Non-Institutional Investors are not permitted to withdraw their Bid(s) or lower the size of their Bid(s) (in terms of quantity of Equity Shares or the Bid Amount) at any stage. Retail Individual Investors can revise their Bid(s) during the Bid/Offer Period and withdraw their Bid(s) until Bid/Offer Closing Date. Anchor Investors are not allowed to withdraw their Bids after the Anchor Investor Bidding Date.

Do's:

1. Check if you are eligible to apply as per the terms of the Red Herring Prospectus and under applicable law, rules, regulations, guidelines and approvals;
2. Ensure that you have Bid within the Price Band;
3. Read all the instructions carefully and complete the Bid cum Application Form in the prescribed form;
4. Ensure that the details about the PAN, DP ID and Client ID are correct and the Bidders depository account is active, as Allotment of the Equity Shares will be in the dematerialised form only;
5. Ensure that your Bid cum Application Form bearing the stamp of a Designated Intermediary is submitted to the Designated Intermediary at the Bidding Centre within the prescribed time;
6. RIBs bidding in the issue to ensure that they shall use only their own ASBA bank account or only their own

bank account linked UPI ID to make an application and not ASBA bank account or bank account linked UPI ID of any third party;

7. Ensure that you have mentioned the correct ASBA Account number (for all Bidders other than RIBs bidding using the UPI Mechanism) in the Bid cum Application Form;
8. RIBs bidding using the UPI Mechanism should ensure that the correct UPI ID is mentioned in the Bid cum Application Form;
9. RIBs bidding shall ensure that the bank, with which it has its bank account, where the funds equivalent to the application amount are available for blocking is UPI 2.0 certified by NPCI;
10. All Bidders (other than Anchor Investors) should submit their Bids through the ASBA process only;
11. Ensure that the signature of the First Bidder in case of joint Bids, is included in the Bid cum Application Forms;
12. Ensure that the name(s) given in the Bid cum Application Form is/are exactly the same as the name(s) in which the beneficiary account is held with the Depository Participant. In case of joint Bids, the Bid cum Application Form should contain only the name of the First Bidder whose name should also appear as the first holder of the beneficiary account held in joint names;
13. Ensure that you request for and receive a stamped acknowledgement of the Bid cum Application Form for all your Bid options from the concerned Designated Intermediary as proof of registration of the Bid cum Application Form;
14. Ensure that you have funds equal to the Bid Amount in the ASBA Account before submitting the Bid cum Application Form under the ASBA process to any of the Designated Intermediaries;
15. Ensure that you submit revised Bids to the same Designated Intermediary, through whom the original Bid was placed and obtain a revised Acknowledgment Slip;
16. With respect to Bids by SCSBs, ensure that you have a separate account in your own name with any other SCSB having clear demarcated funds for applying under the ASBA process and that such separate account (with any other SCSB) is used as the ASBA Account with respect to your Bid;
17. Except for Bids (i) on behalf of the Central or State Governments and the officials appointed by the courts, who, in terms of a SEBI circular dated June 30, 2008, may be exempt from specifying their PAN for transacting in the securities market and (ii) Bids by persons resident in the state of Sikkim, who, in terms of a SEBI circular dated July 20, 2006, may be exempted from specifying their PAN for transacting in the securities market. The exemption for the Central or the State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the Demographic Details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same. All other applications in which PAN is not mentioned will be rejected;
18. Ensure that Anchor Investors submit their Anchor Investor Application Form only to the BRLMs;
19. Ensure that the Demographic Details are updated, true and correct in all respects;
20. Ensure that thumb impressions and signatures other than in the languages specified in the Eighth Schedule to the Constitution of India are attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal;
21. Ensure that the correct investor category and the investor status is indicated in the Bid cum Application Form;
22. Ensure that in case of Bids under power of attorney or by limited companies, corporates, trust etc., relevant

documents, including a copy of the power of attorney, are submitted;

23. Ensure that Bids submitted by any person outside India should be in compliance with applicable foreign and Indian laws;
24. Ensure that the depository account is active, the correct DP ID, Client ID and the PAN are mentioned in their Bid cum Application Form and that the name of the Bidder, the DP ID, Client ID and the PAN entered into the online IPO system of the Stock Exchanges by the relevant Designated Intermediary, as applicable, matches with the name, DP ID, Client ID and PAN available in the Depository database;
25. Ensure that where the Bid cum Application Form is submitted in joint names, the beneficiary account is also held in the same joint names and such names are in the same sequence in which they appear in the Bid cum Application Form;
26. Ensure that while Bidding through a Designated Intermediary, the Bid cum Application Form (other than for Anchor Investors) is submitted to a Designated Intermediary in a Bidding Centre and in case of Bidding through a Designated Intermediary (other than for Anchor Investors and RIBs bidding through the UPI Mechanism) the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at least one branch at that location for the Designated Intermediary to deposit ASBA Forms (a list of such branches is available on the website of SEBI at www.sebi.gov.in) or such other websites as updated from time to time;
27. Ensure that you have correctly signed the authorisation/undertaking box in the Bid cum Application Form or have otherwise provided an authorisation to the SCSB or Sponsor Bank, as applicable, via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid cum Application Form at the time of submission of the Bid;
28. For RIBs bidding using the UPI Mechanism, ensure that you approve the UPI Mandate Request generated by the Sponsor Bank to authorise blocking of funds equivalent to application amount and subsequent debit of funds in case of allotment, in a timely manner;
29. RIBs shall ensure that details of the Bid are reviewed and verified by opening the attachment in the UPI Mandate Request and then proceed to authorise the UPI Mandate Request using his/her UPI PIN. Upon the authorization of the mandate using his/her UPI PIN, an RIB may be deemed to have verified the attachment containing the application details of the RIB in the UPI Mandate Request and have agreed to block the entire Bid Amount and authorized the Sponsor Bank to block the Bid Amount mentioned in the Bid Cum Application Form;
30. RIBs bidding using the UPI Mechanism should mention valid UPI ID of only the Bidder (in case of single account) and of the First Bidder (in case of joint account) in the Bid cum Application Form;
31. RIBs bidding using the UPI Mechanism, who have revised their Bids subsequent to making the initial Bid, should also approve the revised Mandate Request generated by the Sponsor Bank to authorise blocking of funds equivalent to the revised Bid Amount and subsequent debit of funds in case of allotment in a timely manner; and
32. Bids by Eligible NRIs and HUFs for a Bid Amount of less than ₹ 200,000 would be considered under the Retail Portion, and Bids for a Bid Amount exceeding ₹ 200,000 would be considered under the Non-Institutional Portion, for the purposes of allocation in the Offer.

Names of entities responsible for finalising the basis of allotment in a fair and proper manner

The authorised employees of the Stock Exchanges, along with the BRLMs and the Registrar, shall ensure that the Basis of Allotment is finalised in a fair and proper manner in accordance with the procedure specified in SEBI ICDR Regulations.

Method of allotment as may be prescribed by SEBI from time to time

Our Bank will not make any Allotment in excess of the Equity Shares through the Red Herring Prospectus and this Prospectus except in case of oversubscription for the purpose of rounding off to make Allotment, in consultation with the Designated Stock Exchange. Further, upon oversubscription, an allotment of not more than one per cent. of the Offer may be made for the purpose of making Allotment in minimum lots. The Allotment of Equity Shares to applicants other than to the Retail Individual Bidders and Anchor Investors shall be on a proportionate basis within the respective investor categories and the number of securities allotted shall be rounded off to the nearest integer, subject to minimum allotment being equal to the minimum application size as determined and disclosed. The Allotment of Equity Shares to each Retail Individual Bidders shall not be less than the minimum bid lot, subject to the availability of shares in Retail Individual Bidders Portion, and the remaining available Equity Shares, if any, shall be Allotted on a proportionate basis. The Allotment of Equity Shares to Anchor Investors shall be on a discretionary basis subject to applicable law.

Depository Arrangements

The Allotment of the Equity Shares in the Offer shall be only in a dematerialised form, (i.e., not in the form of physical certificates but be fungible and be represented by the statement issued through the electronic mode). In this context, tripartite agreements had been signed among our Bank, the respective Depositories and the Registrar to our Bank:

- Tripartite Agreement dated April 12, 2010 among NSDL, our Bank and the Registrar to our Bank.
- Tripartite Agreement dated March 20, 2003 among CDSL, our Bank and the Registrar to our Bank.

Impersonation

Attention of the applicants is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, which is reproduced below:

“Any person who:

- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or*
- (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
- (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447.”*

The liability prescribed under Section 447 of the Companies Act, 2013 includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount.

Undertakings by our Bank

Our Bank undertakes the following:

- (i) that the complaints received in respect of the Offer shall be attended to by our Bank expeditiously and satisfactorily;
- (ii) that if the Allotment is not made within the prescribed time period under applicable law, the entire

subscription amount received will be refunded/unblocked within the time prescribed under applicable law, failing which interest will be due to be paid to the Bidders at the rate prescribed under applicable law for the delayed period;

- (iii) that all steps will be taken for completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges where the Equity Shares are proposed to be listed within six Working Days of the Bid/Offer Closing Date or such other time as may be prescribed;
- (iv) that funds required for making refunds/ unblocking to unsuccessful applicants as per the mode(s) disclosed shall be made available to the Registrar to the Offer by our Bank;
- (v) where refunds (to the extent applicable) are made through electronic transfer of funds, a suitable communication shall be sent to the applicant within the time prescribed under applicable law, giving details of the bank where refunds shall be credited along with amount and expected date of electronic credit of refund;
- (vi) that adequate arrangements shall be made to collect all Bid cum Application Forms submitted by Bidders and Anchor Investor Application Form from Anchor Investors; and
- (vii) that, no further issue of Equity Shares shall be made until the Equity Shares offered through the Red Herring Prospectus are listed or until the Bid monies are refunded/unblocked in the ASBA Accounts on account of non-listing, under-subscription etc.

Undertakings by Selling Shareholders

Each Selling Shareholder severally undertakes the following in respect of itself and its respective portion of the Offered Shares:

- (i) that the Offered Shares are free and clear of any pre-emptive rights, liens, mortgages, charges, pledges or encumbrances and are eligible for Offer in accordance with Regulation 8 of the SEBI ICDR Regulations and shall continue to be in dematerialised form at the time of transfer;
- (ii) that it is the legal and beneficial owner of and holds clear and marketable title to their respective portion of the Offered Shares;
- (iii) that it shall extend reasonable support, documentation and cooperation as may be required in relation to its respective portion of the Offered Shares and to the extent of facilitating the process of listing of Offered Shares in accordance with applicable law;
- (iv) that it specifically confirms that it shall not have any recourse to the proceeds of the Offer, until final listing and trading approvals have been received from the Stock Exchanges;
- (v) that it shall not offer any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise to any Bidder for making a Bid in the Offer;
- (vi) that it shall not offer, transfer, lend, pledge, sell, contract to sell or issue, sell any option or contract to purchase, purchase any option or contract to sell or issue, grant any option, right or warrant to purchase, lend, or otherwise transfer, dispose of or create any encumbrances in relation to the Offered Shares;
- (vii) that it provide reasonable support and extend reasonable cooperation as required or requested for the purpose of redressal of such investor grievances, only in relation to itself, its Offered Shares and the Offer, to the extent applicable;
- (viii) that it shall transfer its portion of the Offered Shares to an escrow demat account in accordance with the share escrow agreement executed between the parties to such share escrow agreement;
- (ix) that it has confirmed in its consent letter that there is no agreement or commitment outstanding which calls

for the transfer of, or accords to any person the right to call for the transfer of, its Offered Shares, whether directly or indirectly, and such Offered Shares are not subject to any restrictions on transfer, including, without limitation, any lock-up, standstill or other similar agreements or arrangements; and

- (x) that it is not aware of and does not anticipate any legal proceeding or action by any regulatory or governmental authority or any third party, that could hinder its ability to participate in the Offer for Sale or affect the rights of the purchaser of the Offered Shares.

Utilisation of Offer Proceeds

Our Bank and the Selling Shareholders, severally and not jointly, specifically confirm and declare that all monies received from the Offer shall be transferred to separate bank account other than the bank account referred to in subsection (3) of Section 40 of the Companies Act, 2013.

Further, details of all utilised and unutilised monies out of the Fresh Issue shall be disclosed and continued to be disclosed under an appropriate separate head in the balance sheet of our Bank indicating the purpose for which such monies have been utilised or invested.

The above information is given for the benefit of the Bidders. Our Bank, the Selling Shareholders and the members of Syndicate are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of this Prospectus. Bidders are advised to make their independent investigations and ensure that Bid from them does not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by them under applicable laws or regulation or as specified in the Red Herring Prospectus and this Prospectus.

RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the consolidated FDI Policy and FEMA. The government bodies responsible for granting foreign investment approvals are the concerned ministries/departments of the Government of India and the RBI. The Union Cabinet had approved phasing out the FIPB, as provided in the press release dated May 24, 2017. Accordingly, FIPB has now been abolished and the process for FDI and approval from the GoI will now be handled by the concerned ministries or departments, in consultation with the Department of Industrial Policy and Promotion under the Ministry of Commerce and Industry (“**DIPP**”). The Ministry of Finance through an office memorandum dated June 5, 2017 has notified the specific ministries that will be granting approvals to the notified sectors. For details in relation to the DFS approval received by our Bank for increasing the FDI limits, see “*Government and Other Approvals*” beginning on page 587.

The DIPP issued the Standard Operating Procedure for Processing FDI Proposals on June 29, 2017 (the “**SOP**”). The SOP provides a list of the competent authorities for granting approval for foreign investment for sectors/activities requiring Government approval. For sectors or activities that are currently under automatic route but which required Government approval earlier as per the extant policy during the relevant period, the concerned Administrative Ministry/Department shall act as the competent authority (the “**Competent Authority**”) for the grant of post-facto approval for foreign investment. In circumstances where there is a doubt as to which department shall act as the Competent Authority, DIPP shall identify the Competent Authority.

The Government has from time to time made policy pronouncements on FDI through press notes and press releases. The DIPP, issued the consolidated FDI Policy by way of circular D/o IPP F. No. 5(1)/2017-FC-1 dated August 28, 2017, which with effect from August 28, 2017, consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DIPP that were in force and effect as on August 28, 2017. The Government proposes to update the consolidated circular on FDI Policy once every year and therefore, the FDI Policy will be valid until the DIPP issues an updated circular.

As per the consolidated FDI Policy, the aggregate foreign direct investment in a private sector bank is permissible up to 49% of the paid-up voting equity capital, through automatic route and beyond 49% up to 74%, through Government route. For details, see “*Key Regulations and Policies in India*” beginning on page 183.

The transfer of shares between an Indian resident and a non-resident does not require the prior approval of the RBI, provided that (i) the activities of the investee company are under the automatic route under the FDI Policy and transfer does not attract the provisions of the Takeover Regulations; (ii) the non-resident shareholding is within the sectoral limits under the FDI Policy; and (iii) the pricing is in accordance with the guidelines prescribed by SEBI and RBI. As per the existing policy of the Government, OCBs cannot participate in this Offer.

SECTION VIII: DESCRIPTION OF EQUITY SHARES AND TERMS OF THE ARTICLES OF ASSOCIATION

MAIN PROVISIONS OF THE ARTICLES OF ASSOCIATION

Pursuant to the Companies Act and the SEBI ICDR Regulations, the main provisions of our Articles of Association relating to, among others, voting rights, dividend, lien, forfeiture, restrictions on transfer and transmission of Equity Shares or debentures and/or on their consolidation/splitting are detailed below. Please note that each provision herein below is numbered as per the corresponding article number in our Articles and capitalized / defined terms herein have the same meaning given to them in our Articles. Subject to our Articles, any words or expression defined in the Companies Act, 2013 shall, except so where the subject or context forbids; bear the same meaning in these Articles.

The Articles of Association of our Bank comprises two parts, Part A and Part B, which parts shall, unless the context otherwise requires, co-exist with each other. In case of any inconsistency or contradiction, conflict or overlap between Part A and Part B, the provisions of Part A shall, subject to applicable Law, prevail and be applicable. However, Part A shall automatically terminate and cease to have any force and effect from the date of listing and trading of the Equity Shares on a recognized stock exchange in India pursuant to an initial public offering of the Equity Shares of our Bank, without any further corporate action by our Bank or by the shareholders and Part B shall continue to be in effect.

PART A

Part A and Part B of the Articles of Association of our Bank provide for rights and obligations of the parties to the investment agreement dated February 20, 2018, as amended by the amended and restated investment agreement dated October 15, 2018 entered into between the Bank and FIHM. Until the commencement of listing and trading of the equity shares of our Bank on BSE Limited and/or National Stock Exchange of India Limited, in case of any inconsistency between Part A and Part B of the Articles, the provisions of Part A shall prevail over Part B.

Part A of the Articles of Association shall terminate and shall be deemed to fall away without any further action immediately on the commencement of listing and trading of the equity shares of our Bank on BSE Limited and/or National Stock Exchange of India Limited in accordance with applicable laws and Part B shall continue to be in effect.

PART B

Capital

5. (a) The Authorized Capital of the Company shall be as stated in clause 5 of the Memorandum of Association.
- (b) Subject to the provisions of Sections 47, 48 and 55 of the Act, and the provisions of the Banking Act, any shares in the Company may be issued with such preferred or other special rights, or such restrictions, whether in regard to dividend or repayment of Capital or both, as the Company may from time to time by resolution determine, and any preference shares may be issued on the terms that they are, or at the option of the Company are liable, to be redeemed or converted into equity shares on such terms and conditions and in such manner as may be determined by the Company in General Meeting.

Provided that:

- (i) no such shares shall be redeemed except out of the profits of the Company which would otherwise be available for dividend or out of the proceeds of a fresh issue of shares made for the purposes of such redemption;
- (ii) no such shares shall be redeemed unless they are fully paid;
- (iii) where such shares are proposed to be redeemed out of the profits of the Company, there shall, out of such profits, be transferred, a sum equal to the nominal amount of the shares to be redeemed, to a reserve, to be called the Capital Redemption Reserve Account, and the provisions of the Act relating to reduction of share capital of a Company shall, except as provided in section 55 of the Act, apply as if the Capital Redemption Reserve Account were paid-up share capital of the Company.

Shares to be under control of Board

10. Subject to the provisions of the Act and these presents, the shares in the capital of the Company for the time being (including any shares forming part of any increased capital of the Company) shall be under the control of the Board who may issue, allot or otherwise dispose of the same or any of them to such persons in such proportion and on such terms and conditions and either at a premium or at par or at a discount and at such times or in such other manner as they may from time to time think fit and proper. Subject to the provisions of the Act, the Board is also empowered to give to any person or persons the option or right to call for any shares either at par or premium or at a discount, during such time and for such consideration as the Board thinks fit. Provided that option or right to call for shares shall not be given to any person or persons without the sanction of the Company in the General Meeting. The Board may also issue depository receipts whether domestic or foreign, with shares as underlying security.

Share Certificates

23. (a) The Company shall, unless prohibited by any provision of law or any order of Court, Tribunal or other authority, deliver the certificates of all securities allotted, transferred or transmitted –
- (i) within a period of two months from the date of allotment, in the case of any allotment of any of its shares;
- (ii) within a period of one month from the date of receipt by the Company of the instrument of transfer or, as the case may be, of the intimation of transmission, in the case of a transfer or transmission of securities;
- (iii) within a period of six months from the date of allotment in the case of any allotment of debenture.

Provided that every person subscribing to securities offered by the Company shall have the option either to receive the share/ security certificates or to hold shares/ securities in a dematerialised form.

Provided that where the securities are dealt with in a Depository, the Company shall intimate the details of

allotment of securities to Depository immediately on allotment of such securities.

Notwithstanding anything contained above, the certificates in respect of all securities allotted, transferred or transmitted will be delivered within such other shorter period as may be required by stock exchanges where the securities of the Company are listed.

Forfeiture and Lien

50. The Company shall have no lien on its fully-paid shares. In the case of partly paid-up shares, the Company's lien, if any, will be restricted to moneys called or payable at a fixed time in respect of such shares. The Company shall have a first and paramount lien upon all the shares/debentures (other than fully paid-up shares/debentures) registered in the name of each member (whether solely or jointly with others) and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called or payable at a fixed time in respect of such shares/debentures and no equitable interest in any share shall be created except upon the footing and condition that this Article will have full effect and such lien shall extend to all dividends and bonuses from time to time declared in respect of such shares/debentures. Unless otherwise agreed, the registration of a transfer of shares/debentures shall operate as a waiver of the Company's lien if any, on such shares/debentures. The Directors may at any time declare any shares/debentures wholly or in part to be exempt from the provisions of this clause.

Transfer and Transmission of Shares

54. A common form of transfer shall be used. The Company shall not register a transfer of securities of the Company, other than the transfer between persons both of whose names are entered as holders of beneficial interest in the records of a depository, unless a proper instrument of transfer/common form of transfer as prescribed in the Rules made under sub-section (1) of Section 56 of the Act, duly stamped, dated and executed by or on behalf of the transferor and the transferee and specifying the name, address and occupation, if any, of the transferee has been delivered to the Company by the transferor or the transferee within a period of sixty days from the date of execution, along with the certificate relating to the securities, or if no such certificate is in existence, along with the letter of allotment of securities:

Provided that where the instrument of transfer/ common form of transfer has been lost or the instrument of transfer/ common form of transfer has not been delivered within the prescribed period, the Company may register the transfer on such terms as to indemnity as the Board may think fit. No instrument of transfer/ common form of transfer shall be necessary as regards transfer of shares or other securities held in dematerialized form and such transfers shall be registered in accordance with the applicable regulations of the Depositories Act;

Provided that where on an application in writing made to the Company by the transferee and bearing the stamp required for an instrument of transfer, it is proved to the satisfaction of the Board that the instrument of transfer signed by or on behalf of the transferor and by or on behalf of the transferee has been lost, the Company may register the transfer on such terms as to indemnity as the Board may think fit.

64. Any person becoming entitled to any share in consequence of the death, lunacy, bankruptcy or insolvency of any Member or by any lawful means other than by a transfer in accordance with these presents, may, with the consent of the Board (which they shall not be under any obligation to give) upon producing such evidence that he sustains the character in respect of which he proposes to act under this Article or of his title as the Board shall require, either be registered as a Member in respect of such shares or may subject to the regulations as to transfer contained in these presents transfer such shares to some other person. This Article is in these presents referred to as the "Transmission Clause".

Increase, Reduction and Alteration of Capital

70. Subject to the provisions of said Acts, the Company may from time to time increase its share capital by such sums to be divided into shares of such amount, as may be specified in the resolution issuing new shares.

71. Subject to the provisions of the Act and these presents, the new shares (except such of them as shall be unclassified shares subject to the provisions of Article 12) shall be issued upon such terms and conditions and with such rights and privileges annexed and in particular such shares may be issued with a preferential or qualified right to dividends and in distribution of the assets of the Company.
72. Subject to the provisions of the Act and these presents, the new shares (resulting from an increase of capital as aforesaid) may be issued or disposed of by the Company in General Meeting or by the Board under their powers in accordance with the provisions of Articles 10, 11, 12, 13 and the following provisions:-
- (a) (i) Such new shares may be offered to persons who, at the date of the offer, are holders of equity shares of the Company in proportion, as nearly as circumstances admit, to the paid-up share capital on those shares by sending a letter of offer.
- (ii) The offer shall be made by notice specifying the number of shares offered and limiting a time not being less than fifteen days and not exceeding thirty days from the date of the offer within which the offer, if not accepted, shall be deemed to have been declined;
- (iii) The offer aforesaid shall include a right exercisable by the person concerned to renounce the shares offered to him or any of them in favour of any other person; and the notice referred to in aforesaid clause shall contain a statement of this right;
- (iv) After the expiry of the time specified in the notice aforesaid, or on receipt of earlier intimation from the person to whom such notice is given that he declines to accept the shares offered, the Board of Directors may dispose of them in such manner which is not dis-advantageous to the shareholders and the Company; or

Provided that the right of the renounees for the share allotment shall be subject to the right of refusal by the Board under Article 57 (b), (c) and (d) of these Articles in the same manner as applicable to transfer of shares, and further subject to other terms and conditions, if any, whatsoever as may be decided by the Company in General Meeting or by the Board of Directors and stipulated in the terms of issue.

- (b) The new shares may be offered to employees under a scheme of employees' stock option, subject to special resolution passed by the Company and on satisfying other conditions as prescribed by the Act and the Rules, Guidelines and other regulations made in this regard under any of the laws.
- (c) The new shares may also be offered to any persons, whether or not such persons include persons mentioned in clause (a) and (b) of this Article, if it is authorised by a special resolution, either for cash or for consideration other than cash, if the price of such share is determined by the valuation report of a registered valuer, and such other conditions as prescribed by the Act and the Rules, Guidelines and other regulations made in this regard under any of the laws are satisfied.
- (d) Nothing in this article shall apply to the increase of the subscribed capital of the Company caused by the exercise of an option attached to the debentures issued or loans raised by the Company to convert such debentures or loans into shares in the Company.

Provided that the terms of issue of such debentures or loan containing such an option have been approved before the issue of such debentures or the raising of loan by a special resolution passed by the Company in general meeting.

- (e) Notwithstanding anything contained in sub-article (d), debentures issued to or loan obtained from any Government by the Company or any part thereof may be converted into shares in the Company even if terms of the issue of such debentures or the raising of such loans do not include a term for providing for an option for such conversion, in accordance with the provisions of section 62 of the Act, and where such conversion has the effect of increasing the authorised share capital of the Company, the memorandum of association of the Company shall stand altered and the authorised share capital of the Company shall

stand increased by an amount equal to the amount of the value of shares which such debentures or loans or part thereof has been converted into.

74. Subject to the provisions of section 61 of the Act and Rules thereto, the Company may alter the condition of shares as contained in its Memorandum and Articles of Association as follows:
- (a) increase its authorised share capital by such amount as it thinks expedient;
 - (b) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
 - (c) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;
 - (d) sub-divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum;
 - (e) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

Buy – Back of Shares

75. Subject to the provisions of the Act and the Rules and regulations as may be issued / notified by competent authority, the Company may buy back its own shares or other securities.

Reduction of Share Capital

76. The Company may, reduce its share capital in accordance with relevant statutory provisions that may be in force at the time of reduction.

Anti – dilution

77. Notwithstanding anything contained under these Articles and unless otherwise agreed to in writing by the Company and the Majority Shareholder, the Company shall not, at any time after the Completion Date and until the Fall Away Date, issue any Equity Securities of any type or class to any Person (“**Proposed Issuance**”) unless the Company has offered the Majority Shareholder the right to subscribe for up to such number of Equity Securities as would result in the percentage of the Majority Shareholder’s shareholding in the Company immediately following the completion of the Proposed Issuance, on a Fully Diluted Basis, being maintained at the same percentage as the percentage of the Majority Shareholder’s shareholding in the Company immediately prior to the completion of the Proposed Issuance, on a Fully Diluted Basis (“**Majority Shareholder’s Pro Rata Share**”) in accordance with Article 77 to Article 78. The Majority Shareholder may, subject to applicable Law, choose to exercise such right itself or through renunciation in favour of an Affiliate.
78. Process
- (a) Unless otherwise agreed to in writing by the Company and the Majority Shareholder, the Company shall, no later than 30 (thirty) Business Days prior to the date on which the Proposed Issuance is intended to be undertaken, deliver to the Majority Shareholder written notice (“**Offer Notice**”) in relation to the Proposed Issuance setting forth (i) the number, type and terms of the Equity Securities proposed to be issued pursuant to the Proposed Issuance (“**New Securities**”), including the subscription consideration payable for the subscription for such New Securities, and (ii) the number of New Securities that represents the Majority Shareholder’s Pro Rata Share of the Proposed Issuance and for which the Majority Shareholder is entitled to subscribe.
 - (b) Unless otherwise agreed to in writing by the Company and the Majority Shareholder, the Majority Shareholder may, if it elects to exercise its rights under Article 77 and Article 78, deliver a written notice

to the Company, within 15 (fifteen) Business Days from the date of the Offer Notice (“**Offer Period**”), specifying the number of New Securities to be subscribed for the Majority Shareholder and the aggregate subscription price payable by the Majority Shareholder for the subscription to such New Securities. The Company and/or the Majority Shareholder, as the case may be, shall apply for and obtain all such consents as may be applicable, and take all necessary corporate actions as may be required to issue the New Securities that the Majority Shareholder has elected to subscribe for to the Majority Shareholder within 30 (thirty) Business Days from the date of the Offer Notice, and in any event simultaneously with the completion of the issuance of New Securities to any other Person pursuant to the Proposed Issuance.

- (c) Unless otherwise agreed to in writing by the Company and the Majority Shareholder, if the Majority Shareholder does not elect to subscribe for all of the New Securities representing the Majority Shareholder’s Pro Rata Share of the Proposed Issuance, the Company may, at its election following the expiration of the Offer Period and within a period of 3 (three) months from the date of the Offer Notice, issue any remaining New Securities that the Majority Shareholder has not elected to subscribe for to any Person pursuant to the Proposed Issuance at a price and upon terms not more favourable to the such Person than those contained in the Offer Notice. In the event the Company has not completed the Proposed Issuance within 3 (three) months from the date of the Offer Notice, the Company shall not thereafter issue any Equity Securities to any Person without first being required to re-offer the Majority Shareholder the right to subscribe to such Equity Securities in accordance with Article 77 and Article 78.
79. Issuance of equity shares pursuant to the ESOP Plans. Unless otherwise agreed to in writing by the Company and the Majority Shareholder, in the event that the Company proposes to issue any equity shares pursuant to the exercise of any employee stock options under the ESOP Plans, such issuance of equity shares shall also be deemed a Proposed Issuance, and the Company shall be required to comply with the provisions of Article 77 and Article 78, provided that in such instance, the price at which the Investor shall be entitled to subscribe to the Majority Shareholder’s Pro Rata Share of the Proposed Issuance shall be the fair market value of such equity shares.

Borrowing Powers

82. Subject to the relevant provisions of the said Acts, the Board of Directors may from time to time, by a resolution passed at a meeting of the Board, borrow monies and may generally raise and secure the payment of such sum or sums in such manner and upon such terms and conditions in all respects as they think fit and in particular by the issue of bonds, perpetual or redeemable debentures or debenture stock or promissory notes or any other instruments by creating any mortgage or charge or other security on the undertaking or the whole or any part of the property or undertaking of the Company, both present and future.

Provided that the Board shall not borrow monies, where monies to be borrowed together with the monies borrowed by the Company, apart from temporary loans obtained in its ordinary course of business and except as otherwise provided hereafter, shall exceed the aggregate of the paid-up capital of the Company, its free reserves, that is to say, reserves not set apart for any specific purpose and securities premium, except with the sanction of the company in General Meeting:

Provided, further, that:

- (a) nothing contained hereinabove shall apply to any sums of monies borrowed by the Company from any other banking companies or from the Reserve Bank of India, State Bank of India or any other bank established by or under any law for the time being in force;
- (b) acceptance by the Company in the ordinary course of business of deposits of monies shall not be deemed to be borrowing of monies by the Company for the purpose aforesaid.

Meetings

87. The Company shall, in each year, hold, in addition to any other meetings, a general meeting which shall be styled as its “Annual General Meeting” in accordance with the provisions of Section 96 of the Act.
88. All General Meetings other than Annual General Meetings shall be called Extraordinary General Meetings.
89. The Board of Directors may, whenever they think fit, and shall, on the requisition of such number of Members of the Company as is specified in sub-article (c) of this Article forthwith proceed and call an Extraordinary General Meeting of the Company and in case of such requisition the following provisions shall apply:
- (a) The requisition shall set out the matters for the consideration of which the meeting is to be called, shall be signed by the requisitionists and shall be deposited at the Registered Office of the Company or by electronic means.
 - (b) The requisition may consist of several documents in like form, each signed by one or more requisitionists.
 - (c) The number of Members entitled to requisition a meeting with regard to any matter shall be such number of them as hold at the date of the receipt of the requisition by the Company, not less than one-tenth of such of the paid-up capital of the Company as at that date carries the right of voting in regard to that matter.
 - (d) Where two or more distinct matters are specified in the requisition, the provisions of sub-article (c) above shall apply separately in regard to each such matter and the requisition shall accordingly be valid only in respect of those matters in regard to which the condition specified in that sub-article is fulfilled.
 - (e) If the Board does not, within 21 days from the date of the receipt of a valid requisition in regard to any matters, proceed duly to call a meeting for the consideration of those matters on a day not later than 45 days from the date of the receipt of the requisition, the meeting may be called and held by the requisitionists themselves or by such of the requisitionists as represent either a majority in value of the paid-up share capital held by all of them or not less than one-tenth of such of the paid-up share capital of the Company as is referred to in sub-article (c) above, whichever is less. However, for the purpose of this sub-article, the Board shall, in the case of a meeting at which a resolution is to be proposed as a Special Resolution, give such notice thereof as is required by the Act.

Directors

128. Unless otherwise agreed to in writing by the Company and the Major Shareholder, and other than the Directors appointed by the Reserve Bank of India pursuant to section 36AB of the Banking Act, if any, the Board of Directors shall consist of a maximum of 7 (seven) directors, including the Majority Shareholder Directors, 4 (four) of which Directors shall be independent directors. Not less than fifty one percent of the total number of directors shall be persons who satisfy the conditions laid down in Section 10A of the Banking Act.
131. (a) Unless otherwise agreed to in writing by the Company and Majority Shareholder, for as long as the Majority Shareholder holds such number of Equity Securities as represents at least 15% (fifteen per cent) of the Equity Share Capital on a Fully Diluted Basis, the Majority Shareholder shall have the right to nominate to the Board of Directors, 2 (two) Directors (collectively, the “**Majority Shareholder Directors**”). The Majority Shareholder Directors nominated to the Board will be required to comply with such provisions as may be applicable to non-executive Directors of a banking company in India under applicable Law. The Majority Shareholder Directors, if required to retire by rotation under the Act, shall retire by rotation and shall be eligible for re-appointment to the Board in accordance with the

provisions of the Act.

- (b) The Majority Shareholder Directors shall be non-executive Directors, who shall have no responsibility for the day-to-day management of the Company.
148. Subject to the provisions of the said Acts and these presents, the Board of Directors of the Company shall be entitled to appoint from time to time, one or more of the Directors to act as Part-time Chairman or a Managing Director or Managing Director(s) and/or Whole-time Director or Whole-time Director(s) of the Company for such term not exceeding five years at a time as the Board of Directors may think fit, but shall be eligible for re-appointment. Subject to provisions of any contract between him / them and the Company, the Board may also remove or dismiss him or them from office and appoint another in his / their place. The Managing Director shall be the Chief Executive Officer of the Company under its whole time employment, and shall be entrusted with the management of the whole of the affairs of the Company. Subject to the provisions of the said Acts and these presents, the Part time Chairman or the Managing Director or Whole-time Director shall not, while he continues to hold that office, be subject to retirement by rotation but he shall be subject to the provisions of any contract between him and the Company and be subject to the same provisions as to disqualification, removal, vacation or resignation of office of director as are applicable to the other Directors of the Company and he shall ipso facto and immediately cease to be Part time Chairman or Managing Director or Whole-time Director if he ceases to hold the office of Director from any cause.

Nomination and Remuneration Committee

157. (a) Unless otherwise agreed to in writing by the Company and the Majority Shareholder, as long as the Majority Shareholder holds such number of Equity Securities as represents at least 15% (fifteen per cent) of the Equity Share Capital on a Fully Diluted Basis, at least one of the members of the Nomination and Remuneration Committee constituted by the Board (“**NRC**”) shall be a Majority Shareholder Director.
- (b) Notwithstanding anything contained in these presents and unless otherwise agreed to in writing by the Company and the Majority Shareholder, for as long as the Majority Shareholder holds such number of Equity Securities as represents at least 15% (fifteen per cent) of the Equity Share Capital on a Fully Diluted Basis (i) all decisions in relation to the appointment, termination or replacement of any Directors, key managerial personnel (as defined under the Act), officers or senior executives of the Company, or any alteration in the terms of their appointment or engagement (“**NRC Matters**”), shall, require an approval from a majority of the members of the NRC including an approval from the Majority Shareholder Director; and (ii) any matter which constitutes an NRC Matter may only be tabled for the Board for consideration if such matter has first been tabled before the NRC, approved by the NRC and thereafter referred to the Board for approval by the NRC.

Restrictions regarding Inspection

173. (a) The Board shall from time to time determine whether and to what extent and at what time and places and under what conditions and regulations the accounts and books of the company or any of them shall be open to the inspection of members other than directors. No member other than a director shall have any right of inspecting any account or books or documents of the company except as conferred by law or authorized by the Board or the company in general meeting.
- (b) Notwithstanding anything contained in Article 173(a) and unless otherwise agreed to in writing by the Company and the Majority Shareholder, the Company shall (i) reasonably cooperate, and shall cause its respective subsidiaries, officers, employees, and auditors to reasonably cooperate in preparing and auditing, as applicable, at the expense of the Majority Shareholder, any financial information that Majority Shareholder or any of its Affiliates may request in connection with filings required under the applicable securities laws in their respective jurisdictions or in connection with any tax filings of Majority Shareholder or any of its Affiliates; and (ii) procure that all information as may be required to

be provided to the Majority Shareholder and/or their respective Affiliates, shall be provided by the Company, in the manner and in accordance with the terms agreed to between the Company and the Majority Shareholder in writing.

Dividends

181. Subject to the provisions of the said Acts, the Company in General Meeting may declare a dividend to be paid to the Members according to their respective rights and interests in the profits and may fix the time for payment.
182. No larger dividend shall be declared than is recommended by the Board but the Company in General Meeting may declare a smaller dividend. Subject to the provisions of the Act, no dividend shall be payable except out of (a) the profits of the company for that year arrived at after providing for depreciation, (b) the profits of the company for any previous financial year or years arrived at after providing for depreciation and remaining undistributed, (c) as otherwise provided for under the Act, or (d) any or all of the above. The declaration of the Directors as to the amount of the net profits of the Company shall be conclusive.
183. Subject to the provisions of the said Acts and these presents, the Board may from time to time pay to the Members interim dividend during any financial year or at any time during the period from closure of financial year till holding of the annual general meeting out of the surplus in the profit and loss account or out of profits of the financial year for which such interim dividend is sought to be declared or out of profits generated in the financial year till the quarter preceding the date of declaration of the interim dividend.

In case the company has incurred loss during the current financial year up to the end of the quarter immediately preceding the date of declaration of interim dividend, such interim dividend shall not be declared at a rate higher than the average dividends declared by the company during the immediately preceding three financial years.

188. Subject to the relevant provisions in the Act as in force, if the Company has declared a dividend but which has not been paid or claimed within 30 days from the date of declaration to any shareholder entitled to the payment of the dividend, the Company shall, within seven days from the date of expiry of the said period of 30 days, transfer the total amount of dividend which remains unpaid or unclaimed within the said period of 30 days, to a special Unpaid Dividend account to be opened in that behalf in any scheduled bank.

Winding Up

204. For winding up of the Company, the provisions contained in the Banking Act will apply and the provisions of the Act will also apply to the extent to which they are not varied or inconsistent with the Banking Act.

Indemnity

206. Subject to the provisions of applicable Law, the Company shall indemnify, defend and hold harmless each of the Directors promptly upon demand at any time and from time to time, from and against any and all Losses to which the Directors may become subject, including Losses pursuant to any Claim against the Directors or to which the Directors are made a party, insofar as such Losses arise out of, in any way relate to, or result from the Directors' holding a position on the Board and Committees and/or otherwise from the Directors' current or past association with the Company.
